Andre Lupescu fired a massive wave of snow, ice, and darkness that hit Gavinda Teach, and then, we joined in.

But, before we could attack her again, Akhenaten hit by blasts of fire, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long red hair and red hair band, blue eyes, massive fire-colored angel wings, she has Witchcrafter Schmietta on her forehead and right arm, white short-sleeved blouse, red sleeveless strapless dress top, white gloves, red skirt with Witchcrafter Schmietta on it, red knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, fire, swords, magic, phoenixes, and angels on the coattails, and on the back is Witchcrafter Schmietta, she has a fire greatsword in her right hand, and with her are the ninety-three girls.

Lincoln: (GASPS) Laura Daniels, Avatar and Gene-Slammer of Witchcrafter Schmietta.

Laura Daniels: That's right, and I got the girls away from that powerhungry pharaoh, now it's time to end him.

Lincoln: Okay. Now, let's finish Akhenaten off.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS AKHENATEN AS HE WAS SENT UP INTO THE AIR AND HE ALSO GOT BURNED BAD!

Me: WHOA! DAMN!

Nico: That's still as brutal as ever.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Akhenaten, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at her, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON AKHENATEN! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT AKHENATEN WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen to you when we kill you.

Then, Andre Lupeau went after Akhenaten and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at Akhenaten which hit him hard.

Lincoln continued smashing Akhenaten hard with his extremely massive godly superhuman strength, and he was outmatched due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he's continuing to smash Akhenaten all over the place!

Then, Lincoln morphed the tips of his fifty massive and long brown wolf tails into Cell's stingers and he stabbed them into Akhenaten, and he began absorbing him and he assimilated Akhenaten's vast cosmic power to manipulate energy, matter and reality, travel through time, pierce dimensional barriers, make large groups of heroes disappear with a nod, kill a whole gathering of skyfathers with an energy blast, near omniscience, and superhuman senses, along with the jewel, The Heart of The Universe, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Akhenaten and Lincoln drained Akhenaten's soul of dry of every last ounce of power and energy and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla, and we saw The Heart of The Universe appear embedded in the 10'6" massive, wide, double-edged gold blade of Lincoln's greatsword. We cheered as we holstered our weapons and powered down and we headed back to The World Tree Estate.

Lincoln: Rot in The Black Abyss, Akhenaten. Your reign is over.

Eli: That'll teach him.

Me: Plus, you now have The Heart of The Universe embedded in your sword along with The Infinity Stones same with me.

Nico: And only you are able to use it.

Lincoln: Along with the powers of The Infinity Stones, but at least, we're rid of Akhenaten for good. (To Laura Daniels) And it's so good to see you again, Laura.

Laura Daniels: You too, Lincoln, it's been eight years since we last met.

Suddenly, Laura Daniels had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Laura Daniels was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he

had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Laura Daniels: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Laura Daniels and hugged her, and Laura Daniels is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and forty-nine other sets of large angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, fifty massive and longer brown wolf tails with rainbow markings and rainbow tips, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire

Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Laura Daniels: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 11'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and forty-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and fifty massive and long brown wolf tails with rainbow markings and rainbow tips, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Laura Daniels, Avatar and Gene-Slammer of Witchcrafter Schmietta, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of fire, blacksmithing, and magic. She's the Blacksmith of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Laura Daniels met Lincoln, and this one time, she and Lincoln created and forged many swords, knives, daggers, and greatswords of incredible quality, and they were featured in art galleries over the United States. Plus, she really helped him with mastering the powers of fire, blacksmithing, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Dark Sebastian with a blazing passion because he tried to destroy the swords, daggers, knives, and greatswords and he also tried to kill them to slake his thirst for blood. But, Laura Daniels and Lincoln slashed Dark Sebastian all over the place with their greatswords and they sent him running back to Hell and they warned him if he ever stepped out of Hell again, they were gonna kill him and make sure he dies a painful death for all his crimes.

Nico: We heard about that yesterday, and we're already at war with Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas.

Laura Daniels: I heard about that along with what that lunatic had done. Well, we're gonna show that psychotic monster what happens when you try to piss off the wrong heroes.

Lincoln: Especially me, and it'll also send a warning to Malphas as well. Ever since the war began on May 5th, we've not only gone to war against Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas, but also, the evils of Malphas as well.

Brittney: Malphas has caused a lot of pain and suffering whenever some foolhardy person tries to summon him into our world, and we already know the result of it.

Selena Mendez: With what happened to my former parents and to my brother. (GROWLS) I'm so mad at my parents, I feel like using The Dragon of The Darkness Flame on him! And before anyone asks, I did learn how to use that technique when I got my powers from The Nightflame Sun of Nyx.

Hiei: Normally, that takes a lot of training. But, you were driven to put a stop to your brother and the thing inside him, but you realize there's a risk: if you were to use The Dragon of The Darkness Flame on your possessed brother, you risk losing your brother forever, Selena.

Lincoln: She knew, but she didn't take the risk of using it. But, when we face Dark Sebastian, Selena has something planned to get rid of him while I use The Dragon of The Darkness Flame on Alaister Necroshade.

Me: Uh oh, and since you have the powers of Selena and her group, The Hunters of The Nightflame Sun, I can guess it's gonna end badly. But, let me also join in too, Alaister's been a plague to too many innocent people for far too long, and it's high-time he dies for good.

Lincoln: Of course, he's also your old enemy too, but for him and his siblings to team up with Dark Sebastian and The Order of The Dark Universe, that's low even for him, but he'll get what he deserves very soon, and now that you're here, Laura.

Lincoln with his massive muscular arms still wrapped around Laura Daniels' waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and forty-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings then spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Laura Daniels: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Laura Daniels with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Laura Daniels: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Laura Daniels.

Laura Daniels had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Laura Daniels' waist, and he leaned down to her face and kissed her on the lips, and with Laura Daniels' hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Laura Daniels had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Laura Daniels: (In Heaven) My God. Oh, Lincoln, tell the boys to run and hide in their rooms, the ninety-three girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the ninety-three girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the ninety-three girls are Alberta, Alina, Alizee, Amina, Amora, Amy, Angela, Annette, Astarte, Billie, Blair, Camille, Caroline, Christina, Clara, Dolly, Elva, Emily, Esther, Evelyn, Flora, Freya, Geneva, Giselle, Grace, Haley, Harlee, Iris, Joyce, Juliana, Kahve, Kaia, Kate, Katherine, Kirsten, Lilian, Lilly, Little Reislin, Louisa, Lucy, Luna, Mabe, Maeve, Mako, Margaret, Mina, Nova, Roselyn, Ruby, Saika, Scarlett, Sherry, Sofia, Tashia, Tia, Una, Venus, Violet, Vivian, Winni, Zoey, Abby, Alice, Bonnie, Cecilia, Chris, Crystal, Elizabeth, Ellen, Emma, Erica, Hazel, Ingrid, Jessie, Jodie, Kirara, Kylie, Maggie, Monica, Natalia, Nydia, Patti, Rachel, Rayna, Sarah, Sylvia, Taylor, Tiffany, Winona the White-Horn Unicorn, Fanny, Pamela, Phyllis, and Priscilla from Project QT.

Lincoln: And prime targets for perverts, which means if I see one pervert lurking anywhere near here, I'll send them flying out of here and into a jail cell. Are you girls okay?

Priscilla: Yes, we're okay, thanks to you.

Then, when Alberta and the other ninety-two girls saw who it was that saved them from Akhenaten, their faces turned atomic red upon seeing the 11'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and gold version of The Trinity Mirror behind the gold halo, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero

Alberta: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ninety-two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and forty-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Astarte: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ninety-three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alberta, Alina, Alizee, Amina, Amora, Amy, Angela, Annette, Astarte, Billie, Blair, Camille, Caroline, Christina, Clara, Dolly, Elva, Emily, Esther, Evelyn, Flora, Freya, Geneva, Giselle, Grace, Haley, Harlee, Iris, Joyce, Juliana, Kahve, Kaia, Kate, Katherine, Kirsten, Lilian, Lilly, Little Reislin, Louisa, Lucy, Luna, Mabe, Maeve, Mako, Margaret, Mina, Nova, Roselyn, Ruby, Saika, Scarlett, Sherry, Sofia, Tashia, Tia, Una, Venus, Violet, Vivian, Winni, Zoey, Abby, Alice, Bonnie, Cecilia, Chris, Crystal, Elizabeth, Ellen, Emma, Erica, Hazel, Ingrid, Jessie, Jodie, Kirara, Kylie, Maggie, Monica, Natalia, Nydia, Patti, Rachel, Rayna, Sarah, Sylvia, Taylor, Tiffany, Winona the White-Horn Unicorn, Fanny, Pamela, Phyllis, and Priscilla with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one intense battle.

May: That's for sure, but we got rid of Akhenaten for good.

Lincoln: And he won't hurt anyone ever again.

Nico: That's for sure, but I don't think this was one of Dark Sebastian's stunts.

Me: It wasn't, but Akhenaten was a dangerous villain who needed to go. But, this won't be the last time Dark Sebastian tries anything like this.

Eli: He'll try again, but we'll be ready for that psychopath and those other packs of snakes.

Selena Mendez: Especially today. We'll make sure Morag and Belial both die here and now and fulfill the first part of The Prophecy of The Reincarnation of Amaterasu.

Camie Elextor: And it'll also send a huge message to Malphas in Hell telling him that we're getting rid of his minions once and for all.

Varie Yulinova: We've had it with The Order of The Dark Universe and The Dark Church of Malphas, this time, both Satanic orders will be destroyed forever.

After Lincoln and all of us took down Akhenaten and Lincoln absorbed him and sent him to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Laura Daniels saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get fifty massive and long brown wolf tails even more stronger than ever and massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Laura Daniels: My God, I was right that Lincoln's really grown into an 18-year-old 11'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his fifty massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Laura, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Laura Daniels: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really

huge, really strong, and really powerful wolf man we know today.

Laura Daniels: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Timothy Maddock got out a videotape.

Timothy Maddock: Okay, now this tape I have here, this was from three months after the zombie nightmare, and my niece and her friends were in New York investigating about a dark angel in the city not knowing that dark angel was Caleb Maxwell, and they decided to find out everything about him, but their investigation would lead to an encounter with him.

Timothy Maddock put the tape in and it played on the big screen, and it showed New York during the daytime and it's been three months since the zombie nightmare.

Past Tucker Williams: Ah, we're here in New York.

Past Denver: This is really awesome.

Past Racheal: We're going to be taking in some awesome sightseeing of the city.

Past Alex Maddock: (British Accent) That'll be for after our next assignment, there's been reports of a dark angel that's been killing criminals since 1996, and there's a reason why we're also here in New York: this place also has a strong concentration of vampires here.

Past Tucker Williams: They're attracted to big cities, but this is different here in New York. Okay, we'll need to speak with some of the locals of the city.

They went around the city and began speaking with the locals about this dark angel, but the locals of New York were a little dodgy.

Past Alex Maddock: (British Accent) Okay, something's up, the locals here are a little dodgy about the dark angel here.

Past Tucker Williams: I've noticed it. Well, we're gonna need to do some digging around on our own.

Past Denver: But, where do we start?

Past Racheal: Right.

?: YOU BITCH, I'M FINALLY GOING TO KILL YOU!

?: SCREW YOU, DRAKE!

Past Alex Maddock: (British Accent) Oh crud, we got trouble.

The Starfire Agency went to the direction of the voices and they saw Allie Maxwell fighting her evil ex-older brother, Drake Maxwell, former second-in-command of The

Syndicate and the former younger brother and murderer of Caleb Maxwell.

Past Allie Maxwell: You really don't know when to quit, do you, Drake?! You're an absolute headache to deal with!

Past Drake Maxwell: SCREW YOU, BITCH! I'LL KILL YOU!

?: (German Accent) Seriously, even after all this time, you're still the same as ever.

Suddenly, Drake Maxwell was grabbed by the hood of his hoodie by a hand appearing from the shadows and he was thrown right into some trash cans. Then, the shadow emerged, it was Victor Bristow.

Past Victor Bristow: (German Accent) If I were you, you better leave right now. (Smirks) Don't you have a bigger problem to deal with?

Suddenly, the skies were turning red: that was the sign of Caleb Maxwell about to show up, and Drake Maxwell ran away, and Allie Maxwell ran back home as well.

Past Alex Maddock: (British Accent) Hey, wait! Ugh!

Past Victor Bristow: (German Accent)(Smirks) You thought you could head to New York not knowing this city's also a home for vampires without any help.

Past Tucker Williams: Alex said New York is where the majority of the vampires are at. But, you seem to know something about this when we saw the skies turn red, Victor.

Past Alex Maddock: (British Accent) He's right, and as much as it's going to hurt me, we need some help from you.

Past Tucker Williams: Plus, you wanted nothing to do with punishing Alex for what her ancestors had done in the past, so that makes you an easy go-to person with anything that deals with vampires.

Past Victor Bristow: (German Accent) Well..., okay, I will help. But, I've got to warn you, this isn't a pretty picture.

They followed Victor, and he met up with a female vampire at a local nightclub.

Female Vampire: So, you're here about the details about this dark angel, right? Well, let me ask you this, have you heard about the case of a young man who got murdered on Halloween Night in 1985?

Past Denver: We did, a young man was murdered in 1985 around the same time as...!

Past Victor Bristow: (German Accent) The Hallowshade Bloodbath.

Past Tucker Williams: But, that was twelve years ago, is there a connection to those cases?

The female vampire got out the drawing of a vampiric like cross.

Female Vampire: The cross you see here belongs to your dark angel, and the young man's name is Caleb Maxwell. He was a young man who has a secret: his mom, Marlene Maxwell, and her relatives became part of the world of the vampires since 1945 because her parents saved a vampire from the blackhearted relatives of her ex-husband, Marcus Maxwell. Instead of wiping their minds of that day, The Council instead made them part of our world forever, the cross is a physical mark representing their eternal ties to us, making them the first humans to become part of our world.

Past Alex Maddock: (British Accent) No way...!

Female Vampire: And as for the story of Caleb Maxwell, his story was one that's basically a descent into darkness. Caleb started out in life as any other mortal: a happy life with two parents and three siblings. But, then, as Caleb grew up, things took a dark turn, his younger brother, Drake Maxwell, turned from a good brother into a ruthless monstrous bastard who enjoyed going on rampages and even physically attacking his brother, Caleb, and he suffered the majority of the abuse on him, and it shortened his lifespan and the doctors said that by the time he turned 21, he would die.

Past Racheal: Jeez, that's brutal.

Female Vampire: It gets far darker, as he got into high school, a lot of the high school students and teachers made him an outcast, not only because of his brother's ruthlessness and evil behavior, but also, the crimes of The Syndicate, a crime organization that once ruled the city and he suffered a lot of abuse and ostracization. But, when Caleb turned 18, he discovered The Syndicate was formed by his father, Marcus Maxwell, and Drake was the second-in-command. Horrified, he turned in all of the evidence to the cops, and Marcus and Drake went on the run. Caleb thought the nightmare was finally over, but he was wrong. As he got into NYU, that's where the real nightmare began. He would experience the loss of friends who at least stood with him, betrayed by those he once considered his friend only to find out their true nature, and finally, running into his brother once again.

Past Alex Maddock: (British Accent) My God.

Past Victor Bristow: (German Accent) And only we vampires knew about this, but Caleb also ran into two vampires who were wanted for the murders of three boys in Kentucky back in 1969, it was there he had the mark on him, and long before that, he went to Yuridia a day following the LaGuardia High School tragedy when he was still in high school, and he'd discovered the heart of the world of the vampires: the world he's belonged to. Caleb's run from those two vampires many times in the past same with running from his insane ex-younger brother, Drake, but no matter what, he always found himself surrounded by the dark forces. This continued on throughout 1984 and 1985, but then, in 1985, he ran for The Hallowshade Bar only to find the patrons and workers dead drained of blood by the two vampires. Then, his brother showed up along with four senior members of The Syndicate and he was gunned down.

Past Racheal: Yikes!

Female Vampire: Eight years had passed since that night, but then, one night in 1993, something had happened. Some unknown force passed through the city, and it led to Caleb returning from the dead as he awakened to a living nightmare as the trauma of his death haunted him and he also awoke to a New York that's changed in the eight years since he died. Some say he disappeared and wasn't seen for three years until 1996, Caleb returned to New York, but all his memories of the past had returned and he had only one thing in his mind: revenge on Drake. He was out for blood, and that led to the rumors of a dark angel killing Drake's men every night.

Past Alex Maddock: (British Accent) Unreal, and that girl we saw, who was that?

Female Vampire: That was Allie Maxwell, Caleb's younger sister. She too also bears the mark, and she knew of her brother's death, and for the last eight years, she worked hard to find a way to avenge her brother's death.

Past Denver: And that guy who tried to kill her was her ex-older brother, Drake Maxwell. But, why did he look like a lowlife thug when he was...?

Female Vampire: Oh, here's where things took a turn for the worst for The Syndicate. After Caleb was killed in 1985, his father, Marcus Maxwell, got the news of what happened to Caleb, and he was mad at Drake and the four senior members of The Syndicate. He cut off all ties with Drake and kicked him out of The Syndicate and he also dismissed the four senior members and they too were cut off from the organization, but this was the beginning of the end for them. The Big Claw Gang had seized all of The Syndicate's operations and revamped them for their own purposes, and they became a powerful crime organization, and The Syndicate was finished. But, to Caleb, it wouldn't be finished.

Past Alex Maddock: (British Accent) Until Caleb got his revenge.

The Starfire Agency left, but unknown to them, they were being watched by Caleb Maxwell who was perched on the roof of a nearby apartment.

Past Caleb Maxwell: So, this agency came here to find out about me? As much as I want to go down there, I'm not risking it. I died twelve years ago and that was my advantage, and if they continue to persist, they're going to regret it.

Caleb Maxwell left as the video ended.

Nico: So, you guys went to New York to investigate about this dark angel not knowing you guys were going to cross paths with Caleb, the "dark angel" you heard about.

Sychar: And they would eventually discover Caleb's past from the vampires that live in New York.

Me: And that explains why you didn't go to Cage and Travis for that answer since they knew Caleb the most.

Victor Bristow: (German Accent) Even so, Cage would've wiped their minds of trying to find out about Caleb.

Cage Blunt: I didn't want to bring up his past, as I said, Caleb had been through enough pain.

Travis Tackett: But, thanks to Caleb's desire for revenge, that got the attention of The Starfire Agency and he almost got caught.

Caleb Maxwell: A mistake on my part, and one that almost cost me the advantage I had. None of the other citizens in New York knew I'd returned, the only ones who knew of it were Mom, Allie, and the vampires, but of course, The Big Claw Gang as well knew of my return, but it would be three years later in 1996 when I left West Virginia after the last bit of my memories called me back to New York.

James Blunt: That's right. When the last bit of your memories returned, that meant it was time.

Caleb Maxwell: Right.

We got a shower, and then, Chazz Princeton and Raine Sage are heading to Bubblaine.

Raine Sage: Ah, we're here in Bubblaine.

Chazz Princeton: Yep, I figured we would get some relaxation because later today, we're going to war against Belial and Morag.

Chazz and Raine had fun swimming in the ocean and meeting the marine life, and they also had a volleyball game. But, then, they saw armies of demons coming after them.

Raine Sage: What the?! Ugh, Dark Sebastian, you lunatic!

But, Lincoln appeared and fired a rain of blades of light from the sky and they killed the demons and sent them to Hell.

Chazz: Nice save.

Lincoln: Thanks. You two continue having fun.

Lincoln teleported back home. Then, a few minutes later, Chazz and Raine came back.

Nico: Hey, guys, how was your date to Bubblaine?

Chazz: It was great, but then, Dark Sebastian ruined that by sending demons after us.

Me: What the? Seriously?! Ugh!

May: (GROWLS) That piece of shit is pissing me off!

Maria: He's pissing all of us off, when will this madness end?!

Lincoln: It's going to end once we kill him for good. But, I managed to kill his army of demons and it sent another warning to him.

Eli: If he wants to play dirty, fine. We'll make things really unbearable for that lunatic and his minions from Hell.

Selena Mendez: But, we don't want to stoop to his level.

Lincoln: I agree, Selena. Besides, he's a lowdown dirty lunatic with no remorse, so we're not going to resort to his level.

Qin: Still, he doesn't know when to quit!

Trudy Lawrence: As if what he and his minions had been doing in the past weren't bad enough, what he did bringing Morag back from The Warp and resurrecting Aggie back from the grave and bringing Belial to Scotland as well crossed a fucking line.

Ellie Singh: That's for sure, and I can't wait to see that lunatic choke on his own blackened blood.

Lincoln: Same here. But, we got to be patient, at the very least we can do is piss him off by killing his minions, hordes of demons, and foiling his plans and driving him mad.

Nico: You said a mouthful.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his fifty massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the big battle against Ultraman Belial and Morag starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yeah!

We were watching TV.

Poromon: Okay guys we're ready to show you.

Me: Okay.

We followed them.

On the surface we were walking.

Octavia Melody: (British Accent) So what is it you guys need to show us?

Poromon: You're going to see now.

We came to a Monorail!

Poromon: TADAH!

We gasped as we saw an AMAZING BULLET TRAIN MONORAIL SYSTEM!

Poromon: Welcome to the TLPS City Tour Monorail!

Me: WOW!

Nico: Our own monorail system!? Cool!

Homer: I hope it's not like the one we had in Springfield where we got scammed by Lyle Lanley: (Season 4 Episode 12)

Nico: Really?

Bart: Yeah Lyle Lanley scammed Springfield out of all of its money and built us a death trap monorail.

Lisa Simpson: I remember that.

Me: Yikes.

Lincoln: Can we board it?

Poromon: Sure! We're going to show you around.

We went on it and it was a really nice train system and it was cool. The route map showed that it goes ALL around the base of the trunk of the World Tree Estate.

Me: Wow!

Nico: We're going to see everything around the base of the World Tree Estate.

Nicole: Cool!

Poromon: Yep and then we're going to take an hour rest at the beach.

Me: I like it.

Octopunch: Lets start!

Poromon: Welcome aboard TLPS City Tour Monorail we hope you enjoy your tour around TLPS World Tree Estate.

We were off.

ZOOM!

We went REALLY FAST!

Me: WEEEEE!

Lincoln: AWESOME!

We went fast and saw the farmlands, even Camp Mastodon and more!

Me: WOW! Look how fast we're going!

Lori: I literally see Camp Mastodon!

Laney: And there's Great Lakes City!

Ronnie Anne: WOW!

Nico: So cool!

Me: Wow!

Midnight Express: And team Bullet Train is pulling the monorail.

Me: Wait Midnight Express, you and your team are pulling this train? That is cool!

Midnight Express: That's right.

Railspike: Yeah it's great money and we're doing a great job.

Nico: I'll say!

We saw the hotels of Lake Michigan.

Me: Wow! There's the hotel where we stayed at.

Lynn Sr.: That is so awesome!

Me: Yep. And look there! That's The Michigan State Maximum Security Prison.

Laney: I remember seeing that.

Nico: That is cool.

Octopunch: I can see the ocean!

Me: Uh the Great Lakes are not the ocean. They look like it but they aren't.

Octopunch: Oh sorry.

Nico: No worries.

Poromon: if you look out you'll see Grand Venture state park.

We saw it! And we saw the geyser erupt.

Me: There's Grand Venture state Park!

Lincoln: Cool!

Laney: Ahh so many memories.

Seaspray: You said it

Homer: I like this Monorail better than the one we had.

Midnight Express: Don't worry guys as long as we are driving you will be safe and there will be no mishaps like how Lyle Lanley did.

Me: That's good.

Tommy Oliver: Brings back memories of our monorail in Angel Grove.

Me: I remember seeing that Monorail. That was cool!

Kimberly: It sure was.

Poromon: And we're coming to our rest stop for the beach. You have one hour to rest and stretch and enjoy the scenery.

Me: Okay plenty of time.

We stopped and got out.

Me: Always love coming to the beach. Especially during this time of year.

Nico: You said it.

Horsea: Do you like it?

Me: Your monorail is awesome guys!

Nico: I'll say!

Eli: Yeah!

?: HELP!

Me: What the?

We saw a little girl sinking in quicksand made by a Palossand!

Me: (GASP) A girl in trouble! And she's in quicksand made by a Palossand? How cool!

I went over and pulled her out.

Girl: Thank you J.D.

Me: You're welcome.

Nico: How did a Palossand get here?

Manaphy: I wonder...

Me: It might be one of Dark Gale's work.

Nico: Yeah.

Pakura: Let me see.

She used Telepathy and gasped!

Pakura: It's my little sister Satsumi Taiyouhan!

Me: WHOA! Wait I heard about her! She is known as Satsumi of the Solar Fire! She has a Rare varient of Scorch Style called Sun Flame Style. It's 100,000 times more powerful than Scorch Style. It uses the powers of the Sun's solar plasma and incinerates and destroys anything on contact.

WE GASPED!

Nico: WHOA! We got to see this to believe it.

Me: Yep. Lets go help her Pakura!

We floated above the sand to face her.

Pakura: Satsumi it's me Pakura.

She grabbed Horsea and began to sink her in her quicksand!

Maria grabbed her and pulled her out!

Horsea: WHEW!

Me: Close one. Okay then.

Me and Pakura fired waves of fire and knocked her down.

I snapped my fingers and she reverted back and was a girl with orange hair and amber eyes and had fire angel wings and had Palossand on her forehead and had a fireball sun for a cutie mark on her arm.

We wrapped her in a blanket and brought her over.

Me: There.

She woke up to see Horsea's stern gaze.

Satsumi: (Groans) Huh? A Horsea?

Horsea: You almost sunk me!

Maria grabbed her.

Maria: Horsea it's alight.

Pakura: Satsumi are you okay?

Satsumi: (GASP) It can't be? Pakura? Pakura!

She hugged her!

Satsumi: I thought you were dead!

Pakura: I would have been if it weren't for J.D.

Me: I saved Pakura during the mission we had for the Land of Waves. The Bloodline Holocaust was going on and I saved her from it.

Satsumi: I see. Wow!

Me: Also you were turned into a Palossand by Dark Gale.

Satsumi: (GASP) I remember!

She was in an orange suit and injected and in a swirl of sand she turned into Palossand and then flew out.

FLASHBACK ENDS

Satsumi: It was awful.

Me: I know but we destroyed Dark Gale forever.

Satsumi: Good.

Nico: What's your role in Sonya's team?

Satsumi: I am the Sun Flame master of the team and I use my powers to destroy our enemies. Outside the team I am a genin for the Sand.

Me: Wow!

Qin: Wow.

Me: Can you give us a demonstration of your powers?

Satsumi: I sure can. Watch.

She held out her hand and then fired a ball of solar fire plasma and it went at a mountain offshore. It hit it and then...

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The explosion completely obliterated the entire mountain in a huge fiery explosion with intense and massive power! When the smoke cleared it was gone!

Me: HOLY SHIT!

Nico: That was powerful!

Eli: WOW!

Nico: WOW!

Laney: Yeah!

Satsumi: Yeah my power is as strong as 400 S-Rank Shinobi. I may be a genin but I have always possessed that power. But the problem is I don't know how to control it. It's the reason why I'm still a genin.

Me: Hey no sweat we can teach you how to control it.

Nico: Yeah.

Rarity: First lets get you some new clothes darling.

The fashion brigade gave her dark green and orange clothes and a fire sword.

Satsumi: Oh wow I look great.

Me: You sure do.

We went back on the monorail.

We later went back home.

We arrived.

Leanbow (to the mascots): This has been an enjoyable train ride

Poromon: We're glad you liked it.

Me: That was fun!

Qin: Yeah!

Poromon: And we promise it's not what Lyle did!

Poliwag: Yeah!

Me: Good!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Ultraman Belial and Morag, and they're already making plans with Dark Sebastian to attack Loch Loud and all of Scotland. When we saw it, we knew it meant big trouble.

Lincoln, me, and Nico: So, you two along with your helper/double-crosser are on the move, Belial and Morag.

Eli: It's time.

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it was Ultraman Belial and Morag, and they're already making plans with Dark Sebastian to attack Loch Loud and all of Scotland.

EVERYONE GASPED!

Angus: (Scottish Accent) We must hurry to stop them at once.

Lachlan McLoud: (Scottish Accent) We'll take the battle to Scotland after we drive Dark Sebastian and his minions out by destroying their traps.

Selena Mendez: That'll be left to us.

King Kai: (Telepathically) I still can't believe that lunatic had some nerve to do something like this! But, given his history of the worst things he's pulled, this may be considered the pits!

Bugs Bunny: He's gonna be up to his armpits in trouble when we get through with those two, Doc. Can you keep Dark Sebastian and his minions in the dark about this until then?

Lincoln: No, don't. Let them see what we're going to do to Morag and Belial, I want him and the rest of those Satanic monsters to see what happens when he pisses off the wrong heroes.

We were stunned: for Lincoln to say something as bold as that, we knew there's going to be trouble for Belial, Morag, and those Satanic monsters from Hell.

Me: Whoa. Who are you and what have you done with Lincoln?

Luna: That is Lincoln, dude. He's ready.

Nico: That he is. Lincoln, you want to say it?

Lincoln: Are you sure?

Nico: Yep.

Lincoln: Thanks. Alright, team, let's go, we're heading to Japan to meet with Riku and the Ultraman Geed team, and then, we're taking the battle to Scotland. (Deep Sapphire Eyes turn red) Ultraman Belial, your time is up, you're going to pay for everything you've done. As for you, Morag McLaughlin, you better brace yourself, you've got 403 years of Divine Retribution coming to you and Aggie for all of your crimes against my family and all of Scotland and the world, and this time, Team Dark Phoenix Storm isn't here to save your big butt, and neither will Dark Sebastian and his minions or Dark Chase Young.

We were impressed.

Me: Now, that was awesome!

Nico: With how he said it, this just proves our point that we're kicking their asses big time!

Me: YEAH!

The previous group came.

Me: You're welcome.

Demolishor: Boss, which Gene Slammer do you think you'll meet next?

Nico: Number 98: Antitopian and Number 97: Draglubian next.

Me: Cool!

Nico: Lets roll!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Japan to meet with the Ultraman Geed team, and then, we're taking the battle to Scotland to destroy Ultraman Belial and take down Morag and unleash 403 years of Divine Retribution on that old witch and fulfill part one of The Prophecy which'll send a warning to Dark Chase Young in The Warp and Dark Sebastian and his remaining minions hiding in the shadows.

We arrived in Scotland and we were in Loch Loud.

Me: Loch Loud.

Lucille: (Scottish Accent) Aye. Good to be home.

Me: This is where it all began with the battle with Team Dark Phoenix Storm.

Firepower: Lets call Electro.

Me: Good idea.

Electro came.

Electro: I'm here guys.

Me: Awesome!

Then we saw Riku and the Geed team.

Riku Asakura: Hey guys!

Me: Riku we're glad to see you.

Riku Asakura: Same here.

Laiha Toba: I'm glad you all are here too. We got here as soon as we could.

Rumina Igaguri: And we're ready to fight.

Me: Great!

Scowl: Let's talk more at your place

Riku: We're staying at Loch Loud Castle,

Me: Okay.

We went to the castle and we sat down.

Me: Okay as you all know it's Lincoln's day to shine.

Lincoln: Yep. I've been ready for this day for a while.

Nico: We all are ready.

Key: One of our targets today is Morag.

Me: And this time she doesn't have Team Dark Phoenix Storm to help her.

Qin: Yeah!

Lincoln: And she is one of the key enemies to defeat to fulfill part of the prophecy.

Me: Yep.

Riku: What prophecy?

Me: Lincoln is the chosen one of a very important prophecy that will bring the end of Dark Chase Young. It went like this. 1,500 years ago, a great Xiaolin Warrior made a deal with a conniving trickster who gave him a potion that granted him immense power and immortality, and as he consumed it, it caused his heart to turn black and poisonous with pure unimaginable evil and who sought nothing more than to destroy all of humanity and the world. But, there is only one person who can stop him: a pure-hearted courageous and determined warrior who is the reincarnation of The Sun Goddess, Amaterasu, and descendant of Duke Lachlan McLoud of Loch Loud. When the day of the evil one's judgement comes, the lives of those he'd destroyed and torn asunder over the centuries will be avenged.

Qin: This was written in Gaelic on a tablet and the prophecy tells that 1,500 years ago, Chase Young made a deal with Hannibal Roy Bean who gave him the Lao Mei Long Soup that not only granted him immense power and immortality, but when he consumed it, that caused his heart to turn black and poisonous and he sought nothing more than to destroy all of humanity and the world. But, there was only one person destined to destroy him: and that person is Lincoln Loud, the reincarnation of The Sun Goddess, Amaterasu from Okami, and the descendant of Duke Lachlan McLoud of Loch Loud. When Kimiko's big day comes, Lincoln must stab Dark Chase Young right in his black heart with his sword and avenge the lives of those he'd destroyed and torn asunder over the centuries.

Riku: WHOA! I had no idea Lincoln was that important!

Lincoln: It's true. I am the Reincarnaion of Amaterasu the Goddess of the Sun and I am the only one that can bring down Dark Chase Young and end his reign of terror.

Skullgrin: And we know who the other target is

Lincoln: And it's Morag.

Me: She was the former Groundskeeper here at Loch Loud. And she and her ancestor Aggie McLaughlin HATED THE Loud Family with a merciless vengeance. 3 years ago we defeated Morag and destroyed Team Dark Phoenix Storm and sent Morag to prison and branded her as the Ultimate Traitor of Scotland.

Lucille: Aye it's true lads.

Nico: And as you saw on Lincoln's missions she is back for revenge.

Lincoln: This time we agreed we're going to send her to prison but with a terrible curse put on her.

Riku: Remind me what it was again?

Lincoln: It's called the Inferno Vampire Curse of Fthaggua.

Anna Anyanova: It works with Lincoln forming a massive black energy ball with red Eldritch runes with red eyes and writhing black tentacles covered in flaming blood red flames in his left hand, and then, he fires it at Morag, and once it hits her, she will suddenly hear the shrieks and vampiric cries of Fthaggua, and she will not only be driven mad by the Eldritch Chants, but she will also begin seeing demonic vampires from Hell everywhere, but no one else can, and the final part of the curse will take hold when she see the King Regent of The Fire Vampires, Fthaggua, appear before her, and he will burn her alive and her sanity will destroyed for over 300,000,000 years cursing her to an endless eternity of pain, madness, and suffering.

THEY GASPED!

Riku: (GULP) Frightening!

Laiha: That is scary!

Me: No kidding!

El Diablo: Good thing we have most of the Ultraman teams here

Nico: Yeah.

Qin: This is gonna be a battle that shakes the very foundation of Scotland and the World.

Me: Yep and it's only part one of the prophecy.

Laney: Yep.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume with 1 bottle of beer.

Poromon: (to the Ultraman Geed team) Hello there! I'm the beer fairy! Come to give you guys 1 bottle of beer!

Fangry: You get some under your pillows if you're good!

Riku: Wow!

Laiha Toba: Oh Poromon looks so cute as a fairy.

Me: He sure does.

Riku: But unfortunately we can't drink beer.

Mayu Igaguri: Yeah I'm too young for it.

Poromon: Okay.

Me: For you though Mayu I have this.

I pulled out my cooler and gave her root beer.

Mayu: Thanks.

Poliwag: (Does Puppy eyes) Aww pwetty pwease?

Nico: Poliwag that's enough.

Riku: I heard that the mascots had a big adventure a while back with a what was it?

Me: Abominations that will scare you for life.

Laiha: Like what?

Me: And cue mascots craziness in 3... 2... 1...

Poromon: WE'RE TALKING ABOUT THIS MOVIE! (shows trailer close to Riku Asakura's face) HERE! LOOK AT IT! IT'S

UGLY, ISN'T IT?!

Riku: WAIT! IS THAT POOH AND PIGLET!?

Manaphy: (shows trailer close to Pega's face) YOU LOOK AT IT!

Pega: HORRIBLE!?

Poliwag: (shows trailer close to Laiha Toba's face) YOU LOOK AT IT!

Laiha: WHAT KIND OF IDIOT WOULD MAKE THAT MOVIE?!

Horsea: (shows trailer close to Moa Aizaki's face) LOOK AT IT!

Moa: HORRIFYING!

Jirachi: (shows trailer close to Rumina Igaguri's face) LOOK AT IT!

Rumina: THAT IS AWFUL!

Tentacool: (shows trailer close to Mayu Igaguri's face) LOOK AT IT!

Mayu: (SCREAMS)!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

THEY SCREAMED IN FRIGHT AND HORROR!

Weather Wizard: We apologize for this

I calmed them down!

Me: What you saw was the trailer for Winnie the Pooh Blood and Honey. It's a dark version of Pooh that came out last year and it was about Pooh and Piglet turning into monsters and killing machines after Christopher Robin goes off to college.

Bomb Burst: And no, we're not using the Black Gates on them. Or beating them up.

Me: We get asked that every time and I tell them that it's against our code to destroy people like them because they are innocent.

Blu: So they went with my idea which was a lawsuit.

Me: And we won.

Poromon: But you should be proud though because we killed the real things earlier.

Me: It was a couple of months ago and the mascots killed the real things back then on the King Ohgers world, Chikyu.

Nico: Yep.

Wolf: It's true.

Riku: Wow!

Qin: Yep.

Me: It was amazing.

Lola: Yeah.

Camie: Either way they will never hurt anyone again.

Ymir: Yeah.

Laiha: Good.

Riku Asakura: Oh, and we got word that a dark version of you is here, Lincoln.

Suddenly, Lincoln had a premonition, and it wasn't good.

Lincoln: HOLY JUMPING CHILI PEPPERS! Guys, we've got some big trouble, I just spotted my 2nd hypothetical Akuma, his name is Dark Ace, my 2nd hypothetical Akuma and he's essentially the dark version of Ace Savvy from a parallel universe and he's as powerful as J.D. and has all of Ace Savvy's powers and abilities. He was made because of all of the abuse he had to endure because of all of his enemies ESPECIALLY Lynn! It was the bad luck fiasco that lead him to the breaking point and he vowed to KILL LYNN!

Lincoln got out his sketchpad, and we saw him: he was the dark version of Ace Savvy with a red and black version of his clothes, black hair, and red eyes.

WE GASPED!

Me: My God!

Nico: Oh man, his world's Lynn went way too far!

Anna Anyanova: This is what we feared would happen to Lincoln if the abuse of his enemies especially Lynn went way too far. This is gonna take all of us combined to take him down since he's as powerful as J.D., and we need to bring back the very light that was extinguished in his heart.

Lincoln: That's going to be left to me to do so, Anna. But, I'll need Girl Jordan and Leeli to help me with it.

Girl Jordan: Of course.

Leeli: We should get going to find him.

Nico: What are we waiting for then?

Me: Lets go.

We were flying in the air, and we saw our target: Dark Ace, the 2nd hypothetical Akuma of Lincoln Loud.

Me: There he is.

We landed.

Nico: Lincoln, is that you?

Dark Ace: That Lincoln Loud you know has died a long time ago, Nico.

WE GASPED!

Me: Shit. Lincoln, you're right, the light in his heart was extinguished.

Lincoln: It's going to take all of us to bring him down. (Sensed Lynn from Dark Ace's world) And I already know who you're after.

Lincoln fired an energy blast and forced out Lynn from Dark Ace's world.

Dark Ace: YOU! You little bitch! You ruined everything that I held dear to my heart, and for that, I am going to kill you!

Dark Ace fired sharp playing cards that cut her cheeks and fired energy blasts that hit her and he really throttled her, but then, Lincoln restrained Dark Ace by tying him up. Then, he turned his attention to Lynn from Dark Ace's world.

Lynn from Dark Ace's World: YOU MOTHERFUCKING BAD LUCK JINX! I'LL KILL YOU, STINKOLN!

Lincoln: YOU SHUT YOUR GARBAGE MOUTH, YOU GODDAMN GORILLA! Seriously, you remind me of all the Evil Sasukes that we've been killing, and J.D. still remembered saying the very same thing to Sasuke's evil father in 150,000 years hence just as he was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. That day when you turned my big sister, Lynn, into something that I was unable to recognize and kill me and all for your petty hatred of me and your stupid toxicity, all you did that day was seal your fate. You poisoned Lynn with your pathetic superstitious toxic behavior thinking your so-called softball gods will grant you victory! And even worse than that, you turned Lynn into a total sore loser in every last sports game she participated in, and your own hatred towards me, her own brother, along with a toxic hatred over everything had turned her into a completely hard-headed, homicidal, completely mentally unstable psychopathic monster and an almost totally lost cause who was afraid to take responsibility for the consequences of the misdeeds that you forced her to commit, that was until J.D. saved her. You never showed any value towards friendship or comradery, you just wanted everything handed to you on a silver platter, you fucking dickhead bitch! You have and always been a sore loser at everything related to sports, and whenever you don't get your own way, you just get angry and you resort to violence and brute force to get your own way, and you just say that you're destined for greatness. SHUT THE FUCK UP! But, as I'd seen, you've turned out to be a pathetic lost cause, and you know it. You'll never be in the same league as Lynn because she changed her sore loser attitude and her abusive bullying ways after you were removed and I permanently severed you from her, and it's true she deserved every last beating for what she'd tried to do in killing me, but that was all your fault from the very beginning you came into existence, and there's the one thing that will always beat your toxic hatred: love, and it was the love Lynn had for me, our family, friends, and her boyfriend, Lightning, that she finally broke free from you, you rampaging gorilla, and she was also chosen by Guabancex to be her champion, and because of it, she'd gotten stronger and smarter in these last seven years. Plus, you will never ever be in the same league as me, I can destroy the entire universe in the mere blink of a cosmic eye, in fact, next to my kind of power, you are and always will be nothing compared to me and you have and always will be nothing but a pathetic ant compared to it. The way I see it, you have and always will be nothing more than a toxic, heartless, selfish, abusive, mentally unstable, psychopathic, rampaging, rage-crazy anger mismanagement sore loser monster and family destroyer, it's downright fucking disgusting. As one of the most powerful fighters and warriors and champions in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch, and on top of that, I will always fucking hate your style above all others, you ruthless fuckkicker! What is it that you were hoping to accomplish? Beating me up to an inch of my life, trying to kill me and everyone around me and making me suffer for your own amusement, committing crimes all over Michigan by acting like a sore loser and assaulting people just to satisfy your own urges of chaos and destruction, murdering innocent people, pursuing petty and worthless desires like revenge, and above all, betraying the very family who'd loved you since birth and the little brother whom you swore to protect. But, then again, you don't give a flying fuck about anyone but your pathetic goddamned motherfucking self and that is exactly why I'm going to finish what you started seven years ago and finally kill you once and for all, and this time, I'm going to make absolutely sure that you're reduced to nothing more than a forgotten memory: a shadow of a dark past that Chase Young's Dark Side caused. You have and always will be a stupid, selfish, raging, monstrous, rampaging, stupid, heartless, powerhungry animal that murders, lies, steals, betrays, and beats up innocent people for your own self amusement. YOU FUCKING DISGUST ME TO NO END, YOU SORE LOSER PIG! (RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARES UP AND UPPER AND LOWER BODY MUSCLES BULGE EVEN MORE) I'VE HAD IT UP TO HEAR WITH YOU AND THE GARBAGE THAT COMES OUT OF YOUR MOUTH! YOU HAVE MADE MY LIFE A LIVING HELL FOR THE LAST TIME! THIS IS WHERE IT ALL ENDS FOR YOU, YOU FILTHY PIG!

WE CHEERED WILDLY!

Lynn from Dark Ace's world went berserk and charged at Lincoln, only for him to grab her with his left hand, and he began sucking out all of her brute superhuman strength, durability, endurance, agility, and immense energy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done, Lynn from Dark Ace's world was completely drained and he threw her in a portal that led to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Dark Ace: You! You stole my kill!

Anna Anyanova: It was the only way for us to keep you from making a huge mistake. This is what we swore to protect you from, and in the world you came from, we failed.

Sabrina Lorelai: But, now, it's time to make things right.

Me: Getting him to calm down is out of the question.

Electro: Oh boy.

It teleported and kicked and punched him all over.

I kicked him and blasted him!

Slog: Boy this one is dangerous!

Me: No kidding!

I fired waves of energy and blasted him.

Electro fired waves of lightning and blasted him.

Dark Ace went at us and then Lincoln's Guardian Angels bashed him down.

Me: YEAH! Now Lincoln!

Lincoln: Yes, let's do it. Girl Jordan, Leeli.

Girl Jordan: Let's do it.

Lincoln held hands with Girl Jordan and Leeli.

(YURGEN'S TUNE PLAYS)

The sky had leaves and flowers flying in the wind along with sea dragons singing in the background.

Lincoln, Girl Jordan, and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER, GIRL JORDAN HAD HER BLUE AURA FLARE UP, AND LINCOLN HAD HIS RAINBOW AURA FLARE UP) O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock (raise the rock)

Raise the rock (raise the rock)

Raise the rock (raise the rock)

Raise the rock (raise the rock)

Spring abundant holoél

Spring abundant holoél

They fired a massive blast of purifying light that hit Dark Ace, and he screamed. Then, as Lincoln, Girl Jordan, and Leeli end the song, Dark Ace got back up, at first we thought he was going to attack yet again, but then, we saw his red sclera turn white. Suddenly, he fell to his knees as he felt something in his heart that was long extinguished: devastation, pain, sadness, despair, hope, joy, and all his other emotions along with the light in his heart that was long extinguished.

Suddenly, his eyes started welling up with tears: when Lincoln restored the light in his heart, that also unlocked the emotions that'd been locked away.

Dark Ace: I'm so sorry...! I'm so sorry...!

Me: Lincoln...!

Lincoln: We know why you came into being, and why you became like this.

Dark Ace: I thought I could endure all the abuse all my enemies inflicted on me especially Lynn! But, when the bad luck fiasco hit and I was forever kicked out of my family, that lead me to the breaking point. It hurts so much, kicked out of my own family and losing all my friends to this...! My heart couldn't take any more heartbreak and abuse, and it led me down this road where I wanted all my enemies to pay especially Lynn...!

Dark Ace clenched his hands so tightly, he drew blood from his palms and more tears welled up in his eyes, but then, Lincoln went up to him and he picked him up and hugged him, and unable to fight the feeling of comfort and love, Dark Ace broke down and cried heavily as his tears fell on Lincoln's chest.

We also joined in too, and Dark Ace fell asleep. Lincoln beamed him to a room in The World Tree Estate where the only things awaiting him are what he'd lost: love, comfort, warmth, and the feeling of being with family. Then, we took off into the air.

Lincoln: He's gonna need some time to recover, what he went through was a living Hell. Plus, looking at him, I saw this was one of the two things that could've happened to me if my Guardian Angels had not stepped in. On the one hand, I would have been killed by my enemies, or wound up falling down the road into darkness and wound up with only bitterness and hatred in my heart which would've also led me to my death as well.

King Kai: (Telepathically) I did some digging around in Dark Ace's world, and it was a mess. What his world's Lynn did was absolutely out of line and it matched what he told you and all of us. His family disowned him on the advice of his world's Lynn and his other four evil sisters, his good sisters were murdered along with the parents and other relatives, his friends abandoned him, and all of his other enemies had been running amok causing havoc in his Royal Woods.

Nico: Oh man...!

Me: That's awful.

King Kai: (Telepathically) I've got an idea, tomorrow, you'll head to Dark Ace's world and show them that what they did to him was wrong. You got the photographic evidence of what they did to Lincoln, right?

Anna Anyanova: We got 999,999,999,999,999 file cabinets full of photos of every last vile thing his enemies did to him along with doctor's notes and reports. This'll make strong evidence against them, I can't wait to see the judge hand down their sentence.

Lincoln: That's something I'd like to see for myself. Okay, now let's get going.

Riku Asakura: Right.

Me: First the Usual Battles.

Toyman: But first, lunch.

Me: Yeah I am hungry.

Lana: I want some haggis!

Me: Ooh.

We had awesome food.

We had burgers and haggis and more. Lana was having haggis.

Me: (Eating) Mmm! Delicious.

Spittor: You enjoying the food?

We nodded.

Ymir: What is Haggis?

Me: Uhh... It's best you don't want to know.

Ymir: Oh okay.

Overdrive: Which vehicles can I use?

Me: Plenty of cars here. But I brought a bunch of tanks too.

Overdrive: Thanks.

Qin: Awesome.

Solar Man: You enjoying the food, Poromon?

Poromon: You bet I am.

Me: Cool!

We had a great meal.

Evil Star: Now that was a good lunch!

Me: Yep.

LOUD BURPS!

Lynn: Sorry. The Haggis makes me burp.

Me: Well Scottish is in your blood there.

Nico: Yep.

Me: Awesome. Now shall we get the usual battles started?

Nico: We shall.

We called them in

Then Beetle, Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Whiplash, Major Disaster and Taskmaster came.

Nico: Beetle, Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Whiplash, Major Disaster and Taskmaster.

Beetle: Haggis is fitting considering the secondary target.

Cad Bane: And that's Morag.

Boomerang: (Australian Accent) It sure is.

Nico: Yep.

Titanium Man: (to Nico) We heard you killed Chester.

Nico: We sure did.

Silver Samurai: (to Jayden) You should take care of that Typhlosion

Jayden: I will.

?: Cool!

A figure came and it was HIKOBOSHI WORLD from episode 20 of Zenkaigers!

The Hikoboshi World crashes through the roof of a marketplace interrupting the argument between Zocks and Ryoga. Once regained consciousness, he immediately falls in love with Reika and wanting her to be his "Orihime" as he sends her to a dimension along with the other female civilians including Magine. With that, Kaito and Juran transformed and battle him. However, Ryoga blindly charges towards the Hikoboshi World while the Kaito and Juran tries to avoid his attack and after getting caught in some rope the Hikoboshi World continues to find his "Orihime".

Later, he appeared in a dimension along with Magine, Reika and the other female hostages as his personal candidates as orihime to see which one is able to do a weaving until Mechanic Officer Izirude shows up letting him know that he didn't kidnapped Zox's sister, Flint, which really did caught him off guard so he's willing to get more orihime candidate's, but Izirude specifically told him to get Flint and that's it. So with that being said Hikoboshi World left the area while he continues to search for Flint.

Later, he was up in sky and has fallen right into the Zenkaiger's plan as Juran used the umbrella as a bat and whacks the Hikoboshi World right towards the railing. With that the male Zenkaigers transform along with Kamen Rider Durendal as they battle the World monster. During the fight Zocks tossed the Kamen Rider gears towards the team. Juran used the Zi-O Gear that allows him to see the future which makes him to counter the Kudakks attack while performing Zi-O II's King Giri Giri Slash to finish them off, Gaon used the Zero-One Gear as he performs the Rising Impact attack which destroyed the other Kudakks and finally, Kaito used the Saber Gear which summons the Kaenken Rekka as he burned the remaining Kudakks to a crisp and also perform Saber's Kaen Juujizan thus burning even more Kudakks, leaving only Vroon without a Kamen Rider gear which made him jealous.

However, as Hikoboshi World tries to escape, Durendal stops him in his tracks and battle him, but Hikoboshi World got shot to the side by Reika and Magine who have defeated the

Kudakks and released the captives while he was gone which makes Hikoboshi World very mad. After that Reika and Magine transform and they worked together as Sabela caused some smoke as she blinds the Hikoboshi World while Magine used her magic to summon an illusion of herself once he tried to attack the illusion the smoke dissipates leaving the Hikoboshi World in the air as he falls towards the ground. Zocks showed up as the Hikoboshi World used his Tana Buster and fire a couple of stars at the Zocks, but he dodges the attack. He then uses the Zenkaiju Gear and transforms into Super Twokaizer and he used this new ability as he super speedily dodges the stars attack while dealing the damage towards the Hikoboshi World as for Durendal he used his time manipulation ability to stop time while he too deals damage towards the robot as well. After that, the Hikoboshi World was then destroyed by Twokaizer's Rex Refreezer and Durandal's Ocean Three-Quarter Time Thrust.

Zocks: Hikoboshi World!

Hikoboshi World: Been a while.

Me: I remember you! You kidnapped all the girls in the area to search for your Orihime.

Scorcher: Where are they?

Eli: (Concentrates) In the Scottish Highlands.

Woody Woodpecker: The Scottish Highlands! It'll be great to go there.

Me: Yep.

Lincoln: Okay, now it's time to take the fight to Belial and Morag. But, first things first, Selena.

Selena Mendez: On it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Ultraman Belial and Morag at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Ultraman Belial and Morag saw it, and they let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, you monsters.

Nico: Okay, now we can get after that weak carbon copy of Frieza and that big-butted insane witch without any other nasty surprises from those pack of snakes.

Me: Yeah! Get ready Morag and Belial... (EYES GLOW RED) We're going to make you both pay for the crimes you did!

Nico: (EYES GLOW RED) That is for sure!

Lincoln: (EYES GLOW RED) This is for all the pain and suffering you caused to my ancestors and in the present Morag!

We took off to the Scottish Highlands, and we got there in time to see Ultraman Belial and Morag raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate, but it grew even stronger because we also felt the hatred of Dark Sebastian and his minions hiding in the shadows.

Lincoln: Keep it up, you snakes. In the end, you're just going to make things worse for yourselves.

Me: Yep.

We saw a huge clearing. Then standing in front of it was KEI FUKUIDE!

Me: Kei! I knew it was gonna be you blocking our path.

Kei Fukuide: That's right!

Nico: Step aside now.

Kei Fukuide: If you want Beliai, you go through me!

?: You won't be a problem!

?: Got that right!

We saw Katsumi and Isami Minato!

Me: Katsumi and Isami!

Pipp Petals: Oh my glitter! Thank goodness you came.

Katsumi Minato: Get going!

Isami Minato: We'll handle him!

Pipp Petals: Me, Derby, and Anita will help too!

Me: Be careful guys!

Lincoln: I better make a clone to help Derpy.

Me: Good idea.

Lincoln did so.

We pressed on.

Ranamon and Roman Torchwick came.

Electro (to Ranamon and Roman Torchwick): Thanks for coming, guys.

Ranamon: No problem and it'll be great helping y'all.

Me: This is gonna be justice of the ultimate class.

Saw something and hid and then Electro, Roman and Ranamon went over and they stood before MORAG AND BELIAL!

Electro: Ultraman Belial I presume?

Belial: Indeed. You don't know who you are dealing with now.

Electro: That's funny. We were about to say the same thing.

Belial: What do you mean?

Suddenly, the spirits of the Celtic Gods and Goddesses along with the spirits of The McLoud Family and The Loud Family appeared and they attacked Ultraman Belial and Morag and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Ultraman Belial and Morag even more pissed off than ever.

Me: Hello idiots!

Belial and Morag: YOU!

Me: That's right! US!

Belial: You have no idea of the power I possess!

Nico: We know you're that powerful. But so are we!

Me: And your arrogance will be your undoing. We took on foes that are billions of times more powerful than you and we won. .

Morag: (Scottish Accent) YOU WILL PAY FOR YOUR CRIMES AGAINST ME!

Me: SHUT THE FUCK UP YOU FATASS BITCH!

Morag gasped!

Me: You will pay for everything you and your family did to Lincoln and his ancestors!

Nico: No Team Dark Phoenix Storm to help you now!

Morag: That's fine. They said I wasn't even a part of their team and wanted to keep 24 members anyway!

Me: Finally something we can agree on!

Nico: This day is gonna be both of your lasts!

Belial: Cyclobots! Anonis! Attack!

An army of Cyclobots and Anonis appeared

Me: Cyclobots and Anonis! Now we're talking!

Taro: Just like the old days1

I fired waves of energy and elements and blasted them and massive fiery explosions blasted off all over the place!

KRABBBBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOMMMM!

Then the Anolis and Cyclobots jumped the Geed Team and held them down!

The Geed team lay defeated at the hands of the Cyclobots and Anonis.

Belial: (laughs evilly) And you all thought you could beat me. How pathetic!

Morag: (laughs evilly) I don't even need Team Dark Phoenix Storm for this!

Poromon: (pecks a Cyclobot) Oh no! What do we do?!

Lincoln, Octavia Melody, and Stacy got an idea

Lincoln: Everyone in the audience! Lend the Geed Team your strength!

Octavia Melody: They get stronger with your support!

Stacy: When I give the signal, share your energy with the Geed Team! Okay? Ready... go!

Everyone in the audience began sharing their energy with the Geed team. And soon, Riku found the strength to get up.

Riku: We WILL defeat you, Belial. Count on it!

Riku grabbed a Cyclobot and threw it at an Anoni, knocking them both down.

Belial: WHAT!?

Morag: IMPOSSIBLE!

Riku Asakura: You've seriously crossed the final line, Belial!

Nico: That's right! NOW This is personal!

Riku Asakura: Thanks for the help, everyone.

Pega: I didn't know we were so popular

Laiha Toba: Neither did I.

Moa Aizaki: Now it's time to finish things with Belial.

Rumina Igaguri: And don't forget about Lincoln's unfinished business.

Mayu Igaguri: So what are we waiting for?

Me: Lets take them down!

Nico: Belial you wil pay for your crimes!

Lincoln: Same with you, Morag. You got some nerve coming back from The Warp, I knew Anti-Monitor brought you back from the dead when 2024 began, and Dark Sebastian was the one who freed your big butt from The Warp and brought you and Belial to Scotland to attack our ancestral castle. But, this time, you don't have Team Dark Phoenix Storm to help you and Belial. (Smirks) And also, Dark Sebastian and his minions have now left you and Aggie for dead since he doesn't care about anyone except for himself.

Morag: (Scottish Accent) What the?!

Morag suddenly realized it: Dark Sebastian and his minions abandoned her and Aggie for dead since he never had any loyalty to any other villains and he was an enemy of mankind entirely.

Morag: (Scottish Accent) Why?! He promised me to rule over Loch Loud! Why would he do this?!

Lachlan McLoud: (Scottish Accent) That is 100% your fault, you should've never made any sort of deals with an insane Satanic demon from Hell.

Nico: Especially one created by the evil Malphas.

Me: Now, look at what's about to happen to you both.

Lincoln: Yep, your time here is finally done. Now, to take this battle to a place close to home. (SNAPS FINGERS)

Lincoln snapped his fingers, and we found ourselves in Scotland.

Lincoln: This is where I'm going to exact 403 years of divine retribution on you for everything you've done: what your ancestor did with the help of Dark Chase Young, the monster responsible for all of what happened to my ancestors in 1621 and my family in the modern era and for 1,500 years of pain and suffering he'd wrought on so many innocent souls. Plus, I also destroyed The Dragon Stone for good, so now, you're defenseless.

Morag: (Scottish Accent) WHAT?!

BANG!

Caleb Maxwell fired a bullet that hit and parted her hair down the middle and she now looked like the insane witch that she is.

Caleb Maxwell: Shut your mouth, you insane witch! AND IF I SEE ANY POWER RANGER GRUNTS TRYING TO ATTACK THE ULTRAMAN GEED TEAM, SO HELP ME, I WILL HUNT ALL OF YOU DOWN, RIP YOUR ARMS OFF, AND SHOVE THEM SO FAR UP YOUR ASS, YOU'RE GONNA BE FEELING YOUR OWN GUTS AND ORGANS!

WE ALMOST BARFED AT CALEB'S THREAT!

Me: You heard him, it's payback time!

Lincoln: I always knew you were an absolute evil monster born to bring chaos and destruction, and you already proven already that you're completely irredeemable to the core because you have no redeeming qualities whatsoever, Belial, and the evil you've unleashed on the innocent can never ever be forgiven. Same with you, Morag, you've never had any sort of redeeming qualities at all since you already proved you're just as insane as your ancestor over 400 years ago.

Qin: YEAH!

Me: This is gonna fulfill half of the prophecy!

Lincoln: Let me transform with you guys!

Wes: You got it, Lincoln.

Time Force Rangers: Time for Time Force!

Eric: Quantum Power!

With that, Woz places his belt on his waist, generating the strap, and activating it, showing a blank smartwatch looking head while materializing a neon green strap as it does.

Beyondriver: Beyondriver!

As the Beyondriver activates, Woz pushes down on a button on top of the block, causing it to activate, illuminating the face on the front

Woz Miridewatch: Woz!

Woz: Henshin!

With that, Woz places the Woz Miridewatch on his belt, then presses the button again, causing the front face to split open, revealing the same image underneath on a narrow strip

Woz Miridewatch: Action!

As the Miridewatch activates, green energy forms around Woz into a smartwatch face and various green lines, and as he slams the lever of the Beyondriver into itself, the image on the Miridewatch projects onto the black face on the Beyondriver screen.

Beyondriver: Touei! Future Time! Sugoi! Jidai! Mirai! Kamen Rider Woz! Woz!

With their transformation sequences activated, Woz is encased in silver armor as black and green decorum looking like a watch strap and two smartwatch faces adorn his torso and shoulders respectively, finished off with blue symbols forming the face.

Tsukuyomi places her Driver on her waist, causing a black belt to form

Ziku Driver: Ziku Driver!

With the Ziku Driver in place, Tsukuyomi rotates the face of the Ridewatch, revealing a glossy looking Rider face, with some sort of characters acting as the visor, before activating it

Tsukuyomi Ridewatch: Tsukuyomi!

With the Tsukuyomi Ridewatch active, Tsukuyomi places it on the stage left side of the Ziku Driver before pressing a large button on top of the Driver itself as a golden clock-astrolabe hybrid forms behind her.

Tsukuyomi: HENSHIN!

Her battle cry known, Tsukuyomi grabs the Ziku Driver by her Ridewatch and spins the front of it 360 degrees. As the rotation stops, the astrolabe disintegrates as the Ziku Driver speaks again

Ziku Driver: Rider Time! Kamen! Rider! Tsukuyomi! Tsu-ku-yo-mi!

As this battle cry is made, the astrolabe forms into a black undersuit covered by white and gold dress-like armor, a white shoulder-covering cape, and a crescent moon visor with characters across it, much like on Woz's suit, but with two clock hands as well, set for 2:00 of all times.

Geiz presses the button on the top of his Ridewatch, activating it

Geiz Ridewatch: Geiz!

Ridewatch activated, Geiz slides the timepiece onto the right side of his Ziku Driver, much like Tsukuyomi before him. But instead of an astrolabe construct, the clock construct forming behind Geiz as he presses the button atop his Ziku Driver resembles a digital clock

Geiz: Henshin!

With the familiar battle cry made, Geiz grabs the front of his Ziku Driver and spins it 360 degrees, causing the clock construct behind him to explode into yellow text and a mixture of red, yellow and silver watch bands, that eventually consolidate into Geiz's familiar red armor with yellow visor.

Ziku Driver (Geiz): Kamen Rider! Geiz!

Zi-O Ridewatch: Zi-O!

Sougo: Henshin!

The famous battle cry known, Sougo inserts the left track of the Ziku Driver, presses the button on the top of the unit, and spins the front around, all the while an intricate clock face forms behind him.

Ziku Driver (Sougo): Rider Time! Kamen Rider! Zi-O!

As the Ziku Driver makes it's announcement, the clock face formed behind Sougo forms into a silver and black armor with pink accents, followed by the famous pink text visor settling into place.

Me: OH MAN! Lincoln, h-he's...! He's ascended to truly great heights of power and strength!

Nico: Unreal!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged

at Belial and Morag, and he proceeded to brutally smash them into the ground with his massive godly superhuman strength, slashed at them with his gold-armored dragon claws and greatsword, and fired extremely powerful blasts of white and golden yellow wolf fire, light, golden moonlight, and ice, along with rainbow, white, golden yellow, and blue energy, aura energy, white, golden yellow, and blue heavenly flames, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals at Belial and Morag, and they exploded with such incredible power as they hit them, and it was brutal to the extreme!

Me and Nico: WHOA! INCREDIBLE!

Eli: UNREAL!

Qin: Damn!

May: Oh man! He's tearing them apart!

We then saw more displays of Lincoln's newly ascended power: the heavenly lights shined down and the angels of Heaven descended and they attacked Belial and Morag with their silver swords and firing beams of heavenly light that hit them and they were burned by the light of Heaven, he even summoned the soldiers of the Gods and Goddesses of the ancient cultures around the world and they also attacked Aku with their swords, then Lincoln used the powers of Twilight Sparkle and her friends and Sunny Starscout and her friends and blasted them with elemental forces representing them and blasts of magic and they hit Belial and Morag with incredible power and exploded, and he continued smashing them into the ground with his massive godly superhuman strength and he didn't give them any time to react because of his massive godly superhuman speed, agility, and reflexes as he delivered blow after blow of punches and kicks, and he was blasting him with rainbow, white, golden yellow, and blue energy, aura energy, elemental forces, animals, and mythological animals and he was showing him no mercy.

He also let out a loud howl and a pack of werewolves and wolves came out and they tore Belial and Morag apart with their claws leaving claw marks on them and he also summoned vampires and other creatures and monsters of myth who also attacked them.

Luna: WHOA! Lincoln's really tearing those two monsters to shreds! This is incredible!

Lori: He's exacting brutal retribution on them big time!

Laney: They've had this coming for so many years!

Me: Brutal!

Lana: Yeesh, I knew that was brutal, but this is overkill.

Then, Lincoln combined all of the curses he'd created over the years and the massive, wide, double-edged 10'6" gold blade glowed with rainbow light with black and red hellish flames and many other elemental forces associated with his curses, and he fired two beams of energy which hit Belial and Morag, and they felt the massive brunt of all the curses Lincoln's created over the years and that also included The Lovecraftian Curses, and he screamed in incredible pain from the curses' full force attacks on them.

Belial and Morag: (SCREAMS) IT HURTS! IT BURNS! MAKE IT STOP!

Lori: You literally brought that on yourselves!

Lynn: You're still monsters even to this day, Belial and Morag.

Lola: You're going to pay for your crimes with your own blood!

Lisa: Indeed, you're both reprehensible and absolutely repulsive.

Luan: And now, you're getting years of payback and retribution handed to you, you monsters from Hell.

Lincoln's Guardian Angels: YOU DESERVE TO DIE FOR EVERYTHING YOU'VE DONE! AND YOU ALSO DESERVE TO DIE FOR YOUR INSANE GENOCIDAL CRIMES AGAINST MANKIND, YOU MONSTERS!

Belial: It burns!

Well, this is the result of fighting against everything good in the universe. (Smirks) And we're just getting started.

Lincoln continued attacking Belial and Morag and they were really, and I MEAN, REALLY GETTING BADLY MANGLED!

Then, Lincoln kicked them away and they crashed into a tree, they got back out, but boy they were beyond mangled and their wounds weren't healing properly.

Belial: YOU! YOU! HOW DARE YOU STAND AGAINST ME LIKE THIS! I DO NOT CARE IF YOU AND ALL OF YOU ARE GODS AMONG MEN, ALL OF YOU WILL DIE FOR GOING AGAINST ME! I AM THE RULER OF THIS WORLD!

I despise you with the burning hatred of a million suns, I loathe you with the force of a million typhoons! You've caused so much pain and misery to everyone around you for the last time and have gotten away with it for far too long now, and you don't deserve any sort of forgiveness. You have lived for far too long, Belial. Your crimes have finally come back to haunt you, and now, you will pay for all of your sins along with the pain and suffering you've caused to everyone in your path!

Ed Cowart: Ok then, Ultraman Belial and Morag, you assholes asked for it!

Ed Cowart proceeds to insult Ultraman Belial.

Ed Cowart: Belial, you are a weak carbon copy of Frieza and you're dull and ugly and your armor is more third rate than the b-movies, and you are more ugly than even zombies. You are also a weak carbon copy of Unicron, you oversized pompous ultra-dirtbag! Oh, and one last thing?

Ed Cowart fired a giant boulder right Ultraman Belial's crotch causing a nutshot then fired another boulder which then exploded at him launching him through curved pipe sending him straight into a giant TNT factory while Ultraman Belial was on fire which made the entire factory explode launching him right into a mountain face first he pulled out from the mountain but was seriously dizzy and lastly Ed Cowart launched a giant exploding cherry pie which hit Belial, and...!

KRABOOM!

ULTRAMAN BELIAL WAS COVERED IN CHERRY PIE FILING AND PIE CRUST!

Cattleya: Mind if I join in?

Cattleya then proceeds to insult Morag.

Cattleya: You are beyond dull and ugly and still use windows 98 and you are the weakest carbon copy of Tsunade but with a massive booty, and like Aggie, you are one of nature's worst mistakes and even the loud ancestors would certainly fart in your general direction. Your mother was an ugly hamster and your father smelt of elderberries. You wouldn't even last a minute in a Queen's Blade competition either, so accept defeat already, you ugly old hag!

Cattleya then elbows Morag's head really hard!

Cattleya: Now, say you're sorry!

Cattleya proceeds to slap Morag repeatedly!

Cattleya: Are you sorry yet?

Morag: (Scottish Accent) I think I peed a little.

Cattleya put Morag in super fast rocket shoes made from Acme which instantly launched her straight onto a giant rock in a desert, and Morag fell on dynamite faster than Wile E. Coyote face first and she ended hitting the dynamite plunger, which caused the entire factory to explode launching her into a den of rabid Tasmanian devils which attacked and left her in her undergarments and bleeding and dizzy and Cattleya threw an exploding apple pie at Morag which blew up.

And finally Ed Cowart and Cattleya took turns eye poking, slapping and head bonking both of them before finishing off with throwing a giant exploding pie at both of them.

WE WERE ON OUR BUTTS LAUGHING HYSTERICALLY!

Me: (LAUGHING HYSTERICALLY) OH GOD! OH GOD! THAT WAS SO HILARIOUS!

Nico: DAMN, WAY TO MAKE A FOOL OUT OF HIM! THAT WAS TOO GOOD!

Ultraman Belial and Morag were mad!

Caleb Maxwell said that with a cold hatred in his voice and Morag freaked out and screamed with fear: she was now in fear of a true dark angel of vengeance. Belial was also deathly afraid of Caleb as well, but not as much, he was still afraid of Lincoln!

This time, you are done...FOREVER! YOUR TIME IS UP!

Suddenly, the bell of judgement rang in his ears meaning his time was finally up! Then, the spirits of those he'd killed grabbed him.

Spirits: Guilty!

The spirits found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on his forehead, and he was being consumed by the black flames of The Black Abyss and he began to fade away: he was finally being erased by The Black Abyss!

Belial: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU, RIKU ASAKURA! DAMN YOU, ULTRAMAN GEED TEAM! AND DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST SCREAM BEFORE HE FINALLY FADES AWAY FOREVER)

Everyone cheered as we holstered our weapons and we powered down, and Lincoln's new body, clothes, weapons, jewelry, Third Eyes, fifty massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind his head, fifty large colored planets orbiting around his legs, fifty smaller colored planets orbiting around his waist, smaller planets orbiting around the fingers, medium sized colored planets orbiting around his wrists and ankles, and massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings are permanent, and the new bodies, clothes, weapons, jewelry, Third Eyes, longer tail and longer horn, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Octavia Melody and Bebe Bolton are permanent.

Riku Asakura: It's all over, Belial. I never ever want to see you again.

Nico: We made sure of that by sending him to The Black Abyss forever.

Me: And we also destroyed all of his forces as well. One down and one to go. Now to fulfill part 1 of the prophecy!

Then, we turned our attention to a now pissed off and extremely enraged Morag.

Lincoln: Yep, now, we have one last thing to do and one last loose end to tie up: Morag McLaughlin, our family's hated enemy and the descendant of Aggie McLaughlin, the enemy of our ancestors, and the Traitor of Scotland.

Morag: YOU! YOU! YOU'VE RUINED EVERYTHING! I will still destroy all of you, and I WILL FINALLY WIPE ALL OF YOU MISERABLE LOUDS OUT OF EXISTENCE FOREVER AND I WILL FINALLY HAVE PEACE AND QUIET!

Suddenly, the fifty large planets orbiing around my legs, the fifty large planets orbiting around Lincoln's legs, the large planets orbiting around the Loud Sisters and Parents' legs, the twenty-five large planets orbiting around Nico's legs, the twenty-five large colored planets orbiting around Crash Bandicoot's legs, the eight large orange orbs orbiting Linka's legs, the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the fifteen large aqua blue planets orbiting around Girl Jordan's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve emerald green planets orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the fifteen large marine blue planets orbiting around Liam's legs, the eight large marine blue orbs orbiting around Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn Jr.'s legs, the eleven coral red orbs orbiting around Timon's legs, the twelve large blood red planets around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the fifteen large ocean blue planets orbiting around

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of energy blasts Morag fired at us, but the blasts were absorbed into us and it made us even stronger than ever.

Stacy Bolton: Seriously?! You really don't know when to quit, do you?!

Octavia Melody: You're still the same monster from all those years ago, and now, it's time that we administer your punishment for your crimes.

Lincoln: We've finally gotten rid of Ultraman Belial, and now, it's your turn, Morag. You've had this coming for a very long time, and now, it's time for you to pay for all of your crimes.

Suddenly, something in Lincoln's mind snapped as the memories of Morag's crimes along with Aggie McLaughlin's crimes of murdering his ancestors 400 years ago in 1621 and the crimes of Dark Chase Young especially with what he did in setting the events of that day in motion and turning Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into ruthless fuckkicker monsters long ago and the events of that day in 1621 rushed through his head and his deep sapphire eyes turned neon deep sapphire blue with a gold ring surrounding his eyes and he was surrounded by a rainbow, white, golden yellow, and blue energy with aura energy, white, golden yellow, and blue heavenly flames, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals, he unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable

Lincoln: I always knew you were an absolute fucked-up monster born to bring chaos and destruction, and you were already beyond any sort of rehabilitation and you're completely irredeemable to the core.

SUDDENLY, LINCOLN'S RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA WITH ELEMENTAL FORCES AND MYTHICAL ANIMALS AND ANIMALS FLARES UP EVEN MORE EXTREMELY AND HIS UPPER AND LOWER BODY MUSCLES BULGED OUT EVEN MORE AS HE STARTED GETTING EXTREMELY MORE PISSED OFF!

Lincoln: (SUDDENLY GETTING EXTREMELY PISSED OFF) And after everything, everything that you have done in the past: Morag McLaughlin for allying with Team Dark Phoenix Storm and trying to kill us and destroy the world just because you want peace and quiet like your ancestor with what she did in 1621 over 400 years ago thanks to Dark Chase Young..., (ENRAGED SCREAM OF PURE FURY AS A GOLD RING APPEARS AROUND HIS DEEP SAPPHIRE EYES AND THE WHITE, GOLDEN YELLOW, AND BLUE HEAVENLY FIRES OF HEAVEN APPEARED IN HIS EYES) YOU'VE ABSOLUTELY CROSSED THE LINE FOR THE LAST AND FINAL TIME! YOU AREN'T EVEN WORTH BEING CALLED A WORTHLESS PIECE OF CRAP, YOU'RE NOTHING MORE THAN AN ABSOLUTE COLD-BLOODED, PITCH BLACKHEARTED, PSYCHOPATHIC, RUTHLESS FUCKED UP MONSTER FROM THE BLACKEST DEPTHS OF HELL! (SAVAGE PRIMAL WOLF ROAR)

WE WERE SUDDENLY STRUCK WITH AWE AND SHOCK: LINCOLN'S FURY HAS JUST BEEN UNLEASHED ALONG WITH THE FURIOUS RAGE OF THE HEAVENS AND MORAG JUST FOUND HERSELF ON A ONE-WAY TRIP TO THE DEPTHS OF THE NINE CIRCLES OF HELL!

Me: OH MAN! THIS IS IT!

Nico: THAT'S FOR SURE! LINCOLN'S ABSOLUTE FURY HAS JUST BEEN UNLEASHED! AND LOOK! THE FURIOUS RAGE OF THE HEAVENS HAVE ALSO BEEN UNLEASHED AS WELL!

SUDDENLY, WE SAW A MASSIVE AND POWERFUL STORM FORMING AND IT WAS RAGING WITH LIGHTNING CRASHING DOWN FROM THE HEAVENS AND WE ALSO SAW

HEAVENLY LIGHTS APPEARING AND SHINING DOWN ALONG WITH VOLCANOES FORMING AND THE MASSIVE TORNADOES OF THE ELEMENTAL FORCES FORMING AS WELL, AND IT WAS NOT ONLY SPECTACULAR, BUT, IT WAS BEYOND EXTREMELY POWERFUL!

Qin: OH MAN! EVERYONE, RUN FOR COVER, HE'S GONNA FUCKING BLOW!

WE IMMEDIATELY GOT EVERYONE TO SAFETY, AND THEN...!

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth remained the same, his massive white angel wings and twenty-four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long brown wolf tails and large brown wolf ears remained the same, his long wild rainbow hair going down to his upper back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head remained the same, and he let out a loud howl!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED AND ERUPTED OUT OF LINCOLN WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND

We were literally stunned, amazed, and struck with total awe at Lincoln's transformation, and when the girls in Lincoln's harem saw him, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing just how much hotter and sexier their hulking wolf hunk of a future husband has become.

Me: OH MAN! Lincoln, h-he's...! He's...!

Nico: He's ascended even further! He's become even more of a true God among men!

Loud Family: UNREAL! So incredible!

Girl Jordan: (Swooning) My God! As if Linky couldn't get more hotter and more handsome and sexier.

Lily the Mermaid: (Swooning) He just proved us wrong, now our hulking wolf hunk of a husband has become even more hotter, more handsome, and even more seductive and sexier than ever.

Morag: (Scottish Accent) (FREAKED OUT) WHAT THE HELL! IT CAN'T BE!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Morag, and he proceeded to brutally smash her into the ground with his massive godly superhuman strength, slashed her with his gold-armored dragon claws and greatsword, and fired extremely powerful blasts of white and golden yellow wolf fire, light, golden moonlight, and ice, along with rainbow, white, golden yellow, and blue energy, aura energy, white, golden yellow, and blue heavenly flames, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons,

Sphinxes, Manticores, Animals, and Mythological Animals at Morag, and they exploded with such incredible power as they hit her, and it was brutal to the extreme!

Me and Nico: WHOA! INCREDIBLE!

Eli: UNREAL!

Qin: Damn!

May: Oh man! He's tearing her apart!

We then saw Lincoln's display of his newly acquired power: the heavenly lights shined down and the angels of Heaven descended and they attacked Morag with their silver swords and firing beams of heavenly light that hit her and Morag was burned by the light of Heaven, then, soldiers of the ancient Gods and Goddesses appeared and they too attacked Morag. Then, Lincoln used the powers of Twilight Sparkle and her friends and Sunny Starscout and her friends and he blasted her with elemental forces representing them and blasts of magic and they hit Morag with incredible power and exploded, and he continued smashing her with his massive godly superhuman strength and he didn't give her any time to react because of his massive godly superhuman speed, agility, and reflexes as he delivered blow after blow of punches and kicks, and he was blasting her with rainbow, white, golden yellow, and blue energy, aura energy, elemental forces, animals, and mythological animals and he was showing her no mercy. He also let out a loud howl and a pack of werewolves and wolves came out and they tore Morag apart with their claws leaving claw marks on her.

Luna: WHOA! Lincoln's really tearing that bitch to shreds! This is incredible!

Lori: He's exacting brutal revenge on her big time!

Laney: 400 years of revenge against Morag and Aggie!

Me: Brutal!

Lana: Yeesh, I knew that was brutal, but this is overkill.

Then, Lincoln combined all of the curses he'd created over the years and the massive, wide, double-edged 10'9" gold blade glowed with rainbow light with black and red hellish flames and many other elemental forces associated with his curses, and he fired two beams of energy which hit Morag, and she felt the massive brunt of all the curses Lincoln's created over the years and that also included The Lovecraftian Curses, and she screamed in incredible pain from the curses' full force attacks on her.

Morag: (Scottish Accent) IT HURTS! IT BURNS!

Lori: You literally brought that on yourself, bitch! Your ancestor's helper poisoned me, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins and turned us into ruthless fuckkicker monsters and we almost murdered our little brother and almost destroyed our own family.

Lynn: And when we've heard even more darker revelations about him, let me tell you, he makes me sick to my stomach.

Lola: He was nothing more than an absolute heartless cold-blooded ruthless bastard who gets off on inflicting pain and misery on the innocent, and you're also no different from your psychotic ancestor.

Lisa: Indeed, you and Aggie are nothing more than traitors.

Luan: And now, you're getting 400 years of payback and retribution handed to you, you monster from Hell.

Lincoln's Guardian Angels: YOU DESERVE TO DIE FOR EVERYTHING YOU AND AGGIE HAVE DONE AGAINST OUR MAN AND HIS FAMILY, YOU OLD HAG!

(Sensed something) And what's this?

Lincoln continued attacking Morag and she was really, and I MEAN, REALLY GETTING BADLY MANGLED! Then, Lincoln fired an energy blast that forced out Aggie McLaughlin, the insane witch and ancestor of Morag, and we saw an inverted pentagram on her forehead, which was proof of a contingency plan made by Dark Sebastian.

Anna Anyanova: So, that bastard brought Aggie McLaughlin back?! That piece of shit!

Lincoln then fired a small energy ball from his left pointer finger and it hit Aggie, then he used his telekinesis and lifted her up and sent her flying into the air, and then, he clenched his left hand shut, and...!

KRABOOM!

AGGIE MCLAUGHLIN EXPLODED AND HE SENT HER TO THE BLACK ABYSS FOREVER!

Morag: (Scottish Accent) No...! (Weak Voice) No...!

Then, Lincoln kicked Morag away and she crashed into a tree, she got back out, but boy she was beyond pissed now after what she saw with Lincoln killing Aggie McLaughlin and he'd sent her to The Black Abyss, but Lincoln still had a calm smirk on his face, and then, he did the one thing that would piss anyone off.

Morag McLaughlin, this is the last time we ever have to deal with you! Consider this the end of your miserable life here and now!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF MORAG TO NO END! NOW, THE BATTLE TO DESTROY MORAG WAS ON AND WE WERE DEAD SET ON EXACTING 403 YEARS OF DIVINE RETRIBUTION ON THAT INSANE WITCH!

Lincoln, Octavia Melody, and Stacy Bolton: Alright, let's do this! Morag, this is where we exact 403 years of retribution upon you and Aggie McLaughlin for your crimes against The McLoud Family of Loch Loud and all of Scotland!

Lincoln, The McLoud Clan, Octavia Melody, Stacy Bolton, Nico, and I and all of us went after Morag, and we fired extremely powerful blasts of rainbow, colored, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Morag, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, The McLoud Clan, Octavia Melody, and Stacy Bolton did the same by firing colored, white, golden yellow, and blue energy slashes from their gold-armored dragon claws and massive greatswords, and Lincoln, The McLoud Clan, Octavia Melody, Stacy Bolton, Nico, and I and all of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Morag even more angrier and even more insane than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Morag and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive angel wings fired rainbow and gold energy chains that bound Morag.

Then, Lincoln flew with incredible superhuman speed with a rainbow, white, golden yellow, and blue energy-infused left fist and he punched Morag really hard in the stomach and that caused a massive cluster of rainbow, white, golden yellow, and blue flames to explode out of her from her back, and then, Lincoln formed a massive rainbow, white, golden yellow, and blue energy blade surrounding the 10'9" massive, wide, double-edged gold blade!

Lincoln attacks Morag with two powerful and fierce swings of his massive greatsword!

Lincoln attacked Morag with a last and powerful downward swing of his massive greatsword and that caused a massive explosion to erupt and the chains broke and Morag was on her last legs as Lincoln landed in front of us, and Morag was absolutely pissed off at Lincoln!

Morag: YOU! YOU! I AM NOT DONE YET! I WILL COME BACK FROM THE DEAD ONCE AGAIN AND I WILL DESTROY ALL OF YOU STUPID LOUDS AND ERASE ALL OF YOU FROM THIS PATHETIC PLANET!

Caleb Maxwell: YOU FUCKED-UP WITCH! THAT'S IT, TIME TO DIE!

Caleb Maxwell was about to attack, but Lincoln put his left hand on Caleb Maxwell's right shoulder and cooled him down.

Electro: Time to end this with a real shock!

Electro then fired a strong blast of electricity at Morag

And he electrocuted her big time bad!

(To Morag) You don't deserve death for a third time, Morag. No, you're going back to prison forever, but with a very lethal and deadly curse that'll plague you for all eternity.

Lincoln formed a massive black energy ball with red Eldritch runes with red eyes and writhing black tentacles covered in flaming blood red flames in his left hand, and then, he fired it at Morag, and once it hit her, she suddenly heard the shrieks and vampiric cries of Fthaggua, and she was not only driven mad by the Eldritch Chants, but she also began seeing demonic vampires from Hell everywhere, but no one else can, and the final part of the curse took hold when she see the King Regent of The Fire Vampires, Fthaggua, appear before her, and burns her alive and her sanity was destroyed for over 300,000,000 years cursing her to an endless eternity of pain, madness, and suffering.

WE GASPED IN HORROR!

Clara St. Clarice: He used it! He used The Inferno Vampire Curse of Fthaggua on that insane big-butt witch!

Nicholette Torrington: It's perfect for a witch like her! Go to Hell, you old hag!

Then, Lincoln tied Morag up in a rainbow energy straitjacket and Neutronium chains lined with rainbow energy and he threw her into a portal that led to our new prison, The Davy Jones Locker Penitentiary, a Triple Super Maximum Security Prison reserved for the worst kind of inmates: the most evil and most ruthless pet and child abusers where they are tortured, raped, brutally beaten, and even killed there, and Morag was chained to the wall of her doorless windowless cell with Neutronium chains.

Now, my ancestors' honor and their deaths have truly been avenged after 403 years.

We cheered as we holstered our weapons and powered down, and Lincoln's new body, clothes, jewelry, Third Eye, larger brown wolf ears, one-hundred massive and longer brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind his head and large circle mirror with four circle mirrors on each corner behind the halo, one-hundred large planets orbiting around his legs, one-hundred smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized planets orbiting around his wrists and ankles and massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings are permanent.

Lachlan McLoud: (Scottish Accent) You did it, Lincoln! You not only got rid of Aggie, but you also taught that hag, Morag, a painful lesson she'll never forget!

Lucille: (Scottish Accent) For too long, Aggie's shadow has tormented us. Now, she's finally gone forever!

Arabella Anndrasden: (Scottish Accent) Same with Morag who's now going to spend the rest of her life in prison.

Nicholette Torrington: And with that deadly Lovecraftian Curse on her, her mind and sanity have been destroyed for over 300,000,000 years cursing her to an endless eternity of pain, madness, and suffering.

Eli: That kind of punishment is definitely well-deserved.

Me: That's for sure. But, that was so awesome! You've transformed, Lincoln, and you really let loose and wild on that big-butt witch!

Winter Werewolf: He's right, you really went wild and I'm not counting the many times you went wild on Lori, Lynn, Lola, Lisa, Luan, Killjoy Huggins, Chandler, Hawk, Hank, Scoots, Flip, and all of our enemies when you turn into Lincoln The Nocturnal!

Nico: Or against your old enemies and Sam, Clover, and Alex's old enemies! For you, this was really personal!

Luna: What that witch's ancestor did to our ancestors in 1621 was absolutely horrendous and cruel, it was definitely the kind of payback that'd make those who got on the bad side of our bro wish they were never born.

Laney: And the lesson here is never ever piss off our brother, because if you do piss him off..., that may be the last thing you ever do.

Me: That's for sure. But, your eyes, I noticed they change from deep sapphire blue to red.

Lincoln: I've had red eyes because I'm a vampire and I'm also a True Alpha Werewolf, because I rose purely through strength of character, virtue, and the sheer force of their own will alone, and not only am I larger, faster, stronger, more powerful, and more animal than Betas, Omegas, and even Lycans in every single way, making me exceptionally powerful, but I also possess abilities and I can do things that other normal Alphas and even Zetas don't or can't do, and with my connection to God, The Archangels, and Angels of Heaven along with the connections to the Gods and Goddesses of Myth, all of my abilities, powers, and skills have astronomically increased infinite-fold. But, I always prefer to keep my eyes deep sapphire blue.

Nico: That's true, besides if anyone who was in a panic saw your deep sapphire blue eyes, that'd calm them down.

Me: That's true, and True Alpha Werewolves are very rare. Hmm, hey, Lincoln, try lifting this! (Snaps Fingers)

I snapped my fingers and formed two bleachers held by a Neutronium bar in between them and all of us sitting on them along with one-hundred massive barbells and Lincoln went up to it. Then, he grabbed the bar with both hands and wrapped his one-hundred massive and long brown wolf tails around the barbells and he lifted the bleacher barbell up and the one-hundred barbells with ease!

Nico: HOLY CRAP!

Lincoln: I can also do it with only one hand as well!

Lincoln let his right hand go and he still holds the barbell with his left hand, and then, he put the bleacher barbell and barbells down and we got off the bleachers as the barbells vanished.

Riku Asakura: How on Earth?! Just how strong is your brother?

Lynn: You don't want to know, when J.D. and Nico found out, their jaws hit the floor and J.D. swallowed a fly.

The Ultraman Geed team nodded.

Laney: But, you're right, our brother's THAT SUPERHUMANLY STRONG!

Luna: That's nothing, dude, we've seen Lincoln lift a lot of heavy objects before in the past and that also includes Vanzilla, and he's never gotten tired after working up a sweat.

Luan: And he's also taken down some of the biggest and meanest guys in the past and that also included when he went Lincoln The Nocturnal on them.

Lynn: And with everything that he'd gotten: the genes of Mom and Dad, the inherent Scottish superhuman strength, his hyperpuberty, all of that training in the gym, and many more gifts he'd been endowed with, he became larger, taller, stronger, and extremely muscular than any bodybuilder and a lot imposing.

Lana: That's for sure, he's no longer the same "weak" person from long ago. And I put quotes on that because Lincoln's actually a lot stronger and tougher than he thinks.

Then, he got into a running position, his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out, and then,...!

KRABOOM!

LINCOLN TOOK OFF AND WE SAW HE'S FASTER THAN A SPEEDING BULLET, TRAIN, JET, AND AUTOMOBILE

COMBINED AND HE LEFT A SONIC BOOM IN HIS WAKE AND HIS MASSIVE WHITE ANGEL WINGS AND NINETY-NINE SETS OF LARGE WHITE ANGEL WINGS UNDERNEATH LET OUT A MASSIVE ROAR, AND WE SAW HE WENT ALL OVER THE WORLD AND CAME BACK HERE IN A SPLIT SECOND!

Eli: WHOA!

Rainbow Dash: Too AWESOME!

THEN, LINCOLN JUMPED INTO THE AIR AND AS HE LANDED, HE GENERATED A MASSIVE SHOCKWAVE THAT FORCED OUT SOME THUGS WHICH HE ABSORBED BY TURNING THE TIPS OF HIS ONE-HUNDRED WOLF TAILS INTO CELL'S STINGERS AND STABBED THEM RIGHT INTO THE CHESTS AND HE GREW EVEN STRONGER, AND WHEN HE WAS DONE AND THE STINGERS CHANGED BACK, NOTHING WAS LEFT OF THEM EXCEPT FOR THEIR CLOTHES!

BUT, THEN, ONE SURVIVING THUG TRIED TO PUNCH LINCOLN IN THE STOMACH! HUGE MISTAKE!

CLANG!

THE THUG BROKE HIS HAND AND LINCOLN THEN BEARHUGGED HIM AND HE ABSORBED HIM THROUGH HIS SKIN AND HE DRAINED THE THUGS' SOULS OF ENERGY AND SENT THEM TO THE BLACK ABYSS!

Michelle Emperyous: Okay, let's face it, our training for Lincoln has really paid off and look at the results!

Selene Emperyous: That's for sure! And the transformations he underwent along with his body constantly evolving even more really made him even more powerful than ever. But, we all knew that Lincoln is a true hero and a true warrior.

Laney Emperyous: We saw it for ourselves, Selene, Lincoln's a true hero who does everything possible to help people in need and confronted various villains and he's a lot stronger and tougher than he looks, he's brave, noble, courageous, and always ready to defend his friends and family from any danger and he never gives up!

Lincoln: That's right, and that doesn't mean you guys are also going to be left out, you're also going to undergo the same transformation as me and many of us who underwent this same transformation.

Me: That's for sure, and I always wonder what it'd be like having one-hundred angel wings and one-hundred wolf tails.

Nico: Imagine the kind of power when taking flight! The speed and velocity on those babies has got to be enormous!

Lola: And having phoenix tail feathers as part of an addition to the wolf tails, they're really beautiful.

Lincoln: And there's also this.

Lincoln's massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and they absorbed the flames from his fight against Morag and Belial and they flowed into him and he grew even stronger.

Lola: Whoa!

Me: So cool!

Nico: Too incredible.

Suddenly, Lincoln was pounced on by his entire harem and he was kissed all over the place: his face, muzzle, cheeks, pecs, arms, biceps, back, and twelve pack abs, and as soon as they were done, Lincoln was covered in lipstick kiss marks on his face, muzzle, cheeks, pecs, arms, biceps, back, and twelve pack abs, and he had an In Heaven look on his face with steam whistling out of his ears and an atomic red blush on his cheeks, snout, and muzzle.

Lincoln: (In Heaven) Too...awesome! So...worth it!

We laughed. But, then, we heard an inhuman roar, and we saw streams of darkness heading our way, and when they landed, what stood in their place were Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, and Alex Creighton.

Nico: Well, if it isn't Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, and Alex Creighton.

Me: Seems like you got here way too fucking late.

Dark Sebastian: YOU...! WHAT THE FUCK DID YOU DO?!

Lincoln: (Smirks and crosses his arms) Simply put, I just fulfilled the first part of The Prophecy of The Reincarnation of Amaterasu and avenged my ancestors' deaths over 400 years ago by taking down Morag and killed Aggie whom you'd resurrected as well, and soon, I'll fulfill the second part of that ancient prophecy by killing Dark Chase Young, the bastard responsible for triggering the events of 1621 along with 1,500 years of pain and suffering he'd put so many people through including myself and my family. I may have gotten payback for what he did in putting me and my family through Hell, but it'll be over for good once I truly kill Dark Chase Young, and not even you can stop us, Servants of Malphas and Apophis.

This really pissed Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, and Alex Creighton, and we were amazed at the bravery, courage, and boldness of Lincoln.

Dark Sebastian: I will make you pay for this, all of you!

Suddenly, heavenly lights shined down and the lands of Scotland became even more beautiful and Lincoln flew into the air, and his massive white angel wings and ninety-nine sets of large white angel wings underneath spread out. Plus, we also saw the victims of all those who'd been murdered by Dark Sebastian and his cronies suddenly restored to life. WE WERE STUNNED!

Lincoln: You only know how to make threats, and you made those threats come true using violence and hatred. All you are is nothing more than the personification of hatred, destruction, and madness rolled into one, the same goes with your cronies, and you saw that not even the darkness of Hell will protect you from us, and we've already killed

Aragon Cochran, Nergal Glaphyra, Maacah Necroshade, and Athalia Necroshade.

Me: That's right, you crossed too many lines for the last time, you pieces of shit.

Nico: Now, we're going to make sure you all pay for what you've done.

Lincoln: That's for sure. Now, slither on back to the shadows where you belong, you blood-crazed world-destroying snakes.

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, and Alex Creighton let out unholy demonic screams as they turned back into black streams of darkness and flew back into the darkness.

Buster Bunny: And don't let us catch you running loose again, or I swear, you're gonna know what real pain is!

Riku Asakura: Who the heck were those monstrous and deranged psychos?

Lincoln: A group of dangerous world-destroying Satanic black-hearted snakes. The one you saw is a very dangerous and very demonic enemy of ours, his name is Dark Sebastian, he's the dark side of Sebastian Mendez, he came into our world thanks to his parents who were Satanists, and they had attempted to bring Malphas to our world to destroy us many years ago, but the spell backfired and brought Malphas' creation, The Black Ooze of The Eldritch, into our world. Long ago, it killed the parents of Sebastian and Selena Mendez, Leader of The Hunters of The Nightflame Sun, and Sebastian wound up getting possessed by it and turned into that murderous and dangerous monster. Selena got her powers from the Nightflame of Nyx and she drove Sebastian away and into the darkness, and no matter what we did to try and keep the evil at bay, the evil kept coming back even worse than ever. That was until we found the answer in a book in Hell: The Holy Hands of Virtue.

Rainbow fire and energy surrounded Lincoln's hands and my hands as well along with heavenly light.

Me: It's that powerful and we used it to permanently purify and free Sebastian from The Black Ooze of The Eldritch, but it transformed into Dark Sebastian, and we're already at war with him and The Dark Church of Malphas, an evil Satanic Cult whom I destroyed long ago when I killed its 600 plus members years ago, along with The Order of The Dark Universe, they're an evil Satanic Cult that made Sebastian worse than ever, they imbued Sebastian with the powers of the evil god Apophis in order to destroy the entire universe and remake it in their own image into an evil universe where only evil reigns supreme.

They gasped.

Selena Mendez: The ritual worked and Sebastian was imbued with the powers of Apophis, but in a cold-blooded act of cruelty, he killed Astaroth Voldemorte, the former leader and founder of The Order of The Dark Universe, and he took his powers of darkness and sent his soul to Hell and he became the new leader of The Order of The Dark Universe, and the ritual made him even worse than ever: now, he truly was out for destruction and chaos.

Camie Elextor: And they're also equally dangerous.

I took out the photo of The Necroshade Siblings.

Me: The ones you see in this photo are The Necroshade Siblings, Satanic worshippers of Malphas and old enemies of me, Sakura, my sisters, and my friends. The first one is Alaister Necroshade, the high-ranking leader and founder of The Dark Church of Malphas and the nine other high-ranking members are his brothers and sisters, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade. They were the worst of the worst Satanists ever, they were from my old high school in Colorado, and they were just as bad as Damian Alaister and his friends who formed The Church of Necrom, but they were even more bloodthirsty and destructive!

Then, Selena Mendez took out the photo of The Order of The Dark Universe members.

Selena Mendez: And the members of The Order of The Dark Universe are just as twisted, their names are Michael Ondrushko, 2nd in Command and Black Magic Spellcaster of Darkness, Quentin Hargreaves, Demon Summoner of Darkness, Reagen Lestranfe, Black Magic Spellcaster of Darkness, Owen Thatcher, Satanic Ritual Master of Darkness, Alex Creighton, Hellfire Master of Darkness, Windsor Grimm, Hell's Winter Mage of Darkness, Ryan McCabe, Demon Wind Master of Darkness, Aragon Cochran, Demon Earth Master of Darkness, and Nergal Glaphyra, Demon Lightning Master of Darkness.

Riku Asakura: Jeez.

Nico: And eight years ago, The Hunters of The Nightflame Sun defeated Sebastian and The Order of The Dark Universe, and after he fled to The Netherworld, Selena had imprisoned the members of The Order of The Dark Universe in an abandoned castle in Transylvania, where they died of starvation two months later. But, eight years later, on Lana's big day mission on Chikyu, Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade performed a resurrection ritual and they resurrected Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

They gasped in horror.

Lincoln: They've been nothing but trouble, but so far, we've killed Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra, but we're just getting started, and soon, we'll send the rest of those snakes to The Black Abyss forever.

Me: So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, The Reality Stone embedded in the blade of my sword and Lincoln's greatsword started glowing with intense bright red light.

Kali Timestream: Oh man! It's them! The Elemental Infinity Stone Guardians!

Nico: Whoa! Who are they?

Lincoln: They are the most powerful group of girls among my Guardian Angels. These six girls were born with omnipotent power, immortality, invincibility, the incredible powers of The Infinity Stones along with the elements of Cosmic Pyrokinesis, Cosmic Hydrokinesis, Cosmic Aerokinesis, Cosmic Geokinesis, Cosmic Umbrakinesis, Cosmic Photokinesis, and Cosmic Space powers, along with having said Infinity Stones embedded in them, and they were given the task of protecting Lincoln from the wrath of his enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas.

Me: Uh oh. So, we're not the only ones out to destroy the evils of Malphas, The Demon Prince of Hell, along with Dark Chase Young, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas.

Nico: Looks like we got extra help coming our way. Judging by the glowing of The Reality Stone, who's the girl we're meeting?

Lincoln: That girl is Raphaela Fukushima, Elemental Fire Guardian of Reality.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Raphaela Fukushima, Elemental Fire Guardian of Reality, is Lincoln's Guardian Angel from Japan and she's a very powerful master of Cosmic Pyrokinesis, and Reality. She was born with omnipotent power, immortality, invincibility, and the powers of Cosmic Pyrokinesis, Omnipotence, Omniscience, Cosmic Awareness, and Reality, and she has The Reality Stone embedded in her forehead. She's the leader of The Elemental Infinity Stone Guardians, the most powerful group of girls among Lincoln's Guardian Angels, they are six girls were born with the incredible powers of The Infinity Stones along with the elements of Fire, Water, Wind, Earth, Light, Darkness, and Space, along with having said Infinity Stones embedded in them, and they were given the task of protecting Lincoln from the wrath of Lincoln's enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas. She moved to Michigan where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Pyrokinesis, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and Reality, and he gained omnipotent power, and the powers of Cosmic Pyrokinesis, Omnipotence, Omniscience, Cosmic Awareness, and Reality and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a passion and she swore to burn Lori at the stake like the witch that she was, but she absolutely despises Thanos, Dark Chase Young, Malphas, Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and all of Lincoln's enemies and all those who want to use them for their insane schemes of destroying the entire universe, and she swore to use The Red Flames of Reality to burn them all to death.

Me: (WHISTLES) Damn, that's brutal.

Nico: Wow.

Lincoln: Yep, Raphaela is one powerful force of Cosmic Pyrokinesis and Reality that no one wants to piss off.

Me: Word to that.

POW!

Katsumi punched Kei and Derpy bashed him!

Katsumi and Isami charged at Kei Fukuide and kicked him!

Then Derpy fired a cheese stream and trapped him in hard cheddar and he was frozen!

Katsumi: What should we do now?

Isami: No idea.

We came back.

Katsumi: Is it done?

Cheshire: Belial is gone for good.

Multiple Man: And Morag is back in jail where she belongs.

Me: But with a terrible curse. And I see that Kei is frozen in a block of cheese.

Nico: (Drools) NO! I would not want to eat that.

Whiplash: (to Katsumi and Isami) You guys helped too.

Katsumi: We sure did.

Me: We owe you guys.

Riku: See you guys in 7 days.

Isami: We'll be waiting.

Riku shook hands with Katsumi and Isami as the 3 of them laughed together.

Major Disaster: What now?

Taskmaster: We celebrate.

Me: Yeah! Lincoln, you, Octavia and Stacy did really well in this mission. You all should be very proud.

Lincoln: We are.

Me: We're not finished with the prophecy yet. Now we must face Dark Chase Young himself. But that's not till later down the road.

Nico: Yep.

Me: Just for good measure...

I concentrated.

In the Warp, Dark Chase Young was meditating and then the spirit of his father came to him.

Tang Young: Can you feel it my son, closing in all around you? The Flames of the Phoenix has been awakened. The sins of the past have finally caught up to you. You will be called into account. For all the atrocities you've committed, the unspeakable horrors you've let loose upon the universe, and the dark ancient powers you've enslaved. Though my soul was one of the first to be devoured by your evil, there are thousands more bound within your hands and they cry out for release. Look now to your defenses my son, for the champions of the Phoenix gather at your gates!

Dark Chase Young: Let them come. I will deal with Lincoln myself when it's time.

Then my eyes appeared!

Me: Dark Chase Young! This is J.D. Knudson! I sense that you are watching. The Atrocities that you have done to Lincoln and his family cannot go unpunished and nothing you say or do will stop us from destroying you! We will help Lincoln fulfill his quest to destroy you AND YOU WILL PAY FOR CAUSING OVER 1,500 YEARS OF PAIN AND SUFFERING TO COUNTLESS LIVES! LIKE IT OR NOT THE PROPHECY WILL BE FULFILLED! WE'RE COMING FOR YOU DARK CHASE YOUNG!

My eyes vanished and he just smirked.

Me: There.

Nico: Awesome. Now he is gonna be scared of us.

Lola: Yep.

Lincoln: (To the viewers) Boy this was an awesome adventure. Hope you all liked it.

we went to an awesome restaurant in Loch Loud and had fun.

We returned home and we helped The Ultraman Geed team settle in to their new home with us, and as the sun set, Lincoln was in his room looking out into the skies.

Lincoln: It's finally over, Morag finally got her just desserts. After what Aggie did killing our ancestors in 1621 over 400 years ago, she and her ancestor can rot in Hell for all I care. But, it's not over just yet.

Then, Octavia Melody came to him.

Octavia Melody: That's right, there's still the matter of Dark Chase Young, the mastermind behind the dark events of 1621 and for 1,500 years of chaos and havoc he'd wrought along with the pain and suffering he'd left. When Kimiko's big day comes, we'll make him pay for all that he's done.

Lincoln: That's for sure.

Suddenly, Lincoln then guided Octavia Melody to his massive bed for him and his expanding harem and he gently laid her down as he got on top of her, and then, he proceeded to kiss her right on the lips in a deeply passionate and intense manner. When they separated, they had an atomic red blush on their cheeks, and then, Lincoln wrapped his arms around her back and waist.

Octavia Melody: (Speechless) Linky...!

Then, the rest of his harem joined in and they were only wearing bras and panties.

we later went to sleep.

The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness and Lincoln VS. Ryan McCabe, Demon Wind Master of Darkness of The Order of The Dark Universe and Jezebel Necroshade, Dark Wind Master of The Dark Church of Malphas

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to the Royal Woods where Dark Ace came from, and we're going to do two things: the first thing we're going to do is capture Lori, Lola, Lisa, and Luan from Dark Ace's world who also helped Lynn from Dark Ace's world in disowning him and murdered his good sisters along with his parents and other relatives and his harem along with capturing Dark Ace's friends who abandoned him and capture the rest of Dark Ace's enemies. Then, we'll bring them to trial in the courthouse where Anna Anyanova will then present the 999,999,999,999,999 file cabinets full of photos of every last vile, depraved, horrifying, and disgusting thing Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies did to Lincoln along with doctor's notes and reports, and with that strong evidence against them, the jury will find them guilty and the judge will sentence Lori, Lola, Lisa, and Luan from Dark Ace's world along with the rest of Dark Ace's enemies to death while Dark Ace's friends who abandoned him will be sentenced to juvie and when they reach eighteen, they'll be sent to prison for life.

And the second thing we'll be doing there is battling Lord Elemenangel, The 3rd Hypothetical Akuma of Lincoln Loud and also a master of the elemental powers of fire, water, earth, wind, dark, light, lightning, crystal, stars, ice, wood, metal and lava and he is a force to be reckoned with! He was made because of all the atrocities that Flip, Scoots, Chandler, Hank, Hawk, and all of his enemies had done and VOWED to kill ALL OF THEM and make them all suffer and be banished to The Black Abyss. We're taking him down and sending him to The M.O.E., and we're going to meet Raphaela Fukushima, Elemental Fire Guardian of Reality, she's Lincoln's Guardian Angel from Japan and she's a very powerful master of Cosmic Pyrokinesis, and Reality. She was born with omnipotent power, immortality, invincibility, and the powers of Cosmic Pyrokinesis, Omnipotence, Omniscience, Cosmic Awareness, and Reality, and she has The Reality Stone embedded in her forehead. She's the leader of The Elemental Infinity Stone Guardians, the most powerful group of girls among Lincoln's Guardian Angels, they are six girls were born with the incredible powers of The Infinity Stones along with the elements of Fire, Water, Wind, Earth, Light, Darkness, and Space, along with having said Infinity Stones embedded in them, and they were given the task of protecting Lincoln from the wrath of Lincoln's enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas. She moved to Michigan where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Pyrokinesis, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and Reality, and he gained omnipotent power, and the powers of Cosmic Pyrokinesis, Omnipotence, Omniscience, Cosmic Awareness, and Reality and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a passion and she swore to burn Lori at the stake like the witch that she was, but she absolutely despises Thanos, Dark Chase Young, Malphas, Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and all of Lincoln's enemies and all those who want to use them for their insane schemes of destroying the entire universe, and she swore to use The Red Flames of Reality to burn them all to death.

Next is Seto Kaiba's day to shine and we're going to bring down his evil Stepfather, Gozaburo Kaiba and expose all his crimes to the world and make him pay!

See you all next time

Blue-Eyes White Dragon VS Evil Monster

JUSTICE FOR THE KAIBA NAME

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to China, and as he was flying, he saw someone he knows all too well: she was a girl with purple hair, dark blue eyes, rainbow angel wings, orange clothes, she has the symbol of The Xiaolin on her forehead, orange skirt, and short-sleeved orange blouse, an Anti-Heylin tattoo on her left arm, she has The Thorn of Thunderbolt on her left hip and The Lunar Locket for her necklace, she has on an Omnitrix-like device on her left arm, she has a sword holstered on her back, and she has a Shen Gong Wu-themed Keyblade in her left hand. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got a surprise guest coming.

Lincoln explained everything, and his Guardian Angels gasped in stunned amazement.

Anna Anyanova: Oh man, it's her!

Sabrina Lorelai: The Xiaolin Monks are going to be surprised to see her again, but this might get ugly because if she sees Chase Young here, she's gonna go ballistic, and she'll try and clobber Jack Spicer.

Lincoln: Same with Wuya. But, I just hope it doesn't come to that.

Michelle Emperyous: Still, everyone's going to be in for a big surprise tomorrow.

Lincoln: That's for sure.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to China.

Then, Lincoln explained everything, and as he got done explaining, we were stunned.

Me: Whoa! So, you saw another of your Guardian Angels, Lincoln.

Lincoln: Yep, and she's also very important as well because of the prophecy.

Nico: Oh man. So, when she's going to arrive?

?: How about right now.

Suddenly, we saw a massive and colorful display in the dining room as we saw dragons of many colors and elements appear and fly around the room. Then, they converged and an explosion erupted, and what stood in its place was a girl with purple hair, dark blue eyes, rainbow angel wings, orange clothes, she has the symbol of The

Xiaolin on her forehead, orange skirt, and short-sleeved orange blouse, an Anti-Heylin tattoo on her left arm, she has The Thorn of Thunderbolt on her left hip and The Lunar Locket for her necklace, she has on an Omnitrix-like device on her left arm, she has a sword holstered on her back, and she has a Shen Gong Wu-themed Keyblade in her left hand.

Lincoln: (GASPS) Xinnia Xiaolin Young, Keyblade Knight of The Xiaolin Arts.

Clay Bailey: Well, I'll be, our Keyblade Knight of The Xiaolin Arts has arrived.

Omi: I knew I recognized the display from anywhere.

Raimundo: Same here.

Kimiko: You made it just in time.

Me: Wait, she's The Keyblade Knight of The Xiaolin Arts, that's so awesome!

Nico: That's really awesome! So, can someone do the introductions?

Kyoko Tohomiko: Leave it to me. Everyone, this is Xinnia Xiaolin Young, Keyblade Knight of The Xiaolin Arts, she's Lincoln's Guardian Angel from China and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of The Xiaolin Arts and she's also a master of all the powers of The Shen Gong Wu and she's a master of all the martial arts styles in Shaolin, Jiujitsu, Judo, Tae Kwon Do and many more. She is a deadly force of good and she has an Omnitrix like device called the Xiaolintrix and it gives her access to all the powers of all The Shen Gong Wu times 10,000,000 and it's awesome.

Ben: An Omnitrix that gives you access to all the powers of all The Shen Gong Wu times 10,000,000? That's amazing!

Azmuth: Indeed.

Carly Katherine: Yep. Plus, she's also has been around for over 1,500 years and she has seen and been through it all because she's immortal, and brace yourselves: the shocking part is that she's also the younger sister of Chase Young and she hates EVERYTHING HER BROTHER HAS BECOME!

NICO, ELI, AND I DID A SPIT TAKE!

Nico, Eli, and me: SAY WHAT?! SHE'S CHASE YOUNG'S YOUNGER SISTER?!

Lincoln: Yep.

Tammy Meadows: And she wants to make sure he pays for all the atrocities that he did and vowed to help the Reincarnation of Amaterasu destroy him forever! As far as she can tell, she has no brother and Dark Chase Young is dead to her.

Eli: Ouch.

Anita Kaboom: Also, she promised to avenge her father who fell to Dark Chase Young.

Nico: He murdered your father?! Oh man!

Xinnia Xiaolin Young: That was back 1,500 years ago, Nico, and that pain hurt me still to this day.

Rita Kastle: We were still horrified after hearing it when we met. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him in everything that she knows and helped him get ready for everything, and over time, Lincoln gained all the powers of The Shen Gong Wu along with getting a Xiaolintrix of his own and he also became a very powerful master of the martial arts styles in Shaolin, Jiujitsu, Judo, Tae Kwon Do, and many more, and she also helped him bulk up in muscle, and she also taught him how to garden, and she hates the Heylin and vowed to bring them all down. Also, she hates all of Lincoln's enemies with a vengeance and she vowed to kill them all.

Me: Wow! And from what we were told, that makes you an important Guardian Angel because of The Prophecy of The Reincarnation of Amaterasu.

Xinnia Xiaolin Young: That's right. Plus, I saw what happened when Lincoln transformed against Morag, and I was absolutely floored.

Nico: We were also floored as well, your man's now become even more of a true God among men, and he gave that witch the most lethal Lovecraftian Curse before we sent her to The Davy Jones' Locker Prison, and she's not gonna last a day in there.

May: I'm just hoping someone kills her again, so we can send her to The Black Abyss.

Poromon: If not, we'll be the ones to do it! That hag's lived for too long!

Mascots: Yeah, we'll moider her! RUFF! RUFF!

Lincoln: Oh, for pity's sake!

CRACKS FINGERS!

LINCOLN CRACKED HIS FINGERS!

Ed and Mascots: WHAT A PEST!

Edd: That's disgusting.

Ed and Mascots: MAKE HIM STOP!

ED AND THE MASCOTS WERE RUNNING AROUND LIKE HEADLESS CHICKENS AND WE WERE LAUGHING HYSTERICALLY!

Me: That gag never gets old!

We stopped laughing.

Nico: Anyways, after we dealt with Morag, J.D. sent a warning to the dark side of your brother and it's already got him pissed off big time.

Xinnia Xiaolin Young: Good, he deserves it.

Lincoln: And Xinnia, do not freak out about this, but. Okay, you two can come in now!

Then, Jack Spicer came in.

Xinnia Xiaolin Young: What the?! Jack Spicer? What are you doing here? Are you at it again?!

Lincoln made a viewing window and he showed her of what Jack Spicer did in helping us in the war against Anti-Cosmo and The Anti-Fairies many years ago when we were looking for The Clow Cards and the monks' attempted attack on him when The Mutant from Goosebumps framed him led to Dark Spicer being separated from him leading Jack Spicer to be freed from his dark side and joined us and Dark Spicer joined with Vypra and became 2nd-In-Command of The M.O.E. and they're also boyfriend and girlfriend.

Xinnia Xiaolin Young: You had that just in case I was about to attack Jack Spicer.

Lincoln: Yep. Plus, Wuya also joined the M.O.E. because she at least had honor same with Dark Spicer along with the rest of The Heylin.

Xinnia Xiaolin Young: Well, that's true, I remembered hearing about it from the other monks. And Chase, you can get out here, I know you're the second person Lincoln mentioned.

Then, Chase Young came out.

Chase Young: Xinnia, I know I'm the last person you'd expect to see here because of what did 1,500 years ago and since then, but hear me out, I've been freed from my dark side.

Lincoln: He's right, Xinnia.

Lincoln made a viewing window and he showed her of what we did last year in Chapter 2060 in The Loud House: Revamped when we met The Renegades who helped us separate Chase Young from Dark Chase Young using The Split Emitters, and he'd been on the road to redemption ever since then. The viewing mirror vanished.

Chase Young: See, everything you saw is true. I've been on the road to redemption since then, and I swore to make up for it.

Jack Spicer: I've already set myself straight after joining Team Loud Phoenix Storm.

Lincoln: Plus, we hadn't forgotten of what you did to Tentacus.

Troy: I still remembered that, you even used The Kuzusu Atom and killed him in a Xiaolin Showdown.

Xinnia Xiaolin Young: I remembered seeing it. Damn, I never figured you'd get pissed when some idiot says that about your parents. (Sighs) Alright, looks like Lincoln's convinced me. Only with you, Jack, but Chase, you've got 1,500 years of making up to do with me.

Chase Young: Okay, that sounds fair.

Nico: Oof, Lincoln wasn't kidding about what he said about you.

Lincoln: She meant everything I told you guys.

Suddenly, Lincoln pinned Xinnia Xiaolin Young to the floor and he kissed her on the lips as he wrapped his massive muscular arms around her waist and she placed her hands on his massive biceps. Then, he leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Xinnia Xiaolin Young with orange gems on the gold lightning bolts and orange crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Xinnia Xiaolin Young: (Rubs Lincoln's massive pecs) Well, that was one way of saying it's good to see you again.

Then, Lincoln with his massive muscular arms still around her waist helped her and himself up.

Lincoln: Alright, now let's finish breakfast and take down the next villain for Nico's rescue.

Nico: Right.

Kaiba Woke up to see Axew and Dratini staring at him.

Axew: Morning Seto!

Dratini: Time for breakfast!

Seto Kaiba: I'll be right down.

He went and got dressed and got to the table.

Me: Morning Seto.

I gave him some coffee and his breakfast.

We finished our breakfast, and we headed out to take down the next villain for Nico's rescue.

Qin: It's fun.

Me: Yep.

Nico: Merrick, I want to thank you, Fogshell, and your teams for coming

Merrick: No problem Nico. This is gonna be awesome and cool!

Zacian: I'm excited for this one.

Qin: We all are.

Nico: Zacian, are you happy with Zarya?

Laney: Big bro you were awesome!

Me: WOW! I'll say! We all defeated Morag and Ultraman Belial!

Nico: YEAH!

Anna Anyanova: WOOHOO! And we fulfilled part one of the prophecy!

Taro: (to Lincoln) Me and my companions weren't there for the first part of Morag's reign. But we're glad to have helped you end it yesterday.

Lincoln: That more than makes up for it but it was so awesome and fun!

Qin:Yeah it was!

Camie: And we avenged the McLoud's and got rid of Morag!

Lola: We sure did! We sent her to Davy Jones Penitentiary.

Nico: Where is that prison?

Me: Oh it's located in the middle of the Arctic Ocean.

I pulled up a picture and where it's at.

It was an EVIL CASTLE PRISON.

Me: It's a Super Maximum Security Prison reserved for the most evil people on Earth.

Laney: Whoa!

Nico: Scary prison! It's an island castle prison in the middle of nowhere!

Me: Yep and here's the prisoners there.

I pulled up a list:

Elmyra Duff: Animal Abuse since 1990

Preston and Priscilla Northwest: Child Abuse Against Lori and Pacifica Northwest

Vernon and Petunia Dursley: Child Abuse Against Harry Potter

Spiker and Sponge: Child Abuse Against James

Norman Bates: Child Abuse, Insanity, and Murder

Harry and Zinnia Wormwood: Child Abuse Against Matilda

Coco LeBouche: Child Abuse Against Tommy Pickles and his friends and being an insane golddigger

And Morag McLaughlin: Child Abuse Against her daughter, Mira, Crimes Against The Louds, and being a traitor to Scotland and the world.

Nico: WHOA! So Norman Bates and all those guys are there. But Vernon and Petunia are dead.

Me: They were gonna be transferred there but they attempted to escape from and died and were sent to the Black Abyss.

Qin: Whoa!

Laney: They deserved it.

Maria: So Spiker and Sponge were sent there huh? Good fucking riddance to those freaks!

Pacifica: And my former parents too. Good riddance.

Matilda Honey: And my former parents too.

Fluttershy: And my mortal enemy Elmyra Duff! Good!

Me: Yep.

Misty Tredwell: And that basket case Coco LeBouche. Cool.

Me: I know. Lots of dangerous enemies we hate.

Nico: And we killed Belial.

Me: We sure did!

Lincoln: Yeah!

Me: Man what a day!

Nico: It sure was!

Lincoln: I'll say!

Me: Lincoln, you, Octavia and Stacy all did Really well yesterday.

Lincoln: Thanks J.D.

Anna Anyanova: Our training and practice for him paid off.

Me: Well now we just have to face Dark Chase Young.

Qin: Yep. Then the prophecy will be fulfilled and we'll rid the universe of one of its ultimate evils.

We arrived at the Foremost World-Renowned International School of Lucha.

Nico: Here we are!

Me: Wow!

Qin: Awesome!

Me: Wow! I remember coming here to battle Another Ghostfreak but that's it.

Nico: Oh right you and Varie and Xenia were on vacation when we were here. Well it was crazy.

Nico told us what happened in chapter 1122 of Loud House Revamped and it was awesome!

Me: WHOA! So that's how you guys met Rikochet and friends.

Nico: Yep.

We went in and it was a cool place.

Ronnie Anne: Boy we love this place and we met La Tormenta our Lucha wrestling hero.

Syd: We sure did.

Lincoln: Okay, guys, we're here for one awesome battle, we're here in Rikochet, Buena Girl, and The Flea's school, but here's the problem: it appears our old enemies, the Lucha Hating dirtclods, The Hairy Knuckles Brutos, are back, and they're causing trouble again.

WE GASPED!

Me: Those dirtclods are at it again?! (GROWLS)

The rest of the team's with us.

Nico: Unbelievable, those dirtclods just don't know when to quit?! Ugh!

Caleb Maxwell: What did they do?

We explained The Hairy Knuckles Brutos' history and what they did, and when we were done with it, everyone else was pissed, but Caleb, we saw his crimson red eyes turn brighter and he was now out for blood.

Caleb Maxwell: THEY DID WHAT?! I may be a fan of wrestling, but this...! I think it's time to teach those three brutes a lesson in real wrestling! Cage, Travis, you two better get some wrestling gear on!

Cage Blunt: Wrestling, eh? (Smirks) Sure, we'll teach them a lesson!

Travis Tackett: (Smirks) We'll get the ring set up and teach them a lesson in real wrestling!

Nico: Oh crud. Allie, you better find a way to stop your brother.

Allie Maxwell: Not a chance, Nico. (Smirks) I'm looking forward to this!

Peace Salyers: (Smirks) Along with seeing Cage in wrestling gear.

Leela Salyers: (Smirks) Same here.

Nico: What the?!

Lincoln: Ouch, we were counting on Allie to reason with her brother, but she turned us down to see her brother's violent plan come to place.

Suddenly, Lincoln had a premonition as his gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings on each corner fired beams of light and they formed into a one-way mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent another massive 12'6" werewolf with demon wings and massive pack of 12'6" massive werewolves with demon wings after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another massive 12'6" werewolf with demon wings and massive pack of 12'6" massive werewolves with demon wings after us?!

Nico: Now that those snakes are freed from Hell, they're free to come after us once again.

Lincoln: We're more than ready for those pack of snakes, and we'll send them running back to Hell for good by absorbing their next demon winged werewolf and its pack and drain all their souls and send them to The Black Abyss. Now, let's get going.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us,

now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for The Hairy Knuckle Brutos) AHA! Gotcha! I just spotted those three brutos, they're 20 yards away, but they're heading right for us.

Nico: Let's get him, and Caleb, you be ready to give them true Hell on Earth.

WE GASPED, AND CALEB HAD A MALEVOLENT NASTY GRIN ON HIS FACE: NOW, HE WAS OUT FOR BLOOD!

Caleb Maxwell: Now, you're talking.

Margo heard a Pokemon Cry.

Margo: Look guys!

We saw a Machop.

Me: A Machop! Cool!

Margo: Oh the poor thing.

She gave it food.

Machop: Ah thank you so much.

He ate the food.

Machop: Thanks.

Margo: You're welcome. Wanna come with us?

Machop: I would be honored.

Me: Awesome.

Poromon: YAY!

But then we felt stomps.

Me: What the?

NIco: What was that?

Me: No idea.

We felt more.

Eli: Anybody hear that? It's a um... It's an impact tremor is what it is. I'm fairly alarmed here.

Qin: I think it's from that!

We saw a Venusaur!

Me: WHOA! A Venusaur!

Nico: How did that get there?!

Me: I think it's one of Dark Gale's work.

Qin: Yeah.

Autumn Blaze: Oh my gosh let me see here.

She used telepathy and gasped!

Autumn Blaze: Oh my gosh it's my sister Verdant Inferno! She is my older sister and loved all my jokes.

Me: Wow!

Autumn Blaze: She also has intense fire powers and knows how to use the powers of the Nirik.

Me: WHOA! Talk about an explosive temper.

Nico: Yep.

Me: Lets go help her!

Me and Autumn went to help her.

Autumn Blaze: Verdant it's okay! It's me Autumn!

All she did was use Razor Leaf on Horsea

Maria blocked the leaves and they cut her back! OUCH!

Maria: (GRUNTS IN PAIN!) OUCH!

Me: Ouch! That had to hurt!

Nico: No kidding.

Me: Okay then.

Me and Autumn fired waves of fire and blasted her down.

I snapped my fingers and she was a girl with magenta hair and yellow highlights and had Venusaur on her forehead and had green and purple wings and had a cutie mark shaped like the Kirin Shield that Twilight showed us.

We wrapped her in a blanket and brought her over.

Me: There.

She woke up to see Horsea's stern gaze.

Verdant Inferno: (Groans) Huh? A Horsea?

Horsea: You hurt Maria!

Maria: Horsea calm down.

She picked her up.

Maria: Horsea is very protective of me as well.

Autumn Blaze: Verdant?

Verdant Inferno: (GASP) Autumn!

She hugged her.

Verdant Inferno: I'm glad you're safe! I was so worried when my fellow Kirin sent you away. I looked everywhere for you.

Autumn Blaze: I was only on the edge of the mountain in the Peaks of Peril.

Me: Yeah. You were turned into a Venusaur by Dark Gale.

Verdant Inferno: I don't know who they are.

Me: Oh you aren't part of Sonya's team then.

Sonya: No she is not. She was doing all she can to help the Kirin and find Autumn.

Me: Oh man. Then you must've heard about how we helped the Kirin and regained their voices.

Verdant Inferno: Yep. Wait that was you guys?

Me: Yep. Me, Applejack and Fluttershy went and found your people and helped them out with the help of Autumn Blaze.

Nico: What do you do in your free time?

Verdant Inferno: Well I am a school student. As I am half Kirin, I have all their powers. I go to Canterlot High to learn all I can.

Sunset Shimmer: I remember seeing you there.

Verdant Inferno: Yeah. When I got word about my people being silent like that I went to find Autumn. But I couldn't find her anywhere. That's when I was turned into Venusaur and everything blacked out.

Me: That was 3 years ago. Dark Gale must've been biding its time to get things ready.

Nico: Yep.

Me: But we found out the reason why the Kirin went quiet. It was because they got mad over something and they bursted into flames and turned into Nirik. They burned their entire village to the Ground. No one was hurt thankfully but because of that they went into a stream that took away their voices and emotions.

Nico: Yeah.

Me: That really gave a new meaning to the term Explosive Temper.

Applejack: I remember that! That was a crazy friendship problem.

Me: Yep. And we reminded them that having no anger makes that creature only HALF of that creature.

Nico: Yep. Anger is part of us whether we like it or not. We just have to learn how to control it.

Eli: Yeah and Autumn Blaze, Fluttershy, Applejack and big bro helped make your village better and awesome.

Verdant Inferno: Wow! That is amazing!

Autumn Blaze: Yeah it was really fun.

Me: Yep.

Ymir: That is amazing!

Me: It was.

Horsea: Are you okay Maria?

Maria: I'll be fine.

Me: Good.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her green clothes and a fire sword.

Verdant Inferno: Wow I look amazing!

Me: You sure do.

Nico: We're not done yet.

Me: Nope. Now the fun begins.

We then ran down the hall to the gym to take down the Hairy Knuckle Brutos and send them to The M.O.E. and send the next demon winged werewolf and its pack sent by The Order of The Dark Universe and The Dark Church of Malphas to The Black Abyss as well after Lincoln absorbs them.

We went into the gym and we saw our targets: the Lucha Hating Dirtclods, The Hairy Knuckles Brutos, and they're attacking Rikochet, Buena Girl, and The Flea.

Nico: What the?! (GROWLS)

Lincoln: Leave this to me.

Lincoln flew even more into the air.

Lincoln: ELEMENTAL WINGED WOLF OF JUSTICE!

Lincoln turned into a massive white wolf with massive white angel wings surging with the elemental forces of nature and he pounced on The Hairy Knuckle Brutos and rammed them away and got them away from Rikochet, Buena Girl, and The Flea.

Rikochet: Whoa! A massive winged white wolf?

Suddenly, it turned back into Lincoln.

Rikochet: Lincoln?! Wow, that was an awesome signature move!

Buena Girl: You said it, that was muy buena!

We landed.

Me: Oh man! Lincoln, that was an awesome signature move!

Nico: Turning into a massive white wolf with massive white angel wings surging with the elemental forces of nature, that is so awesome!

Ronnie Anne: You said it! La Tormenta saw it for herself, and she was so impressed.

La Tormenta: You said it, Mija. (To The Hairy Knuckle Brutos) Okay, you Lucha hating Brutos, it's clear you weren't going to learn your lesson. Well, then, today's forecast calls for a 100% chance of pain.

Merrick: And what Lincoln did to you, that's just the beginning. You're gonna suffer the full fury of the wolf.

Mr. Wolf: This is gonna hurt bad!

Merrick, Zacian, Mr. Wolf, Wayne Wolfman, Bigby Wolf, and Suicune went at the Brutos, and viciously mauled them bad!

Primadonna Jones: You flea-bitten...!

Lincoln howled and packs of wolves came out and mauled the Brutos even more, then, he let out a screech and swarms of vampire bats came at them and scratched them all over, and he summoned many other mythical beasts and animals that mauled the Brutos. They were banged up all over, but they were stubborn, they were pissed off!

Nico: Damn, they sure are a bunch of stubborn cockroaches!

Me: Well, that just makes things more fun. Caleb, get them!

Caleb Maxwell: With pleasure. TIME TO DIE, YOU BRUTES!

CALEB MAXWELL FLEW RIGHT AT THE HAIRY KNUCKLE BRUTOS, AND HE UNLEASHED PURE HELL ON THEM AS HE FIRED BLASTS OF BLACK AND CRIMSON RED, WHITE, GOLDEN YELLOW, AND BLUE ENERGY, STARS, AURA ENERGY, WHITE AND BLUE HEAVENLY FLAMES, HELLFIRE, DIVINE DARKNESS, BLOOD, SHADOWS, VAMPIRE BATS, DEMONS, PHOENIXES, AND ANGELS AT THEM!

Primadonna Jones: NO! NO! GUARDS! GET HIM!

Suddenly, demons came out, and Lincoln recognized them.

Lincoln: (GROWLS) Those demons, they're Dark Chase Young's minions.

Caleb Maxwell: OUT OF MY WAY!

Caleb Maxwell fired blasts of Hellfire at the demons and blasted them and shot them! Then, Caleb Maxwell started shooting at more of them with silver bullets from his guns, and then, he spun like a tornado and proceeded to fire on all sides at them as they got hit.

OUR JAWS WENT WIDE OPEN AT THE SHEER VIOLENCE AND CHAOS CALEB'S LET LOOSE!

Me: HOLY ENCHILADAS! THIS IS GETTING UGLY!

Nico: Same here! What the fuck did I just unleash?!

Cage Blunt and Travis Tackett: (LAUGHING WILDLY) WHOO! GET HIM, CALEB! TEAR 'EM APART! MAKE THEM BLEED!

Allie Maxwell: Seriously, you two get way too wild and excited seeing my brother cause all that mayhem, violence, and chaos.

Leela Salyers: True, but what can you do?

Peace Salyers: And Caleb's part of the family of vampires, and the violence, mayhem, and chaos can be blamed on your ex-brother, Drake.

Jack Howard: And with Cage and Travis cheering him on, that could mean it's about to get uglier!

Suddenly, Caleb Maxwell let his grip on his guns loose as they dropped and were levitating, and then, he clenched his hands real tight as his gold-armored dragon claws drew blood which formed into a pool behind him, and we felt that familiar darkness coming from it.

Caleb Maxwell: Now, suffer for all eternity. (ECHOING VOICE) RAIN OF BLOOD!

A MASSIVE GEYSER OF BLOOD ERUPTED BEHIND CALEB MAXWELL, AND A MASSIVE RAINSTORM OF BLOOD CAME DOWN, AND IT DID A LOT OF DAMAGE HITTING THE HAIRY KNUCKLE BRUTOS AND THE DEMONS, BUT IT WAS ALSO MAKING US AND THE VAMPIRES ON OUR TEAM EVEN STRONGER THAN EVER, AND WE HEARD CALEB'S WILD DEMONIC LAUGHTER ECHOING IN THE AIR AND HE WAS ALSO FIRING MORE BULLETS FROM HIS GUNS LIKE CRAZY!

Me: Oh God, I've unleashed a monster!

Lincoln: Wow, I've never seen that kind of wild crazy violence before, but this is on a whole new level.

James Blunt: Caleb really knows how to put on a show, that's for sure.

Me: Now lets show these Gringos what for!

Qin: Yeah!

I stood ready.

Heavy Traffic: You got something to say?

Me: You have a giant butt as big as your ego!

Heavy Traffic: WHY YOU!

He went at me and I grabbed his fist and threw him and he crashed into Primadonna Hodges and bashed her down!

Machop charged at them and bashed them down.

Me: Take that!

I kicked Heavy Traffic and punched Carlton Cold Jones!

POW!

I punched him in his face and knocked out some of his teeth!

Rikochet: Thanks for helping us guys.

Me: Anytime Rikochet. Glad we came just in time.

Nico: Hope we're not late to the party!

Buena Girl: Nope you arrived just in time!

Qin: Yeah!

Flea: Lets bring it on!

I punched Heavy Traffic!

Lightning strikes hit the area!

Me: WHOA!

Then Larxene with a Lightning aura came and she was battling the next member of the Daughters of Organization XIII!

Lincoln: (GASP) Elaine Elrena Larxene!

Elaine Elrena Larxene: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Elaine Elrena Larxene, Daughter of Larxene, she's Lincoln's Guardian Angel from The World That Never Was, she's a powerful master of the forces of lightning, and she's known as The Savage Lightning Master of The Daughters of Organization XIII, they are the daughters of the members of Organization XIII and they have elemental angel wings and black clothes and the weapons of Organization XIII and the kanjis of the elements on their foreheads, and Aniya and her friends absolutely loathe Xehanort with a bloodstained vengeance. She came to Royal Woods where she met Lincoln and swore to protect him from all threats and it not only included Dark Chase Young, but also, Xehanort as well, because Lincoln also had a hand in killing the evil Xehanort. She trained Lincoln in mastering the forces of lightning and savagery, and in a split second, he mastered the powers of lightning and savagery, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Sergio with a passion.

Me: WHOA! Electrifying and awesome! Also Sergio was given the Black Abyss.

Elaine Elrena Larxene: I heard about that. Good riddance to that stupid feather duster. Care to help with this Linky?

Lincoln: You know it!

They went at Larxene the Thunder!

Sally Stomach then sat on Primadonna Hodges face.

Sally Stomach: You think Flea's stench is bad, sniff on this!

LOUD NASTY HORRIBLE LONG FART!

SHE COUGHED AND GAGGED AND VOMITED!

Ben turned into Rath.

Rath: LEMME TELL YA SOMETHIN', HEAVY TRAFFIC! YOU WANNA PIECE OF RATH?! YOU GOT A PIECE! BUT YOU JUST BIT OFF AN EYE BIGGER THAN YOU STOMACH CAN CHEW!

Heavy Traffic: BRING IT ON!

Rath punched and smashed Heavy Traffic ferociously!

Carlton Cold Jones: You make me sick!

Me: I'll make you more than sick!

KROW!

I kicked him in his stomach and he threw up all over Primadonna Hodges!

Heavy Traffic: And that didn't even make sense!

Rath: I KNOW!

KROW SMASH WHAM BIFF WHOMP!

Rath pulverized him all over!

Rath: POLARIS PILE DRIVER!

He jumped and smashed Heavy Traffic and smashed his back!

Lola: Take that!

She exploded into flames and fired a massive blast of fire and burned Carlton Cold Jones!

Autumn Blaze: That's my amazing sister!

Me: She has an explosive temper as big as the love of her sister!

Rath: Sirius Butt Kicking!

He ran and kicked Heavy Traffic in the butt and he crashed into Primadonna Hodges!

Nico: Take that!

Laney: And this!

Laney fired numerous coconuts and bashed Carlton Cold Jones!

BONK BONK BONK BONK BONK BONK BONK BONK BONK!

Patrick: DAHAHAHA! That guy got hit in the head with numerous coconuts!

Heavy Traffic: (dazed) So, was that Sirius like the star? Or serious like important?

Rath: Like the star!

Heavy Traffic: Just wondering... (falls unconcsious)

FWOMP!

Me: NIce one!

Eli fired waves of Force Lightning and electrocuted Primadonna Hodges!

Poromon pecked them!

POINK POINK POINK POINK POINK!

Me: Take that you chumps!

Nico: Try this on!

Nico snapped his fingers.

Primadonna Hodges: What the?

BLANG BONG BING!

SHE GOT HIT ON THE HEAD WITH 3 ANVILS!

Nico: Take that!

Primadonna Hodges: OH SHUT THE FUCK UP FATASS!

WE GASPED!

Nico: YOU MADE A BIG MISTAKE BITCH!

HE JUMPED THEM AND SMASHED AND PULVERIZED THEM BRUTALLY! HE BROKE THEIR BONES AND BODIES BRUTALLY!

SCREAMS OF AGONY FILLED THE ROOM!

Chunk: OH GEEZ! I think I'm gonna hurl!

Slab held his mouth!

Slab: HOLD IT IN PAL!

Horsea squirted Ink and blinded them.

Andre Lupescu charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS THE HAIRY KNUCKLE BRUTOS AS THEY WERE SENT INTO THE AIR AND THEY ALSO GOT BURNED BAD!

Andre Lupescu came back to us before they could recover quick and they were super pissed off and we landed.

Me: Long time no punch, brutes.

Nico: You got some nerve coming after Rikochet and his friends again! You just don't learn, do you?

Primadonna Jones: SHUT UP! SHUT UP! SHUT UP! SHUT UP! SHUT UP! WE'LL KILL YOU, ALL OF YOU!

Suddenly, the blood rain conjured by Caleb Maxwell suddenly grew even stronger, and we also grew even stronger, but the Brutos suddenly felt like they were being ripped apart from the inside as they convulsed in pain.

Timothy Maddock: I knew he'd do this.

Me: Figures.

Nico: Those brutes never learns, and now, it's about to cost them big time.

Lincoln: And it's about to get a lot worse for you.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and we saw a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs.

Lincoln: Okay, it's time to smash you three jerks into the ground.

Lincoln went at the Hairy Knuckle Brutos and he brutally smashed them down all over the place with his massive godly superhuman strength, and we were amazed. Then, he punched them hard in the stomach and kicked them in the stomach and sent them flying into a wall of spikes Caleb set up.

But, Cage Blunt took the wall down and punched the brutes in the back!

Cage Blunt: (Smirks) Nice try, Caleb.

Caleb Maxwell: (GROWLS)

Suddenly, we heard more vampiric shrieks, and we saw more vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Then, Sherlock Hound attacks another vampire and the blade slashed the vampire and he turned to ashes. Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a massive 12'6" werewolf with demon wings that was summoned by Dark Sebastian and his minions, and with it was a massive pack of 12'6" massive werewolves with demon wings.

Lincoln: Ugh, I knew Dark Sebastian would summon them. I'll take care of them at once.

Lincoln went after the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the demon werewolves' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Seeing what happened to the werewolves had royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, and Ryan McCabe!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at the Brutos with silver bullets from his guns, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at them as they got hit. Then, the barrier deactivated and Caleb then lands and rejoins us.

Primadonna Jones: AGH! YOU LITTLE...!

Lincoln roared at them with bestial fury and fired beams of colored energy from the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of massive white angel wings underneath his massive white angel wings and they hit the brutes and they got pulverized.

James Blunt: That's right, get angry with us. But, it doesn't change the fact that you three are just absolute bullies who caused a lot of trouble for these three young Luchadores for the last time! But, I'm not going to kill you.

Then, James Blunt grabbed The Brutos' hair with his hands!

The brutes went ballistic, but Andre Lupescu fired at them with one of his silver-plated guns in his left hand while he holds his massive greatsword slung over his shoulder and the brutes got hit by silver bullets yet again.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, Pyra Sun, Rikochet, Buena Girl, The Flea, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked The Hairy Knuckle Brutos hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making The Hairy Knuckle Brutos even angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit The Hairy Knuckle Brutos, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound The Hairy Knuckle Brutos.

We're going to make sure you never cause any more trouble ever again.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of The Hairy Knuckle Brutos, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND SUFFER FOR ALL ETERNITY IN HELL!

Lincoln, Nico, and I did one final powerful energy slash that hit The Hairy Knuckle Brutos hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and The Hairy Knuckle Brutos were on their last legs and they were really really mangled.

Then, Lincoln tied up the brutes with rainbow, white, golden yellow, and blue energy straitjackets and he threw them into a portal he opened that led to The M.O.E., and he closed the portal.

We cheered as we holstered our weapons and powered down, and Rikochet's new body, clothes, jewelry, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, one-hundred large red and blue planets orbiting around his legs, one-hundred smaller red and blue planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized planets orbiting around his wrists and ankles and massive black angel wings and ninety-nine sets of large black angel wings underneath his massive black angel wings are permanent, Flea's new body, clothes, jewelry, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, one-hundred large brown planets orbiting around his legs, one-hundred smaller brown planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized planets orbiting around his wrists and ankles and massive brown angel wings and ninety-nine sets of large brown angel wings underneath his massive black angel wings are permanent, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long black wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Buena Girl and Pyra Sun are permanent.

Ronnie Anne: That'll teach you Lucha hating dirtclods!

Lincoln: That's for sure, they deserved it.

Me: Yep. Plus, they didn't stand a chance against us as always.

Nico: They're just empty headed brutes and they're also sloppy fighters.

Ronnie Anne: And they also disgraced the world of Lucha Libre. I swear, I ought to hand them over to Mama Lupe.

Rosa Casagrande: (Spanish Accent) Ay, I don't think that's a good idea, Mija. Remember what happened last time? All of us wound up getting pummeled.

Nico: Really?

Ronnie Anne showed the clip that was from Sergio's camera, and we saw it.

Me: Wow!

Maria Santiago: Mom told me that Abuela's an undefeated champ in Lucha Libre, and no one was able to defeat her, not ever. But, it's best Vypra handles those three Brutos, and by the time she gets done with them, they're gonna wish they'd remained in juvie.

Lincoln: Better than handing them to Caleb cause we know what he'll do to them.

NIco: And that's how it's done!

Me: That is for sure!

Qin: Yeah!

Machop: That was fun!

Xenia: It sure was.

Nico: Nice job Machop!

Machop: Thanks Nico. That was fun.

Me: It sure was.

Poromon: Want some beeR?

Machop: Oh no thanks. I get gas from Beer. Beer and Streudal give me gas.

Me: Oh.

Poromon: Okay.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Kaiba: I think we need to do something to greatly damage my adopted father's plans.

Eli: That's a good idea and I know where we can look. We can raid a warehouse that once belonged to him on the southwestern side of Domino City.

Me: Perfect!

Merrick: That is for sure.

Nico: Oh, Merrick, what do. you like doing in your free time? Sorry if it's a dumb question!

Merrick: I think you know and it's be great at billiards.

John Bolton: He and I have a lot of fun playing billiards.

Me: Awesome!

Nico: That is fun.

Lincoln: It sure is. (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Kaiba.

Seto Kaiba: Today's my day to shine, interesting.

Lincoln: (Thinking) If the villain we're facing later today is who I think it is, then, we're gonna need all our Duel

Monsters for this.

Me: Yep. So we got Another Fogshell, Fangmon, Karl Heisenberg (X-Squad Universe), Number 3: Cicada King, Wolf (Yugioh) and Lone Wolf.

Eli: That's right.

Me: So Merrick, Zacian, Mr. Wolf, Wayne Wolfman, Bigby Wolf and Suicune are up.

Eli: (GASPS) Oh crud, I also sensed some Foot Soldier Anothers! Lincoln, are you familiar with some guys named Darius Nightclaw, Talon Nightfire, Ronan Stormfang, Victor Bloodfang, Nash Nightstalker, and Sterling Bloodmoon?

Lincoln: (GASPS) Oh man, not them!

Me: You know them, Lincoln?

Lincoln: Afraid so, J.D., and you guys aren't going to like them in the slightest. Darius Nightclaw, Talon Nightfire, Ronan Stormfang, Victor Bloodfang, Nash Nightstalker, and Sterling Bloodmoon are six of the most dangerous werewolves in Michigan who caused a lot of havoc and destruction in Royal Woods for many years, they belong to a werewolf clan called The Fangs of Chaos, and they are the most dangerous werewolf clan we've had to deal with. Six years ago, during the day I became a True Alpha Werewolf-Vampire Hybrid, I killed their fathers, Darrel Nightclaw, Terry Nightfire, Roman Stormfang, Valen Bloodfang, Nathan Nightstalker, and Stephen Bloodmoon, the ruling werewolves who formed The Fangs of Chaos, and after I did that, I also ripped out their hearts and devoured them along with absorbing their bodies and blood, and in the process, I assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, testosterone, and other powers, and I kicked their sons out of Royal Woods.

Me: Whoa! Then, that means...!

Lincoln: Yep, their sons are back for revenge.

Then, the Foot Soldier Anothers arrived.

Lincoln: (Caught the scent) I knew there was no mistaking that smell, you better get out of those suits right now, Darius Nightclaw, Talon Nightfire, Ronan Stormfang, Victor Bloodfang, Nash Nightstalker, and Sterling Bloodmoon.

The Foot Soldier Anothers changed back and we saw them: Darius Nightclaw, a male 12'6" hulking and massive muscular brown-furred werewolf with massive and powerful upper and lower body muscles and eight-pack abs and only dressed in tattered jeans, Talon Nightfire, a male 12'6" hulking and massive muscular red-furred werewolf with massive and powerful upper and lower body muscles and eight-pack abs and only dressed in tattered jeans, Ronan Stormfang, a male 12'6" hulking and massive muscular grey-furred werewolf with massive and powerful upper and lower body muscles and eight-pack abs and only dressed in tattered jeans, Victor Bloodfang, a male 12'6" hulking and massive muscular black-furred werewolf with massive and powerful upper and lower body muscles and eight-pack abs and only dressed in tattered jeans, Nash Nightstalker, a male 12'6" hulking and massive muscular black-furred werewolf with massive and powerful upper and lower body muscles and eight-pack abs and only dressed in tattered jeans, and Sterling Bloodmoon, a male 12'6" hulking and massive muscular black-furred werewolf with massive and powerful upper and lower body muscles and eight-pack abs and only dressed in tattered jeans.

Darius Nightclaw: You miserable runt! Don't think just because you've ascended even more means you are a match for us!

Talon Nightfire: You got lucky killing our fathers, that doesn't mean you're a match for us!

Lincoln went after Darius Nightclaw, Talon Nightfire, Ronan Stormfang, Victor Bloodfang, Nash Nightstalker, and Sterling Bloodmoon, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of Darius Nightclaw, Talon Nightfire, Ronan Stormfang, Victor Bloodfang, Nash Nightstalker, and Sterling Bloodmoon, and he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, testosterone, and other powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Darius Nightclaw, Talon Nightfire, Ronan Stormfang, Victor Bloodfang, Nash Nightstalker, and Sterling Bloodmoon and Lincoln drained the werewolves' souls dry of every last ounce of power and energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Nico: There they are!

We saw Another Fangmon, Karl Heisenberg (X-Squad Universe), Number 3: Cicada King, Wolf (Yugioh) and Lone Wolf.

Me: WHOA! This is gonna be fun.

Another Fangmon: (In a girls voice) It sure will.

They reverted back and were the gene-slammers of Charubin the Fire Knight, Maiden of Macabre, Gishki Natalia, Gishki Marker and Gishki Ariel!

Nico: Callia Cherubin, Aria Ariel, Maya Marker, Mia Macabre and Nia Natalia!

Nia Natalia: Good to see you Nico.

Mia Macabre: Yeah.

Nico: Awesome to see you girls.

Me: WHOA! The gene-slammers of Charubin the Fire Knight, Maiden of Macabre, Gishki Natalia, Gishki Marker and Gishki Ariel.

Callia Cherubin: That's right.

Maya Marker:Yep.

Me: Cool! By the way girls are the Another Fogshell and Kaiba friendly or hostile

Mia Macabre: Friendly but the Another Fogshell is REALLY REALLY Sick!

Me: Uh oh.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: (TURNS DIAL) VAMPIRE FURY 6!

She summoned Count Bob, Skarpex, Creep Hands, Sea Urchin Monster, Becka Douglas (X-Squad Universe) and Jonny Villax

Nico: And now, we wait!

Poromon: We won't have to wait for long.

Me: Nope!

We saw Another Fogshell and Kaiba and they were on a Blue Eyes Ultimate Dragon!

Me: COOL!

Kaiba: One of my sigature monsters!

Me: Yep.

They jumped down.

Another Fogshell was coughing like mad and sneezing too.

Me: Whoa are you okay?

Another Fogshell: (In a girls voice) (Weak and groggy) Yeah I'll be okay.

She reverted back and the gene-slammer of Ill Witch and she was REALLY SICK! She had a runny nose and was REALLY sick!

Nico: (GASP) Ellia Witcherly!

Me: Oh man! You look horrible!

Ellia Witcherly: (COUGHS AND SNEEZES)

Nico: Geez!

Varie went over and checked her over.

Varie: She has Hay Fever and a really nasty chest cold.

Me: Oh man! We need to get you to the infirmary after this.

Ellia Witcherly: Yeah. (COUGHS AND SNEEZES AND WHEEZES!) Oh I feel awful!

Me: Yeah. But I guess you can't help it because of being the gene-slammer of Ill Witch.

Ellia Witcherly: Yeah. Also (COUGHS) I have all of Fogshell's powers too.

Fogshell: That is one nasty cold you have there though.

Ellia Witcherly: I know.

Me: I got an idea!

Me and Sunny made a smoothie with mango and blueberry and echinacea.

Me: There.

Kevin Levin: This will help too.

He put in something in the smoothie and we stirred it up.

Me: Here Ellia this will help.

Ellia Witcherly: Thanks.

She drank it and then felt something sour!

Ellia Witcherly: (Muffled) Oh no my lips are puckered!

Gwen Tennyson: She has her lips puckered.

Me: Geez! What was that Kevin?

Kevin Levin: It's a Levin family cure all. It's Bitterroot.

Me: Montana Bitterroot. Very interesting.

Ben: I remember that. He used it on me when I got sick.

Me: Oh man.

Nico: Who's your friend?

Another Seto Kaiba: (In a girls voice) Someone who hates my father!

She reverted back and was a girl with blue hair and blue eyes and blue clothes and had blue angel wings and on her arm was a Blue Eyes White Dragon themed duel disk.

Seto Kaiba: (GASP) Serria Kisara!

He and Serria hugged.

Seto: This is my half sister Serria. She is my stepfather's biological daughter.

We gasped!

Me: Your father is going to pay for his crimes. Also your duel disk is themed after Blue-Eyes White Dragon. That is cool!

Serria Kisara: It sure is.

Kaito (Gets out Zyuranger gear): Did Swartz promise you anything?

Zocks (gets out Jetman gear): Because we can grant it instead.

They got weapons from said teams.

Ellia couldn't speak.

Me: Oh hold on.

I helped her get the cup and straw out of her mouth.

Ellia Witcherly: Ahh thanks. But it helps. Anyway no he didn't because of me being sick. So he gave me this ridewatch and we ran.

Me: I don't blame you.

Qin: Yeah.

Sougo (Gets out Mighty Morphin Ridewatch): Kevin said that's good for a cold.

Geiz (gets out Jetman Ridewatch): He also says it's good for warding off bears.

Sougo got TyrannoMightyMorphinArmor while Geiz got RedHawkArmor

Ben: I remember that.

Me: Montana Bitterroot acts like insect repellant but for bears. Oh no offense Kenai.

Kenai: None taken but yeah.

Ellia Witcherly: It does help. But my sickness will return though.

Me: Well it'll hold it off till we're done here.

Lincoln: Lets separate you both.

We did so.

Me: Lets get it on!

Nico: (Gets out Fogshell's Ridewatch) DRAGON UP!

May: (Gets out Karl Heisenberg (X-Squad Universe) Ridewatch) This is gonna be awesome!

Maria: (Gets out Wolf (Yugioh) Ridewatch) (HOWLS)

Zacian: (Gets out Fangmon's ridewatch) This wolf has a bite worse than his bark!

They used the powers of Fogshell, Fangmon, Karl Heisenberg (X-Squad Universe), Number 3: Cicada King, Wolf (Yugioh) and Lone Wolf and blasted the Anothers!

Qin: YEAH!

Then Fraudrin of Selflessness, Emerald Sustrai (X-Squad), Boiljin, The 24 Vicious Wings of Doom, Cyberdark Dragon and Halloween Phantom Voldranken came.

Me: WHOA!

Nico: Nice team Fraudrin!

Fraudrin: Thanks Nico!

Me: Strike Man's team is up.

Strike Man: Damn right!

Me: Awesome!

Qin: Yep!

Then out of flashes of Darkness came Number 98: Antitopian and Number 97: Draglubian!

Me: WHOA! Numbers 98 and 97!

Nico: Antitopian and Draglubian!

Me: Yep!

Number 98: Antitopian: (In a girls voice) That's right!

Number 97: Draglubian: (In a girls voice) And we're ready!

Nico: Jackie Antitopia and Darla Draconis!

They reverted back and Jackie was a girl with blue hair and blue eyes and blue clothes and wings and had Number 98: Antitopian on her forehead, skirt and shirt and arm and had a star sword.

Darla was a girl with black hair and dark blue eyes and had blue angel wings and had black clothes and had Number 97: Draglubian on her forehead, arm, skirt and shirt and had an angel sword.

Darla Draconis: Good to see you Nico.

Jackie Antitopia: We got this! 98 DYSTOPIAN DARKBEAMS!

Darla Draconis: 97 DRAGONFIRE BLASTS!

They fired beams of darkness and fire and blasted the anothers and I caught the ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Darla Draconis: Thanks!

Ellia then started coughing and sneezing and wheezing again.

Me: Lets get Ellia to the infirmary first.

We went back home and Varie had her taken there.

Me: There.

Zacian: Poor girl. Anyway do you girls have any good memories of Nico?

Darla Draconis: We sure do. Mine is where we went to the observatory and we saw a star with 3 ring systems around it.

Nicole: That has always been a fascinating marvel to me.

Me: Wow!

Jackie Antitopia: And my memory is where me and Nico destroyed an entire terrorist camp and killed them all.

Me: Cool!

Qin: Yep.

Nico hugged them.

Nico: I've missed you girls.

Darla Draconis: Same here.

We went and watched TV.

Then, we'll bring them to trial in the courthouse where Anna Anyanova will present the 999,999,999,999,999 file cabinets full of photos of every last vile, depraved, horrifying, and disgusting thing Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies did to Lincoln along with doctor's notes and reports, and with that strong evidence against them, the jury will find them guilty and the judge will sentence Lori, Lola, Lisa, and Luan from Dark Ace's world along with the rest of Dark Ace's enemies to death while Dark Ace's friends who abandoned him will be sentenced to juvie and when they reach eighteen, they'll be sent to prison for life.

And the second thing we'll be doing there is battling Lord Elemenangel, The 3rd Hypothetical Akuma of Lincoln Loud and a master of the elemental powers of fire, water, earth, wind, dark, light, lightning, crystal, stars, ice, wood, metal and lava and he is a force to be reckoned with! He was made because of all the atrocities that Flip, Scoots, Chandler, Hank, Hawk, and all of his enemies had done and VOWED to kill ALL OF THEM and make them all suffer and be banished to The Black Abyss, we're gonna take him down and send him to The M.O.E.

Lincoln: Ah, we're here in the Royal Woods where Dark Ace came from, and I know what we're going to do here, not only am I going to rescue the ninety-seven girls here, but we're going to do the two things here.

Selene Arcangela: The first thing we're going to do is capture Lori, Lola, Lisa, and Luan from Dark Ace's world who also helped Lynn from Dark Ace's world in disowning him and murdered his good sisters along with his parents and other relatives and his harem along with capturing Dark Ace's friends who abandoned him and capture the rest of Dark Ace's enemies.

Eman Reynolds: Then, we'll bring them to trial in the courthouse where Anna Anyanova will present the 999,999,999,999,999 file cabinets full of photos of every last vile, depraved, horrifying, and disgusting thing Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies did to Lincoln along with doctor's notes and reports, and with that strong evidence against them, the jury will find them guilty and the judge will sentence Lori, Lola, Lisa, and Luan from Dark Ace's world along with the rest of Dark Ace's enemies to death while Dark Ace's friends who abandoned him will be sentenced to juvie and when they reach eighteen, they'll be sent to prison for life.

Merrick: This is gonna be good.

We flew through the Royal Woods of Dark Ace's world, and it was literally a mess like King Kai said.

Lori: I literally can't believe what that bitch did, I knew Lynn was a monster because of her Dark Side, but this is absolute Hell she's caused.

Lincoln: This absolute Hell's going to end here.

Then, Lincoln spotted Lori, Lola, Lisa, and Luan from Dark Ace's world along with the rest of Dark Ace's enemies and Dark Ace's friends who betrayed him!

Lori from Dark Ace's World: GET HIM! GET THE TWERP!

The assholes went right at us, but Lincoln used his one-hundred massive and long brown wolf tails to hit them and knocked them out, and then, he tied them up and we brought them to the courthouse, and then, Anna Anyanova presented the 999,999,999,999,999 file cabinets full of photos of every last vile, depraved, horrifying, and disgusting thing Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies did to Lincoln along with doctor's notes and reports, and with that strong evidence against them, the jury deliberated, and in less than ten seconds, they came back in, and they found them all guilty.

Judge: This is the worst case of abuse and destruction I have ever seen. In light of this evidence, I hereby sentence you to death, while Lincoln's friends who abandoned him, you will be sentenced to juvie, but when you reach eighteen, you'll be sent to prison for life.

The guards took Lori, Lola, Lisa, and Luan from Dark Ace's world along with the rest of Dark Ace's enemies away for execution and we had them thrown into a portal leading to The Black Abyss where they were erased forever, and as for Dark Ace's friends who betrayed him, they were taken to the juvenile detention facility to serve their sentence.

Lincoln: Now, that was awesome. Now, here comes the second part, we're going to battle Lord Elemenangel, my 3rd Hypothetical Akuma and he's also a master of the elemental powers of fire, water, earth, wind, dark, light, lightning, crystal, stars, ice, wood, metal, and lava and he is a force to be reckoned with! He was made because of all the atrocities that Flip, Scoots, Chandler, Hank, Hawk, and all of his enemies had done and VOWED to kill ALL OF THEM and make them all suffer and be banished to The Black Abyss.

Lincoln got out his sketchbook, and we saw Lord Elemenangel: he looks like an armored Angel from Heaven with two swords, massive angel wings, and he had orbs of fire, water, earth, wind, dark, light, lightning, crystal, stars, ice, wood, metal, and lava.

Me: WHOA! Oh man!

Nico: That's your 3rd hypothetical Akuma: he looks like an Angel from Heaven!

Lincoln: And his power's no joke. (Smirks) This is also a perfect opportunity to further test out my new form I transformed into yesterday.

Suddenly, we saw heavenly lights shine down on Earth, and we saw him: Lord Elemenangel, the 3rd hypothetical Akuma of Lincoln Loud, and Lincoln wasn't kidding: his power's no joke, he's really powerful.

Me and Nico: Lincoln, is that...?

Lord Elemenangel placed his left hand on Nico's left shoulder and his right hand on my right shoulder, and we felt the familiar warmth of Lincoln from anywhere.

Lord Elemenangel: Yes, it's me, guys.

Eli: And Lincoln wasn't kidding, you're really powerful. I can sense your energy, it's really strong.

Andre Lupescu fired a massive wave of snow, ice, and darkness at Lord Elemenangel, but the orbs of ice and darkness absorbed the blasts.

But, before Lord Elemenangel could attack, he was hit by blasts of fire and red energy, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long red hair and red hair band, red eyes, massive red angel wings, she has The Reality

Lincoln: (GASPS) Raphaela Fukushima, Elemental Fire Guardian of Reality.

Raphaela Fukushima: Yep, and Lord Elemenangel helped me get the girls away from those bitches. But, we still got to take him down.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Lord Elemenangel, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S

ASSAULT ON LORD ELEMENANGEL! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT LORD ELEMENANGEL WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen.

Then, Andre Lupeau went after Lord Elemenangel and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Lincoln, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Von Lycaon, and Sly Cooper went after Lord Elemenangel, and they fired extremely powerful blasts of rainbow, black and blood red, red and yellow, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, raccoons, devil hounds, demons, devils, phoenixes, and angels at him, and they exploded with incredible power as they hit him. Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked him hard with his new cane.

Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at Lord Elemenangel which hit him hard.

Lincoln continued smashing Lord Elemenangel hard with his extremely massive godly superhuman strength, and he was outmatched due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him.

Then, Lincoln fired an energy blast that hit Lord Elemenangel, and sent him to The M.O.E., and in the process, he and all of us also assimilated Lord Elemenangel's omnipotent power and omnipotent powers of the elemental powers of fire, water, earth, wind, dark, light, lightning, crystal, stars, ice, wood, metal, and lava.

We cheered as we holstered our weapons and powered down and we headed back to The World Tree Estate.

Lincoln: Now, that was one awesome battle, and we put an end to the source of Dark Ace's pain.

Me: Yep, and your 3rd hypothetical Akuma was one powerful Angel, Lincoln.

Nico: And he put up one really powerful fight.

Lincoln: That he did, and not only did we assimilate Lord Elemenangel's omnipotent power and omnipotent powers of the elemental powers of fire, water, earth, wind, dark, light, lightning, crystal, stars, ice, wood, metal, and lava, and the M.O.E. now has another member added to their ranks. (To Raphaela Fukushima) And it's so good to see you again, Raphaela.

Raphaela Fukushima: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Raphaela Fukushima had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Raphaela Fukushima was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Raphaela Fukushima: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Raphaela Fukushima and hugged her, and Laura Daniels is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew

a lot since then.

Raphaela Fukushima: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or

massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Raphaela Fukushima, Elemental Fire Guardian of Reality, she's Lincoln's Guardian Angel from Japan and she's a very powerful master of Cosmic Pyrokinesis, and Reality. She was born with omnipotent power, immortality, invincibility, and the powers of Cosmic Pyrokinesis, Omnipotence, Omniscience, Cosmic Awareness, and Reality, and she has The Reality Stone embedded in her forehead. She's the leader of The Elemental Infinity Stone Guardians, the most powerful group of girls among Lincoln's Guardian Angels, they're six girls were born with omnipotent power, immortality, invincibility, the incredible powers of The Infinity Stones along with the elements of Cosmic Pyrokinesis, Cosmic Hydrokinesis, Cosmic Aerokinesis, Cosmic Geokinesis, Cosmic Umbrakinesis, Cosmic Photokinesis, and Cosmic Space powers, and they were given the task of protecting Lincoln from the wrath of Lincoln's enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas. She moved to Michigan where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Pyrokinesis, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and Reality, and he gained omnipotent power, and the powers of Cosmic Pyrokinesis, Omnipotence, Omniscience, Cosmic Awareness, and Reality and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a passion and she swore to burn Lori at the stake like the witch that she was, but she absolutely despises Thanos, Dark Chase Young, Malphas, Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and all of Lincoln's enemies and all those who want to use them for their insane schemes of destroying the entire universe, and she swore to use The Red Flames of Reality to burn them all to death.

Nico: We already got rid of Thanos along with The Black Order and we sent them to The Black Abyss forever.

Me: And we're already dealing with Dark Sebastian and his minions and pissing off Malphas and we also sent our warning to Dark Chase Young yesterday after Lincoln dealt with Morag.

Raphaela Fukushima: I knew it, and the first part of The Prophecy of The Reincarnation of Amaterasu has been fulfilled, now comes the second part, the most important part.

Eli: The slaying of Dark Chase Young. We're more than ready for him, but of course, Dark Sebastian and his minions along with Malphas are trying to get rid of us to prevent it from coming true, and the same goes with Dark Chase Young.

Lori: But, with every success we achieve, we literally continue to anger that psychotic snake and his minions along with that monster.

Lola: For sure, those dirt clods, no, they're not worthy of being called dirt clods.

Lana: Or snakes because that is an insult to snakes, they're lower than dirt, they're lower than maggots, they deserve to pay for every single evil thing they've done.

Luna: Not only against our bro and our entire family, but to everyone in the entire world.

Luan: When Lincoln brought back everyone those snakes killed yesterday, that angered them to no end.

Laney: And he didn't snap his fingers for that one, this shows how much Lincoln's not only grown, but evolved even more.

Me: Even I'm amazed and stunned. It won't be long before Nico transforms like Lincoln on his big day.

Nico: Same with you, J.D., but your birthday's five months away and we don't know who we're gonna face on your big day.

Lincoln: That'll be figured out when we get to that point for J.D., but I already know whom you're gonna face on your big day, Nico.

Nico: I got the feeling you're right about who I'm gonna face, Lincoln.

Lincoln: Yep. And now that you're here, Raphaela.

Lincoln with his massive muscular arms still wrapped around Raphaela Fukushima's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Raphaela Fukushima: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Raphaela Fukushima with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Raphaela Fukushima: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Raphaela Fukushima.

Raphaela Fukushima had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Raphaela Fukushima's waist, and he leaned down to her face and kissed her on the lips, and with Raphaela Fukushima's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Raphaela Fukushima had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Raphaela Fukushima: (In Heaven) My God. Oh, Lincoln, tell the boys to run and hide in their rooms, the ninety-seven girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the ninety-seven girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the ninety-seven girls are Agness, Aishat, Alba, Alfemida, Alice, Alison, Anari, Ash, Assa, Astarte, Astoria, Astryn, Batista, Becca, Betty, Brienne, Brina, Celestia, Chandra, Cherryl, Chihe, Christina, Clara, Corine, Daphne, Darcy, Davina, Della, Deya, Djana, Elle, Emico, Emilia, Estella, Geraldine, Gwen, Hartley, Heeteru, Helga, Hestia, Ida, Iden, Immata, Iris, Isla, Julie, Kassandra, Khetu, Kiko, Kumiho, Lamia, Leila, Lilith, Lina, Lixana, Lola, Lucy, Margaret, Margot, Mariko, Marion, Marrit, Mary, Maya, Mina, Mio, Monica, Morwen, Niksa, Noelle, Oluen, Orly, Paula, Pyralis, Ranji, Rayne, Rei, Ritika, Roven, Samara, Satsuki, Sharifa, Sylara, Thea, Tiana, Tina, Triss, Una, Vexa, Viola, Vivianne, Willow, Yu-min, Yuri, Zara, Zelda, and Zoe from Booty Heroes.

Lincoln: Oh whoa, it's Agness, Aishat, Alba, Alfemida, Alice, Alison, Anari, Ash, Assa, Astarte, Astoria, Astryn, Batista, Becca, Betty, Brienne, Brina, Celestia, Chandra, Cherryl, Chihe, Christina, Clara, Corine, Daphne, Darcy, Davina, Della, Deya, Djana, Elle, Emico, Emilia, Estella, Geraldine, Gwen, Hartley, Heeteru, Helga, Hestia, Ida, Iden, Immata, Iris, Isla, Julie, Kassandra, Khetu, Kiko, Kumiho, Lamia, Leila, Lilith, Lina, Lixana, Lola, Lucy, Margaret, Margot, Mariko, Marion, Marrit, Mary, Maya, Mina, Mio, Monica, Morwen, Niksa, Noelle, Oluen, Orly, Paula, Pyralis, Ranji, Rayne, Rei, Ritika, Roven, Samara, Satsuki, Sharifa, Sylara, Thea, Tiana, Tina, Triss, Una, Vexa, Viola, Vivianne, Willow, Yu-min, Yuri, Zara, Zelda, and Zoe from Booty Heroes.

Nicole: Uh oh, so those were the girls Raphaela rescued, and it's no wonder Travis and Red said that kind of warning, these girls are really sexy. And those jerks from Dark Ace's world tried to kill them, thank goodness they got the death sentence.

Lincoln: I've seen a lot of their attempts on the lives of my Guardian Angels, and they enjoyed trying to piss a lot of us off, so I always fought back, and I fight back hard. Are you girls okay?

Agness: Yes, we're okay, thanks to you.

Then, when Agness and the other ninety-six girls saw who it was that saved them from Lori, Lola, Lisa, and Luan from Dark Ace's world along with Dark Ace's friends who abandoned him and the rest of Dark Ace's enemies, their faces turned atomic red upon seeing the 12'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud

Agness: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ninety-six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light.. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Agness: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ninety-seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Agness, Aishat, Alba, Alfemida, Alice, Alison, Anari, Ash, Assa, Astarte, Astoria, Astryn, Batista, Becca, Betty, Brienne, Brina, Celestia, Chandra, Cherryl, Chihe, Christina, Clara, Corine, Daphne, Darcy, Davina, Della, Deya, Djana, Elle, Emico, Emilia, Estella, Geraldine, Gwen, Hartley, Heeteru, Helga, Hestia, Ida, Iden, Immata, Iris, Isla, Julie, Kassandra, Khetu, Kiko, Kumiho, Lamia, Leila, Lilith, Lina, Lixana, Lola, Lucy, Margaret, Margot, Mariko, Marion, Marrit, Mary, Maya, Mina, Mio, Monica, Morwen, Niksa, Noelle, Oluen, Orly, Paula, Pyralis, Ranji, Rayne, Rei, Ritika, Roven, Samara, Satsuki, Sharifa, Sylara, Thea, Tiana, Tina, Triss, Una, Vexa, Viola, Vivianne, Willow, Yu-min, Yuri, Zara, Zelda, and Zoe with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one intense battle.

May: That's for sure. Plus, we got justice for Dark Ace.

Lincoln: With the evidence we'd compiled, they were doomed from the start.

Nico: That's for sure, and it was hilarious seeing Lori, Lola, Lisa, and Luan from Dark Ace's world and all his other enemies wail and screech at us as they were led away for execution and his friends who betrayed him wound up getting sent to juvie for good.

Me: Betrayed by friends was one thing, but betrayed by family, that's the worst.

Eli: That was just pure evil. But, those four banshees and those other monsters got what they deserved in the end. Just wish it ended differently for Dark Ace's friends.

Luna: Having them apologize to Dark Ace, that might be an impossibility. The wound on his heart is still fresh.

Laney: Even after we comforted him, it's going to take him some time to recover.

Nebula Lanaia: That's for sure. Honestly, I was so pissed off at those five banshees, and it reminded me of all the shit Lori, Lynn, Lola, Lisa, and Luan put Lincoln through. Plus, I hadn't forgotten of the many times Lori locked Lincoln in his room after stabbing him many times and chaining him up like a dog to starve to death. When his Guardian Angels told me that, I marched into Lori's room and beat the crap out of her and I said this to her.

Lanaia got out a voice recorder and played it.

Past Nebula Lanaia: You've had your way of treating Lincoln like shit for the last time, Lori. Now, listen here, you two-faced fucking snake, if I find out that our sweet little brother has died from starvation and bleeding out again due to you locking him in his room after stabbing him many times again and chaining him up like a dog to starve to death again, so help me, I will hunt you down, and I'm gonna turn you inside out ass first! You can try to run, but it'll do you no good. The more you run away from your punishment, it'll show just the deeper and blacker your sins become, bitch!

She stopped the recorder.

OUR JAWS DROPPED TO THE FLOOR AFTER HEARING THAT THREAT!

CLANG!

ELI CLOSED OUR JAWS!

Me: WHOA! HOLY SHIT!

Nico: Damn! That is one nasty threat!

Maria: Threatening to turn Lori inside out ass first?! Jeez, you really are hardcore!

Lincoln: It's true Lanaia hated what Dark Chase Young did to Lori, Lynn, Lola, Lisa, and Luan, but she absolutely hated what they did to me, and she really hated what Lori did to me in the past, and that threat she made will come true if she sees me lying dead in a pool of blood and also starved to death and chained up like a dog and locked in my room again by her.

Leni: And she never let Lori forget her threat, even when she was in college.

After Lincoln and all of us captured Lori, Lola, Lisa, and Luan from Dark Ace's world along with capturing Dark Ace's friends who abandoned him and the rest of Dark Ace's enemies and had them sentenced to death and juvie and took down Lord Elemenangel and sent him to The M.O.E., we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Raphaela Fukushima saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Raphaela Fukushima: My God, I was right that Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Raphaela, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Raphaela Fukushima: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller

you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Raphaela Fukushima: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Travis Tackett got out a videotape.

Travis Tackett: Okay, guys, now this tape I got here, this was from a week after The Starfire Agency came to New York: and the agency went down to LaGuardia High School, and for a specific reason, it was the anniversary of the LaGuardia High School Bloodbath, and they wanted to know more about the legend there.

Cronus Chase: But, even after twelve years, that place was still chockful of nightmares that haunted Caleb to this day even after his resurrection in 1993. Yet, it drew Caleb back to the school, but Cage and Travis went with him, thank goodness because they knew how much of a bad effect the place had on him.

Travis Tackett put the videotape in and it played on the big screen, and it showed New York during the afternoon hours, and it's been a week since the Starfire Agency arrived in New York, and they recently found out about the legend of the dark angel of New York, and finding out the tragic story of Caleb Maxwell. Now, they were on their next assignment.

Past Alex Maddock: (British Accent) Where are we heading now?

Past Tucker Williams: Now, we're heading to the abandoned LaGuardia High School, and the story and tragic incident that took place there is really dark.

Past Racheal: He's right. Back in 1984, a group of students stuck in LaGuardia High School had to survive a night of terror as their fellow students and teachers were suddenly turned into vampires and were out for blood.

Past Denver: To survive, they had to kill their fellow students and teachers. By the time the sun rose, the group survived, but they had lost their innocence because they killed their fellow classmates and teachers. After that night, many of them were haunted by what they did, and after graduation, they'd left LaGuardia behind to start fresh in NYU and other colleges in New York.

Past Tucker Williams: And the school was forever abandoned and left to rot like a festering wound. But, the memories of that night haunted them still, and according to legend, the ghosts of said victims still haunt the area.

Past Victor Bristow: (German Accent) Well, that's just an old legend many of the city's teens had told, but in 1984 when Caleb was 19 and in college, he came back to this place while on the run from the two vampires I told you about last night, and when he stepped into its empty halls once again, the memories of that night and the memories of him being cruelly ostracized, bullied, and abused by the fellow students and teachers who knew of Drake Maxwell's crimes and Marcus Maxwell's role in the forming of The Syndicate came back to him and he suffered a severe physical and mental attack that opened up the wounds he tried to heal from.

Past Tucker Williams: And today's the anniversary of The LaGuardia High Bloodbath, so we're gonna try and contact the spirits of the students and get them to move on. But, this'll also draw out Caleb too.

Past Alex Maddock: (British Accent) He was among the group who survived, you think their spirits are out for revenge on him?

Past Tucker Williams: Only one way to find out.

They continued onwards, but unknown to them: Caleb Maxwell, Cage Blunt, and Travis Tackett weren't far behind as they followed them.

Not that far away, The Starfire Agency arrived at the abandoned LaGuardia High School.

Past Alex Maddock: (British Accent) So, this is LaGuardia High School. This used to be a good school for any teen in

New York to go to, but now, it's a reminder of a bloodbath that ruined the innocence of a group of survivors.

Past Racheal: It really is awful that the school's been left to rot forever after that night in 1984.

Past Tucker Williams: I know, and I feel the energy of the spirits here is unstable, they're filled with pain, sadness, despair, and anger.

Past Victor Bristow: (German Accent) You're not gonna turn around and leave, are you?

Past Alex Maddock: (British Accent) No, we're gonna help them rest in peace. We should head in.

They went inside, and just as Tucker said, the air here was filled with unstable energy: it was the spirits of the vampire-turned students and teachers who got killed by Caleb Maxwell, Sharon Daniels, Ryan Daniels, Josh Parsons, and Ashley Reynolds in The LaGuardia High School Bloodbath in 1984.

Past Racheal: Oh man, it's really unsettling here!

Past Tucker Williams: You said it, I knew the air here was really tense, but it's not only tense, but it's really cold and dark. We should go into a classroom to prepare the séance, and once we begin, we must keep the circle whole.

They found an empty classroom and they set up for the séance by placing candles in a circle and lighting them up and they joined hands.

Past Tucker Williams: Spirits of the Great Beyond, we ask you to open the door between our world and the Spirit

World, we ask to speak to the spirits of the slain students and teachers of LaGuardia High School.

Tucker Williams' prayer opened the door, and then, the flames turned blue and they saw the spirits of the slain students and teachers of LaGuardia High School appear.

Ghost: Why have you asked to speak to us?

Past Tucker Williams: We wish to help you all cross to the other side to help you all rest in peace.

Ghost: It is not an easy task, we all died because of what our principal, Mr. Robert Davis, did. He was the one who turned many of our fellow students and teachers into vampires in a desperate attempt to find a cure for his twin brother, Leonard. That led to us being killed by the vampire-turned students and teachers.

Ghost: And we also got killed by the survivors.

Past Tucker Williams: Tell us, who were the survivors that killed you? Tell us this so we can help you be freed from the shackles that bound you to the school.

The ghosts were desperate, they knew they wanted to help and they sensed Caleb's presence, he was coming.

Ghost: Their names are...Sharon Daniels..., Ryan Daniels..., Josh Parsons..., Ashley Reynolds..., and...Caleb Maxwell...!

The spirits' eyes started glowing.

Ghost: He's here...! It's Caleb!

Suddenly, Caleb Maxwell appeared from a tornado of black and red darkness.

Past Caleb Maxwell: You...! You really went too fucking far opening the door to The Spirit World and letting them in here!

Past Alex Maddock: (British Accent) Let them out now! They need to rest in peace!

Past Caleb Maxwell: They made my life Hell, they deserve no chance of peace, they deserve to suffer forever! They will forever suffer in this hellhole for everything they did to me!

The ghosts looked down, but The Starfire Agency were horrified at what Caleb said.

Past Racheal: You little...!

Suddenly, Denver grabbed a nearby rock and threw it at Caleb Maxwell's head!

POW!

Past Caleb Maxwell: AAGH!

Ghost: We deserve to suffer, we put Caleb's life through Hell. Our parents found out about Caleb and they immediately told us about Marcus Maxwell, who in the past was known as Marcus Edwards, The Cursed Outcast of LaGuardia High School, and Marlene Maxwell, his mom, found out he was a good person, but they treated him like an outcast because of his evil family. They regretted it to this day, and when Caleb walked into its halls, we...we treated him like an outcast in the same way they did to Mr. Maxwell. We were doomed to repeat history itself because of it, and we made Caleb turn into this demon.

Past Tucker Williams: No, it was Drake who did this long ago. But, you all don't deserve to suffer like this, not anymore. Let us free you from this plane for good.

The ghosts looked at The Starfire Agency, and then, to an angry and enraged Caleb Maxwell.

Ghost: Please, help us. We want to be free!

Past Tucker Williams: Okay.

Suddenly, the blue flames grew stronger.

Past Tucker Williams: Spirits of The Great Beyond, we ask you now to free the tortured souls of all the students and teachers who were slain during The LaGuardia High School Bloodbath in 1984 and allow them to finally cross over to the other side to finally find peace.

Then, a bright light shined down on the school, and Caleb Maxwell saw what they did, and it pissed him off big time, but the light was too powerful and Caleb let out a shriek of anger. Then, one by one, the tortured souls of all the students and teachers who were slain during The LaGuardia High School Bloodbath in 1984 were freed from their earthly shackles and crossed over to the other side and thus ended the hauntings.

Past Tucker William: Now, I ask that the door to The Spirit World be closed for good, so that no other spirits can cross into our world.

The light dimmed and faded as the classroom was only lit by the light of the full moon.

Past Racheal: That was awesome, we freed the spirits. (Points to an enraged Caleb Maxwell) What do we do with him?

Past Victor Bristow: (German Accent) We better get out of here first.

They ran out of LaGuardia High School, but as soon as they got outside, Caleb followed them as he let out a demonic shriek and landed in front of them and he was pissed!

Past Tucker Williams: You're too late, Caleb. We've already freed everyone who got killed in the bloodbath, now you have no means of torturing them ever again!

The others gasped at Tucker's sudden bravery, but that angered Caleb Maxwell.

Past Caleb Maxwell: You miserable...! How dare you get a happy ending! HOW DARE YOU!

Suddenly, the white sclera of Caleb's eyes turned red with hate.

But, then, Cage Blunt and Travis Tackett showed up.

Past Alex Maddock: (British Accent) These two, they're vampires.

Past Victor Bristow: (German Accent) Yep, they're the two vampires I mentioned yesterday, the one with brown hair is Cage Blunt, he's James Blunt's son and a pureblood vampire not belonging to any clan, and the one with blonde hair is Travis Tackett, he was once a mortal until Cage turned him in 1969. They're also the ones responsible for The Hallowshade Bloodbath in 1985, and they also know Caleb all too well.

Past Travis Tackett: That's rather bold of you to say so, you realize you exposed your secret to them.

Past Tucker Williams: We investigate the paranormal and we each had our own encounters with them in the past.

Past Racheal: That's right. And you better tell your friend, Caleb Maxwell, to cool it.

Caleb Maxwell growled in anger and was about to attack, but he felt his head throb in pain as blood fell down from the right side of his face. Cage Blunt saw it.

Past Cage Blunt: So, you attacked Caleb by throwing a rock at his head?

Past Tucker Williams: We had to help the spirits of those who got killed in The LaGuardia High School Bloodbath rest in peace, they regretted it. But, your friend, Caleb Maxwell, wanted them all to suffer forever, they were trapped after they were killed and your friend had a hand in keeping them trapped in the school when he came back from the dead.

Past Travis Tackett: Yes, we know that.

That stopped them dead in their tracks.

Past Travis Tackett: We wanted him to finally put an end to their suffering, but no, he refused and kept making them suffer for his hatred and desire for revenge, and we couldn't do anything to stop Caleb. I know he's an unhinged vengeful blood-crazed psychopath, but you know why he's like this.

Past Tucker Williams: That doesn't excuse what he's done, Travis. He not only kept the spirits of the slain students and teachers prisoner, but he's also murdered a lot of people in the process.

Past Cage Blunt: Those people you mentioned were once members of The Syndicate and he killed them because of their role in that former organization, they were irredeemable and they also killed a lot of people in the past. I may be a detective for The NYPD, but I know of the pain Caleb had deep in his heart, and we're not going to take kindly to those who'd hurt him or even condemn him for what he's done.

Past Alex Maddock: (British Accent) Doesn't matter, murder is still murder.

Past Victor Bristow: (German Accent) Forget it, Alex. The two of them may understand that and they do kill murderers and rapists same with me, but Caleb has killed for revenge, and he's no longer human. We'll be taking our leave, but we're going to report your doings to The Council, Caleb, you better be ready to answer for this.

Past Caleb Maxwell: The Council already knows about it, Victor, and I've had connections with them ever since then, and if anything, I'll be telling Timothy about this! You're not getting away with this!

Caleb Maxwell flew off and Cage Blunt and Travis Tackett flew off.

Past Tucker Williams: Timothy? Alex's uncle?!

Past Victor Bristow: (German Accent) Yep. (Sighs) I knew Caleb was a loudmouth, but what he's gonna tell Michael, that just proves he enjoys pissing criminals and villains off big time.

They left for a hotel as the video ends.

Nico: Whoa, so you guys freed the spirits of those who died on that day, and you ran into Caleb who was in a pissed off mood.

Denver: That's about it. Plus, Caleb did tell Alex's uncle of Victor being with us.

Timothy Maddock: He did tell me, but Michael made sure I was kept occupied by fighting with me, he knew of what I did back then.

Lincoln: No one likes a tattletale, Caleb!

Lola: A tattletale?! Where is he, Linky?!

Lincoln: (Points at Caleb Maxwell) There he is!

Caleb Maxwell: WHAT THE?!

Lola: GET HIM!

LANA AND LOLA GOT OUT TONS OF WATER BALLOONS AND THEY THREW THEM AT CALEB MAXWELL AND WHEN THEY WERE DONE, CALEB MAXWELL WAS SOAKING WET!

Caleb Maxwell: ARE YOU KIDDING ME?!

Lori: Should've warned you about that, but whenever a tattletale is found out, these two get out water balloons and pelt the tattletale mercilessly.

Luna: Just be glad those two didn't decide to throw balloons full of mud at you, that's meant for mudslingers.

Caleb Maxwell: WHAT THE HELL?!

Plucky Duck got out a mallet and...!

CRACK!

HE HIT HIM IN THE HEAD LEAVING A LUMP ON HIS HEAD!

Caleb Maxwell: OW!

Buster Bunny: Plucky, cut it out!

Plucky Duck: Sorry.

Caleb Maxwell: Fine, I accept your apology, but. (YELLS AT THE TOP OF HIS VOICE) DON'T DO THAT AGAIN, YOU WALKING FEATHER DUSTER!

Plucky Duck: Hey, who are you confusing me for? Sergio?

Everyone: YUCK!

We got a shower, and then, Lincoln, Panzy, Aurora, Tiadosia Kallister, Yuka Goha, Celestia Noodlina/Noodle Sorako, Mia (The Casagrandes), Rachel, Becky Blickensderfer, Lilianna the Demon Succubus, Zatanna (Batman: The Brave and the Bold), La Flamencita, Hula Hattie, Nurse Caliente, Cheetah Bonita, Iori Utahime, Mei Mei, Mai Zenin, Kasumi Miwa, Momo Nishimiya, and Akari Nitta are heading to Seaside Hill.

Lincoln snapped his fingers, and the 12'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

Panzy: Wow, we're here in Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Panzy, and it's perfect for our first date, shall we?

Lincoln, Panzy, Aurora, Tiadosia Kallister, Yuka Goha, Celestia Noodlina/Noodle Sorako, Mia (The Casagrandes), Rachel, Becky Blickensderfer, Lilianna the Demon Succubus, Zatanna (Batman: The Brave and the Bold), La Flamencita, Hula Hattie, Nurse Caliente, Cheetah Bonita, Iori Utahime, Mei Mei, Mai Zenin, Kasumi Miwa, Momo Nishimiya, and Akari Nitta dived into the waters and they started swimming and they all saw the marine life that lived there. Then, they went back to the beach where the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an awesome volley ball game, and they went to a workout area that Lincoln created, and Panzy, Aurora, Tiadosia Kallister, Yuka Goha, Celestia Noodlina/Noodle Sorako, Mia (The Casagrandes), Rachel, Becky Blickensderfer, Lilianna the Demon Succubus, Zatanna (Batman: The Brave and the Bold), La Flamencita, Hula Hattie, Nurse Caliente, Cheetah Bonita, Iori Utahime, Mei Mei, Mai Zenin, Kasumi Miwa, Momo Nishimiya, and Akari Nitta got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift one-hundred and two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and one-hundred massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Aurora: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Panzy, Aurora, Tiadosia Kallister, Yuka Goha, Celestia Noodlina/Noodle Sorako, Mia (The Casagrandes), Rachel, Becky Blickensderfer, Lilianna the Demon Succubus, Zatanna (Batman: The Brave and the Bold), La Flamencita, Hula Hattie, Nurse Caliente, Cheetah Bonita, Iori Utahime, Mei Mei, Mai Zenin, Kasumi Miwa, Momo Nishimiya, and Akari Nitta and hugged them in their abnormally massive and powerful muscular arms, and Panzy, Aurora, Tiadosia Kallister, Yuka Goha, Celestia Noodlina/Noodle Sorako, Mia (The Casagrandes), Rachel, Becky Blickensderfer, Lilianna the Demon Succubus, Zatanna (Batman: The Brave and the Bold), La Flamencita, Hula Hattie, Nurse Caliente, Cheetah Bonita, Iori Utahime, Mei Mei, Mai Zenin, Kasumi Miwa, Momo Nishimiya, and Akari Nitta placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Panzy, Aurora, Tiadosia Kallister, Yuka Goha, Celestia Noodlina/Noodle Sorako, Mia (The Casagrandes), Rachel, Becky Blickensderfer, Lilianna the Demon Succubus, Zatanna (Batman: The Brave and the Bold), La Flamencita, Hula Hattie, Nurse Caliente, Cheetah Bonita, Iori Utahime, Mei Mei, Mai Zenin, Kasumi Miwa, Momo Nishimiya, and Akari Nitta and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, twenty Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Panzy, Aurora, Tiadosia Kallister, Yuka Goha, Celestia Noodlina/Noodle Sorako, Mia (The Casagrandes), Rachel, Becky Blickensderfer, Lilianna the Demon Succubus, Zatanna (Batman: The Brave and the Bold), La Flamencita, Hula Hattie, Nurse Caliente, Cheetah Bonita, Iori Utahime, Mei Mei, Mai Zenin, Kasumi Miwa, Momo Nishimiya, and Akari Nitta with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Panzy, Aurora, Tiadosia Kallister, Yuka Goha, Celestia Noodlina/Noodle Sorako, Mia, Rachel, Becky Blickensderfer, Lilianna the Demon Succubus, Zatanna (Batman: The Brave and the Bold), La Flamencita, Hula Hattie, Nurse Caliente, Cheetah Bonita, Iori Utahime, Mei Mei, Mai Zenin, Kasumi Miwa, Momo Nishimiya, and Akari Nitta are now in your harem, Linky.

Panzy, Aurora, Tiadosia Kallister, Yuka Goha, Celestia Noodlina/Noodle Sorako, Mia (The Casagrandes), Rachel, Becky Blickensderfer, Lilianna the Demon Succubus, Zatanna (Batman: The Brave and the Bold), La Flamencita, Hula Hattie, Nurse Caliente, Cheetah Bonita, Iori Utahime, Mei Mei, Mai Zenin, Kasumi Miwa, Momo Nishimiya, and Akari Nitta showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Rachel: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold,

jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Gallus, Allenby and Penelope Stinky Florington's first mission.

Dan Kuso: You guys are gonna love meeting Yuga and his friends.

Me: Awesome! I sent a threatening message to the Goha Corp. a while back.

Nico: I remember that.

Qin: Yep.

Nico: Anyone else want to go with Gallus, Allenby and Penelope Stinky Florington? Besides 2 Rabbids?

Wonder Woman: I'll go.

Black Manta: So will I.

Kaiba: Today's my big day anyway. Might as well go too.

Kisara: I will as well.

Me: Okay. Might as well keep the theme up.

Pharaoh Atem: And I will go to.

Eli: Good idea father.

Yugi Moto: Me too.

Me: Anyone else?

No one raised their hands.

Me: Okay then.

We were off to Goha City!

We arrived and saw the major buildings of Goha City completely in shambles and destroyed. The people were taking back their lives and were rebuilding their livelihoods and more.

Me: Whoa! Looks like my threatening message got through.

Eli: It sure did.

Nico: Boy they REALLY ripped this place apart. Total anarchy.

Wonder Woman: They sure did.

Dan Kuso: At least it worked.

Me: Yep.

We then saw Yuga and friends!

Yuga: Dan? Is that you?

Dan Kuso: Thank goodness!

They hugged.

Romin: Goha Corps has been brought down thanks to that message.

Me: Well you're looking at the one that sent it. (Points to me)

Romin: (GASP) Team Loud Phoenix Storm!? Oh wow!

Luke: You guys sent that message!? You saved us!

Me: Well it's no big deal.

Gallus: Also we're your ambassadors. I'm Gallus and I'm a Griffon.

Allenby: I'm Allenby Knudson, Gundam Fighter of Neo Sweden.

Penelope Stinky Florington: And I'm Penelope Florington but everyone calls me Stinky.

Romin: Why?

Penelope shared a stink and Romin smelled it and then hurled!

Me: She has a condition. But yeah they are your ambassadors. It's part of a special diplomatic mission program we made.

Yuga: I see. Wow!

Wonder Woman: My name is Diana Prince, but I go by Wonder Woman.

Romin: Oh wow! I'm one of your biggest fans!

Wonder Woman: (Chuckles)

Black Manta: And the name is David Hyde but everyone calls me Black Manta.

Luke: Oh wow! It's an honor!

Yugi: And we have fellow duelists too. I'm Yugi Moto.

Yuga: (GASP) You're one of my heroes!

Pharaoh Atem: And my name is Pharaoh Atem.

Eli: Pharaoh Atem is my father.

Me: Long story on that but yeah.

Seto Kaiba: I'm Seto Kaiba.

Luke: Oh wow! The Owner of Kaiba Corp! It's an honor.

Kisara: And I'm Kisara, the Avatar and Embodiment of Blue-Eyes White Dragon.

Luke: Wow pleasure!

Romin: It's an honor to meet you all.

Me: Same here.

Seto Kaiba: It's my big day today. So I thought I would come with.

Luke: We understand but it's an honor to have you with us Mr. Kaiba.

Seto Kaiba: Just call me Kaiba. I don't like formalities to some people.

Luke: Sorry.

The Rabids gibbered.

Gallus: (Sighs) And these little guys are Rabbids.

Romin: Oh they are so cute!

One of the Rabbids tried to lick one of Yuga's cards.

Me: Hey don't lick this.

I grabbed him and then...

CHOMP!

HE BIT ME!

Me: OUCH! Why you little!

We laughed!

Eli: (LAUGHS) Yeah they are not the brightest lightbulbs in the closet if you know what I mean.

Luke: Oh they are idiots.

Me: Yeah. But we get a good laugh out of them.

Nico: Can we see your base?

Yuga: Sure. It's my house.

Me: Okay.

We went to Yuga's home and it was nice.

Me: Wow! Your house is nice.

Yuga: It sure is.

Eli: Yeah.

We went in and sat down.

Yuga: I'm glad you guys set us straight with the Goha Corporation.

Nico: Can you tell us what they still plan to do?

Yuga: We sure can.

Romin: Their goal is to completely eradicate all of dueling and reset it by THEIR rules.

Luke: We can't let that happen!

Eli: THAT'S INSANE!

Me: You wipe out all of Duel Monsters it's like wiping out everything!

Nico: Yeah!

Gallus: That is madness!

Me: Yeah. Dan told us all about Otes in Advance from Dan here and we were shocked that he is gonna do all that.

Dan Kuso: Yeah.

Me: Thank goodness my virus worked and this town is starting to reclaim their lives without restrictions.

Dan Kuso: Thank goodness.

Romin: That is for sure.

Drago: And we've defeated two of our enemies

Me: Yep.

Luke: Who?

Me: We destroyed Barodius and just recently Zenoheld. They are gone forever. And since Dan knows you guys I'm willing to bet that Naga will appear on Galllus, Allenby and Penelope's big day.

Drago: Yeah.

Dan: He was the first enemy I faced.

Romin: Oh wow! We heard all about how Dan defeated many of his enemies and it was intense.

Me: Yeah no kidding.

Nico: Barodius however was the worst! He was Dan's version of Frieza and he was REALLY HORRIBLE!

Me: I can't begin to tell you how much WE HATE that monster.

Nico: Yeah no kidding.

Yuga: I heard about Barodius. He was pure evil!

Me: Worse than that actually.

Romin: Oh man.

Me: Yeah. So what kind of decks do you all use?

They showed us their cards.

Yuga: My deck is based on the birth of Rush Duel. I am the inventor of Rush Duel.

Me: Ooh these are awesome.

Luke: Mine is a Dragon Deck. I use Dragons that can attack twice.

Me: Very interesting.

Romin: And mine is a Psychic deck. I use rock and roll music themed monsters.

Me: Ooh musical. Awesome.

Nico: Yeah.

Me: And this Rush Dueling sounds very similar to the Speed Dueling my teammate Yusei Fudo uses.

Nico: Yeah.

Yuga: Yeah it is similar.

Me: Cool.

Nico: Are any enemies of yours active?

Romin: Actually yes.

She held up a photo of a girl with brown hair and purple eyes.

Romin: Her name is Yuka Goha.

Me: That's of Lincoln's Future Wives. My teammate and best friend Lincoln has amassed one amazing harem and we met Yuka not long ago. But we don't know that much about her history.

Romin: I'll tell you.

She did so.

After the Goha Rush Duel Team Battle Royal, Yuka and her siblings returned to Earth.

When they arrived back at Earth, Yuka and her siblings learned of Rush Dueling, a Dueling format that had been installed in defiance of Goha Enterprises and whose program was contained within the Super Rush Robot on the moon. Yuo came up with a plan to destroy the robot by affixing Forcersizers to it that would force it to continuously move, but in the interests of fairness the Goha Six would challenge the format's creator, Yuga Ohdo, and his friends to Rush Duels to give them a chance to deactivate the armaments. As they activated the armaments, Goha Space Elementary was struck by space debris, forcing them to return to Earth in Star Six.

Yuka and her siblings returned to Goha City, introducing themselves to the citizens and ousting current presidential substitute Mimi Imimi. They challenged Yuga and his friends, warning Yuga that he would become a Goha employee if he lost and Yuro Dueled first, challenging Yuga to a Turbo Rush Duel. To Yuka and Yujin's shock, Yuro was defeated by Yuga, and Yuo called a presidential meeting and suggested Yuro step down. Yuro accepted responsibility for his loss and resigned. Afterwards Yuka confronted Yuo and asked him what he was planning, and Yuo claimed he only sought the destruction of Rush Dueling and the restoration of the prestige of Goha Enterprises. Yuo also remarked on the timing of their return, and Yuka wondered what space debris had forced them back, though Yuo dismissed it as an old satellite.

The following day Yujin was training on a treadmill while Yuka and her siblings had breakfast, training she wasn't sure applied to Rush Dueling. Yuo didn't care, as he only wanted his brother to Duel with the resolve to resign as president if he lost, and Yuka sharply rebuked him for thinking Yujin would lose. Yujin then ran so fast he destroyed the treadmill and ran right out of Star Six and into the ocean. The next day Yujin went to Goha #7 Elementary to challenge Yuga to a Rush Duel, now calling himself a man of the sea and Yuka wondered when her older brother had become like that. Due to Yuga's inability to swim Yujin ended up Dueling Luke and he was defeated, resigning as president. After the Duel Mrs. Drone asked if Yuran would Duel next, but Yuka declared it was her turn to bat.

Yuka bought the Goha Monsters baseball team, explaining to Yuo that every president should own a baseball team. When the tryouts were held, she was surprised to see that Yuga, Luke, Romin Kassidy and Gavin Sogetsu were attending, so she seized the chance to Duel them, descending to the baseball stadium and challenging Romin, who had done the best out of the group in the tryouts, to a Duel. Although Romin inflicted early damage to Yuka, Yuka Tribute Summoned "Player #39: Home Run Hitter" and destroyed Romin's "Esperade the Smashing Superstar". On her next turn, Romin Tribute Summoned a monster Luke had given her, "Sportsdragon Closer", which was powered up by Yuka's "Feverous Spirit Stadium" Field Spell and almost defeated Yuka, though Yuka was able to remain in the Duel with "Requesting 9". On her next turn Yuka retrieved "Home Run Hitter" and re-Summoned it, this time activating its effect to double its ATK and destroy "Sportsdragon Closer", defeating Romin and giving the Goha Six one point to the Rush Duel Club's two. Despite Romin's loss Yuka had been impressed by her skills and offered for Romin to join her atop the Dueling baseball world, but Romin refused despite Yuka chasing her around the stadium.

That weekend Yuran went to the Goha Martial Arts Stadium to wait for Yuga and his friends, as Gavin was substituting in the kendo tournament for Goha 7th's Kendo Club. Yuka and Yuo watched Yuran's Kendo Rush Duel with Gavin from Star Six, Yuo commenting that he hoped Yuran wouldn't be as useless as Yuro and Yujin, a sentiment that angered Yuka. Yuran was able to defeat Gavin, and the three siblings watched the footage of the Duel on Star Six as Yuo called Yuran's victory a surprising turn of events. Yuka commented that Yuo seemed unhappy they'd won, though Yuo denied this and Yuka and Yuran left him alone.

Yuo later defeated Yuga in a Rush Duel, and Yuro, who had watched the Duel, took Yuka to the Ramen Hut and told her Yuo had used Fusion Summoning to defeat Yuga, something Yuka had no knowledge of, though she was more interested in the ramen she'd been served. Yuka didn't return to Star Six until the evening and found one room in ruins after Yuo had chased down Yuga and his friends, remarking in everything that had happened while she was away. Romin had left some pink curry behind that Yuka sampled and found to her liking, so she put the leftovers in the fridge for later.. Afterwards Yuran informed Yuka that Yuo intended to have them both lose to Yuga and his friends and removed as presidents, leaving him the sole Goha President. Yuka angrily confronted Yuo over this and Yuo confirmed it was true, claiming it was silly there were six presidents and that he'd been waiting for the chance to seize power, believing he'd never lose as long as he had "Fusion", a Duel Monsters card that had crashed into Goha Space Elementary.

Yuka had Nail Saionji provide a baseball stadium for her near the Big Seven Arena, where the Rush Duel Club had been watching for the Goha Meteor Shower with Romin's band. Yuka challenged the group's best slugger, and though Romin was eager to Duel Yuka again, her cousin Roa Kassidy, the leader of RoaRomin, accepted Yuka's challenge instead. Although Yuka Summoned "Home Run Hitter" and backed it up with "Feverous Spirit Stadium" and "Gagagaguts", Roa Tribute Summoned "Royal Rebel's Doom Metal" and backed it up with "Royal Rebel's Arena", using the effect of "Doom Metal" to destroy "Home Run Hitter" and preventing her from destroying it with "Gagagaguts", though Yuka was still able to block Roa's attack with her revived "Home Run Hitter". On her next turn Yuka injured her shoulder while drawing, having strained it from pitching constantly in Earth's gravity, and she was forced to draw again when she activated "Ten Thousand Knocks", hoping to draw two FIRE monsters to destroy "Arena". Roa asked if she was injured and Yuka snapped the physical pain was nothing compared to the pain of betrayed by Yuo, yelling at Star Six that the Goha Six belonged together and vowing to win. Yuka succeeded in drawing enough FIRE monsters to destroy "Arena" and she Tribute Summoned "Player #99: Grand Slam Dragon", increasing its ATK and reviving "Home Run Hitter". Roa was able to revive "Doom Metal" after Yuka destroyed it and prevent its destruction, but Yuka crushed his spirit after he claimed the vocalist of RoaRomin could shine on any stage, as she had never previous heard of the band due to her disinterest in music. Yuka reinforced her advantage with "King Shift of Fire" to prevent Roa's trademark high-Level monsters from attacking, but to her shock Roa switched to using weak Normal Monsters and backing them up with Spell Cards to increase their ATK and reduce the ATK of her monsters, defeating Yuka. Yuka's loss brought her to tears over the thought of Yuo becoming closer to his goals and she fled the stadium in her craft, telling Roa she hated him and vowing that Yuo would be unable to succeed without the sixth Goha Six's presidential badge.

After she deactivated the third restraint from the Super Rush Robot, Yuka convened with Yuran, Yuro, and Yujin at Goha #7 Elementary to discuss dealing with Yuo. The siblings rejected the notion of accepting aid from Yuga and his friends, as they believed Yuo was their problem to solve, and Yuka warned Yuran he was in line to Duel next and Yuo would be expecting him to lose. Yuran reassured her he wouldn't, suggesting they needed to find the sixth Sibling's badge. Yuran's plan to remain absent for the day's Duel worked, as Yuo challenged Luke, who was wearing a draconian helmet and calling himself "The Lukeman", to a Rush Duel and was defeated by The Lukeman's own "Fusion". After Yuo retreated back into Star Six, Yuran stripped him of his position and tried to reinstate Yuka, Yuro and Yujin, but Yuo revealed he had the sixth badge in his possession and stripped Yuran of his rank for conspiring with Yuka, Yuro and Yujin, having spied on them through a hacked Mrs. Drone, leaving Yuo the sole Goha President.

Yuka watched from Goha Baseball Stadium as Luke proclaimed himself the sixth of the Goha Six during his Rush Duel with Roa. Yuka, Yuro, Yujin, and a freed Yuran visited Yuga's Road Laboratory afterwards to ask for his help in defeating Yuo, though Yuka was angered by Romin's suggestion they were acting entitled after initially agreeing with Yuo's plan. The Rush Duel Club did at least agree they needed to stop Luke, whose sister "Tiger" confirmed wasn't part of the Goha family.

Yuga came to Yuka and her siblings and explained that he believed The Lukeman, who had appeared again and been taken away by Yuo, to be an electronic lifeform created from Luke's The Lukeman that had created the "Fusion" cards from Program storage cards in the Goha satellites that Nail had destroyed as a child. As Yuga believed The Lukeman simply desired to fuse with Luke and fight evil as they had in the manga, he tasked Yuka, her siblings and Mimi with helping him achieve that goal by preparing costumes for a scenario where Yuga would pretend to be part of the Majin Empire from Luke's manga before revealing himself as an ally to The Lukeman, The Yugaman, and during which his friends could do so as well, while the Goha Six would play the part of the aggressors to continue a Rush Duel between Yuga and The Lukeman so the Super Rush Robot could still be saved. They did as he asked, arriving during the Rush Duel between "Yuga the Destructor" and The Lukeman to explain Yuga's plan to the Rush Duel Club and Heavy Cavalry Duel Club, Yuka providing the proof of their claims, then providing costumes for everyone else after Yuga took on the costume of The Yugaman. Yuka donned the guise of Goha Alien Number Three and joined her siblings in holding "The Beauty Romin" hostage, "torturing" her when she protested. After Yuga destroyed The Lukeman's "Hyperstrike Dragon Dragiastar F" with "Ultimate Flag Mech Ace Breaker", The Lukeman returned three Spells from his Graveyard to his Deck and increased their LP, prompting Yuo to throw off his costume in a rage and ask if they were Dueling seriously. Yuro explained to Yuo that they were Dueling seriously; The Lukeman's true goal had been to return "Fusion" to his Deck and draw it again, and he Fusion Summoned "Full Moon Dragon Umbralancer F", reviving "Dragiastar F" and almost defeating Yuga. Yuga revived "Sevens Road Magician" on his next turn, but The Lukeman returned the monsters in Yuga's Graveyard to his Deck to prevent him using the effect of "Sevens Road", forcing Yuga to gamble with "1/Infinity", which would damage him enough to lose if he and The Lukeman didn't draw the same card. Unfortunately The Lukeman drew "Fusion" again, which Yuga didn't have, but then a meteor entered the atmosphere and plunged towards Yuga, and to Yuka's utter shock Yuga blocked it with his Duel Disk. Yuka and her siblings realized in disbelief that the meteor had been one of the satellites containing "Fusion" and were proven correct when Yuga drew it, Fusion Summoning "Sevens Paladin", which could gain ATK for monsters in both Graveyards. Successfully sending the monster he needed to the Graveyard to activate the effect, Yuga defeated The Lukeman.

Despite The Lukeman's loss, Yuo refused to accept the result and tried to destroy the Super Rush Robot with Star Six, but Yuga's modified Goha Enterprises Drone Kaizo returned to Earth as well and crashed into Star Six, detonating the Prima Guitarna Curry Yuka had been saving and crashing it, forcing Yuo to release the Super Rush

Robot. After The Lukeman released Luke and left for outer space, Mimi suggested Swirls could replace Yuo as he was the sixth of the Goha Six, but the sixth sibling's badge rejected him, so Yuga suggested Yuo remain president, but reinstate Yuka and her other siblings, while Yuga joined Goha Enterprises as they had initially asked him to if he lost six times.

The following day was Yuo's birthday, so Yuka and her siblings planned to throw a surprise party for him using the costumes they'd prepared for Yuga's Rush Duel with The Lukeman. As they still had to clean the Prima Guitarna Curry out of Star Six, they told Yuo they would handle the cleanup and ensured his schedule was free, while tasking Romin and Gavin with planting the idea of a surprise party in Yuo's head to make him open to the idea. When Gavin and Romin returned to Star Six, they swapped costumes so Gavin was the hostage in need of rescue and when Yuo returned Yuka and her siblings began putting on the play. Yuo almost left until Yuka and her siblings confirmed this was a birthday surprise to him and wished him a happy birthday, and Yuo joined them in their play. Afterwards they had a birthday dinner for Yuo, Yuka noting it was nice to do something like this every so often.

Afterwards, Yuka, Yuro, Yujin and Yuran returned to Goha Space Elementary in Star Six, allowing Yuo to remain at the Goha Enterprises Main Office to directly lead Goha Enterprises. As they left, Yuka noted how nosy Yuga was likely to be. Yuka, Yuro, Yujin and Yuran kept in contact with Yuga, now working in the Duel Development Department, and suggested some ideas to him that he found interesting, Yuga claiming he had interesting ideas of his own. Yuka, Yuro, Yujin and Yuran learned that Yuga was apparently their fifth sibling, though Yuka was skeptical.

We were shocked!

Me: Whoa! So she is not only a really good baseball player but uses a Baseball themed deck too. That is cool.

Eli: Yeah.

Nico: Where is she?

Yuga: She would usually be at the Baseball field in the park by now practicing.

Me: Okay and fitting. Also You guys need to watch out. We have 2 things we should tell you. We are dealing with the Blackwing Eatos 12 Embodiments.

Yuga: I think I saw one! She was flying fast and blasting Goha Men with laser blasts.

Me: I think I know who it is. Also we have Pokemon gene-slammers made by Dark Gale.

Romin: Dan told us about them too so we'll keep our eyes out.

Nico: Let's get a move on.

Me: Right!

We were off.

We arrived.

Nico: There she is.

We saw her hitting baseballs from a pitching machine.

CLACK! CLACK! CLACK!

Me: She is good.

Eli: Lynn would have some competition with her.

We went over.

Me: You're really good there.

Yuka Goha: Thanks! Wow Team Loud Phoenix Storm.

Me: That's right. Lincoln is doing great now.

Yuka Goha: I'm glad. J.D. can you pitch one to me?

Me: Okay then.

I got a ball and stood on the pitcher mound.

Me: Here it comes!

I geared up and threw it!

WHOOSH!

It went incredibly fast and smashed into her glove and sent her crashing into the fence!

Yuka: (Squeaky Voice) THAT'S THE OL' PEPPER!

Yuga: Wow! You are good J.D.

Me: Lots of practice in sports. Fighting and dodge are not the only things I'm good at.

Nico: More where that came from!

Yuka got up.

Me: You okay?

Yuka: Yeah. Wait! That voice. YOU SENT That message?

Me: Guilty as charged. I sent that virus to bring you guys down and stop Goha from their tyranny.

Yuka was INFURIATED!

Yuka: You ruined us! You ruined this whole town we were helping!?

Me: You call this helping a town? It's more like a world without free will! Also their true intentions were to make Dueling obsolete! Something we cannot let happen!

Yuka: But why?

Me: Because it's not what Lincoln wants! Not what you want! You don't want to break his heart do you? Especially after EVERYTHING he went through right?

Yuka began to realize that I was right.

Yuka: No. I don't.

She then threw her Goha mask down.

Yuka: This is my resignation. Tell the Goha Siblings, I quit and am going into the M.O.E. And the Redemption Squad.

Me: That's the spirit!

Nico: Yeah!

Yuka: But come at me!

Me: Okay! I summon NINE HEADED DRAGON!

Seto Kaiba: I summon my almighty Blue-Eyes White Dragon!

We summoned our monsters!

Yuka: (GASP) Wait you're Seto Kaiba! You're one of my heroes!

Seto Kaiba: I am glad I have an admirer.

Yuka: Blue-Eyes White Dragon is one of my favorite monsters.

Me: Nice. Lets get it on!

I used the Lord Drakkon Raise Buckle and got a Drakkon Cannon!

Me: The Drakkon Energy Blast Cannon!

I fired waves of energy with it and blasted her.

Me: Nine Headed Dragon attack with Nine Elemental Fury Cannon!

KRABANG!

It fired a massive blast of 9 elements and it hit her and exploded!

EXTREMELY MASSIVE EXPLOSION!

She was knocked down!

Gallus got out his Raise Buckle for Potty Mouth and got a sewage blaster!

Gallus: THE SEWAGE BLASTER OF POTTY MOUTH!

Me: Better plug your ears, this one has a nasty mouth!

Gallus: SHUT YOUR FUCKING MOUTH YOU BITCH!

He fired raw sewage and drenched her!

Nico: Nice mouth! Do you kiss your mother with it or do you use it to wipe her ass!

Gallus retched!

Gallus: YUCK!

He took a bar of soap and washed his tongue with it!

Me: Yikes!

Penelope got out her Raise Buckle for Stinkor and she got a SUPER Deadly Skunk Tail on her butt!

Penelope: The Stink Tail of Smelly Doom!

Me: P.U.!

Penelope let loose a REALLY NASTY AND HORRIBLE FART!

LOUD NASTY AND HORRIBLE LONG FART!

She blasted her down and smelled horrible!

Yuka: OH GOOD GRAVY! (VOMITS!) THAT SMELLS HORRIBLE! WHAT DID YOU EAT!?

Me: Don't ask!

Allenby got out her Raise Buckle for Dr. Felonius and got a sewing needle cannon!

Allenby: THE SEWING CANNON OF DR. FELONIUS!

She fired needles and made a new outfit for her and it was a pretty jeweled winter outfit and it had pink clothes with purple and pink jewels.

Me: Ooh! Bedazzling!

Yuka: This is beautiful!

Me: Rarity would love that.

Seto Kaiba: Blue Eyes attack with WHITE LIGHTNING!

He fired a massive blast of White Energy and it hit her and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMM!

She was knocked down!

Yuka: WHOA! Just as intensely powerful! Wait! I have this for you!

She went to her backpack and pulled out a file and gave it to us.

Me: What's in here?

Yuka: This is all the dirt I gathered on Gozaburo Kaiba.

We looked and saw that he was REALLY WORSE than we anticipated! We saw that he did numerous counts of arson, murder, war crimes, crimes against humanity, treason, terrorism, fraud, racketeering, money laundering, cyberterrorism, abuse and all kinds of atrocities!

WE GASPED!

Me: OH MAN! This is terrible! How did you amass all this?

Yuka: I've been digging up some dirt on him.

Me: Whoa! Now the icing on the cake will be a verbal confession from him. Thanks Yuka!

Yuka: My former comrades didn't want any competition

Me: I see and understand. But now they have us to deal with and we are miles ahead.

I put the info in my backpack.

But then something ran fast and tripped her!

Yuka: WHOA!

CRASH!

Yuka: OW!

Me: You okay?

Yuka: Something tripped me.

Romin: I think that did! Look!

We saw a Zigzagoon!

Me: Hey a Zigzagoon!

Nico: How did that get here?

Me: I think I know.

Dan Kuso: It must be one of Dark Gale's work.

Me: Yeah.

I used Telepathy and gasped!

Me: Oh man! That's Kiara Sabaku! She's Gaara, Kankuro and Temari's older sister and here's the shocker! She's the gene-slammer of Shukaku the 1-Tailed Sand Tanuki!

THEY GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Eli: The gene-slammer of Shukaku!? And Zigzagoon!? That's crazy!

Me: I know!

Nico put his skeleton back.

Nico: I hate it when that happens! But yeah I agree!

Me: I'll help her out here.

I went over.

Me: Kiara it's gonna be okay.

She bit me on the leg!

CHOMP!

Me: YEOWCH! HEY!

But then the Rabbids came and farted in her face like bagpipes and we laughed hysterically!

Nico: (LAUGHS) See?

Yuga: That is funny!

She bit a Rabbid on the ear.

CHOMP!

Rabbid: DAAAAAAAAGGGGHHH!

Nico: Geez!

Me: Her bite is worse than her bark! Okay then.

I fired lightning blasts and electrocuted her and knocked her down. Then I snapped my fingers and she reverted back and had golden yellow hair, green eyes and yellow angel wings and had Shukaku and Zigzagoon no her forehead and had a Desert with the Love Kanji on her arm as a cutie mark and the most prominent feature was Shukaku's long sand tail coming out of her butt.

I wrapped her in a blanket and helped her up.

Kiara Sabaku: (Groan) What happened?

Me: Kiara are you okay?

Kiara Sabaku: J.D.? Yeah I think so. Where am I?

Me: You're in Goha City and you were turned into a Zigzagoon by Dark Gale.

Kiara Sabaku: Oh man! I remember!

She was in a yellow suit and injected and then turned into Zigzagoon and like a mouse she ran out.

FLASHBACK ENDS

Kiara Sabaku: It was awful.

Me: I know. But we destroyed Dark Gale.

Kiara Sabaku: Great. Also for Sonya's Team I am the Sand Master of the team and use sand to kill our enemies. Outside the team me and 8 others are doing everything we can to destroy the councils for their corruption and the abuse our siblings had to endure.

Me: You mean the abuse and torture that Jinchuriki are subjected to? Yeah I know what they go through. Horrible story. But we got rid of all the councils and exposed all their corruption and sent them to prison or executed for their treachery and corruption. Many of them were executed too.

Kiara Sabaku: Good. I'm glad.

Me: We all are. Also after we're done here I got to report this. First lets get some clothes for you.

I snapped my fingers and she got Yellow Clothes.

Kiara Sabaku: I look awesome!

Nico: You sure do!

Me: Yep. Lets do it!

We went at Yuka and Kiara fired waves of fire and blasted ehr.

Me: Take that!

But then lasers blasted her down.

We saw a girl with red hair and red eyes and black clothes and wings and had a tiara with Jetray on it.

Me: (GASP) Jianna Jetray!

Jianna Jetray: (Grunts) Good to see you J.D.

Me: You too.

Nico: Jetray's embodiment! Wow!

Jianna Jetray: Good thing I was in the area.

Me: You sure were!

Jianna lost control and fired lasers at Black Manta.

He dodged them and we blasted her and I fired the cure laser and injected her.

Me: There!

Black Manta: Okay then!

He fired lasers and blasted her down!

Wonder Woman flew and knocked her down.

Wonder Woman got out her Raise Buckle and used it and got out a Goddess Blade!

Wonder Woman: THE SWORD BLADE OF HERA!

She slashed her all over.

Jianna and Black Manta fired lasers at each other

They blasted each other all over!

Kiara Sabaku: SAND TSUNAMI!

She sent a wave of sand and bashed her down!

The antidote took effect and she had her green eyes back.

Jianna Jetray: (Groans) What happened?

Me: Ugly story.

Nico: Yeah.

Gallus: That was awesome!

Yuga: Yeah it was!

We later came home and I was in the Leaf filing a report to the Hokage.

May: How did it go?

Nico: Really awesome!

They told everyone everything.

Qin: Whoa! That is amazing!

Lincoln: I'm glad Yuka realized the error of her ways.

Nico: Yep.

Lola: Yeah!

Nico: Next time, Twilight, Tommy Oliver and Marinette should come.

Twilight Sparkle: Good idea!

Tommy Oliver: Yeah!

Marinette: That is for sure!

In Domino City we arrived at the abandoned warehouse.

Mokuba: This is the place.

Me: Looks like no one has been in here for a while.

We went in and there were lots and lots of boxes and crates that were untouched for years.

Me: Whoa look at all this.

Lola wiped a box and it was all full of dust.

Lola: Man it sure is Dusty here.

Nico: No kidding.

Me: Lets search all this.

We went and searched all over the place.

I opened a bunch of boxes and in them was a bunch of Duel Monster cards.

Me: Most of them are all full of Duel Monster Cards.

Kaiba: Most of those are rare.

Me: Yeah.

Laney: (GRUNTS)

She opened a crate and in it was a bunch of blasters.

Laney: Guys look here!

Laney showed us the blasters.

Me: Whoa!

I looked at them.

Me: Wow! What is this?

Mokuba: I thought these were long forgotten! These are duel monster blasters. They are blasters that use the powers of all the Duel Monster Cards and spell and trap cards. They were experimental blasters that our so-called stepfather made for the purpose of destroying all the armed forces.

Me: What!? Oh man!

Armada Cyclonus: Shouldn't there be guards here?

Mokuba: Nah this place has been long forgotten by our stepfather for a while. He forgot about it too.

Me: He might have. But lets see here.

I used the power of Alchemy Beast - Ekenas the Mercury. I inserted the card into the blaster and it activated it.

Me: QUICKSILVER MAELSTROM BLAST!

I fired a wave of liquid mercury and it hit a crate and blasted it apart! It was empty!

Me: WHOA! That is awesome!

Nico: Wow! It works!

Powerglide: Let's get out of here and blow the warehouse up.

Me: Good idea!

We grabbed the blasters and all the cards and ran out.

I fired an energy blast and it hit the warehouse and it exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

It was gone!

Me: Good!

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

We were watching TV.

Me: Man that was an awesome haul.

Cree Lincoln: Look at all the cards we got.

Me: So many of them.

Qin: I know.

Laney: But it was well worth the raid.

Me: And the cool part is we got these cool blasters.

Lola: We sure did.

Lisa Loud: I checked if there were any flaws in them and scans show that they are 100% flaw free.

Me: Great! These will come in handy for us.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than Gozaburo Kaiba, Seto Kaiba and Mokuba's evil stepfather, he's been freed from prison and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: WHAT THE?! ARE YOU KIDDING ME!?

Eli: That was...!

Lincoln: Yep, I knew this day would come.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than Gozaburo Kaiba, Seto Kaiba and Mokuba's evil stepfather, he's been freed from prison and he's causing havoc.

EVERYONE GASPED!

Seto Kaiba: So, our evil stepfather's broken out of prison, has he?

Mokuba: But, how was that possible? (Realizes something) Wait a second, there's only person who'd be that much of a dirty snake to break him out like this!

Everyone: DARK SEBASTIAN!

Eli: That two-faced snake!

Nico: I can't believe him!

Me: He is so dead!

Lincoln: We'll make sure to piss him off again when he and the other bags of shit show up later on. But, first, we're gonna expose Gozaburo Kaiba's crimes to the world.

Nico: Right. Alright, let's get going to Domino City. Gozaburo Kaiba, your time in this world is up!

Lincoln: You've lived for too long, Gozaburo Kaiba, and now, we're gonna make sure you disappear forever.

The previous group came.

Beetle: Can me, Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Whiplash, Major Disaster and Taskmaster go with you guys?

Nico: Yes you guys can come with.

Cad Bane: Cool blasters guys.

Me: Thanks. We just got these from our warehouse raid we did earlier.

Nico: Yep.

Lola: Yeah these are gonna be cool.

Grounder: Nico, which Gene Slammer do you think you'll meet next?

Scratch: I was about to ask the same thing.

Grounder: Were you?

BLANG!

Grounder: OUCH!

Grounder got hit on the head by Scratch.

Scratch: Of course I was you dumbbot!

Nico: Yuma is not going to like this. Number 96: Dark Mist and Number 95: Galaxy Eyes Dark Matter Dragon.

Yuma: Oh boy.

Me: Number 95 is fascinating to me though. That one is based on the very matter that most of the entire universe is made up of.

Nico: Really?

Me: Yeah according to physics, Scientists believed that the universe is mostly composed of Dark Matter which makes up for more than 85% of the Entire Universe. This matter is what makes the entire universe what it is.

Lisa Loud: He is correct.

Nico: That is interesting.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: Ryan McCabe, Demon Wind Master of Darkness of The Order of The Dark Universe and Jezebel Necroshade, Dark Wind Master of The Dark Church of Malphas, and they're also causing havoc in Domino City. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Was that?!

Lincoln: Ryan McCabe, Demon Wind Master of Darkness of The Order of The Dark Universe and Jezebel Necroshade, Dark Wind Master of The Dark Church of Malphas, and they're also causing havoc in Domino City.

Gina Thunderton So, those two snakes are causing havoc alongside Gozaburo Kaiba. We'll need to keep those snakes contained before we take him down.

Selena Mendez: When we destroy Dark Sebastian's traps, we'll make sure they get put in a force field and kept from attacking us.

Nico: Ooh, now this should be good. Alright, team, let's go, the time to destroy Gozaburo Kaiba has finally come.

Lincoln: Never again will he be free to cause havoc on the world, this time, we're going to finish him off once and for all, and once we get done with Gozaburo Kaiba, you're next, Ryan McCabe, Demon Wind Master of Darkness of The Order of The Dark Universe and Jezebel Necroshade, Dark Wind Master of The Dark Church of Malphas.

Gina Thunderton: Ryan McCabe and Jezebel Necroshade, you will both pay for the atrocities you madmen have committed after we get done with Gozaburo Kaiba!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Domino City to expose all of Gozaburo Kaiba's crimes to the world, and once we got done with that and end him forever, Gina Thunderton and Lincoln are going to destroy Ryan McCabe and Jezebel Necroshade and send them to The Black Abyss.

We were off.

We arrived.

Me: We were just here a few minutes ago.

Nico: I know.

Cad Bane: Let's call Yenaldoshi

Me: Good idea.

We did so.

Yenaldooshi: I'm here and ready.

Me: Awesome.

Alister: I hope we kill that monster! Kaiba's father brought all this on himself!

Me: Stepfather actually Alister. This is Seto and Mokuba's stepfather. Their biological parents died in a car crash.

Kaiba: Let's head to my office. It's what he'll go after.

Bad Juju: Good call.

Me: We'll have to tighten security as well.

Kaiba: Right.

We went to Seto's office at Kaiba Corps and it was amazing.

Me: Been a while since I was here in your office.

Seto Kaiba: It has been a while.

Qin: Yeah.

Yugi: It feels like forever.

Tea: I know.

Boomerang: (Australian Accent) One of the cards you found was Felgrand Dragon

Qin: That's right. That's with me.

She held up said card.

Me: Cool.

Seto Kaiba: Okay we gathered lots of evidence on my stepfather.

Me: Yuka gave this to us as we fought her a few hours ago.

I showed the folder.

Me: Turns out Gozaburo is much worse than we had expected.

I told everyone everything and he did numerous counts of arson, murder, war crimes, crimes against humanity, treason, terrorism, fraud, racketeering, money laundering, cyberterrorism, abuse and all kinds of atrocities and more.

They gasped!

May: That's horrible!

Qin: He is the worst human being on this planet! Worse than Charles Manson!

Me: He makes Manson look like a tame kitten in comparison.

Mokuba: This is crazy! I Can't believe our stepfather was THAT EVIL!

Magmon: Do we need more evidence?

Geraldine Gansley: Actually there's no need for it. Me and my friends have gathered lots of evidence and relayed it to everyone in Domino City.

Nadine Nezbitt: Look what else we found out.

We learned that Gozaburo had a MASSIVE STASH of nuclear, biological and chemical weapons and he was going to go into battle and war against ALL THE LEADERS of the World and all the people so that only Kaiba can reign supreme!

WE GASPED!

Me: That's insane!

Titanium Man: (Russian Accent) He even targeted my homeland!

Me: The nerve! Well a broadcasted confession will make it a slam dunk.

Luan: Leave that to me and Mokuba.

Seto Kaiba: No way are we going to let that pompous windbag that calls himself our stepfather get away with it any longer!

Me: Yeah! That is for sure!

Tyzonn: We just need to lure him here.

Seto Kaiba: And I know just the spot we can face him at. My duel dome.

Me: That's perfect. We'll summon a massive army of Duel Monsters.

Rhianna Crystal: And we'll gladly help out too because we have the powers of Duel Monsters too.

Yulia Yggdrasil: That is for sure! Oh and Nico I would like to request that I go with you guys on Gallus's next mission.

Nico: Any particular reason why?

Yulia Yggdrasil: Well I heard that there's a duelist in Goha city that uses the monster I was slammed with.

Me: Really? Wow!

Cheshire: What was said monster again?

Yulia Yggdrasil: Yggdrago the Sky Emperor.

Dan Kuso: Oh you mean Nail Saionji. He uses a World Tree Dragon themed deck.

Yulia Yggdrasil: Oh wow!

Nico: Wow! Okay your request is granted.

Brad Morton: What about that spooky guy?

Dan Kuso: Oh you mean Toombs. He is a scary guy and he uses a Ghost Story Deck.

Me: (GULP)

Shaggy: ZOINKS! Oh that is a scary one.

Me: Yeah.

Dan Kuso: Well he and Lucy can relate too. He's gothic and likes to cover his eyes with his bangs from his hair.

Lucy Loud: Wicked.

Me: Yeah.

Multiple Man: Let me clone an army.

Me: Okay.

But then...

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Me: WHOA!

We saw a HUGE EXPLOSION BLAST OFF IN THE DISTANCE!

Me: What in the world did that!?

Lincoln: WHOA! I just had a premonition and it's Seto Kaiba's Akuma! His name is Blue-Eyes Dark Dragon! The Hypothetical Akuma of Seto Kaiba and a master of dragons and lightning. He is a black version of Blue-Eyes White Dragon and he has the same attack and defense power. He was made because of all the pain and suffering Gozuburo Kaiba inflicted upon him and vowed to unleash the fury of 100,000,000 Blue-Eyes White Dragons upon him and make him pay with the pain of 300,000,000,000 attack power!

WE GASPED IN SHOCK!

Me: WHOA!

He showed a sketch of him and he was a black version of Blue-Eyes White Dragon!

Me: WHOA! Instead of a white dragon he's black!

Bubble Man: White would've been too obvious

Me: But this is fitting too.

Seto Kaiba: It sure is.

Me: And he has 300,000,000,000 ATK Power!? That's mindboggling!

Qin: That would make it one of the strongest monsters in the entire game!

Xenia: It sure would!

Nico: That's the equivalant of 100,000,000 Blue-Eyes White Dragons in one! Whoa! Only Exodia and the combined power of the Egyptian Gods can match it.

Axel Brodie: I was gonna say! 300,000,000,000!? There's no way anyone can beat that kind of power!

Nico: But we can still take him.

Me: Easily.

Seto Kaiba: But I know that area that was blasted. It was a housing area Gozaburo developed. But it was left abandoned.

Me: Lets head out.

We went there and we arrived and saw the entire place engulfed in flames and burning!

Me: WHOA!

Nico: This whole place went to hell!

We walked around and then a figure landed and it was BLUE-EYES DARK DRAGON!

WE GASPED!

Me: WHOA!

Seto Kaiba: I look scary like this!

Blue-Eyes Dark Dragon: You sure do!

Silver Samurai: Kaiba? Is that you?

Seto Kaiba: Yes but I will kill anyone that gets in my way to kill my stepfather!

Me: Then calming you down is out of the question! Lets dance!

I fired a massive blast of energy and blasted him!

Yenaldooshi fired a massive blast of sonic energy and blasted him!

Yenaldooshi: I'm hungry like the wolf!

Blue-Eyes Dark Dragon: My turn! BLACK LIGHTNING!

HE FIRED A MASSIVE BLACK ENERGY BLAST!

Me: KAAAAAAA MEEEEEEEE HAAAAAAAAA MEEEEEEEE HAAAAAAAAAAAAA!

I fired a massive Kamehameha Wave and the blasts collided and a massive explosion of energy blasted out from the intense power!

EXTREMELY MASSIVE AND INTENSE BLAST OF ENERGY!

Nico: WHOA! WHAT POWER!

Eli: HOLY CRAP!

My power pushed the blast back and it hit the dragon and he exploded!

Me: YEAH!

He was gone!

Me: Take that!

Then I saw a card and went and picked it up and it was Blue-Eyes Dark Dragon in card form.

Me: Cool! So this is him in card form.

Wildrider: That was wild!

Me: Yeah no kidding!

Lola: Now we can go after Gozaburo!

Multiple Man: First this.

He made an intense army of clones.

Me: There.

We saw the people getting pitchforks and torches and are charging towards Gozaburo Kaiba's office in the Duel Dome.

Yugi: It worked, everyone in Domino City's out for Gozaburo's blood.

Olivia Kaiba: That's for sure, everyone now wants to rip his head off.

Nico: With the evidence The Blue-Eyes Doom Dragons had on him, now Gozaburo Kaiba is now a wanted man. Alright, then, let's get going and send that monster to The Black Abyss.

Lincoln: But, first. Selena.

Selena Mendez: On it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Gozaburo Kaiba is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Ryan McCabe, Jezebel Necroshade, and Gozaburo Kaiba saw it, and they let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, monsters.

Nico: Okay, now we can get after Gozaburo Kaiba without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see Gozaburo Kaiba, Ryan McCabe, and Jezebel Necroshade raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate, but it grew even stronger because of the hatred of Ryan McCabe and Jezebel Necroshade.

Lincoln: Keep it up, you snakes. In the end, you're just going to make things worse for yourselves.

Suddenly, the spirits of the Blue Eyes White Dragons appeared and they attacked Gozaburo Kaiba, Ryan McCabe, and Jezebel Necroshade and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made

Gozaburo Kaiba, Ryan McCabe, and Jezebel Necroshade even more pissed off than ever.

Kaiba: Hello, "Stepfather", I'd say it's good to see you, but that would be a lie.

Nico: A lie and a half. You got some nerve coming back here, Gozaburo.

Me: And it was thanks to that fucked-up snake, Dark Sebastian, that did this.

Lincoln: Plus, I knew you two snakes would be left behind to continue to cause havoc, but it matters not. Once we get done with Gozaburo Kaiba, you two snakes are next.

Ryan McCabe: YOU MISERABLE WOLF!

Jezebel Necroshade: WE WILL DESTROY YOU ALL IN THE NAME OF MALPHAS! ARMIES OF MALPHAS, KILL THEM!

Suddenly, hordes of male hellhounds loyal to Malphas arose from Hell and they charged at us.

Lincoln: Hah, that's a good one, summoning hellhound hordes loyal to Malphas.

Lincoln went after the massive 12'6" male hellhounds, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" hellhound and its' massive pack of 12'6" massive hellhounds, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the hellhounds and Lincoln drained the hellhounds' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Ryan McCabe and Jezebel Necroshade: (ENRAGED DEMONIC SCREAM) DAMN YOU! DAMN YOU!

THEY WENT REALLY BALLISTIC! BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD!

Then, Lincoln trapped those Satanic monsters inside a force field to keep them inside.

Lincoln: That'll keep you jerks inside. Now, to deal with you.

Me: You're going to pay for all the pain and suffering you caused to so many people Gozaburo!

Kaiba: I'm assuming that you want your office in Kaibacorp back?

Gozaburo: It shows my reightful place as head of the company. Hand it over!

Kaiba: I'm afraid that won't be possible. Since the world knows about your crimes, you'll be lucky enough to get a job. As for as I'm concerned, Kaibacorp still belongs to its rightful owner. And he's telling you to get the fuck out.

Whiplash: Damn, that was brutal!

Me: Yep. And I just figured something out! You Killed Seto and Mokuba's biological parents! DIDN'T YOU!

He then laughed malevolently!

He then sang like a bird and told the world that he did all that because he wanted to be the supreme ruler of the world and anyone that opposes him is dead! He was going to kill anyone that got in his way and he did all those crimes because he loved it! And wanted to make EVERYONE SUFFER!

Time to pay!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF GOZABURO KAIBA TO NO END! NOW, THE BATTLE TO FINALLY DESTROY GOZABURO KAIBA WAS ON!

Lincoln, Kaiba, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Gozaburo Kaiba, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Gozaburo Kaiba and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Kaiba, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked them super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Gozaburo Kaiba even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Gozaburo Kaiba and he got hit hard, and he also destroyed a Monitor Orb embedded in his forehead, and not only did we gain a massive power boost, but Gozaburo Kaiba clutched his head in pain.

Eli: That'll teach you, bastard!

Then, Lincoln formed and fired an rainbow energy ball that hit Gozaburo Kaiba on the back and he was left with a burning scar on his back.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Gozaburo Kaiba and we all found ourselves not only in Heaven, but also, in space.

Kiara Sabaku was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Same with Verdant Inferno!

Verdant Infenro: No we control the power it doesn't control us!

They concentrated and reigned in the powers of Venusaur and Zigzagoon and transformed and blasted and bashed Gozaburo all over! They reverted back.

Me: Take that!

Horsea: Wait. How can a Zigzagoon be powerful?!

Kiara Sabaku: Enhanced with Shukaku's power too.

Me: It's true.

Nico: Long story.

Horsea: Oh.

Then Blizzard, Dayu, Bonz, MetalSeadramon, Harpymon, Gameface, Electropede, Zzzax, Samon Shakekisutanchin and Ryugu Tamatebacco came.

Bonz: (to Gia) The Rescue for Lincoln was where Lincoln and his group and all of TLPS and The MOE were heading to the Royal Woods where Dark Ace came from. How was it?

Gia: It was intense! We had to go there to show that world what happened to Lincoln and what his sisters and his enemies did and also present the evidence on how dangerous they were!

MetalSeadramon: Yes.

Noah: Well that threatening message was for Goha City and they went there and met Yuga Ohdo and his friends and they were in a massive rebellion against Goha City for the right to get freedom. They are battling against the evil Goha Corporation and they controlled everything and want to make sure that they lived under their rules. But J.D. made sure that they don't control anyone. We're gonna go into battle against Otes. His goal is to destroy all dueling and restart it in HIS Liking!

Kyogre: Yeah no kidding there! It would be the end of the world of Dueling forever!

Jericho: (Writes) Yeah no kidding and we can't let that happen.

Rita Fox: Also first we battled Yuka Goha and she had a Chameleon Deck which was REALLY cool!

Comet Thunder: Yep and she is the first of 9 of them but unlike Gaara and all the Jinchuriki they didn't have to go through the intense hardships and horrors and abuse all Jinchuriki were subjected to. They kept their status a full secret. Also they all have one thing that they loathe with every fiber of their being. They hate the corruption of the councils and want them destroyed for their crimes against their families.

Lincoln and the girls fired elemental blasts that transformed into said Duel Monsters dragons and they hit Gozaburo Kaiba and exploded as they hit him!

Lincoln and his harem: Now, for the grand finale. We've had it up to hear with you, Gozaburo Kaiba, now pay for all of your crimes in Hell! DRAGON FINAL SMASH: DRAGON BREATH!

Lincoln and his harem fired different dragon elemental breaths which merged and they hit Gozuburo Kaiba and exploded with incredible power and knocked him down. Then, Lincoln tied him up with a straitjacket of rainbow energy.

Yenaldooshi: Oh, I'm gonna enjoy tearing you apart!

Me: We need him alive to be in his trial.

Yenaldooshi: Okay.

He bashed and smashed and mauled him and he was knocked out.

We cheered as we holstered our weapons and powered down.

Nico: Awesome!

Lincoln: Now, let's get this jerk to the courthouse to face trial.

We took Gozaburo Kaiba to the courthouse where the trial began, and we showed the jury and all of Domino City and the world the atrocities Gozaburo Kaiba committed, and they were disgusted by the crimes. The jury deliberated for less than ten seconds, and when they came back in, the jury delivers the verdict: guilty on all charges.

He was found guilty of numerous counts of arson, murder, war crimes, crimes against humanity, treason, terrorism, fraud and MANY MORE!

Judge: This is truly one of the worst cases I've ever tried. You truly are the worst person I've ever come across, you're nothing more than a cold ruthless powerhungry remorseless monster. Gozaburo Kaiba, it is with the judgement of this court that I hereby sentence you to death!

We then took Gozaburo Kaiba outside, and Lincoln formed a massive black ball of Black Abyss flames, and he threw it at Gozaburo Kaiba, and he was reduced to ashes and he was forever sent to The Black Abyss for good.

Kaiba: It's finally over.

Nico: At long last. Now, the name of Gozaburo Kaiba is now a distant memory.

Me: Doomed to be forgotten forever.

Lincoln: That's for sure, but it's not over yet. Now, we turn our attention to Ryan McCabe and Jezebel Necroshade.

The barrier came down, and Ryan McCabe and Jezebel Necroshade were now completely insane!

Ryan McCabe and Jezebel Necroshade: DAMN YOU! DAMN YOU ALL! WE'RE GONNA KILL ALL OF YOU HERE AND NOW!

Lincoln formed a massive and indestructible diamond barrier infused with light energy that protected all of us from a sudden barrage of infernal darkness blasts those snakes fired at us and the blasts were destroyed.

Gina Thunderton: Looks like what we did to Gozaburo Kaiba really drove them madder than ever, but now, it's time we put an end to this once and for all.

Suddenly, Gina Thunderton's purple eyes turned neon purple and she was surrounded by a black, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, dark lightning, phoenixes, and angels, she unholstered her staff, and as she approached Ryan McCabe and Jezebel Necroshade, she left black, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, dark crystals, phoenixes, and angels with every step.

We were amazed by Gina Thunderton's transformation, but when Lincoln saw her, he had a bright atomic red blush on his face and muzzle, hearts in his eyes, and his wolf nose gushed out blood like a fountain and it hits Ryan McCabe and Jezebel Necroshade and they screamed in pain as they got burned badly by his acid blood!

Ryan McCabe: YOU MISERABLE CRETIN! HOW DARE YOU HUMILIATE US!

Suddenly, we were teleported to Hell and more of Dark Sebastian's traps triggered as he summoned more demons and monsters to attack.

Lincoln, Gina Thunderton, Nico, and I went after Ryan McCabe and Jezebel Necroshade, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Ryan McCabe and Jezebel Necroshade, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Gina Thunderton did the same by firing black, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive staff, and Lincoln, Gina Thunderton, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Ryan McCabe and Jezebel Necroshade even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Ryan McCabe and Jezebel Necroshade and we all found ourselves not only in Heaven, but also, in space.

Ryan McCabe and Jezebel Necroshade became so enraged, they lost all sense of reason, and they suddenly transformed into demons as the sclera of their eyes turn dark red and the iris of their red eyes became brighter, their skin turned black and they had black fur grow and sprout out, and their faces turned into that of a demon dog with horns on top of their heads, and they roared in pure rage and they went full all-out berserk.

Lincoln swung his massive greatsword and fired two powerful rainbow light helix blasts which hit Ryan McCabe and Jezebel Necroshade, and not only did they transform back into human form, but the blasts also destroyed their dark powers forever, and Lincoln swung his massive greatsword again and fired blades of light which hit Ryan McCabe and Jezebel Necroshade right in the chest and the blades pierced their black hearts, and we saw lights burst out from behind their backs, and they went up in flames and they turned to ashes, as their black souls were forever sent to The Black Abyss for eternity.

We cheered wildly as we holstered our weapons and powered down and Gina Thunderton's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large black planets orbiting around her legs, thirty-five smaller black planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black planets orbiting around her wrists and ankles, and massive black angel wings and twenty-four sets of large black angel wings underneath her massive black angel wings are permanent.

Gina Thunderton: We did it, that's two down and sixteen to go. Thanks for helping me get rid of Ryan McCabe and Jezebel Necroshade, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Gina.

Me and Nico: Our pleasure, Gina.

Suddenly, Gina Thunderton wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gina Thunderton's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Gina Thunderton sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Selena Mendez: We did it. Ryan McCabe and Jezebel Necroshade are gone forever.

Lincoln: Yep, now we got fourteen more to go: Windsor Grimm and Herodias Necroshade, Alex Creighton and Delilah Necroshade, Owen Thatcher and Belial Necroshade, Reagen Lestranfe and Abigor Necroshade Quentin Hargreaves and Damon Necroshade, Michael Ondrushko and Aragon Necroshade.

Me: And finally, the main Satanic demons, Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe and Alaister Necroshade, Leader of The Dark Church of Malphas, the war has only just begun. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, The Power Stone embedded in the blade of my sword and Lincoln's greatsword started glowing with intense bright purple light.

Nico: Now, The Power Stone's glowing.

Raphaela Fukushima: There's only one person we're going to be meeting on Lincoln's rescue tomorrow: Isabella Nakamura, Elemental Earth Guardian of Power.

Lincoln: I knew it was her.

Me: Whoa, and she's got to be really strong!

Raphaela Fukushima: You have no idea, and you guys are going to love meeting her, Isabella Nakamura, Elemental Earth Guardian of Power, is Lincoln's Guardian Angel from Japan and she's a very powerful master of Cosmic Geokinesis and Power. She was born with omnipotent power, immortality, invincibility, and the powers of Cosmic Geokinesis, Omnipotence, Omniscience, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman agility, energy manipulation, and Power, and she has The Power Stone embedded in her forehead. She's a member of The Elemental Infinity Stone Guardians, the most powerful group of girls among Lincoln's Guardian Angels, they are six girls were born with the incredible powers of The Infinity Stones along with the elements of Cosmic Pyrokinesis, Cosmic Hydrokinesis, Cosmic Aerokinesis, Cosmic Geokinesis, Cosmic Umbrakinesis, Cosmic Photokinesis, and Cosmic Space powers, along with having said Infinity Stones embedded in them, and they were given the task of protecting Lincoln from the wrath of his enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas. She moved to Michigan where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Geokinesis, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman agility, energy manipulation, and Power, and he gained omnipotent power and the powers of Cosmic Geokinesis, Omnipotence, Omniscience, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman agility, energy manipulation, and Power, and he was already born with immortality and invincibility, plus, he also gained the power to suck out and absorb the immense superhuman strength, superhuman durability, superhuman agility, and power of any male musclebound thug and brute and make it his own, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a passion and she swore to pummel Lynn, but she absolutely despises Thanos, Dark Chase Young, Malphas, Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and all of Lincoln's enemies and all those who want to use them for their insane schemes of destroying the entire universe, and she swore to beat all of them to death.

Me: (WHISTLES) Whoa.

Nico: Oh man!

Lincoln: Yep, and her training really helped me out greatly, and what Raphaela said is true, not only did I also gain omnipotent power and the powers of Cosmic Geokinesis, Omnipotence, Omniscience, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman agility, energy manipulation, and Power, I'd also gained the power to suck out and absorb the immense superhuman strength, superhuman durability, superhuman agility, and power of any male musclebound thug, bodybuilder villain, and brute and make it my own.

Luna: He did a lot of that long before you and your family moved here, Nico.

Nico: Whoa.

Lynn: And the looks the girls got from seeing Lincoln extremely muscular and an attractive man, they went crazy with love over him.

Lori: Plus, he was also featured on this.

Lori got out her magazine, and we saw Lincoln on the front cover wearing only blue jeans that really showed off his musclebound legs and using one of his bodybuilding poses.

Nico: I had no idea you were also a male model for a teen magazine, Lincoln.

Luna: (Smirks) Well, he's got the manly body, personality and charisma that easily draws in teen girls, college girls, and women, and manly rugged looks to go with.

We laughed. But, then, we heard an inhuman roar, and we saw streams of darkness heading our way, and when they landed, what stood in their place were Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, and Alex Creighton, and they were pissed that we killed Ryan McCabe and Jezebel Necroshade.

Me: Well, if it isn't Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, and Alex Creighton.

Dark Sebastian: You damn bastards! You ruined my trap!

Nico: You should know we're never afraid of Hell or its demons, and you tried to take the battle to the very place you bastards were trapped in, that plan was doomed to fail.

Alaister Necroshade: SHUT UP! SHUT THE FUCK UP, YOU DAMN BUBBLE-BUTT MONKEY! (ENRAGED SCREAM)

Nico: Heh, Bubble Butt? Look who's talking, at least, we're not the servants of a fucked-up blob of Eldritch Ooze created by Malphas!

Dark Sebastian: I will make you pay for this, all of you!

Suddenly, heavenly lights shined down and Lincoln flew into the air, and his massive white angel wings and ninety-nine sets of large white angel wings underneath spread out as he absorbed the flames from our battle with Gozaburo Kaiba. Plus, we also saw the damage we did was suddenly repaired.

Lincoln: You only know how to make threats, and you made those threats come true using violence and hatred. All you are is nothing more than the personification of hatred, destruction, and madness rolled into one, the same goes with your cronies, and you already saw that not even the darkness of Hell will protect you from us since we've killed Aragon Cochran, Nergal Glaphyra, Maacah Necroshade, Athalia Necroshade, Ryan McCabe, and Jezebel Necroshade.

Me: That's right, you have nowhere to run, you pieces of shit.

Nico: And nowhere to hide.

Lincoln: That's for sure. Now, slither on back to the shadows where you belong, you blood-crazed world-destroying snakes.

Buster Bunny: And don't let us catch you running loose again, or I swear, you're gonna know what real pain is!

Babs Bunny: That's right! Now, beat it, you snakes!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, and Alex Creighton let out unholy demonic screams as they turned back into black streams of darkness and flew back into the darkness swearing revenge on us!

Me and Nico: (FLIPS BOTH MIDDLE FINGERS AT THEM) Yeah, fuck you too! You better run, you fucking snakes!

Harpymon: I expected him to attempt suicide by jumping out the window.

Me: Me too.

Electropede: That's impossible. The Kaiba Dome wasn't high enough

Zzzax: No, it wasn't.

Me: Well we got justice big time!

Samon Shakekisutanchin: I'll make salmon for a victory feast.

Ryugu Tamatebacco: Can't wait!

Me: Lets tally up the results.

I looked over the score and it says that the mascots me won!

Me: Whoa we're tied? That's a first. Looks like we're both buying dinner Poromon.

Poromon: We sure are.

Nico: Yep. Great job today everyone!

Kaiba: (To the viewers) Now we've seen the last of our evil stepfather.

Me: We sure have.

We went to a great restaurant and had fish, chicken and drinks and it was fun.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we took down Gozaburo Kaiba and we exposed his crimes to the world and had him sentenced to death, and we also took down The Hairy Knuckle Brutos, and we also got justice for Dark Ace, and we also got rid of Ryan McCabe and Jezebel Necroshade and pissed Dark Sebastian and the rest of those snakes off big time.

Girl Jordan went up to Lincoln.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan and the others.

Lincoln: (Seductive Voice) (Smirks) You said a mouthful.

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Trakeena's Vengeance

TRAKEENA JUST DOESN'T KNOW WHEN TO QUIT

In the early morning hours at 12:15 AM, Lincoln had a dream, and he saw six figures hiding out and living in Sibiu, Romania. But, this was no ordinary six figures, they were Emily Sustrai, daughter of Lincoln's future wife, Emerald Sustrai. Isaac Amitola, son of Lincoln's future wife, Ilia Amitola. Spider-Bite, son of Lincoln's future wife, Trifa (RWBY). and Neo Politan Jr, Nick Politan, and Nina Politan, triplets of Lincoln's future wife, Neo Politan. Lincoln woke up from the dream, but he wasn't the only one, Emerald Sustrai, Ilia Amitola, Trifa (RWBY), Neo Politan, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Emerald Sustrai: And it also means that we found out where our kids are at.

Me: They're in Sibiu, Romania.

Nico: The city in Transylvania, central Romania? Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Emerald Sustrai, Ilia Amitola, Trifa (RWBY), Neo Politan, Black Alpha, Me, and Nico were heading to Sibiu, Romania. Then, Lincoln saw a young and slender 13 years old girl who has medium-brown skin, dark-red eyes, and short light mint-green hair in a bob-cut with low front bangs. She wears olive shirt, white shorts, brown leggings, and black ballet flats. She wields two convertible revolver-sickles. A tall and slender 15 years old human-Faunus hybrid who has tan skin with darker spots on his arms, legs, stomach and face, brown eyes, and long brown and white hair tied back in a ponytail that curls at the end like a chameleon's tail. He wears short black cropped jacket, gray short-sleeved tank top, brown pants, and black over ankle boots. He wields two Lightning Lashes. A young 14 years old human-faunus hybrid who has pale skin with pronounced gray veins on his chest and arms and gray hands, gray-blue eyes, and short gray-blue and white hair. He wears black sleeveless shirt, dark gray pants, and black boots. He wields a spider-theme sword called the Spider Slicer. A young and short 12 years old girl who has pale white skin, pink and brown mismatched eyes, and shoulder-length pink, brown and white hair. She wears white cropped wide broad tailed jacket with a pink interior, collar, and large pink cuffs, brown over bust whalebone corset, skintight brown leather pants with a dark belt that had a gray buckle, and pink flats with black bows and white soles. She wields a Parasol-like sword-shield called the Hush. A 12 years old boy who has fair skin, blue and brown mismatched eyes, and short brown and white hair. He wears orange shirt, blue pants, and white gentleman's shoes. He wields an umbrella-like sword-shield called the Hush. And a 12 years old girl who has fair skin, pink and blue mismatched eyes, and long pink and white hair styled into pigtails. She wears pink shirt, pink and brown skirt, and white flats. She wields a parasol-like sword-shield called the Hush. Lincoln saw who they were, they were Emily Sustrai, Isaac Amitola, Spider-Bite, and The Politan Triplets.

Lincoln: Excuse me, are you Emily, Isaac, Spider-Bite, Neo Jr, Nick, and Nina?

Emily Sustrai: Of course we are. Who are you?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Emerald Sustrai, Ilia Amitola, Trifa (RWBY), and Neo Politan came out, and when Emiy Sustrai, Isaac Amitola, Spider-Bite, and the Politan Triplets saw them, they were stunned.

Neo Politan Jr, Nick Politan, and Nina Politan: Mother?

Me: (whispers to Nico) I'm surprised that the Politan Triplets can talk.

Nico: (whispers back) They're not born mute like their mother had before she had her voice box restored.

Neo Politan: I'm here, my little triplets.

Emily Sustrai, Isaac Amitola, Spider-Bite, and The Politan Triples Loud ran up to Emerald Sustrai, Ilia Amitola, Trifa (RWBY), and Neo Politan, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Emerald, Ilia, Trifa, Neo, your mothers are one of my many future wives.

Emily Sustrai, Isaac Amitola, Spider-Bite, Neo Politan Jr, Nick Politan, and Nina Politan: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Emily Sustrai, Isaac Amitola, Spider-Bite, and The Politan Triplets with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Emily Sustrai, Isaac Amitola, Spider-Bite, Neo Politan Jr, Nick Politan, and Nina Politan to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Emerald Sustrai, Ilia Amitola, Trifa (RWBY), and Neo Politan with their kids, and Emily Sustrai, Isaac Amitola, Spider-Bite, Neo Politan Jr, Nick Politan, and Nina Politan now has a loving, strong, brave, and caring father in their life. We went back to sleep.

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to the forests in the north of Michigan, and as he was flying, he saw six female werewolves who were heading to The World Tree Estate, but they were all too familiar to him: their names are Dakota Nightclaw, an 8'5" female brown-furred werewolf with yellow eyes, large brown wolf ears, tan fur covering her muzzle, and long brown tail, a curvaceous figure, and dressed in a black sleeveless midriff tank top and black shorts, Trisha Nightfire, an 8'5" female red-furred werewolf with orange eyes, large red wolf ears, tan fur covering her muzzle, and long red tail, a curvaceous figure, and dressed in a black sleeveless midriff tank top and black shorts, Regina Stormfang, an 8'5" female grey-furred werewolf with blue eyes, large grey wolf ears, grey fur covering her muzzle, and long grey tail, a curvaceous figure, and dressed in a black sleeveless midriff tank top and black shorts, Virginia Bloodfang, an 8'5" female black-furred werewolf with red eyes, large black wolf ears, black fur covering her muzzle, and long black tail, a curvaceous figure, and dressed in a red sleeveless midriff tank top and red shorts, Naomi Nightstalker, an 8'5" female black-furred werewolf with red eyes, large black wolf ears, black fur covering her muzzle, and long black tail, a curvaceous figure, and dressed in a grey sleeveless midriff tank top and grey shorts, and Sienna Bloodmoon, an 8'5" female black-furred werewolf with red eyes, large black wolf ears, black fur covering her muzzle, and long black tail, a curvaceous figure, and dressed in a red sleeveless midriff tank top and grey shorts. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got a surprise guest coming.

Lincoln explained everything, and his Guardian Angels gasped in stunned amazement.

Anna Anyanova: Oh man, it's them, we hadn't seen them in eight years.

Winter Werewolf: Yesterday, you absorbed Darius Nightclaw, Talon Nightfire, Ronan Stormfang, Victor Bloodfang, Nash Nightstalker, and Sterling Bloodmoon, I knew they'd be coming here.

Lincoln: In the morning, everyone's going to be in for one crazy surprise.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to the forests in the north of Michigan.

Then, Lincoln explained everything, and as he got done explaining, we were stunned.

Me: Whoa! So, we got some female werewolves whom you helped eight years ago when you killed Darrel Nightclaw, Terry Nightfire, Roman Stormfang, Valen Bloodfang, Nathan Nightstalker, and Stephen Bloodmoon, the werewolves who formed The Fangs of Chaos and the fathers of Darius Nightclaw, Talon Nightfire, Ronan Stormfang, Victor Bloodfang, Nash Nightstalker, and Sterling Bloodmoon coming here.

Lincoln: Yep.

Nico: Our alarms should've gone off, but...!

Eli: They're not evil, Nico, I can sense it, but I also sense they got a...really bad past concerning an incident with those six werewolves you killed and absorbed yesterday, Lincoln.

Lincoln: I know. When I met them, I saw it in their eyes: what those six did to them, and it pissed me off that they did this to them.

?: It still hurt us to this day until you came in and put down those six bastards and chased their six bastard sons out.

Suddenly, we saw the female werewolves that Lincoln told us about enter The World Tree Estate.

Maria: So, those are the female werewolves you told us about in your dream?

May: They got the bodies and looks of a woman that attracts guys, but piss them off, and you're so gonna get mauled.

Anna Anyanova: Right.

Nico: So, you gonna handle the introductions?

Lincoln: Sure. The female brown-furred werewolf is Dakota Nightclaw, the female red-furred werewolf is Trisha Nightfire, the female grey-furred werewolf is Regina Stormfang, the first female black-furred werewolf is Virginia Bloodfang, the second female black-furred werewolf is Naomi Nightstalker, and the third female black-furred werewolf is Sienna Bloodmoon, and like Eli said, they got a really bad past concerning Darius Nightclaw, Talon Nightfire, Ronan Stormfang, Victor Bloodfang, Nash Nightstalker, and Sterling Bloodmoon along with their fathers, Darrel Nightclaw, Terry Nightfire, Roman Stormfang, Valen Bloodfang, Nathan Nightstalker, and Stephen Bloodmoon.

We listened to the story.

Lincoln: See, Dakota, Trisha, Regina, Virginia, Naomi, and Sienna were once members of The Fangs of Chaos, and they..., they're the mothers of Darius Nightclaw, Talon Nightfire, Ronan Stormfang, Victor Bloodfang, Nash Nightstalker, and Sterling Bloodmoon.

WE GASPED!

Me: Which means, their husbands are...!

Lincoln: Yep, their husbands are Darrel Nightclaw, Terry Nightfire, Roman Stormfang, Valen Bloodfang, Nathan Nightstalker, and Stephen Bloodmoon, but they weren't good husbands, in fact, they were absolutely cruel, malicious, sadistic, and violent misogynists who beat their wives up and their sons are also just as bad!

Camie: WHAT THE?! That's just absolutely disgusting!

Nico: Those bastards...!

Lincoln: And if that wasn't enough, they even starved Dakota and her friends, and when I saw them, they looked like me when Lori did that.

WHAM!

CALEB MAXWELL HIT LORI IN THE HEAD WITH A FRYING PAN!

Caleb Maxwell: That's what you get for being a bitch to your little brother!

Carla Santiago: Yowch! That's gonna leave a lump on her head!

Luna: Dude! You drop that frying pan right now!

Allie Maxwell kicked Caleb Maxwell hard in the crotch!

Caleb Maxwell: (BLOODCURDLING SCREAMS)

Cage Blunt: Shit! That was the last 20% of Caleb's body that hadn't suffered any injuries from his piece of shit brother, Drake! Allie!

Cage Blunt grabbed Caleb Maxwell before he fell to the ground.

Cage Blunt: Please, be okay, Caleb.

Caleb Maxwell: Cage, I'll be okay. She did kick me hard, but you know I can easily regenerate, right?

Caleb's crotch healed up and Cage helped him up.

Dakota Nightclaw: Jeez, I hope your friend recovers from that.

Cage Blunt: He's able to recover from all physical wounds, but his mental wounds took a lot of time to heal, and he's not a friend, he's our brother since he and his family have been part of our world since the 1940s.

Dakota Nightclaw: I see. And we heard about what you did to our sons yesterday, thanks for what you did, Lincoln, but we got bad news: our husbands are back from the dead and were turned into Foot Soldier Anothers.

WE GASPED!

Lincoln: What? Oh, that's it, I'm going to absorb them in the same way I absorbed your evil sons, ladies, you can be sure of that.

Trisha Nightfire: Awesome. Oh, and we have these for Hunter and Lana and the other ice wielders.

Trisha Nightfire took out something for Hunter and Lana and the other ice wielders.

For Hunter Drake Michaelson: a large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded rainbow gems and four large Yata no Kagami mirrors with gold sun-shaped around them with embedded rainbow gems and gold levitating magatama beads

And Lana and the other ice wielders: a large gold Yata no Kagami mirror with gold snowflake-shaped frame around it with embedded marine blue gems and four large Yata no Kagami mirrors with gold snowflake-shaped around them with embedded marine blue gems and gold levitating magatama beads.

Lana: Whoa! Wait, the others get theirs yesterday when we went after Gozaburo. Looks like ours got lost.

Regina Stormfang: Actually, we found them during Lincoln's big day, and we wanted to give them to you and Hunter personally, Lana.

Hunter: (German Accent) That's so kind of you. Thanks.

Hunter got his first and the main large gold Yata no Kagami mirror was now behind the large gold halo behind his head and the four Yata no Kagami mirrors will be behind the four orbiting large gold rings on each corner of the large gold halo behind his head, and Lana and the other ice wielders got theirs and the main large gold Yata no Kagami mirror will be behind the large gold halos behind their heads and the four Yata no Kagami mirrors will be behind the four orbiting large gold rings on each corner of the large gold halos behind their heads, and the levitating gold magatama beads were now orbiting around their necks.

Suddenly, Lincoln pinned Dakota Nightclaw to the floor and he kissed her on the lips as he wrapped his massive muscular arms around her waist and she placed her hands on his massive biceps. Then, he leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

And finally, Lincoln pinned Sienna Bloodmoon to the floor and he kissed her on the lips as he wrapped his massive muscular arms around her waist and she placed her hands on his massive biceps. Then, he leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed. Suddenly, six Elemental Thunderbird Necklace of Eternal Love appeared on the necks of the six female werewolves with blue gems on the gold lightning bolts and blue crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with six gold-accented Elemental Thunderbird Chokers of Eternal Love on their neck and rainbow Thunderbird wedding rings on their left pinkies.

Then, Lincoln helped them up, but what Lincoln did in making out with them and marking them had caused the female werewolves to be aroused extremely.

Dakota Nightclaw: (Seductive Voice)(Rubs Lincoln's massive pecs) Well, I'll be damned, the starting Alpha Werewolf-Vampire Hybrid from eight years ago has really grown into quite the stud and ladies' man.

Trisha Nightfire: (Seductive Voice)(Rubs Lincoln's muscular arms and twelve-pack abs) And you've also grown into quite the 12'6" hulking beefy wolf with the body of all the male gods and heavyweight bodybuilders, rugged manly looks to match, and the personality and charisma that draws a lot of girls and women in.

Regina Stormfang: (Seductive Voice) Plus, from what we saw from also seeing your kids, someone's been quite busy making love to your wives and producing kids like there's no tomorrow, and you're also still the same virile strong man.

Virginia Bloodfang: (Seductive Voice) We knew the male Louds were known for their genes and for being completely dominant Alpha males when it came to sex and are quite virile, but you, you have the genes of the male Louds along with a hyperpuberty that makes you constantly grow in height, muscle, and strength, and you're also quite the dominant Alpha male in the bedroom along with having an abnormally massive sex drive and abnormally massive virility to match.

Naomi Nightstalker: (Seductive Voice) I'm surprised every single girl in Michigan and across the U.S. and the world wants to be with you, you've got quite the reputation.

Sienna Bloodmoon: (Seductive Voice) I knew you were a true hero, but also, a loving future husband and father, now that's the kind of man we should've been with from the beginning.

We saw it: Lincoln's cheeks and muzzle turned atomic red: the combination of the seductive voices and flirting of the six female werewolves and many of them rubbing his muscular body was causing Lincoln to go wild.

Me: Uh oh...!

Nico: Oh man, that's a lot of flirting that one man can take.

Maria: Yikes!

Qin: And he's enduring all of that?! Man!

May: He's not gonna hold out for much longer, he's gonna go wild!

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him and he also gained an extremely massive power boost.

But, he controlled himself and his deep blood red eyes with slit pupils changed back to deep sapphire blue.

Nico: Whoa! Lincoln, you okay?

Lincoln: More than okay, Nico, I feel even more energized than ever.

Me: It was the love and flirting from those six that made you even stronger than ever, but we almost thought you were going to go wild and make love to them.

Lincoln: (To the six female werewolves)(Smirks) Oh, that'll be for much later tonight.

The six female werewolves blushed madly at what Lincoln said.

Lincoln: Anyways, now let's finish breakfast and take down the next villain for Nico's rescue.

Nico: Right.

Emma woke up to see Copperajah staring at her.

Copperajah: (India Accent) Good morning to you Emma.

Emma Goodall: Good morning Copperajah.

Copperajah: It is time for your breakfast.

Emma Goodall: Better get ready.

She went and got dressed and went to the table.

Me: Morning Emma.

Emma Goodall: Morning guys.

We gave her a hearty breakfast and it was awesome.

We finished our breakfast, and we headed out to take down the next villain for Nico's rescue.

Laney: Yeah!

Nico: Renee, what do you like to do in your free time?

Renee Rainbow Dash: I like playing in sports and do all kinds of fun.

Camie: Cool.

Qin: Yeah!

Renee Rainbow Dash: But the sports I'm really good at are soccer, basketball and baseball.

Laney: Cool.

Nico: Good to know.

Me: Yep.

Renee Rainbow Dash: Yeah and it's awesome.

Rainbow Dash: You got that right!

Qin: Yeah!

Me: Man yesterday was epic!

Laney: It sure was! Boy we really made sure that Gozaburo Kaiba's reign of terror was ended with the long arm of the law getting him.

Nico: Good thing he didn't commit suicide

Me: Too true.

Qin: Yep.

Laney: At least he wasn't a coward.

Lana: Too true.

Ymir: Seto and Mokuba are really happy that Gozaburo is dead.

Varie: Good riddance.

Lily: Yeah what a big jerk! And Alister got justice too.

Qin: He sure did.

Nico: How high was the Kaiba Dome off the ground?

Me: I would say about 10 or 12 feet.

Nico: Yeah not enough to make a good suicide jump.

Lola: Yeah.

Nico: I agree. But Seto's Akuma was awesome!

Me: I know! A Black version of Blue-Eyes White Dragon. So awesome.

Kaalia of the Vast: It sure was. That is amazing.

Ymir: And powerful too.

Iormu: Yeah and just as destructive.

Nico: It was nothing we couldn't handle

Me: That is too true.

Qin: Yeah.

Laney: It was cool though.

Nico: Yep.

Fu: I'm just glad that Seto and Mokuba never have to deal with that jerk's ugly face ever again.

Lincoln: (Imitating Gozaburo) I HEARD THAT!

We laughed!

Me: (LAUGHS) Hey that was good Lincoln.

Nico: It sure was.

Lincoln: Yeah!

Me: All in all, it was fun.

Lincoln: Okay, guys, we're here for one awesome battle, we're here in the north of Gotham Royal York, but here's the target: it appears Sally Stomach's archenemies, the Mickey Mouse Crackhouse, are running loose again.

WE GASPED!

Me: Uh oh, they must've gotten loose and Vypra and the others didn't see them.

The rest of the team's with us.

Nico: That's got to be the case.

Caleb Maxwell: We're gonna have to use tons of cartoon comedy on them.

Bugs Bunny: That's why we're here along with Mickey and the Disney toons, Doc.

King Mickey: Right, Bugs.

Cage Blunt: And comedy isn't Caleb's thing, so we'll leave that to you guys.

Ace Bunny: And us too, after all, we're the descendants of Bugs Bunny, Lola Bunny, Roadrunner, Wile E. Coyote, Taz, and Daffy Duck.

Lexi Bunny: You got that right.

Ymir: Who are the Mickey Mouse Crackhouse?

Me: A Funny version of Mickey Mouse and friends that I saw on the internet. It's really funny. It showed lots of funny things happening where Mickey and friends get in all kinds of trouble.

Nico: I Remember that and it's funny.

Suddenly, Lincoln had a premonition as his large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a one-way viewing mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent another massive 12'6" werewolf with demon wings and massive pack of 12'6" massive werewolves with demon wings after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another massive 12'6" werewolf with demon wings and massive pack of 12'6" massive werewolves with demon wings after us?!

Nico: Now that those snakes are freed from Hell, they're free to come after us once again.

Lincoln: We're more than ready for those pack of snakes, and we'll send them running back to Hell for good by absorbing their next demon winged werewolf and its pack and drain all their souls and send them to The Black Abyss. Now, let's get , Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive

muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for The Mickey Mouse Crackhouse) AHA! Gotcha! I just spotted our targets, they're 20 yards away.

Nico: Let's do this.

Bugs Bunny: Of course, you realize...!

Buster Bunny and Ace Bunny: This means war!

We laughed.

Me: Oh boy, now they've said it!

Nico: Yep, this means war!

Beast Boy heard a Pokemon cry.

Beast Boy: Hey look guys.

We saw an Alolan Persian.

Me: Aww an Alolan Persian.

Nico: Cool.

Alolan Persian: Yeah it's awesome.

Beast Boy: Are you hungry?

Beast boy gave her apples and she ate them.

Alolan Persian: Thanks.

Beast Boy: Wanna come with us?

Alolan Persian: Sure!

Me: Cool!

Then I felt something brush against my leg.

Me: Huh?

I saw a Kanto Region Persian.

Me: Ooh a Persian.

I picked it up.

Me: Aww you're a cute little one.

Laney: A Kanto region Persian.

Nico: We're on a roll with Persians today.

Me: We sure are but I think this one might be one of Dark Gale's work.

Yugito Nii: Let me see.

She used her telepathy and gasped!

Yugito: This Persian is my little sister Mari.

Matatabi: Little Mari? Whoa I remember seeing her in your memories.

Me: Whoa! So this is number 2 of the Jinchuriki Sisters.

Nico: Yep.

Nico: Are you sure?

Yugito Nii: Positive.

Me: Yep. Looks like we got to report this after.

Horsea: Yeah we sure do.

Yugito Nii: (Pets her) It's okay Mari. It's me Yugito.

All she did was pounce at us.

We dodged it.

Me: You call that pouncing? Let me show you how its done.

I crawled and snuck up to her like a cat and then...

LION ROAR!

I pounced on her!

Mufasa laughed!

Then I snapped my fingers and she reverted back and was a girl with blue hair, blue eyes and had blue angel wings and had Matatabi and Persian on her forehead and had a blue flame on her arm and it had a haunted house and a ghost on it and 2 blue fire tails coming out of her butt.

I wrapped her in a blanket and we brought her over.

Mufasa: (LAUGHS) That was good pouncing.

Me: Simba taught it to me.

She woke up and saw us.

Mari Nii: (Groans) What hit me?

Yugito: Are you okay Mari?

Mari Nii: Yugito? Yugito!

She hugged her.

Yugito: I'm so glad you're okay!

Mari Nii: Same here!

Me: You were turned into a Persian by Dark Gale.

Mari Nii: (GASP) I remember!

She was in a blue suit and was injected then turned into Persian and ran out.

FLASHBACK ENDS

Mari Nii: It was horrible.

Me: I know. But we destroyed Dark Gale forever.

Mari Nii: Good.

Nico: What is your role in Sonya's team?

Mari Nii: I am the ghost flame master and master of cats for the team and use the powers of ghosts and blue fire. Also I help bring the corrupt councils of the villages to justice.

Me: We already did that part. The corruption of the councils of the Five Great Nations has been silenced.

Nico: Yep.

Mari Nii: I'm glad.

Nico: Who's next? Mega Persian?

Me: I don't see anything.

Rarity: Lets get you some new clothes darling.

The Fashion brigade gave her new blue clothes.

Mari Nii: Wow I look great.

Me: You sure do.

We then took off into the air to take down the Mickey Mouse Crackhouse and send them back to The M.O.E. and send the next demon winged werewolf and its pack sent by The Order of The Dark Universe and The Dark Church of Malphas to The Black Abyss as well after Lincoln absorbs them.

We were flying in the air, and we saw our targets: the Mickey Mouse Crackhouse, but we also saw something else: Stingwingers.

Nico: There's our targets. But, look, there are Stingwingers! That could mean...!

Lincoln: Trakeena's back, and today's Emma Goodall's day to shine. Well, let's send the bitch a quick warning that death's coming for her.

Nico: WHOA! An Orange Wolf Galactabeast!

Me: Awesome.

Then, The Orange Wolf Galactabeast and Lincoln went at The Stingwingers and cut them all down into pieces and they exploded and they also attacked our prime targets.

Maya: Okay, now that was awesome!

Lincoln holstered his massive greatsword on his back and powered down, and the Orange Wolf Galactabeast still stood ready.

Leo Corbett: That was really awesome work, Lincoln, plus I was surprised to find out you also had an Orange Wolf Galactabeast.

Lincoln: Well, I found out the Orange Buffalo Galactabeast wasn't the only one I had. I actually found the Orange Wolf Galactabeast six years ago long before you guys joined us.

Me: I had no idea about it.

Nico: Same here. But, we'll worry about that later.

Sally Stomach: Yep, now it's time to get down to business. So, you slipped out of The M.O.E. and you came out here again to cause trouble?

Lincoln: Only we found out that it wasn't due to some mysterious accident, it was Trakeena who did this.

WE GASPED!

Me: Trakeena was the one who...?! (GROWLS) That goddamn insect! She's going to be crushed like the bug that she is!

Nico: Save it for later. Well, now we know that bitch was the one who did this, it's time we cleaned up her mess.

Then...

NUMEROUS NASTY SLAPS AND SCREAMS!

Me: OOH! Ouch!

They fired a massive barrage of fireballs of blue fire and it slammed into them and exploded!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Nico punched them!

POW POW POW POW!

Sally Stomach: Stinks doesn't it. Now the farts have caught up to you!

She farted in their faces!

We then saw Marluxia with a pink aura appear and he was fighting the next member of the Daughters of Organization XIII!

Lincoln: Laurie Laurium Marluxia!

Laurie Lauriam Marluxia: Good to see you Lincoln.

Me: WHOA! Care to introduce us?

Anna Anyanova: Sure. This is Laurie Lauriam Marluxia, Daughter of Marluxia, she's Lincoln's Guardian Angel from The World That Never Was, she's a powerful master of the forces of flowers, and she's known as The Flower Master of The Daughters of Organization XIII, they are the daughters of the members of Organization XIII and they have elemental angel wings and black clothes and the weapons of Organization XIII and the kanjis of the elements on their foreheads, and Aniya and her friends absolutely loathe Xehanort with a bloodstained vengeance. She came to Royal Woods where she met Lincoln and swore to protect him from all threats and it not only included Dark Chase Young, but also, Xehanort as well, because Lincoln also had a hand in killing the evil Xehanort. She trained Lincoln in mastering the forces of flowers and assassination, and in a split second, he mastered the powers of flowers and assassination, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Fifi Dufus with a passion.

Me: Cool!

Laurie Lauriam Marluxia: It sure is. Laney want to help with this?

Laney: You bet!

She went and helped her.

Andre Lupescu charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS OUR TARGETS AS THEY WERE SENT INTO THE AIR AND THEY ALSO GOT BURNED BAD!

Andre Lupescu came back to us before they could recover quick.

Goofy: Gawrsh, I knew that was going to be brutal.

Max Goof: Big time, Dad. I hope no one else tries to make too big of a mess, we still got Trakeena to take care of later today, and this time, we're putting her down for good.

Lincoln: Time for the big guns.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and we saw a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar.

Lincoln: (Cracks Knuckles and neck) (Smirks) This is gonna hurt!

Lincoln went at the targets and he brutally smashed them down all over the place with his massive godly superhuman strength, and we were amazed. Then, he punched them hard in the stomach and kicked them in the stomach and sent them flying into a field of mines Bugs Bunny and the others set up, and once they set foot on one of them, they exploded and set off a massive chain of explosions one after another.

Me: Looks like the fun's about to begin!

Nico: And they started it off with a bang with the explosives.

Then, Luan pressed the button and trapped them inside a shatterproof box.

Luan: Now, here's where it gets a little stinky. (SNAPS FINGERS)

Then we saw something appear inside: it was THE EL MONGO STINKBOMB!

Eddy: We used the same recipe Lincoln used on those two jerks last year when Slappy came back, but we also added in more of Ed's stinky socks.

Luan: And more of Lynn's stinky gym socks as well. Now, let the fun begin!

Luan pressed the button and the El Mongo Stink Bomb glowed, and then...!

KRABOOM!

THE STINK BOMB EXPLODED AND WE SAW NOTHING BUT GREEN STINK GAS INSIDE!

Then, the box came apart and the stink was HORRIFIC! P.U.! But, we had gas masks on and Exopacks to protect our noses!

Edd: I CAN'T BREATHE!

Luna: Oh, dude! I think you overdid it by adding more of Ed's stinky socks and Lynn's stinky gym socks in it!

Daisy Duck and Donald Duck: P.U.!

Mickey: I have to agree with Luna, you guys might have overdone it.

Emily Munroe: Same here.

Caleb Maxwell: ACK! It's even worse than when we cleaned out Drake's room after we chased him and Dad out back in 1984! (SHUDDERS) I had to take 20 baths after we were done!

Merlona Wizardheart: Let me clean the air.

Merlona Wizardheart used her magic and purified the air and we removed our Exopacks.

Max Goof: Ah, much better.

Caleb Maxwell: Sweet clean air, much better.

Suddenly, we heard more vampiric shrieks, and we saw more vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Suddenly, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by an icy blue mist. Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he

struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Then, Sherlock Hound attacks another vampire and the blade slashed the vampire and he turned to ashes. Then, he swung his massive greatsword again and fired projectiles of fire that hit and turned more of them to ashes!

Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a massive 12'6" werewolf with demon wings that was summoned by Dark Sebastian and his minions, and with it was a massive pack of 12'6" massive werewolves with demon wings.

Lincoln: Ugh, I knew Dark Sebastian would summon them. I'll take care of them at once.

Lincoln went after the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the demon werewolves' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Seeing what happened to the werewolves had royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, and Windsor Grimm!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at the targets with silver bullets from his guns, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at them as they got hit. Then, the barrier deactivated and Caleb then lands and rejoins us.

Suddenly, we heard a howl, and we saw a massive white wolf with beautiful blue eyes and massive white wings and it attacked our targets.

Me: (GASPS) That's a Winged Wolf! They're wolves with the massive wings of a bird or a bat in German, Russian, and Hungarian folklore, they symbolize strength, independence & freedom.

Then, it went to Lincoln who kneeled down and patted it on his head as it enjoyed its master's warm care.

Nico: And Lincoln knows it?!

Anna Anyanova: Of course, that's Leonidas. Lincoln found him in the woods of Royal Woods and he's been his owner and partner ever since.

Me: Wow!

Eman Reynolds: But, it proves that wolves were attracted to Lincoln.

Nico: That's really awesome. Alright, then, Caleb, Cage, Travis, Gabriel, James,...GET THEM!

Suddenly, they heard the words and turned menacingly towards the targets.

Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Sally Stomach, Sherlock Hound, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us went after The Mickey Mouse Crackhouse, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, colored, white, golden yellow, and blue energy, colored energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, Sally Stomach, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked The Hairy Knuckle Brutos hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field

and it hit The Mickey Mouse Crackhouse, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of The Mickey Mouse Crackhouse, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit The Mickey Mouse Crackhouse hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and The Mickey Mouse Crackhouse were on their last legs and they were really really mangled.

Then, Lincoln tied up them with rainbow, white, golden yellow, and blue energy straitjackets and he threw them into a portal he opened that led to The M.O.E., and he closed the portal.

We cheered as we holstered our weapons and powered down, and Sally Stomach's body, clothes, weapons, jewelry, Third Eyes, eleven massive and long pink wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head and large gold Yata no Kagami mirror with gold flame ring-shaped frame and embedded gems behind the large gold halo and four large gold Yata no Kagami mirrors with gold flame ring-shaped frames and embedded gems behind the four large orbiting gold rings, thirty-five large pink and purple planets orbiting around her legs, thirty-five smaller pink and purple planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized pink and purple planets orbiting around her wrists and ankles, and massive pink angel wings and twenty-four sets of large pink angel wings underneath her massive pink angel wings are permanent.

Sally Stomach: Now, that was one awesome battle.

Nico: You said it, and we cleaned up some of Trakeena's mess.

Suddenly, the rest of The M.O.E. showed up.

Vypra: Wait, so was it all true? The reason why they escaped was because of...?

Me: Yep, it was Trakeena.

Vypra: That lowlife bug! She's gonna pay for this!

Leo Corbett: That's for much later on today.

Emma Goodall: And this time, we're making sure she never comes back.

Lincoln: That's for sure. Plus, we'll show her death to Scorpius still hiding in the shadows, and this'll piss him off even more.

Me: Yeah!

Nico: For a minute, I thought drugs were going to be involved!

Me: Me too!

Qin: Yeah!

American Dad Roger Smith: I would have loved that.

BASH!

I bashed Roger on his head.

American Dad Roger Smith: OUCH!

Me: Quiet Roger.

Nico: Nice job Alolan Persian.

Alolan Persian: Thanks Nico. That was fun.

Poromon: Want some beer?

Alolan Persian: Oh no thanks. I'm allergic.

Poromon: Okay.

Poliwag: (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Poromon: I got a new job!

Me: Really? What job did you get?

Poromon: I am a kindergarten teacher!

Me: Whoa! Wait what's the catch?

Poromon: Oh I am teaching in our teachers steed because she's on vacation in Hawaii.

Me: Oh I hope she has a nice trip.

Nico: Oh, Strike Man, what do you like to do in your free time?

Strike Man: Oh I work as a baseball coach and help Lynn and her team get better. She even stopped using those stupid rituals in sports.

Lynn: Yeah looking back I don't know what I was thinking there doing those.

Nico: Really?

Me: Yeah Lynn had a really nasty habit of doing these cuckoo rituals to help the team spirit get high and win.

Lynn: It was part of my paranoia of losing.

Nico: Oh. No worries but I'm glad you kicked that habit.

Lynn: I agree there.

Lincoln: (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Emma Goodall, and another one of the Anothers is The Keyblade Knight of Aerwiar.

Girl Jordan and The Wingfeather Siblings gasped!

Lincoln: If it's who I think it is, Leeli, Girl Jordan, Eonwyn, Janner, Tink, and Leeli, you all are in for another family reunion.

Me: Yeah! So we got Another Fraudrin of Selflessness, Emerald Sustrai (X-Squad), Boiljin, The 24 Vicious Wings of Doom, Cyberdark Dragon and Halloween Phantom Voldranken.

Nico: Yep.

Me: So that means Strike Man, Renee Rainbow Dash, Stormy Thunderbolt, Serena Amariah, Alandra Victor and Melanie Martinez are up.

Qin: Cool!

Eli: (GASPS) Oh crud, I also sensed some Foot Soldier Anothers! Lincoln, it's Darrel Nightclaw, Terry Nightfire, Roman Stormfang, Valen Bloodfang, Nathan Nightstalker, and Stephen Bloodmoon.

Lincoln: It's time.

Dakota Nightclaw: Time for our ex-husbands to get their just desserts again.

Then, the Foot Soldier Anothers arrived.

Lincoln: (Caught the scent) I knew there was no mistaking that smell, you better get out of those suits right now, Darrel Nightclaw, Terry Nightfire, Roman Stormfang, Valen Bloodfang, Nathan Nightstalker, and Stephen Bloodmoon.

The Foot Soldier Anothers changed back and we saw them: Darrel Nightclaw, a male 12'6" hulking and massive muscular brown-furred werewolf with massive and powerful upper and lower body muscles and eight-pack abs and only dressed in tattered jeans, Terry Nightfire, a male 12'6" hulking and massive muscular red-furred werewolf with massive and powerful upper and lower body muscles and eight-pack abs and only dressed in tattered jeans, Roman Stormfang, a male 12'6" hulking and massive muscular grey-furred werewolf with massive and powerful upper and lower body muscles and eight-pack abs and only dressed in tattered jeans, Valen Bloodfang, a male 12'6" hulking and massive muscular black-furred werewolf with massive and powerful upper and lower body muscles and eight-pack abs and only dressed in tattered jeans, Nathan Nightstalker, a male 12'6" hulking and massive muscular black-furred werewolf with massive and powerful upper and lower body muscles and eight-pack abs and only dressed in tattered jeans, and Stephen Bloodmoon, a male 12'6" hulking and massive muscular black-furred werewolf with massive and powerful upper and lower body muscles and eight-pack abs and only dressed in tattered jeans.

Darrel Nightclaw: You miserable runt! You're gonna pay for killing us eight years ago!

Terry Nightfire: And what you did in absorbing our sons, we'll skin you alive!

Dakota Nightclaw: Shut the Hell up, you bastards! We're not letting you hurt our man, and by the way, Lincoln's infinite times more a man than you and our so-called sons!

Lincoln went after Darrel Nightclaw, Terry Nightfire, Roman Stormfang, Valen Bloodfang, Nathan Nightstalker, and Stephen Bloodmoon, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of Darrel Nightclaw, Terry Nightfire, Roman Stormfang, Valen Bloodfang, Nathan Nightstalker, and Stephen Bloodmoon, and he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, testosterone, and other powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Darrel Nightclaw, Terry Nightfire, Roman Stormfang, Valen Bloodfang, Nathan Nightstalker, and Stephen Bloodmoon and Lincoln drained the werewolves' souls dry of every last ounce of power and energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

We saw Another Emerald Sustrai (X-Squad), Boiljin, The 24 Vicious Wings of Doom, Cyberdark Dragon and Halloween Phantom Voldranken.

Me: WHOA!

Qin: This is gonna be good!

Another Emerald Sustrai (X-Squad): It sure will.

They reverted back and were the gene-slammers of Sacred Phoenix of Nephthys, Pyramid Turtle, Mucus Yolk, LaLa Li-Oon, Nightmare Horse and Kryuel.

Nico: (GASP) Dahlia Nephthys, Pyra Giza, Lola Mucus, Tina Thunder, Niara Nightmare, and Kira Kryuel.

Kira Kryuel: That's right. Good to see you Nico.

Me: Whoa! the gene-slammers of Sacred Phoenix of Nephthys, Pyramid Turtle, Mucus Yolk, LaLa Li-Oon, Nightmare Horse and Kryuel

Niara Nightmare: That's right and Empress Brittney good to see you too.

Brittney: You too Lady Nightmare.

Me: You know her Brittney?

Brittney: She's a member of my cult and she is the Nightmare Horse Breeder. It's why we Goths use Nightmare Horses to right with the power of Darkness.

Me: Whoa that is cool!

Brittney: It sure is dad.

Qin: Wow!

Tina Thunder: Yeah.

Me: By the way girls are the Another Fraudrin of Selflessness and Emma friendly or hostile?

Lola Mucus: Friendly and fun.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait.

Me: We don't have to wait long!

We saw another Another Fraudrin of Selflessness and Emma!

Me: WHOA!

Qin: This is gonna be sweet!

Another Fraudrin: (In a girls voice) It sure will.

Lincoln: (GASP) I knew it was you Aylia Wingfeather!

She reverted back and was the Keyblade Knight of Aerwiar!

Aylia Wingfeather: That's right!

Eowyn: Aylia!

The Wingfeathers and Girl Jordan hugged her.

Aylia Wingfeather: I'm so glad you all are okay. And Girl Jordan I heard all about how you are par of the family. That is awesome.

Girl Jordan: It sure is!

Leeli: It's why she is part of us and knows the song.

Me: It's true. Care to introduce us?

Anna Anyanova: Sure. This is Aylia Wingfeather, Keyblade Knight of Aerwiar, she's Lincoln's Guardian Angel from Aerwiar and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of Aerwiar and she's a master of the powers of light and she's also one of the Wingfeather Siblings. She's also a powerful swordmaster and magic user as well as a great song master. She is fed up with all the crimes and atrocities of the Fangs and Gnag the Nameless for the crimes against her family and she promised to destroy them and end their reign of terror. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all about the powers of Aerwiar and beyond, light, magic, swordsmanship, and song, and over time, Lincoln gained all the powers of Aerwiar and beyond, and his powers of light, magic, and song had also gotten even stronger than ever, and he also knows how to sing Yurgen's Tune, and she also helped him bulk up in muscle, and she also hates Lincoln's enemies with a vengeance especially Scoots and she vowed to make sure that old goat pays big time for all the crimes against Lynn's Table.

Me: WHOA! Awesome to meet you Aylia.

Aylia Wingfeather: Same here. I heard all about how you guys destroyed Gnag the Nameless and the Fangs. You have my thanks.

Me: It was our pleasure. But thanks to Anti-Monitor he and the Fangs may return so we may be going back to Aerwiar for that.

Nico: Yaeh.

Aylia Wingfeather: We're going to be ready for that. Also I have amazing sports skills and also those of Fraudrin of Selflessness.

Me: That is cool!

Fraudrin of Selflessness: It sure is!

Nico: And your friend?

Another Emma: Someone who always is proud of her sister.

Emma Goodall: (GASP) That voice!

She reverted back and was a mini version of Emma and had purple clothes and purple wings.

Connie Goodall: Connie Goodall, Megaforce Purple of the Basic Megaforce Team and Super Megaforce Purple.

Me: WHOA!

Emma: Connie!

She went and hugged her.

Emma: Oh Connie. It's awesome to see you.

Me: Whoa! You're Megaforce and Super Megaforce Purple? That is so cool!

Nico: Yeah!

Me: Not very many purple rangers have been made over the last 48+ Years.

RJ: I know.

Kaito: (Gets out Go Busters gear) Did Swartz promise you anything?

Zocks: (gets out Gokaiger gear) Because we can grant it instead,

They got weapons from said teams.

Aylia Wingfeather: No he didn't because I used the song and trapped him in a crystal for a while.

Sakura Knudson: That explains why I had to break him out of a magical crystal! Wow! That is cool!

Aylia Wingfeather: It sure is!

Me: Yeah and Connie you should be proud of Emma. Not only does she and her friends have over 48+ Years of rangers with them but they also have been a MASSIVELY tremendous help to all of us over these last 6 years.

Nico: It's true.

Connie Goodall: I know!

Me: Yeah. Since 2019. So five years.

Sougo (Gets out Beast Morphers Ridewatch): It's a shame there are no purple rangers.

Geiz (gets out Super Megaforce Ridewatch): Like RJ and Kendall.

Sougo got RedBeastMorpherArmor while Geiz got SuperMegaforceRedArmor

Connie Goodall: That is disappointing.

Me: Yeah. But you should have seen what your sister and her friends did back in 2013.

Connie Goodall: You mean the epic teamup with all the rangers from over the course of 20 years? I saw it and I saw my sister and friends fight them on TV and that was so awesome!

Emma Goodall: So that's how you wanted to become a ranger.

Connie Goodall: Yep.

Me: Well now you have that part.

Lincoln: Yep. Lets separate you first.

We did so.

Me: Lets get it on!

Connie Goodall: GO GO MEGAFORCE!

She transformed and got an awesome purple ranger outfit!

Connie: (ECHOING) NATURE OF THE FAIRY! MEGAFORCE PURPLE!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOMMMMMMMMM!

A massive purple fire explosion blasted off and she was ready for action! And she had a purple magic staff with her!

Me: Awesome!

Qin: COOL!

Magas: Welcome to the team Connie!

Connie Goodall: Thanks!

Nico: (Gets out Fraudrin of Selflessness' Ridewatch) Nothing wrong with being selfless!

Me: Like Rarity!

Rarity: Indeed darlings.

May: (Gets out Boiljin and the 24 Vicious Wings of Doom's ridewatches) These wings pack a punch!

Maria: (Gets out Cyberdark Dragon's ridewatch) Zane learned a massive lesson and that is to ALWAYS RESPECT Duel Monsters!

Renee Rainbow Dash: (Gets out Emerald Sustrai (X-Squad) Ridewatch) This illusion is for you!

They used the powers of Fraudrin of Selflessness, Emerald Sustrai (X-Squad), Boiljin, The 24 Vicious Wings of Doom, Cyberdark Dragon and Halloween Phantom Voldranken and blasted the Anothers!

Connie Goodall: MEGAFORCE FAIRY WINDSTORM!

She fired a blast of flower petals and wind from her wings and blasted the Anothers all over!

Me: WHOA! Cool!

Laney: Yeah!

Then Kee-Oth, Sharkopaths, Dopey Dick, Corroding Shark, Tiger Shark and Nightmare Shark came!

Me: WHOA!

Nico: Nice team Kee-Oth!

Kee-Oth: Thanks Nico.

Jake: Just don't try anything or it's back to the underworld!

Ace: What are you talking about?

Finn: Oh Kee-Oth was my adopted dad and Jake's dad, Joshua's enemy. He made my family sword from his blood and it made Kee-Oth mad. He would use this incantation to send him back. Kee-Oth Rama Pancake!

WHOOSH!

Kee-Oth bursted into flames and got sent back.

Me: WHOA!

Kee-Oth returned.

Kee-Oth: Yeah see?

Ace: Okay I get it!

Jake: Yeah my dad was very smart when it came to that.

Ace: I see what you mean.

Jake: Relax. He'll be back for the rescue.

Me: Actually he came back a few seconds ago.

Jake: Oh right. Sorry.

Me: No worries. Ace I'll tell you all about what happened with Finn and Jake later on. But you guys are not gonna like what happened.

Neon: Is it that bad?

Me: Well bittersweet in a sense. Starts out bad then good.

Neon: Oh.

Then out of a swirl of stars and darkness came Number 96: Dark Mist and Number 95: Galaxy-Eyes Dark Matter Dragon!

Me: WHOA! Number 96: Dark Mist and Number 95: Galaxy-Eyes Dark Matter Dragon!

Qin: Cool!

Number 96: Dark Mist: (In a girls voice) And it's awesome.

Number 95: Galaxy Eyes Dark Matter Dragon: (In a girls voice) And we're ready for fun!

Nico: Dahlia Darkfright and Nebula Gobb!

They reverted back and they were both girls with black hair and black clothes and had purple angel wings and Dark Swords. One had red eyes and the other had purple eyes and one had Number 96: Dark Mist and the other had Number 95: Galaxy-Eyes Dark Matter Dragon on their forehead, arm, skirt and shirt.

Dahlia Darkfright: Good to see you Nico.

Nebula Gobb: We got this.

Dahlia Darkfright: 96 DARKNESS BLASTS!

Nebula Gobb: 95 STARS OF THE COSMOS!

They fired waves of darkness and stars and blasted the Anothers and I caught the Ridewatches and purified them!

Me: OH YEAH!

Nico: Nice job!

Dahlia Darkfright: Thanks Nico!

Nebula Gobb: That was so fun!

Me: It sure was!

Renee Rainbow Dash: Yeah! Do you girls have good memories of Nico?

Dahlia Darkfright: Yes we do. Mine is where me and Nico went to Prague and we busted an entire Sex Traffcking operation and saved all the kids there.

Me: WHOA! That is cool!

Nebula Gobb: Yep. Mine is where me and Nico were in Space Camp and we discovered an 8-Disk Galaxy and it was located in the Unknown Zone.

Me: WHOA! An 8-Disk Galaxy? That is incredible!

Nico: It sure is.

Nicole: Yeah!

They hugged.

Nico: I've missed you girls.

Dahlia Darkfright: Same here.

We went back home and I went to the Leaf and reported what happened to the Hokage.

But, we're going to get more bad news: one of Lincoln's worst enemies and Demona Wendollstein's dangerous enemy, Narcissa Belladonna, the sister of Jocasta Belladonna of The Church of Necrom, has returned from the dead and she wants revenge on us for killing her, and it turns out she's the mastermind responsible for ordering the Zonders to attack with reckless abandon and causing all sorts of destruction, death, and chaos. Well, that's the very very last straw, after we get rid of The Zonders, we're going to get rid of that evil bitch and Lincoln's going to use the Soul Ripper technique to rip out her soul and send it straight into The Black Abyss for all eternity.

We had all of TLPS and The MOE with us.

Lincoln: Whoa, we're here in the world of The King of Braves GaoGaiGar, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're helping the friends of Swan White kill a bunch of malevolent Zonders who are attacking with reckless abandon causing all sorts of destruction, death, and chaos.

Swan White: I hope the others are alright.

Ed Cowart: We better hurry to their location.

Nico: Then, we'll find out who's causing the Zonders to go wild.

Me: That's right.

Strike Man: Whoever it is, they're in trouble.

We got a move-on, and we saw Alouette Pommier, Geki Hyuuma, Guy Shishiou, Hana Hatsuno, Ikumi Kaidou, Kotaro Taiga, Kousuke Entouji, Mamoru Amami, Mikoto Utsugi, Minoru Inubouzaki, Noriyuki Yaginuma, Ryousuke Takanohashi, Stallion White, and Tohru Nozaki fighting the Zonders, The Zonderians, Pinchernone, Pizza, Polonaise, and Primarda, The 31 Machine Primevals, and the main villain behind them all, Z-Master.

Swan White: There they are, and there's The Zonders, the Four Machine Kings, The 31 Machine Primevals, and the main villain behind them all, Z-Master.

Lincoln: Let me take care of them.

Lincoln fired energy draining rainbow, white, golden yellow, and blue energy blasts that hit all of the Zonders, Pinchernone, Pizza, Polonaise, and Primarda, The 31 Machine Primevals, and Z-Master, and he sucked out all of their powers and abilities and made them his own, and he sucked out all of their energy, and he also grew even stronger than ever. When Lincoln was done, the Zonders, Pinchernone, Pizza, Polonaise, and Primarda, The 31

Machine Primevals, and Z-Master fell to the ground drained of all their powers, abilities, and all their energy and he sent every last one of their souls to The Black Abyss after draining their souls dry of the last bit of energy they had.

Guy Shishiou: Team Loud Phoenix Storm, we're glad you made it here.

Lincoln: We're glad we made it on time.

Hana Hatsuno: And we've got something to tell you: it appears the person responsible for ordering the Zonders to attack with reckless abandon and causing all sorts of destruction, death, and chaos along with bringing back Pinchernone, Pizza, Polonaise, and Primarda, The 31 Machine Primevals, and Z-Master was this person.

Hana Hatsuno gave us the picture, it was a girl with pitch black hair, pale skin, and blood red eyes full of insanity and evil, but when Lincoln and Demona Wendollstein saw it, they knew who it was: it was their old enemy, Narcissa Belladonna, one of Lincoln's worst enemies and Demona Wendollstein's most dangerous enemies and the sister of the insane Blood Witch, Jocasta Belladonna of The Church of Necrom.

Lincoln: I don't believe this, the person behind this was Narcissa Belladonna!

Demona Wendollstein: I knew this was her dirty work!

Me: That bitch, she's gonna pay for this.

Nico: That's for sure.

Lincoln: Let's go, guys. (Deep Sapphire Eyes turn red) Narcissa, your time is up, you insane monster.

We then took off to confront Narcissa Belladonna, and this time, we're getting rid of that insane bitch once and for all!

We were flying in the air, but we heard the insane monstrous laughter of Narcissa Belladonna, and we saw her reveling in the chaos she's wrought as the city's consumed by raging flames and it's a total inferno of chaos.

Narcissa Belladonna: (LAUGHING INSANELY) THIS ENTIRE WORLD WILL BURN IN ETERNAL CHAOS, ANARCHY, AND DESTRUCTION, AND SOON, I WILL REIGN AS THE QUEEN OF CHAOS! (LAUGHING INSANELY)

Nico: That bitch! She's so dead!

Lincoln: Laugh while you can, bitch.

Lincoln dove right into the raging inferno and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and he began sucking in and absorbing the flames as the flames flowed into him and he grew even stronger. When Lincoln was done, the raging inferno was gone and Lincoln's rainbow, white, golden yellow, and blue energy aura looked like a raging fire, and then, he snapped his fingers and the city was restored, and that pissed off Narcissa Belladonna as she saw it.

Narcissa Belladonna: (ENRAGED SCREAM) NO! NO! MY KINGDOM! MY REIGN! DAMN YOU, DAMN YOU ALL, I WILL KILL ALL OF YOU WITH MY BARE HANDS!

Demona Wendollstein: OH, SHUT THE FUCK UP, YOU INSANE BITCH!

Demona Wendollstein fired a black and red energy blast at Narcissa Belladonna, and that pissed her off again as we landed.

Andre Lupescu fired a massive wave of snow, ice, and darkness at Narcissa Belladonna and they hit her, and that pissed her off even more.

But, before Narcissa Belladonna could attack, she was hit by blasts of earth and purple energy, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long purple hair and pink hair band, purple eyes, massive purple and black angel wings, she has The Power Stone on her forehead, purple short-sleeved blouse, purple sleeveless strapless dress top, white gloves, purple skirt, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, earth, phoenixes, and angels on the coattails, and on the back is The Power Stone, she has an earth greatsword in her right hand, and with her are the seven girls.

Lincoln: (GASPS) Isabella Nakamura, Elemental Earth Guardian of Power.

Isabella Nakamura: Yep, and I got the girls away from that bitch. Now, it's time to finish her off.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Narcissa Belladoona, and he proceeded to brutally smash her hard into the ground with his massive godly superhuman strength, slashed at her with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at her, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON NARCISSA BELLADONNA! HE WAS REALLY GOING APESHIT ON HER!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT NARCISSA BELLADONNA WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HER AND SHE SCREAMED IN AGONY!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen when we kill you.

Then, Andre Lupeau went after Narcissa Belladonna and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit her, and Andre Lupescu slashed at her with his massive greatsword and shot at her with his silver-plated guns.

Then, Lincoln used his Soul Ripper technique as he slashed Narcissa Belladonna with his greatsword and ripped out her soul, and he drained her soul dry of every last bit of energy and he finally sent her to The Black Abyss forever. We cheered as we holstered our weapons and powered down and we headed back to The World Tree Estate, and we welcomed Alouette Pommier, Geki Hyuuma, Guy Shishiou, Hana Hatsuno, Ikumi Kaidou, Kotaro Taiga, Kousuke Entouji, Mamoru Amami, Mikoto Utsugi, Minoru Inubouzaki, Noriyuki Yaginuma, Ryousuke Takanohashi, Stallion White, and Tohru Nozaki to the team.

Lincoln: And this is goodbye and good riddance forever, Narcissa Belladonna.

Me: That's for sure.

Nico: I can't believe Narcissa came back and caused all this chaos.

Anna Anyanova: She always did enjoy causing chaos, death, and destruction. She's just like her equally insane sister, Jocasta Belladonna.

Eli: She's sick.

Lincoln: Tell me about it. But, thank goodness we finally got rid of her forever, and she's never ever coming back. (To Isabella Nakamura) And it's so good to see you again, Isabella.

Isabella Nakamura: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Raphaela Fukushima had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Isabella Nakamura was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Isabella Nakamura: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Isabella Nakamura and hugged her, and Isabella Nakamura is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Isabella Nakamura: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Isabella Nakamura, Elemental Earth Guardian of Power, she's Lincoln's Guardian Angel from Japan and she's a very powerful master of Cosmic Geokinesis and Power. She was born with omnipotent power, immortality, invincibility, and the powers of Cosmic Geokinesis, Omnipotence, Omniscience, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman agility, energy manipulation, and Power, and she has The Power Stone embedded in her forehead. She's a member of The Elemental Infinity Stone Guardians, the most powerful group of girls among Lincoln's Guardian Angels, they are six girls were born with the incredible powers of The Infinity Stones along with the elements of Cosmic Pyrokinesis, Cosmic Hydrokinesis, Cosmic Aerokinesis, Cosmic Geokinesis, Cosmic

Umbrakinesis, Cosmic Photokinesis, and Cosmic Space powers, along with having said Infinity Stones embedded in them, and they were given the task of protecting Lincoln from the wrath of his enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas. She moved to Michigan where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Geokinesis, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman agility, energy manipulation, and Power, and he gained omnipotent power and the powers of Cosmic Geokinesis, Omnipotence, Omniscience, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman agility, energy manipulation, and Power, and he was already born with immortality and invincibility, plus, he also gained the power to suck out and absorb the immense superhuman strength, superhuman durability, superhuman agility, and power of any male musclebound thug and brute and make it his own, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a passion and she swore to pummel Lynn, but she absolutely despises Thanos, Dark Chase Young, Malphas, Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and all of Lincoln's enemies and all those who want to use them for their insane schemes of destroying the entire universe, and she swore to beat all of them to death.

Nico: Oh man! And Lincoln told us everything of what you did for him yesterday, not only did he gain omnipotent power and the powers of Cosmic Geokinesis, Omnipotence, Omniscience, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman agility, energy manipulation, and Power, and he was already born with immortality and invincibility, plus, he also gained the power to suck out and absorb the immense superhuman strength, superhuman durability, superhuman agility, and power of any male musclebound thug and brute and make it his own.

Isabella Nakamura: Yep, and he also sucks out their virility and testosterone and that's also added to his excessively high virility and testosterone. Luckily, I got just the person for you guys to see Lincoln use it on.

Isabella Nakamura left and got with her a 9'11" massive hulking brute of a man with black hair and he had abnormally massive and powerful upper and lower body muscles and eight-pack abs and he was only in a pair of orange jumpsuit pants and he had beard stubble on his jawline, hair on his forearms, and hair on his massive pecs.

Maria: Uh oh, I'd recognize this hairy brute, his name is Daniel "Skullcrusher" Ramirez, this guy's a big musclebound gorilla who smashed up a lot of abandoned buildings and he also crushed the skulls of a lot of cops and innocent people he came across on his rampage, and he had to be shot with a tranquilizer dart in the butt to take him down. He was sentenced to death from what I heard.

Lincoln: Well, let me carry out his death sentence.

Lincoln grabbed Daniel Ramirez with his left hand, and he began sucking out Daniel Ramirez's massive superhuman upper body and lower body strength, massive muscle mass, massive virility, massive testosterone, massive superhuman durability, massive superhuman agility, and power, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

And at the same time, Daniel Ramirez began shrinking in height and his muscle mass also shrank as well as all the energy, muscle, strength, and power he'd gained was being sucked out of him.

Lincoln: (GROWLS) Oh man! Looks like he'd been getting even bigger and stronger to get revenge on the guy who turned him in.

Then, when Lincoln was done, Daniel Ramirez was left as a skeleton after he was sucked bone dry of his massive superhuman upper body and lower body strength, massive muscle mass, massive virility, massive testosterone, massive superhuman durability, massive superhuman agility, and power and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Camie: Whoa, he sucked him bone dry of his massive superhuman upper body and lower body strength, massive muscle mass, massive virility, massive testosterone, massive superhuman durability, massive superhuman agility, and power.

Me: Along with all his energy.

Nico: Wow.

I banished Daniel Ramirez to The Black Abyss.

Eli: Jeez, I wonder how many of these musclebound thugs you've drained dry of their massive superhuman upper body and lower body strength, massive muscle mass, massive virility, massive testosterone, massive superhuman durability, massive superhuman agility, and power.

Anna Anyanova: We lost count over the years.

Nico: (WHISTLES)

Luna: We were stunned ourselves.

Lincoln: And many of them were death row inmates, so they were doomed from the very start, and now that you're here, Isabella.

Lincoln with his massive muscular arms still wrapped around Isabella Nakamura's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Isabella Nakamura: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Isabella Nakamura with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Raphaela Fukushima: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of

Eternal Love, which means you're now part of my harem and my many future wives, Isabella Nakamura.

Isabella Nakamura had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Isabella Nakamura's waist, and he leaned down to her face and kissed her on the lips, and with Isabella Nakamura's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Isabella Nakamura had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Isabella Nakamura: (In Heaven) My God. Oh, Lincoln, tell the boys to run and hide in their rooms, the seven girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the seven girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the seven girls are Nagisa Morishita, Fuuka Izumi, Chisato Honjou, and Mitsuki Inoue from Bubble de House de OOO ~Ofuro Maker no Showroom ga Sharehouse de...~ and Natasha Ignatiev, Grace Thompson, and Bria Anderson from Homestay a la Mode.

Lincoln: Oh whoa, it's Nagisa Morishita, Fuuka Izumi, Chisato Honjou, and Mitsuki Inoue from Bubble de House de OOO ~Ofuro Maker no Showroom ga Sharehouse de...~ and Natasha Ignatiev, Grace Thompson, and Bria Anderson from Homestay a la Mode.

Nicole: Uh oh, so those were the girls Isabella rescued, and it's no wonder Travis and Red said that kind of warning, these girls are really sexy. That bitch, Narcissa, really is a cold-blooded ruthless evil monster.

Lincoln: Too bad for her, I don't take kindly to someone like her running loose, and it was never going to end well for her. Are you girls okay?

Nagisa Morishita: Yes, we're okay, thanks to you.

Nagisa Morishita: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light.. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Fuuka Izumi: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nagisa Morishita, Fuuka Izumi, Chisato Honjou, Mitsuki Inoue, Natasha Ignatiev, Grace Thompson, and Bria Anderson with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one intense battle.

May: That's for sure. Plus, we got rid of Narcissa Belladonna for good along with the Zonders and met Swan White's friends.

Lincoln: That's for sure.

Nico: That's another of your old enemies put down for good, Lincoln.

Me: Yep.

Eli: And we still hadn't found out who it was that's still trying to force The M.O.E. groups to help them.

Lincoln: That's an easy one: it was Dark Sebastian and his minions, but it wasn't just them, but also, Malphas.

Nico: Unbelievable.

Me: So, it was those snakes and that demon prince of Hell, eh? Well, I'm going to report this to Vypra at once.

I did so, and once I was done, Vypra told me that we're gonna send a nasty message to those snakes and Malphas in Hell. The others heard every word.

Nico: This'll make those snakes regret crossing us along with Malphas.

After Lincoln and all of us met with and recruited Alouette Pommier, Geki Hyuuma, Guy Shishiou, Hana Hatsuno, Ikumi Kaidou, Kotaro Taiga, Kousuke Entouji, Mamoru Amami, Mikoto Utsugi, Minoru Inubouzaki, Noriyuki Yaginuma, Ryousuke Takanohashi, Stallion White, and Tohru Nozaki to TLPS, killed all of the evil Zonders, Pinchernone, Pizza, Polonaise, and Primarda, The 31 Machine Primevals, and Z-Master, along with Narcissa Belladonna, the mastermind behind the madness and sent them all to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Isabella Nakamura saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Isabella Nakamura: My God, I was right that Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Isabella, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Isabella Nakamura: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Isabella Nakamura: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Isabella Nakamura got out a tape.

Isabella Nakamura: Okay, guys, now this tape I got here, this was from a workout session I had with Lincoln, at first, things went great, but then, Lynn showed up to try and kill us. But, Lincoln really trashed her.

Isabella Nakamura put the tape in as it played on the big screen, and we saw Lincoln only dressed in orange gym shorts working out hard and working up a sweat at their gym and Isabella Nakamura and the other Guardian Angels were also there too along with Lanaia Loud who's visiting.

Past Isabella Nakamura: Man, if you keep this up, Lincoln, you're bound to outclass the bodybuilders in Michigan and the world.

Past Anna Anyanova: Our training's really helping out wonders for him.

Past Laniya Emperyous: That's for sure. But, this doesn't mean Lori, Lynn, Lola, Lisa, and Luan are going to back down that easily. Ugh! If any of them show up here, they're going to get thrown inside a Lansing Maximum Security prison for life.

Past Lincoln: After everything you all are doing for me, I'll take on Lori, Lynn, Lola, Lisa, and Luan in a steel cage match if any of them show up here.

Past Lanaia: Taking either one of them on in a steel cage match? That I'd like to see.

Suddenly, the alarm sounded!

Past Selene Emperyous: The alarm!

MASSIVE LOUD BELCH!

Past Lanaia: Oh no, it's Lynn! I'd recognize that loud belch and the stench of her sweaty pits from anywhere!

Past Lincoln: I knew it was her!

Lincoln put the weights down.

Past Lincoln: Girls, get the steel cage ready! (CRACKS KNUCKLES)

They did so.

Cage Blunt: A steel cage match against Lynn when she was possessed by her Dark Side at that time?

Luna: Even we were stunned, and we knew better than to get on her bad side!

Lana: No kidding, she's an untamed beast when she gets pissed, and if you try anything to get on her bad side even more, she'll send you to the hospital with broken bones, missing teeth, broken nose, and a split lip if you're lucky, if not, she could wind up killing you.

Nico: From what I saw from Dark Lynn, I shouldn't be so surprised.

Me: I agree.

We then looked at the screen and the girls set up the steel cage inside a wrestling ring.

Past Lanaia: It's set, Lincoln.

Past Lincoln: Alright, and Lynn should be arriving...right...now!

Suddenly, the doors were kicked open, and standing there was Lynn with crazy eyes, sharp teeth, and saliva coming down from her mouth, and the stink lines coming off her means she's out for blood. Lynn ran on all fours into the steel cage, but then, Anna and Laniya appeared and closed the door. Lynn saw it and ran on all fours trying to get out, and she even tried to gnaw on it.

Past Lanaia: Is she seriously trying to gnaw at the cage to get out?

Past Anna Anyanova: Yep.

Anna Anyanova used a cattle prod on Lynn and electrocuted her, and that made Lynn mad as she snorted and grunted like a gorilla and pounded her chest like a gorilla.

Past Laniya Emperyous: Oh, shut up already, you stupid gorilla! You've got bigger problems!

Suddenly, Lynn turned around to see Lincoln in the cage on the opposite side of the ring with his massive white angel wings spread out.

Past Lincoln: You're going down, you walking gym bag!

Lynn heard that and she jumped up and down like a mad gorilla and snarled at him. Then...!

DING!

Lynn ran at Lincoln on all fours, but Lincoln knew that was coming and grabbed her legs and threw her right into the barrier of the ring, but she bounced back and was really stinking mad now. Lynn tried to use her wrestling moves on her, but Lincoln countered with his own and he saw that Lynn's wrestling moves had been tainted by her blind rage.

Stormy Thunderbolt: Lynn's wrestling moves had been tainted by her Dark Side and by Dark Chase Young, and that allowed Lincoln to counter with his own wrestling moves and he got the advantage over her.

Sophia Presley: Just keep watching, this is where Lincoln does a big finale on her.

Lynn was beyond enraged and charged at Lincoln only for him to clothesline her and she fell down to the ground flat on her back, and then, Lincoln leapt off the podium and...!

BLAM!

LINCOLN BODY-SLAMMED LYNN INTO THE GROUND AND PINNED HER DOWN!

Past Lanaia: One, two, three, you're out, Lynn!

DING! DING!

Past Lanaia: And the winner of the steel cage match is...LINCOLN LOUD!

The Guardian Angels cheered, and she had it broadcasted to all of Michigan, and when Luna, Leni, Laney, Lucy, Lana, Lily, Lynn Sr., and Rita saw it, they cheered wildly.

Past Lynn Sr.: He did it! He beat Junior in her own game in a steel cage match!

Past Luna: If he gets into a wrestling championship match, we're all rooting for him, Pops!

But, when Lori, Lola, Lisa, and Luan saw it, they went absolutely ballistic with rage!

Past Lori: (ENRAGED SCREAM) I CAN'T BELIEVE IT! THAT OVERGROWN TWERP BEAT LYNN DOWN!

Past Lola: THAT STUPID CLOD FAILED AGAIN!

Past Lisa: I'LL RIP OUT THAT PHILISTINE'S BRAIN FOR DOING THIS TO LYNN!

Past Luan: HE'S GONNA DIE NEXT APRIL FOOLS DAY!

Past Lanaia: (On the TV) And thank you four for confessing also on Live TV to also plotting with Lynn to trying to kill Lincoln again, Lori!

The cameras came out, and they were indeed recording: and their confessions were recorded, and the others heard it. Then, Luna and the others punched the other four banshees in the face and tied them up. Back at the gym, Laniya Emperyous tied up Lynn and the camera stopped recording, and Lanaia got a message from Luna.

Past Lanaia: And Lori, Lola, Lisa, and Luan were caught and tied up.

Past Lincoln: I knew those four also had a hand in this, Lynn's too much of a rage-driven animal to come up with something like this.

Past Anna Anyanova: Well, after we get back home, the other pinheads are gonna get it big time.

Lincoln went to get a shower, and they went back home with a tied up Lynn as the video ended, and...!

MY JAW AND NICO'S DROPPED TO THE FLOOR!

CLANG!

ELI PUT OUR JAWS BACK IN!

Me: You had cameras hidden in the house, and you busted the other four!

Luna: Yep, thanks to Lori's big fat mouth, along with the big fat mouths of the other three banshees, we knew Lynn was too stupid to come up with that plan.

Leni: And because of it, Lynn got grounded for seven months for that, Lori, Lola, Lisa, and Luan also got grounded for eight months for being the masterminds behind the plot.

Lana: Not even the schemes of Lori, Lynn, Lola, Lisa, and Luan were safe from Lanaia, and when Lincoln and the others got back with Lynn, Lanaia pulverized Lori, Lynn, Lola, Lisa, and Luan and she sent them running back to their rooms.

Nebula Lanaia: Lynn should've known better than to attack Lincoln again, and conspiring with Lori, Lola, Lisa, and Luan to do so.

Lincoln: Lynn may have gone on the rampage, but Lori, Lola, Lisa, and Luan were the masterminds behind the plot, but in the end, they failed and got another dose of karma again.

We got a shower, and then, Lincoln, Aria, Elisa, Elita, Wendy, Summer, Luana, Kira, Kate, Melanie Malachite, Miltia Malachite, and Harriet Bree are heading to Gelato Beach.

Lincoln snapped his fingers, and the 12'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Aria, Elisa, Elita, Wendy, Summer, Luana, Kira, Kate, Melanie Malachite, Miltia Malachite, and Harriet Bree are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Aria, Elisa, Elita, Wendy, Summer, Luana, Kira, Kate, Melanie Malachite, Miltia Malachite, and Harriet Bree all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Aria: Wow, we're here in Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Aria, and it's perfect for our first date, shall we?

Lincoln, Aria, Elisa, Elita, Wendy, Summer, Luana, Kira, Kate, Melanie Malachite, Miltia Malachite, and Harriet Bree dived into the waters and they started swimming and they all saw the marine life that lived there. Then, they went back to the beach where the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an awesome volley ball game, and they went to a workout area that Lincoln created, and Aria, Elisa, Elita, Wendy, Summer, Luana, Kira, Kate, Melanie Malachite, Miltia Malachite, and Harriet Bree got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift one-hundred and two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and one-hundred massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Elisa: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Aria, Elisa, Elita, Wendy, Summer, Luana, Kira, Kate, Melanie Malachite, Miltia Malachite, and Harriet Bree and hugged them in their abnormally massive and powerful muscular arms, and Aria, Elisa, Elita, Wendy, Summer, Luana, Kira, Kate, Melanie Malachite, Miltia Malachite, and Harriet Bree placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Aria, Elisa, Elita, Wendy, Summer, Luana, Kira, Kate, Melanie Malachite, Miltia Malachite, and Harriet Bree and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aria, Elisa, Elita, Wendy, Summer, Luana, Kira, Kate, Melanie Malachite, Miltia Malachite, and Harriet Bree with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Aria, Elisa, Elita, Wendy, Summer, Luana, Kira, Kate, Melanie Malachite, Miltia Malachite, and Harriet Bree are now in your harem, Linky.

Aria, Elisa, Elita, Wendy, Summer, Luana, Kira, Kate, Melanie Malachite, Miltia Malachite, and Harriet Bree showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Wendy: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Trakeena starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses

were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Ymir: Who is Trakeena by the way J.D.?

Me: Trakeena is the Daughter of Scorpius, one of the main bad guys of Power Rangers Lost Galaxy.

Leo: She has it out for J.D. and me.

Me: Because we killed her father. Leo in the show when he destroyed him at his weakest and me because I blew up his ship with him on it with the Superlaser when we first met the Lost Galaxy Team.

I went over her history.

Trakeena is the main antagonist of Power Rangers Lost Galaxy and a minor antagonist in Power Rangers Lightspeed Rescue.

She is the daughter of Scorpius who aspires to become a galactic ruler like him. After his death under the work of Deviot, she became the new leader of her father's empire. She is the archenemy of Leo Korbett, the Red Galaxy Ranger and the whole Galaxy Rangers Team as well. She was slso the brief two-shot enemy of the Lightspeed Rescue Rangers during their crossover.

She was portrayed by Amy Miller in Lost Galaxy, and Jennifer Burns in Power Rangers Lightspeed Rescue.

Lost Galaxy

Trakeena was the daughter of the galactic ruler and warlord Scorpius and an unknown female, though her mother may have been a humanoid, as she speaks highly of her human beauty in spite of her insectoid features. Scorpius considered Trakeena to be the evil princess of his alien army and spared no expense to spoil and protect her, but she did not like being treated as a child as she became older. During her teenage years, while she still enjoyed being spoiled, she wanted to become a warrior to prepare herself as ruler of her father's army when she would have to succeed him and would frequently sneak away with her father's generals in efforts to prove herself as a warrior despite his disapproval.

In one such case, the general Treacheron had allowed Trakeena to come with him, but when confronted by Scorpius, he claimed that Trakeena had followed him to battle just to save his own neck. Upset at being sold out, and with help from Impostra, Trakeena convinced Scorpius that Treacheron was a traitor and had him locked up. Their feud continued as Treacheron tricked Trakeena into searching for a silver goblet just so he could ambush her once he was free from his cell. She was saved only thanks to the intervention of the Galaxy Rangers.

Eventually, Trakeena learned that Scorpius wished for her to enter the cocoon and become an insect with great powers like him. Not wanting to lose her mortal beauty the transformation would cause, Trakeena fled to the planet Onyx when he tried to force her. As she wandered into the tavern and found that her prestige did her no good in facing the ruthless patrons, Trakeena met Villamax and his aide Kegler. Villamax offered to train her to be a great warrior and taught her swordplay and martial arts. In time, Trakeena became a truly incredible fighter, and later introduced her newfound strength to the tavern when they tried to give her trouble again.

Trakeena's personal victory became dashed when word reached her that Scorpius was dying, for he had been manipulated by his new general Deviot to attack the Galaxy Rangers and had been gravely wounded in the battle. She returned to the Scorpion Stinger to be with her father in his last moments and to apologize for running away. As Scorpius died, he willed that everything he had was now in Trakeena's hands, and his remaining power was sealed in an ornate staff for her own use. As to the cocoon, Trakeena puts it in storage as she felt she didn't need it, but also wanted to keep it around just in case.

Now with all of her father's resources at her command, Trakeena began focusing her vengeance on Terra Venture and the Galaxy Rangers. Deviot told her that Scorpius was destroyed by Leo Corbett, the Red Galaxy Ranger. She would later capture and face off against him in a one-on-one sword duel, but would lose the chance to exact her vengeance when they were both attacked by Deviot's assassins Teksa and Kubak. Trakeena destroyed Teksa with ease and left Kubak to the Rangers, promising to destroy them for the death of her father.

She would continue to attack Terra Venture multiple times, and at one point had the Psycho Rangers restored only for them to be destroyed by the combined might of the Galaxy and Space Rangers. After Kendrix's sacrifice on destroying the Savage Sword used by Psycho Pink, Trakeena was able to expose Karone's identity immediately due to her full knowledge of the former Astronema's involvement on the Zordon Wave, but unable to steal the Pink Quasar Saber when Kendrix's spirit saved Karone and chose her as the second Pink Ranger.

When Terra Venture was pulled into the Lost Galaxy by Deviot, Trakeena was unwilling to follow, fearful of being unable to escape. When the colony emerged some time later, Trakeena destroyed the ship of Captain Mutiny, who was pursuing it as a show of her power over the galaxy.

When Deviot returned to Trakeena (having escaped the destruction of the castle) and claimed to have been forced into slavery by Captain Mutiny, she refused to believe him as she now knew he was plotting against her. Fleeing for his life, Deviot attempted to enter the cocoon but didn't make it before Villamax caught up. In desperation, he grabbed Trakeena and dragged her into the cocoon with him, causing them to fuse into a single being. Trakeena would emerge alone, her body now bearing some of Deviot's armor, but the fusion also made her as ruthless and evil as he had been.

Trakeena launched a full-scale assault on Terra Venture by arming her Stingwingers with suicide bombs to destroy the colony. Though she succeeded in bringing Terra Venture down and destroyed the Stratoforce and Centaurus Megazords at the cost of her entire army, this wasn't enough as she wanted the entire population of Terra Venture to suffer. This didn't sit well with Villamax, who had simply sworn to help her destroy the Power Rangers, and things came to a head when she was ready to destroy the escape shuttles carrying Terra Venture's population. When Villamax refused to destroy the shuttles and laid down his sword, Trakeena mercilessly killed him.

However, this had bought enough time for the Astro Megaship to catch up and protect the shuttles. Trakeena used the Scorpion Stinger's pincers to attack the Astro Megaship, forcing the Rangers to self-destruct it. As a result, the Scorpion Stinger was sent crashing down to the nearby Moon where it was destroyed, and Trakeena was badly injured. With her father's words echoing through her mind, she entered the cocoon and mutated into a green, humanoid muscular insect with immense powers. She powered up Terra Venture's remains and attempted to drop the wreckage on the colonized planet, and at the same time was able to fight off all five Galaxy Rangers. In the end, Trakeena was seemingly destroyed by Leo's Battlizer when he fired his weapon at point-blank range.

Lightspeed Rescue

Trakeena has survived the battle with the Galaxy Rangers and returned in her human form but has donned a mask to cover her scars in her face. She recruited a demon named Triskull to exact her revenge against the power rangers. In the End she transformed herself into a giant monster to kill the Galaxy and Lightspeed Rangers, who have united with each other, but gets destroyed by the power rangers once and for all.

Dino Thunder

Trakeena was featured in a chronicle of Power Ranger history compiled by Tommy Oliver shortly after he formed the Dino Rangers, which was found by the nascent Ranger team in the Dino Lab.

Beast Morphers

She was shown along with Villamax when the villains were looking for a past villain to revive with the Reanimizer, and came across Astronema. When Robo-Roxy deems that Astronema is the perfect candidate but Robo Blaze is not so sure. He recalls the classes from Ranger History, reminds Robo-Roxy that Astronema reformed back to Karone purified by Zordon's sacrificial energy wave, and would later join the Galaxy Rangers as the second Pink Galaxy Ranger. After seeing the footage of Karone doing just that, along with fighting against Villamax and Trakeena, a now disgusted Robo-Roxy drops Astronema's gauntlet. Scrozzle suggests that instead of reviving a villain who turned good.

When I was done it was shocking!

Ymir: Oh man! She is a monster!

Me: Yep and she beat the living shit out of me twice. But the third time I came back strong with an iron fist and made her pay for everything she did brutally. I've gotten more powerful since then. Now it's personal for me.

Ymir: GEEZ!

Qin: Yeah no kidding.

Leo: And we face Scorpius on my day to shine. But it's Emma's day to shine so I get to help her out.

Me: That's right.

Emma: I hope Poromon isn't teaching the kids mature stuff

Nico: Don't worry he learned his lesson with the other mascots about that.

Me: We better go check just to be safe.

Poliwag: Yeah.

We arrived and looked through the window and saw Poromon Teaching ADVANCED CHEMISTRY ON A COLLEGE LEVEL!? WHAT THE FUCK!?

Troy: Wait. Is Poromon teaching chemistry? In kindergarten?!

Me: That is far beyond what they should know.

Poliwag: I agree.

I used my powers and teleported 3 books over.

Me: (Reads titles) "Formulas for College Science?" "Chemistry of Biological Formulas?" "Universe of Chemistry for College 20 years?" This is way beyond what they should know. This is more like something for Lisa's caliber.

Lisa Loud: Hm. I already accelerated beyond these courses for this.

Me: Yeah for someone like you Lisa this is no problem.

Poliwag then got an idea.

Lola: You thinking what I'm thinking, Poliwag?

Poliwag: Yep.

Lola and Poliwag: Sabotage.

Me: Oh I think I know where you're going with this.

We got to work while he was at lunch with the kids.

We saw one kid that had a perfect mark.

Me: Look like one kid is smart to adapt here.

We got it done.

Deluge: I'm confused. Did you guys sabotage him or is it gonna unfold tomorrow?

The bell rang.

Me: Oh you'll see.

They came back.

Ms. Hunter: Poromon, are you ready to be evaluated?

Poromon: Yes, ma'am.

Ms. Hunter: Please begin.

Poromon: Children, please take your seats.

They all got seated

Poromon: Now, today we will be covering the states of matter: solids, liquids, and gases. Now, I have set up a video presentation for you to watch on this monitor. Now, on screen, we will be looking at the loosely-packed atomic structure of a liquid.

Me: (in my head) That is very smart for Poromon.

But instead, what came on was a video of two clowns hitting each other with rubber chickens .The students laughed while Ms. Hunter got annoyed.

Poromon: Now I realize this can be very enjoyable, but the (sees the video) What the-?

Kid: Why are those clowns hurting each other with chickens?

Me: (In my head) Okay that is funny.

Ms. Hunter: Yes, Poromon, why?

Lola: Strike one.

Lana: Yep.

Poromon: I'll just move on to my next segment.

Ms. Hunter: All right.

Poromon: Okay. Now, water is one of the few compounds that can assume the form of either a solid, a liquid, or a gas.

Poromon turned on the faucet and it sprayed water everywhere, making him yell out.

Poromon (sheepsihly): This would be the liquid.

Ms. Hunter: You broke the faucet!

Poromon: I didn't mean to. Here, I'll fix it.

Ms. Hunter: No, no, move. I'll fix it.

Ms. Hunter adjusted the pipes while Poromon got an umbrella out. This stopped the water.

Poliwag: Strike two.

Me: Lana must've done that.

Lana: Yep.

Poromon (shocked): Next...

Ms. Hunter (annoyed): Oh-ho, great, there's more!

Poromon: I will show you all how you can combine a liquid and a solid to form a gas. First, I will take this beaker of sodium sulfide and pour it into this jar, which contains grams of carbon zenite.

He began pouring the contents of the beaker into the jar.

Poromon: Now, note how the color changes when I pour the sodium sulfide into-

Me: Fool! Doesn't he know that mixture will...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOMM!

What happened next was an explosion, which caused many students to cough. Poromon and Ms. Hunter were covered in soot.

Me: Geez!

Poromon (in tears): Next...

Ms. Hunter (fed up): Leave!

Poromon was sobbing as he flew out of the classroom.

Lola and Poliwag: Strike three, and you're out.

We went in and had fire extinguishers putting out fires there.

Me: You okay?

Ms. Hunter: Yeah.

Poromon came in to the Estate.

GOODBYE RODNEY PLAY!

Beachcomber: Hey, Poromon. How was your teacher job today?

Poromon: (Crying) Terrible!

Beachcomber: What happened?

Manaphy: Yeah.

Poromon: I got fired!

Manaphy: What? Why?

Poromon: Because someone sabotaged my work!

We came in.

Poliwag: Poromon we need to talk!

We came in and sat down with him.

Me: WE were the ones that sabotaged it. Because you were doing it wrong.

Ed: I liked the chicken video though!

Mevya:...you guys leave me out of this.

Me: Mevya you weren't with us.

Mevya: Oh. Sorry.

Me: That was a funny video though. Billy and Luan thought of it.

Luan: Yeah.

Poromon: What was I doing wrong?

Me: Well for starters, these books are for college level education. This is something of Lisa's caliber.

Poliwag: They're not ready for that stuff yet!

Me: They need to learn things of their age group and work their way up.

Laney: That's right. Also they need to have fun things to do like learn and watch cartoons they love.

Nico: And that's why we sabotaged you

Poromon: Okay okay I'm sorry guys.

Lisa Loud: We did see one student that aced your lessons perfectly and was gifted in understanding chemical formulas with sulfur dioxide and potassium chloride.

Poromon: Oh that's Sally Rourke. She is a genius like you Lisa.

Lisa Loud: I see.

Me: Very impressive.

Poromon: I guess being a teacher isn't for me.

Nico: Nah I would rather have you stick to being a liquor store owner.

Poromon: Okay then.

Lola came in.

Lola: Guys! We have something outside!

We went outside and then we saw a Carracosta on our front yard!

Me: Cool a Carracosta!

Nico: How'd that get here?

Me: Must be looking for food.

Qin: Yeah.

Yagura: I think it's one of Dark Gale's work.

Yagura used Telepathy and gasped!

Yagura: It's my little sister Yulia!

Me: Oh man! Lets go help her!

We went over.

Yagura: Yulia it's okay. It's me Yagura.

She used Hydro Pump on Horsea and drenched her!

Horsea: HEY! (SPITS) Just water thank goodness.

Me: Okay then.

Me and Yagura fired lightning and water blasts and smashed her. Then I snapped my fingers and she reverted back and was a girl with blue green hair, blue eyes, blue angel wings and had Isobu and Carracosta no her forehead and had a coral reef cutie mark on her arm and had Isobu's 3 tails coming out of her butt.

We wrapped her in a blanket and brought her over.

Me: There we go.

She woke up to see Horsea's stern gaze.

Yulia Karatachi: (Groans) Huh? A Horsea?

Horsea: You drenched me!

Maria: Easy Horsea.

She picked her up,

Yagura: Sis are you alright?

Yulia: Yagura!

She hugged him.

Yulia: My big brother. Thank goodness. I heard about what Obito did and thank goodness he is dead.

Yagura: Me too.

Me: You were turned into a Carracosta by Dark Gale.

Yulia Karatachi: (GASP) I remember.

She was in a blue green suit and injected and turned into Carracosta and busted out.

FLASHBACK ENDS

Yulia: It was terrible.

Me: I know but Dark Gale is destroyed for good.

Yulia: Good.

Nico: What's your role in Sonya's team?

Yulia: I am the hydro and coral master of the team and use my powers to destroy our enemies. Outside the team I bring down the corruption of the village councils.

Me: We already destroyed all the council's of the villages thankfully.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue green clothes and she looked awesome.

Yulia Karatachi: I look awesome.

Me: You sure do. Be right back.

I put on my Shinobi attire and went to the Leaf to file another report.

Nico: Right important shinobi work.

Later everyone went back home and I came in later.

Ulmar: I hope you learned something today, Poromon.

Poromon: Leave teaching to the professionals.

Me: We cleared it up with Ms. Hunter.

Poromon: Good.

Me: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than Trakeena, she's back on Terra Venture and she's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: WHAT THE?! ARE YOU KIDDING ME!?

Eli: That was...!

Lincoln: Yep, it's time.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it's none other than Trakeena, she's back on Terra Venture and she's causing havoc.

EVERYONE GASPED!

Emma Goodall: The time's come, we're gonna make Trakeena pay for her crimes.

Leo Corbett: That's for sure. (Realizes something) Wait, I've got a feeling that Dark Sebastian's going to be there himself.

Maya: We'll be sure to drive him back into the darkness where he belongs.

Karone: But, not before we give him what for.

Damon Henderson: Especially for all the dirty stunts he's pulled in the past.

Kai Chen: That two-faced snake's going to pay. Too bad we can't kill him alongside Trakeena.

Nico: No, that'll be left to Selena and Lincoln.

Me: That's right, the best thing we can do is drive Dark Sebastian away.

Lincoln: That's for sure, he needs to be driven away.

Nico: Right. Alright, let's get going to Terra Venture. Trakeena, your time in this world is up!

Lincoln: You've lived for too long, Trakeena, and now, we're gonna make sure you disappear forever.

The previous group came

Ryugu Tamatebacco: Can me, Blizzard, Dayu, Bonz, MetalSeadramon, Harpymon, Gameface, Electropede, Zzzax, and Samon Shakekisutanchin go with you guys?

Nico: Yes you all can come.

Me: Trakeena is back and now it's personal.

Nico: Yep.

Stalker: Nico, which Gene Slammer do you think you'll meet next?

Nico: Number 94: Crystalzero and Number 93: Utopia Kaiser next.

Me: Cool!

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: Windsor Grimm, Hell's Winter Mage of Darkness of The Order of The Dark Universe and Herodias Necroshade, Hell's Winter Mage of The Dark Church of Malphas, and they're also causing havoc in Terra Venture. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Was that?!

Lincoln: Windsor Grimm, Hell's Winter Mage of Darkness of The Order of The Dark Universe and Herodias Necroshade, Hell's Winter Mage of The Dark Church of Malphas, and they're also causing havoc in Terra Venture, and Leo's right, Dark Sebastian's also there in Terra Venture and causing havoc on his own.

Kira Textington: So, those two snakes are causing havoc alongside Trakeena and Dark Sebastian himself is also there too. We'll need to keep those two snakes contained and drive Dark Sebastian away before we take Trakeena down.

Selena Mendez: When we destroy Dark Sebastian's traps, we'll make sure they get put in a force field and kept from attacking us.

Nico: Ooh, now this should be good. Alright, team, let's go, the time to destroy Trakeena has finally come.

Lincoln: Never again will she be free to cause havoc on the world, this time, we're going to finish her off once and for all, and once we get done with Trakeena, you're next, Windsor Grimm, Hell's Winter Mage of Darkness of The Order of The Dark Universe and Herodias Necroshade, Hell's Winter Mage of The Dark Church of Malphas.

Kira Textington: Windsor Grimm and Herodias Necroshade, you will both pay for the atrocities you madmen have committed after we get done with Trakeena!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Terra Venture to finally get rid of Trakeena, and once we got done with that and end her forever, Kira Textington and Lincoln are going to destroy Windsor Grimm and Herodias Necroshade and send them to The Black Abyss.

We went to the ship and we were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 13011.4: The U.S.S. Valorous Phoenix is en route to the planet Miranoi to help the crew of the Terra Venture Colony kill Trakeena, who is back for revenge on J.D. and Leo for killing her numerous times and for killing Scorpius. This time it's personal for them.

Me: Yes it is.

Camie: That bitch!

Ymir: What a monster!

Dayu: I'm already here, just FYI

Me: Yes we know.

Qin: Yeah.

Xenia: Yep.

Ymir: That heartless bitch Trakeena will pay for everything she did.

Camie: Big time!

Celica: Especially for messing with J.D.!

Circe: Leo, is the Lion Galactabeast ready?

Leo: Always ready.

Lola: Yeah!

Leo: Yep.

Camie: Cool.

Xenia: Awesome.

Ymir: I can't believe that bitch beat up J.D. that bad!

MetalSeadramon: I can.

Me: Yeah.

MetalSeadramon: I witnessed it both times.

Xenia: Yeah.

Qin: Horrible.

Me: But this time I'm ready for her.

Camille: So are we.

Me: Yep

Qin: Scorpius is gonna die on Leo's big day.

Gameface: I was just thinking that.

Me: Yeah and what better way to piss off Scorpius then by having us kill his own daughter.

Camie: That monster deserves it.

Qin: I agree.

Ymir: Yeah!

Varie: Ugly parasitic insect!

Bright Man: Though we faced him during our crusade to stop Zedd

Me: Yes we did but that was an extra battle.

Qin: It sure was.

Laney: I agree.

Lola: Yeah. Scorpius was an extra.

Me: But soon he will be the main target on Leo's day to shine.

Zzzax: He'll be in for a shock!

Qin: Yeah!

Nico: Yep and we're going to make sure that both father and daughter die the most horrible deaths ever.

Me: You got that right. I'm going to blast a hole in Scorpius after we kill Trakeena. It'll serve as a reminder to show that we're coming for him.

Thundercracker: Or least blow off his hand. Don't want him dying on us before Leo's big day.

Me: Uh Scorpius doesn't have any hands. He has a lot of legs.

I showed what he looked like again.

Thundercracker: Oh yeah he's a bug. Let me rephrase that. Or least blow off some of his legs. Don't want him dying on us before Leo's big day.

Me: That's better and good idea.

Samon Shakekisutanchin: Or one of them so he gets a peg leg!

Me: Nice.

Qin: I like it.

Me: He'll be like Captain Ahab.

Qin: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the planet Miranoi.

Me: Miranoi.

Roxas: This is where she is, right?

Nico: Yep. And Terra Venture is in orbit around it.

Qin: Yeah.

We got to landing and we got out.

Me: Wow Miranoi.

Xenia: It's awesome.

Me: Yeah.

Lincoln: WHOA! And I just got a premonition on the Akuma we'll face.

Me: Who is it?

Lincoln: It's Emma's Akuma, Lady Pink Phoenixflare. The Hypothetical Akuma of Emma Goodall and a master of pink fire and the powers of all the Pink Rangers from over the course of 48+ Years. She was made because of the atrocities done by all the rangers enemies over the course of 48+ Years and vowed to kill them all

WE GASPED!

Me: WHOA!

He showed a sketch of her and she looked like an angel with pink hair and glowing pink eyes and had pink angel wings and wrapped in a pink skirt.

Me: WHOA!

Emma: I look awesome as a pink angel.

Gia: Mine was a tiger girl.

Emma: And mine looks like an angel.

Nico: That looks nice on you

Emma: I agree.

Qin: Yeah.

Connie Goodall: The akumas you guys have been facing are amazing.

Laney: They sure are.

Nico: Now to find her.

Then a Phoenix Cry was heard.

Me: What the?

We saw a figure in the sky and it was LADY PINK PHOENIXFLARE!

Me: There she is!

Qin: WOW!

We then saw her blast numerous places and saw that they were Lost Galaxy footsoldiers. She was blasting them with pink fireballs and fire blasts.

Me: WHOA! She is powerful.

Nico: Yeah.

Then she landed in front of us.

Lady Pink Phoenixflare: I had a feeling you would show up.

Me: Wow you look incredible Emma.

Lady Pink Phoenixflare: I sure do.

Electropede: Emma? Is that you?

Lady Pink Phoenixflare: Yes it's still me. Where is Trakeena?

Me: Here on Miranoi. We called dibs on her though.

Dayu: I suppose calming you down is out of the question.

Lady Pink Phoenixflare: Yes.

Me: Okay then.

I fired waves of energy and blasted her.

Dayu slashed her all over and knocked her down.

Lady Pink Phoenixflare: My turn!

She fired blasts of pink fire at us and we absorbed it.

We fired waves of energy and blasted her and she was knocked out.

Me: That did it!

Then figures came out and we saw THE JUTO!

Ymir: What are those things?!

Taro: Juto! Good. Now I can personally punish them. I warned them what would happen if they tried to harm humans again!

Me: Lets get them!

Lady Pink Phoenixflare: Let me help too!

We fired waves of energy and fire and lightning and blasted them.

Taro: (to the Juto) I told you that you would be punished if you tried to harm humans again. I wasn't joking!

We fired energy blasts and Taro slashed them and cut them.

We blasted and cut and blasted them.

One of the Juto took out an Origami Piece And I blasted it and blasted the Juto and killed it!

Nico: Take that!

Then we fired waves of energy and elements and Taro obliterated the Juto and killed them.

Taro: That may or may not be all of them.

Me: Maybe maybe not. But we'll see. Now where were we? Oh right.

We turned our attention back to Lasy Pink Phoenixflare.

Lady Pink Phoenixflare: My turn!

She fired blasts of pink fire at us and we absorbed it.

We fired waves of energy and blasted her and she was knocked out.

Me: That did it!

Bowser: Guess she wanted to start with Trakeena.

Me: Yep. But now it's time for us to face her.

We heard the maniacal laughter of Trakeena as she's causing havoc, and we heard the demonic and deranged laughter of Dark Sebastian, Windsor Grimm, and Herodias Necroshade from far away.

Nico: Aha, the bug bitch is already causing havoc, same with those three snakes. Alright, then, let's get going and send that bug bitch to The Black Abyss.

Lincoln: But, first. Selena.

Selena Mendez: On it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Trakeena is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Windsor Grimm, Herodias Necroshade, Trakeena, and Dark Sebastian saw it, and they let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, monsters.

Nico: Okay, now we can get after Trakeena without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see Windsor Grimm, Herodias Necroshade, Trakeena, and Dark Sebastian raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate, but it grew even stronger because of the hatred of Ryan McCabe and Jezebel Necroshade.

Lincoln: Keep it up, you snakes. In the end, you're just going to make things worse for yourselves.

Suddenly, the spirits of the Lost Galaxy Rangers and Galactabeasts appeared and they attacked Windsor Grimm, Herodias Necroshade, Trakeena, and Dark Sebastian and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Windsor Grimm, Herodias Necroshade, Trakeena, and Dark Sebastian even more pissed off than ever.

Leo Corbett: I should've known you'd show up here yet again, Trakeena!

Nico: You got some nerve coming back here, bug bitch!

Me: And it was thanks to Anti-Monitor that did this.

Lincoln: Plus, I knew you two snakes would be left behind to continue to cause havoc, but it matters not. Once we get done with Trakeena, you two snakes are next, and I should've known you'd also be here too, Dark Sebastian.

Windsor Grimm: YOU MISERABLE WOLF!

Herodias Necroshade: WE WILL DESTROY YOU ALL IN THE NAME OF MALPHAS!

Dark Sebastian: YOU HAVE ALL HUMILIATED US FOR THE LAST TIME! THIS IS WHERE YOU ALL DIE! ARMIES OF MALPHAS, ATTACK! KILL THEM ALL!

Suddenly, hordes of male hellhounds loyal to Malphas arose from Hell and they charged at us.

Lincoln: Hah, that's a good one, summoning hellhound hordes loyal to Malphas.

Lincoln went after the massive 12'6" male hellhounds, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" hellhound and its' massive pack of 12'6" massive hellhounds, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the hellhounds and Lincoln drained the hellhounds' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Windsor Grimm, Herodias Necroshade, and Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN YOU! DAMN YOU!

THEY WENT REALLY BALLISTIC! BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD!

Then, Lincoln trapped Windsor Grimm and Herodias Necroshade inside a force field to keep them inside, but Dark Sebastian remained.

Lincoln: That'll keep you jerks inside. Now, to deal with you, Trakeena, and you're also going to get beaten to a pulp, Dark Sebastian, before we send you running back to Hell.

I looked at Trakeena with eyes blazing red with rage!

Me: You will pay for everything you did Trakeena!

Trakeena: YOU ARE GOING TO PAY FOR YOUR CRIMES AGAINST ME!

Me: What is with villains ripping off Aligned Starscream's line.

Harpymon: I think they were using it before he did.

Nico: Yeah.

Me: Doesn't matter though.

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

I then went at Trakeena with extreme force and punched her all over the place with extreme savagery!

I kicked her in her face and headbutt her and then punched her in her stomach hard and kneed her in the neck!

I kicked Trakeena in her face and teleported and punched her in her back and teleported and punched her in her face and kicked her in her eyes and I kneed her in her mouth and knocked out some of her teeth! Leo jumped and slashed at Trakeena with his Quasar Saber and slashed her all over

I teleported and punched her hard in her face and knocked her down! She tried to do the same ferocious moves on me like she did before but I expected this and dodged them all and I kicked her in her face and leg swept her and kicked her in her back and Leo slashed her across her stomach.

I fired a massive energy blast and it hit her and exploded!

It was getting intense!

Then Trakeena went into her green insect form!

Me: You are just as ugly in this form as you were before!

Trakeena: HOW DARE YOU!

She went at me and I punched her hard in her face and she went flying and crashed into a rock!

Trakeena: WHY YOU!

She summoned MORE FOOTSOLDIERS!

Trakeena: KILL THE REST OF THEM! TAKE NO PRISONERS!

Nico: Lets get them!

The rest of the team went at the footsoldiers and slashed and blasted and pulverized them! Erica was doing really well against them!

Erica Haddock: HEEYAH!

KROW!

She smashed numerous footsoldiers all over like they were nothing!

They went at the footsoldiers and blasted and smashed them.

POW! SMASH WHAM!

I punched Trakeena all over the place with indiscriminate fury!

Leo fired a blast of fire and blasted Trakeena all over!

Eli: Wow! Amazing! Trakeena's more monstrous than ever but bro and Leo are really completely overwhelming her!

POW!

I smashed Trakeena in her face and sent her crashing into a rock!

Me: You make me fucking sick Trakeena. You don't care who lives and who dies. You just only want nothing more than to see people suffer. You would rather see people die.

Trakeena: Only the strong live and the weak die!

Me: No. YOU are the one that deserves to die! Just like when I killed your wretched father!

THAT SET TRAKEENA OFF!

She went at me some more and I dodged all her punches and attacks!

The team was really tearing the footsoldiers apart.

Nelson: Emma, you and your team know what to do!

I punched Trakeena into another rock.

Me: How does it feel to be on the opposite end of the whooping stick?

Trakeena got up and she was really mangled up.

Me: Just as pathetic as your father was.

Leo Corbett: When he shows up again, he's ours. But you? You're dying today!

Me: That's right!

Bonz: Time to summon my monsters!

He did so.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF TRAKEENA TO NO END! NOW, THE BATTLE TO FINALLY DESTROY TRAKEENA WAS ON!

Lincoln, Emma Goodall, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Trakeena, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Trakeena and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Emma Goodall, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked her super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Trakeena even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Trakeena and she got hit hard, and he also destroyed the Monitor Orb embedded in her forehead, and not only did we gain a massive power boost, but Trakeena clutched her head in pain.

Then, Lincoln formed and fired an rainbow energy ball that hit Trakeena on the back and she was left with a burning scar on her back.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Trakeena and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln flew with incredible godly superhuman speed with a rainbow, white, golden yellow, and blue energy-infused left fist and he punched Trakeena really hard in the stomach and that caused a massive cluster of rainbow flames to explode out of her from her back, and then, Lincoln formed a massive rainbow, white, golden yellow, and blue energy blade surrounding the 10'9" massive, wide, double-edged gold blade!

Ed Cowart: Ok, bug bitch, now you get yours!

Ed Cowart proceeds to insult Trakeena.

Ed Cowart: Ok, for a praying mantis theme bitch, you're ugly as fuck appearance and personality wise so much so that you had to get a steak to the dogs to play with you! And the outfit, Bug Bitch? Just no. Even Nabiki Tendo looked hotter than you, and she's one of my future wives! I don't know whether to call you a slutty mantis or the praying mantis of death! Whatever, just accept defeat, you bug bitch! Also, how do you like your face? Fried or scrambled? Oh, and one last thing?

Ed Cowart punched Trakeena's face to the point of being ugly beyond all reason!

Ed Cowart: That was for having Crumummy steal the beauty from all the female inhabitants of Terra Venture out of envy you slut!

Then, Ed Cowart threw an exploding pie at her which upon exploding launched Trakeena straight into a massive dynamite crate while there were some small flames on her which caused the crate to then explode launching her 10,000 feet high then she fell and landed on an exploding black forest cake which exploded leaving chocolate, coconut, and cherries all over her, and Ed Cowart wedgied Trakeena and pulled her underwear over her head!

Yulia was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Mari: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Carracosta and Persian and they transformed and blasted her all over.

Kira Textington: For so many years, so many innocent people have suffered because of your insane desire to destroy the world in the name of Malphas, and in many worst case scenarios, you murdered a lot of them in cold blood. Lincoln, Kira Textington, Nico, and I went after Windsor Grimm and Herodias Necroshade, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Windsor Grimm and Herodias Necroshade, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Kira Textington did the same by firing black, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive staff, and Lincoln, Kira Textington, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Windsor Grimm and Herodias Necroshade even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Windsor Grimm and Herodias Necroshade and we all found ourselves not only in Heaven, but also, in space.

Windsor Grimm and Herodias Necroshade became so enraged, they lost all sense of reason, and they suddenly transformed into demons as the sclera of their eyes turn dark red and the iris of their red eyes became brighter, their

Lincoln swung his massive greatsword and fired two powerful rainbow light helix blasts which hit Windsor Grimm and Herodias Necroshade, and not only did they transform back into human form, but the blasts also destroyed their dark powers forever, and Lincoln swung his massive greatsword again and fired blades of light which hit Windsor Grimm and Herodias Necroshade right in the chest and the blades pierced their black hearts, and we saw lights burst out from behind their backs, and they went up in flames and they turned to ashes, as their black souls were forever sent to The Black Abyss for eternity.

Suddenly, Kira Textington wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as

Lincoln leaned down to Kira Textington's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Kira Textington sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Selena Mendez: We did it. Windsor Grimm and Herodias Necroshade are gone forever.

Lincoln: Yep, now we got twelve more to go: Alex Creighton and Delilah Necroshade, Owen Thatcher and Belial Necroshade, Reagen Lestranfe and Abigor Necroshade Quentin Hargreaves and Damon Necroshade, Michael Ondrushko and Aragon Necroshade.

Me: And finally, the main Satanic demons, Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe and Alaister Necroshade, Leader of The Dark Church of Malphas, the war has only just begun. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, The Space Stone embedded in the blade of my sword and Lincoln's greatsword started glowing with intense light blue light.

Nico: Now, The Space Stone's glowing.

Raphaela Fukushima: There's only one person we're going to be meeting on Lincoln's rescue tomorrow: Sophia Yamamoto, Elemental Space Guardian of Space.

Lincoln: I knew it was her.

Me: Whoa, and she's got to be really strong!

Raphaela Fukushima: You have no idea, and you guys are going to love meeting her, Sophia Yamamoto, Elemental Space Guardian of Space, is Lincoln's Guardian Angel from Japan and she's a very powerful master of Cosmic Space Powers and Space. She was born with omnipotent power, immortality, invincibility, and the powers of Cosmic Space Powers, Omnipotence, Omniscience, Cosmic Awareness, space travel, teleportation, motion interference, and she has The Space Stone embedded in her forehead. She's a member of The Elemental Infinity Stone Guardians, the most powerful group of girls among Lincoln's Guardian Angels, they are six girls were born with the incredible powers of The Infinity Stones along with the elements of Cosmic Pyrokinesis, Cosmic Hydrokinesis, Cosmic Aerokinesis, Cosmic Geokinesis, Cosmic Umbrakinesis, Cosmic Photokinesis, and Cosmic Space powers, along with having said Infinity Stones embedded in them, and they were given the task of protecting Lincoln from the wrath of his enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas. She moved to Michigan where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Space Powers, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, space travel, teleportation, and motion interference, and he gained omnipotent power and the powers of Cosmic Space Powers, Omnipotence, Omniscience, Cosmic Awareness, space travel, teleportation, and motion interference, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Luan with a passion and she swore to send Luan into a pit of vipers, but she absolutely despises Thanos, Dark Chase Young, Malphas, Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and all of Lincoln's enemies and all those who want to use them for their insane schemes of destroying the entire universe, and she swore to send them out into space to die.

Me: (WHISTLES) Whoa.

Nico: Oh man!

Lincoln: Yep, and she and I have travelled out into space before, and it was so awesome, and we even travelled to different planets too.

Luna: He did a lot of that long before we also set out into space as well.

Nico: Wow.

Lynn: In other words, he was the first person to go out into space and travel to different planets.

Me: That's really awesome.

We then saw Dark Sebastian twitching in anger: what we did killing Windsor Grimm and Herodias Necroshade finally caused him to scream in demonic anger!

Dark Sebastian: DAMN YOU! DAMN YOU ALL! YOU'RE ALL GOING TO PAY!

But, then, we heard an inhuman roar, and we saw streams of darkness heading our way, and when they landed, what stood in their place were Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, and Alex Creighton, and they were pissed that we killed Windsor Grimm and Herodias Necroshade.

Me: Well, if it isn't Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, and Alex Creighton.

Alaister Necroshade: You damn bastards! You ruined our trap!

Nico: You should know we're never afraid of Hell or its demons, and you tried to take the battle to the very place you bastards were trapped in, that plan was doomed to fail.

Dark Sebastian: SHUT UP! SHUT THE FUCK UP, YOU DAMN BUBBLE-BUTT MONKEY! (ENRAGED SCREAM)

Nico: Heh, Bubble Butt? Look who's talking, at least, we're not the servants of a fucked-up blob of Eldritch Ooze created by Malphas!

Dark Sebastian: I will make you pay for this, all of you!

Suddenly, heavenly lights shined down and Lincoln flew into the air, and his massive white angel wings and ninety-nine sets of large white angel wings underneath spread out as he absorbed the flames from our battle with Trakeena. Plus, we also saw the damage we did was suddenly repaired.

Lincoln: You only know how to make threats, and you made those threats come true using violence and hatred. All you are is nothing more than the personification of hatred, destruction, and madness rolled into one, the same goes with your cronies, and you already saw that not even the darkness of Hell will protect you from us since we've killed Aragon Cochran, Nergal Glaphyra, Maacah Necroshade, Athalia Necroshade, Ryan McCabe, Jezebel Necroshade, Windsor Grimm, and Herodias Necroshade.

Me: That's right, you have nowhere to run, you pieces of shit.

Nico: And nowhere to hide.

Lincoln: That's for sure. Now, slither on back to the shadows where you belong, you blood-crazed world-destroying snakes.

Buster Bunny: And don't let us catch you running loose again, or I swear, you're gonna know what real pain is!

Babs Bunny: That's right! Now, beat it, you snakes!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, and

Alex Creighton let out unholy demonic screams as they turned back into black streams of darkness and flew back into the darkness swearing revenge on us!

Me and Nico: (FLIPS BOTH MIDDLE FINGERS AT THEM) Yeah, fuck you too! You better run, you fucking snakes!

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we took down and destroyed Trakeena forever, and we also took down our targets on Nico's rescue, and we also got rid of Narcissa Belladonna forever, and we also got rid of Windsor Grimm and Herodias Necroshade and pissed Dark Sebastian and the rest of those snakes off big time.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan went up to Lincoln.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful

aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan and the others.

Lincoln: (Seductive Voice) (Smirks) You said a mouthful.

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

MATRIX VENGEANCE OF ONCCALON

THE REVENGE OF ONCCALON!

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to Aerwiar, but as he was flying, he saw the symbol of Apophis and Sigil of Malphas in the sky, and then, he saw some familiar figures that we hoped never to see again: they were none other than our old enemies, Gnag the Nameless and Slarb, they'd been brought back from the dead by Anti-Monitor. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got big trouble.

Lincoln explained everything, and his harem specifically Girl Jordan and Leeli were horrified.

Girl Jordan: I can't believe it! Anti-Monitor brought Gnag the Nameless and Slarb back from the dead.

Leeli: And they're attacking Aerwiar.

Anna Anyanova: That's the last straw!

Lincoln: Don't worry, Anna. I'm not letting him get away with this, and I'm going to put those snakes in their place when Girl Jordan, Leeli, Aylia, and I sing Yurgen's Tune which'll kill Gnag the Nameless and Slarb for good, and it'll hit Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, and Alex Creighton who'll no doubt be hiding in the shadows, and they'll scream in agonizing pain as they'll be burned so severely and most of their dark powers will be destroyed. Plus, it'll also hit Dark Chase Young in The Warp and he'll be in for severe pain and it'll cause some of his dark powers to be destroyed.

Michelle Emperyous: That's perfect.

Selene Emperyous: We're telling everyone about this in the morning, and once they find out about it, they're gonna be so pissed off, and that also includes Eowyn.

Aylia Wingfeather: That's right.

Lincoln: We'll make sure Gnag the Nameless and Slarb are put down forever.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to Aerwiar.

Then, after Lincoln explained everything, we were pissed.

Eowyn Rosato Wingfeather: I can't believe it, Anti-Monitor brought back Gnag the Nameless and Slarb!

Aylia Wingfeather: And they're attacking Aerwiar again.

Me: This is the last straw, he's gonna regret this!

Nico: You said a mouthful, J.D.

Lincoln 2: (Through Lincoln's Third Eye) That's for sure. Oh, and take a look at this.

Lincoln's Third Eye glowed and fired a beam of light that formed into a tablet, and it had the crest of The Wingfeather Family.

Eli: Wait, is this a prophecy?

Lincoln 2: (Through Lincoln's Third Eye) Yes, that's correct, Eli. This was made many centuries ago, and it says that "The Youngest of The Wingfeather Siblings and the Champion of Ler will rediscover the truth of her family's bloodline linking her to The Song Maiden of Yurgen, and on the 10th of May of the 2nd Millennium, The Wingfeather Siblings and the family united once more shall bring an end to the terrors of Gnag The Nameless along with Slarb and all of Gnag's minions with the song of Yurgen the Sea Dragon"

WE GASPED IN AMAZEMENT!

Eowyn Rosato Wingfeather: I remember hearing about this prophecy, so that means, Jordan has already fulfilled the many parts of the prophecy.

Me: But, only one part remains: killing Gnag the Nameless, Slarb, and all of Gnag the Nameless' evil minions on Aerwiar.

May: And by singing the song of Yurgen.

Lincoln: Yurgen's Tune, only it can destroy Gnag, Slarb, and his minions forever, and it'll also hit the snakes hiding in the shadows. Plus, I've also got something extra for that draconic nightmare in The Warp.

Nico: Oh, this should be good.

Suddenly, we saw a tree grow inside the World Tree Estate with the Logia Fruits for Fire, Water, Earth, Wind, Lightning, Light, Darkness, Ice, Wood, Magma, Swamp, Clouds, Bubbles, Sand, Flowers, and Wings growing on its branches, and then, it glowed with intense light, and what stood in its place as the light faded was a girl with aqua blue eyes, long orange braided hair, massive rainbow angel wings, dark green and spring green clothes, and she has a Celtic Tree of Life with the Logia Fruits for Fire, Water, Earth, Wind, Lightning, Light, Darkness, Ice, Wood, Magma, Swamp, Clouds, Bubbles, Sand, Flowers, and Wings surrounding it in a circle on her forehead, right arm, and dark green skirt.

Lincoln: (GASPS) Elaine Rose, Gene-Slammer of Elemental HERO Poison Rose.

Luffy: The Ultimate Logia Queen and Elemental Human has returned!

Nico: Whoa! She looks really powerful!

Me: And you and Luffy know her, Lincoln?

Lincoln: We do, J.D.

Anna Anyanova: And so do we, I knew she'd return. Everyone, this is Elaine Rose, Gene-Slammer of Elemental HERO Poison Rose, she's Lincoln's Guardian Angel and she's the master of all the powers of all the Element Logia Fruits. She was wandering the streets and she was REALY HUNGRY and she ate the Logia Fruits for Fire, Water, Earth, Wind, Lightning, Light, Darkness, Ice, Wood, Magma, Swamp, Clouds, Bubbles, Sand, Flowers, and Wings, and she gained all the powers of the Logia Fruits and she became THE ULTIMATE LOGIA QUEEN! She became AN ELEMENTAL HUMAN! She's intensely powerful and is an absolute force of pure good and she's immortal, invincible, and cannot be destroyed with conventional means. She has intense power and she's also good friends with Luffy, the Straw Hat Pirates and Boa Hancock and many friends of Luffy and crew. She helped them bring down many of their biggest enemies. She came to Royal Woods and she taught Lincoln how to master all the powers of The Logia Fruits for Fire, Water, Earth, Wind, Lightning, Light, Darkness, Ice, Wood, Magma, Swamp, Clouds, Bubbles, Sand, Flowers, and Wings, and not only did he master all of them, but she also bestowed upon Lincoln the same powers as her by having him eat The Logia Fruits for Fire, Water, Earth, Wind, Lightning, Light, Darkness, Ice, Wood, Magma, Swamp, Clouds, Bubbles, Sand, Flowers, and Wings, and he also became AN ELEMENTAL HUMAN and THE ULTIMATE LOGIA KING in addition to immortality and invincibility that he gained when he was born, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a vengeance and vowed to destroy them all with the intense fury of the elements.

WE GASPED IN SHOCK AND AWE!

Maria: WHOA! OH MAN!

May: Oh man, so you two ate The Logia Fruits for Fire, Water, Earth, Wind, Lightning, Light, Darkness, Ice, Wood, Magma, Swamp, Clouds, Bubbles, Sand, Flowers, and Wings, and as a result, you two became...!

Lincoln: Yep, we became Elemental Humans and The Ultimate Logia King and Ultimate Logia Queen of Royal Woods, and thanks to my immortality and invincibility, my powers that I'd gained thanks to all that intense training from my Guardian Angels gained an extreme boost. Watch.

Lincoln made orbs of Fire, Water, Earth, Wind, Lightning, Light, Darkness, Ice, Wood, Magma, Swamp, Clouds, Bubbles, Sand, and Flowers appear, and he had them morph into us.

Eli: Wow!

Nico: Elemental Clones of us, cool.

Lincoln: You think that's cool, watch this.

Then, he morphed the Elemental Clones into dragons of Fire, Water, Earth, Wind, Lightning, Light, Darkness, Ice, Wood, Magma, Swamp, Clouds, Bubbles, Sand, and Flowers, and he sent them right at the jerks at Lynn's Table and they exploded and we saw it through a one-way viewing window and we busted out laughing.

Me: Nice!

Travis Tackett: Maybe, you can send them at Trevor and his friends who are in juvie.

Lincoln: (Smirks) Nice try, Travis.

Cage Blunt: (Snickers) Oh man, he caught on to what you wanted him to do.

Casey Antonio: Speaking of, they're really giving Carter and Jack a really hard time.

Travis Tackett: I warned them about Trevor and his goons, they're real jerks.

Caleb Maxwell: I'm starting to think I should throw them in prison.

Roxy Drake: Forget it, Caleb, they're stuck as teens forever, so we can't throw them in prison.

Suddenly, Lincoln pinned Elaine Rose to the floor and he kissed her on the lips as he wrapped his massive muscular arms around her waist and she placed her hands on his massive biceps. Then, he leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Elaine Rose with rainbow gems on the gold lightning bolts and rainbow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with an gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, Lincoln helped her up.

Elaine Rose: (Seductive Voice) (Rubs Lincoln's massive pecs) Well, that was one way of saying it's good to see you again.

Courtney woke up to see Heatran staring at her

Heatran: Morning Courtney.

Courtney: Oh morning Heatran.

Heatran: Time for breakfast.

She went and got dressed and went to the table and we were having eggs, waffles and bacon.

We were really eating.

Lincoln: Alright, now let's finish breakfast and head for Aerwiar. Gnag the Nameless, Slarb, your time is up!

Girl Jordan: We're going to make sure you and your minions never terrorize Aerwiar ever again, we'll make sure of that!

Nico: We all will. Gnag has lived for too long, this is where he dies once and for all along with Slarb and Gnag's army.

We finished our breakfast, and we headed out to Aerwiar for one final battle against Gnag the Nameless and Slarb along with Gnag's army, and this time, we're going to help the entire Wingfeather family get justice and destroy Gnag the Nameless and Slarb once and for all, and this time, we'll make sure he never ever rises again!

Eowyn Rosato Wingfeather: It sure is good to be here.

Camie: Wow no kidding.

Lana: And we're going to destroy Gnag and the Fangs forever.

Me: I can't wait to turn all those Fang jerks into lizard skin wallets!

Xenia: Nice!

Camie: Yeah!

Ymir: They deserve it.

Laney: I had no idea there was a prophecy involving the Wingfeathers.

Me: Me neither. This will be awesome.

Nico: I agree.

Metal Shark Player: Yeah no kidding there and I'm looking forward to this.

Me: Me too.

Nico: Metal Shark Player I want to thank you, Kee-Oth and your teams for coming.

Metal Shark Player: Anytime Nico. This is gonna be fun.

Nico: Yep.

Gaia Architeuthis: Yeah and this is gonna be cool!

Nico: Gaia, what do you like to do in your free time?

Gaia Architeuthis: I work in the fishing business. I bring in fish to the local fish markets.

Nico: Cool.

Gaia Architeuthis: Yeah it's good money.

Camie: I like that.

Ymir: Yeah.

Gaia Architeuthis: Yeah it puts bread on the table.

Lily: Rye or pumpernickel?

WE LAUGHED!

Gatomon: Fish!

Qin: Funny.

Laney: Yeah.

Camie: But it is good money.

Laney: Yep.

Nico: Yeah.

Me: WHEW! Man yesterday was epic!

Nico: It sure was! We killed Trakeena.

Poromon: Another villain of the Power Rangers down!

Me: Another one bites the dust!

Qin: Big time!

Laney: Yep. Now we just have to kill Scorpius on Leo's day.

Ymir: Yeah.

Me: Trakeena has been nothing but a thorn in my side since we battled the Werecats the first time in Louisiana.

Lola: Yeah!

Horsea: She beat you up!

Me: Yeah she did!

Ymir: Now she is gone forever.

Lola: Yeah!

Qin: Good riddance!

Emma: My Akuma was awesome though. I looked like a true angel.

Manaphy: You sure did!

Qin: Yep!

Taro: And we got rid of some of the Juto too!

Nico: We sure did.

Laney: Yeah. Also Poromon learned a massive lesson about being a teacher.

Ed: That teachers should include more clown videos?

Eddy: Shut up Ed.

Me: No that he should leave teaching to the professionals and teach the kids at stuff fitting for their age group.

Poromon: That's right.

Mevya: Again, leave me out of this

Me: Mevya you weren't with us.

Mevya: You're right.

Qin: But it was fun though.

Poromon: Yeah.

We walked around.

Lincoln: Okay, guys, we're here for one awesome battle, we're here in Aerwiar, and just as my dream foretold, we're here to kill Gnag the Nameless, Slarb, and the Fangs who've been resurrected by Anti-Monitor.

Me: That's right.

The rest of the team's with us.

Nico: Gnag and Slarb are going to pay for their crimes, and we'll make sure they never rise again.

Suddenly, Lincoln had a premonition as his large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a one-way viewing mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent another massive 12'6" werewolf with

demon wings and massive pack of 12'6" massive werewolves with demon wings after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another massive 12'6" werewolf with demon wings and massive pack of 12'6" massive werewolves with demon wings after us?!

Nico: Now that those snakes are freed from Hell, they're free to come after us once again.

Lincoln: We're more than ready for those pack of snakes, and we'll send them running back to Hell for good by absorbing their next demon winged werewolf and its pack and drain all their souls and send them to The Black Abyss. Now, let's get going.

Me: Right.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were

glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Gnag the Nameless, Slarb, and The Fangs) AHA! Gotcha! I just spotted Gnag the Nameless, Slarb, and The Fangs, they're 200 yards away, and they're marching towards us!

Nico: Let's get going!

Me: Time to end them!

Girl Jordan: You've lived for too long, Gnag, this time, you, Slarb, and the Fangs are going to die once and for all, and this time, you're never coming back!

Me: That's right.

Batman heard a Pokemon cry.

Batman: Look guys.

We saw a Mega Crobat!

Me: A Mega Crobat. Perfect for you Bruce.

Batman: It sure is.

Mega Crobat: Yeah and I'm hungry.

We gave it apples.

Mega Crobat: Thank you.

She ate them.

Mega Crobat: Ahh that helped.

Batman: Want to come with us?

Mega Crobat: I would be honored.

Me: Way to go Bruce.

Batman: Thanks.

Lana: That's not all here! Look!

We saw a Darmanitan!

Me: Whoa a Darmanitan!

Nico: How did that get here?

Me: I think it's one of Dark Gale's work.

Roshi: Let me see here.

He used Telepathy and gasped!

Roshi: It's my little sister Pele!

Me: WHOA! So this is number 4 of the Sisters of the Jinchuriki.

Qin: Yeah!

Me: Lets go help her.

We went over.

Roshi: Pele it's okay. It's me Roshi.

All she did was use Fire Punch on Horsea.

Maria then blocked the punch by forming her fist into water and grabbing her punch and throwing her back!

Maria: Stop attacking Horsea! It's getting old!

Nico: YEAH!

Horsea: YEAH! STOP IT!

Manaphy: Well, I'm not getting attacked!

Me: Okay enough lets focus.

I fired waves of fire and Roshi fired waves of fire and we blasted her.

We then bashed her down. I snapped my fingers and she reverted back and was a girl with red hair, red eyes, fire angel wings and had Son Goku and Darmanitan on her forehead and had a Volcano cutie mark on her arm and coming out of her butt was Son Goku's 4 Tails and we wrapped her in a blanket and brought her over.

Me: Looks like I'll have to report this when we get home.

Camie: Good idea.

She woke up to see Horsea's stern gaze.

Pele Roshi: (Groans) What? Huh? A Horsea?

Horsea: You almost hit me with a fire punch!

Pele Roshi: Sorry.

Roshi: Pele?

Pele Roshi: (GASP) Roshi!

She hugged him.

Pele Roshi: I thought I would never see you again.

Roshi: I'm okay thanks to J.D.

Me: Me and the Knights of the New Fire saved him from the Akatsuki. Long story.

Roshi: Yeah.

Me: Also you were turned into a Darmanitan by Dark Gale.

Pele Roshi: (GASP) I Remember!

She was in a red suit and was injected and in a burst of fire turned into Darmanitan! She busted out of the place.

FLASHBACK ENDS

Pele Roshi: It was awful.

Me: I know but we destroyed them forever.

Pele Roshi: Good.

Horsea: Not to be confused with Master Roshi.

Roshi: Yeah we have another me. But he is the Turtle Hermit.

Me: Long story but he is a pervert.

Nicole: And I'm keeping an eye on him.

Pele Roshi: Good. Also on Sonya's team I work as a lavamancer and volcano master of the team and burn our enemies. Outside the team I help bring the corruption of the 3rd Tsuchikage and the council of the Rock to justice.

Me: I knew that Onoki and some of the Rock Shinobi hold a grudge against many of their enemies but I didn't expect Onoki to be involved. But he changed to a certain extent.

Kurotsuchi: Yeah my grandfather made lots of mistakes but he wants to correct them and atone for his crimes. He named me as the 4th Tsuchikage later down the road.

Me: That's awesome.

Boruto: It is. But Onoki became like that because he was disillusioned with the way things were going in the times of peace.

Me: That makes sense. In his advanced age like that he practically couldn't start doing things like they used to in a sense.

Boruto: That's right Uncle J.D.

Me: Yeah.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new red clothes.

Pele Roshi: I look awesome.

Me: You sure do.

Horsea (in her head): The sooner I ask Manaphy to make that cloning machine, the better.

Me: Huh? Cloning Machine? Horsea are you and Manaphy making a Cloning Machine?

Horsea: Aw man! Yes we are.

Me: Sorry Horsea but I just read your mind. I can't help but listen in. With the power I have everyone practically has no thoughts I can't hear.

Horsea: This is going to fix the whole attacking me problem!

Me: Instead of a cloning machine you could just use Shadow Clones.

Horsea: I never thought of that.

Me: We'll worry about that later. For now lets get to working on our main objective here.

Nico: Right.

We then took off into the air to destroy Gnag the Nameless, Slarb, and the Fangs for good and send them and the next demon winged werewolf and its pack sent by The Order of The Dark Universe and The Dark Church of Malphas to The Black Abyss as well after Lincoln absorbs them.

We were flying in the air, and we saw our targets: Gnag the Nameless, Slarb, and the Fangs, and they were on the attack.

Lincoln: There they are. Let's give them what for.

Lincoln, Girl Jordan, Leeli, Eowyn Rosato Wingfeather, Nia, Aylia, Janner, and Tink fired waves of water, light, and magic that hit Gnag the Nameless, Slarb, and The Fangs, and drenched them hard, and it angered them big time as we landed.

Me: Hello Gnag!

Gnag the Nameless: (SNARLS) I knew you'd come back here, now we will destroy all of you and all of Aerwiar will be destroyed!

Girl Jordan: No, we will never allow that, Gnag the Nameless!

Me: And you've got some nerve coming back, same with you, Slarb.

Nico: Of course, Anti-Monitor was to blame for all of this. When we get done with his minions, we're gonna make that monster pay for this.

Lincoln: That's for sure. But, right now, it's time we took care of you, Slarb, and your minions for good, Gnag the Nameless, or do you prefer the name, Davion Wingfeather!

WE GASPED!

Me: Davion Wingfeather?! As in...!

Lincoln: Yes, Gnag the Nameless' true name was Davion Wingfeather, he's the lost son of Ortham and Madia Wingfeather, and the brother of Illia and Jru Wingfeather, and he's also the great granduncle of Janner, Tink, Leeli, Girl Jordan, Eowyn, and Aylia Wingfeather. But, he's nothing more than a monster for creating The Fangs and trying to go after The Jewels of Anneria to open The Fane of Fire.

Eli: And like all monsters, he must be destroyed!

Me: Big time!

I telepored and punched Gnag and kicked him.

Girl Jordan fired a dragon made of water and drenched Slarb!

Eli fired waves of Force Lightning ad electrocuted them both!

Mega Crobat charged at them and blasted them with sonic waves.

Nico teleported and bashed Slarb all over!

POW POW POW POW POW POW POW POW!

Leeli blasted him all over.

Slarb: You will pay for what you did in humiliating me! (HISSES!)

Leeli: You will pay for everything YOU did you bully!

Poromon pecked them and blasted them with lightning!

Lucca used the Core Medals of Marle, Crono and Ayla

Robin used the Core Medals of Hothead, Speedy and Wildebeest

Cyborg used the Core Medals for Bumblebee, Aqualad and Speedy

Beast Boy used the Core Medals for Thunder, Lightning and Pantha

Raven used the Core Medals for Saint Walker, Indigo One and Carol Ferris

Starfire used the Core Medals for Red Star, Argent and Wonder Girl

Tara used the Core Medals for Jinx, Geoforce and Herald

Kole used the Core Medals for Jericho, Groot and Star Lord

Layla Williams used the Core Medals for Gamora, Nebula and Storm

Volcana used the Core Medals for Livewire, Killer Frost and Phantom Girl

And they fired waves of elements and blasted them all over.

Qin: YEAH!

Poromon threw a beer bottle

SMASH!

It hit Slarb on his head.

Qin fired waves of fire and blasted them.

Pele Roshi: Like old times?

Roshi: You know it!

Roshi and Pele: LAVA STYLE NINJA ART: SCORCHING MISSILE BARRAGE!

They fired a massive barrage of lava bombs and blasted Gnag and Slarb.

Nico: Take that!

Roshi: Just like clockwork!

But then...

CRASH!

A figure crashed into the ground and it was Luxord with a star aura! Then out came the next member of the Daughters of Organization XIII.

Lilly Orlud Luxord: Looks like the fun is gonna start.

Lincoln: Lilly Orlud Luxord!

Lilly Orlud Luxord: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Lilly Orlud Luxord, Daughter of Luxord, she's Lincoln's Guardian Angel from The World That Never Was, she's a powerful master of the forces of water, and she's known as The Master of Fate and Time of The Daughters of Organization XIII, they are the daughters of the members of Organization XIII and they have elemental angel wings and black clothes and the weapons of Organization XIII and the kanjis of the elements on their foreheads, and Aniya and her friends absolutely loathe Xehanort with a bloodstained vengeance. She came to Royal Woods where she met Lincoln and swore to protect him from all threats and it not only included Dark Chase Young, but also, Xehanort as well, because Lincoln also had a hand in killing the evil Xehanort. She trained Lincoln in mastering the forces of time and fate, and in a split second, he mastered the powers of time and fate, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Joyce Crandall with a passion.

Me: WHOA! Awesome to meet you.

Lilly Orlud Luxord: Same here. Lily you want to help me out?

Lily Loud: You got it!

She went to help her.

Trust) Your time here is done, and now, it's time to finish this!

Andre Lupescu flew up into the air and charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS GNAG THE NAMELESS, SLARB, AND THE FANGS AS THEY WERE SENT INTO THE AIR AND THEY ALSO GOT BURNED BAD!

Andre Lupescu came back to us before they could recover and that angered Gnag the Nameless, Slarb, and The Fangs.

Gnag the Nameless: (GROWLS) Kill them!

The Grey Fangs went after us, but Lincoln stood his ground and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the Grey Fangs, and he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the Grey Fangs except for their armor and Lincoln drained their souls dry of power and energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Lincoln: Time for the big guns.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and we saw a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar.

Lincoln: (Cracks Knuckles and neck)(Smirks) This is gonna hurt!

Lincoln went at Gnag the Nameless, Slarb, and the other Fangs and he brutally smashed them down all over the place with his massive godly superhuman strength. Then, he punched them hard in the stomach and kicked them in the stomach and sent them flying into a wall, they got back up, but they were enraged.

Suddenly, we heard more vampiric shrieks, and we saw more vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Suddenly, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by an icy blue mist. Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he

struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Then, Sherlock Hound attacks another vampire and the blade slashed the vampire and he turned to ashes. Then, he swung his massive greatsword again and fired projectiles of fire that hit and turned more of them to ashes!

Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a massive 12'6" werewolf with demon wings that was summoned by Dark Sebastian and his minions, and with it was a massive pack of 12'6" massive werewolves with demon wings.

Lincoln: Ugh, I knew Dark Sebastian would summon them. I'll take care of them at once.

Lincoln went after the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the demon werewolves' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Seeing what happened to the werewolves had royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, and Windsor Grimm!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, Jordan Rosato Wingfeather, Leeli Wingfeather, Janner Wingfeather, Tink Wingfeather, Aylia Wingfeather, Nia Wingfeather, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked Gnag and his minions hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength and this was making Gnag the Nameless and his minions angrier.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Gnag the Nameless, Slarb, and The Fangs, and we found ourselves not only in Heaven, but also, in space.

They fired a massive blast of purifying light that hit Gnag the Nameless and Slarb, and the purity of the song caused them to scream in agony and they were reduced to nothing but bone and ashes and their spirits were sent to The Black Abyss.

But, it didn't stop there, the purity of the song and the light hit Dark Sebastian, Alaister Necroshade, Aragon

Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, and Alex Creighton which forced them out of the shadows, and they screamed in agonizing pain as they're burned so severely and most of their dark powers were destroyed.

But, that also didn't stop there, the purity of the song and the light also hit Dark Chase Young in The Warp and he screamed in agonizing pain as he felt the purity of the song and that caused some of his dark powers to be destroyed forever.

We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, one-hundred massive and long brown and light brown wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads and large gold Yata no Kagami mirrors with gold ocean wave-shaped frame and embedded gems behind the large gold halos and four large gold Yata no Kagami mirrors with gold ocean wave-shaped frames and embedded gems behind the four large orbiting gold rings, one-hundred large ocean blue planets orbiting around the legs, one-hundred smaller ocean blue planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized ocean blue planets orbiting around the wrists and ankles, and massive brown and light brown angel wings and ninety-nine sets of large brown and light brown angel wings underneath the massive brown and light brown angel wings of Jordan Rosato Wingfeather, Leeli, Janner, Tink, Aylia, and Nia Wingfeather are permanent.

Me: Wow!

Nico: Yurgen's Tune wiped Gnag and his minions out and banished them to The Black Abyss. (Spotted Dark Sebastian and his minions) And look who got dragged out of the shadows!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, and Alex Creighton were still screaming in agonizing pain.

Lincoln: It also forced Dark Sebastian and his minions out of the shadows, and it also hit Dark Chase Young in The Warp, he couldn't stand the purity of the song and it caused some of his dark powers to be destroyed forever.

Me: I felt it too. So, you snakes were trying to ambush us after we killed Gnag the Nameless, Slarb, and his minions, eh? Too bad.

Nico: Yep, Yurgen's Prophecy has been fulfilled and Gnag the Nameless, Slarb, and his minions are gone forever. Now, get out of here and don't let us catch you assholes lurking in the shadows again!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, and Alex Creighton let out unholy demonic screams as they turned back into black streams of darkness and flew back into the darkness.

Lincoln: What a bunch of sore losers from Hell.

Lincoln: Yep. (Sensed the Anothers) Uh oh, here come the Anothers!

Lincoln: Sorria Skyla and Bianca Miller!

Phoebe Miller: Bianca!

She went and hugged her.

Phoebe Miller: I'm so happy to see you!

Bianca Miller: Me too sis!

Me: Care to introduce us?

Anna Anyanova: Sure. The girl wiht blue hair is Sorria Skyla, Keyblade Knight of Skyla, she's Lincoln's Guardian Angel from Skyla and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of Skyla and she's a master of water, ice, the sea and the fish, and more. She is a powerful force of good and also she hates Ursula and Morgana and wants to make sure they are dead. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him about mastering the powers of water, ice, the sea and the fish and more, and over time, Lincoln gained all the powers of water, ice, the sea and the fish and more, and she also helped him bulk up in muscle, and she also hates Lincoln's enemies with a vengeance especially Scoots and she vowed to drown that spineless old goat in water.

Me: WHOA! Scoots is dead and gone for good.

Anna Anyanova: That's right and the girl with blond hair is Bianca Miller, Keyblade Knight of Banarea, she's Lincoln's

Guardian Angel from Banarea and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of the planet Banarea and also the older sister of Phoebe Miller and she is a master of bananas, banana cream pie and a great banana chef. Also she hates her father for his controlling personality. The reason? Like her sister Phoebe she has beautiful blue eyes and her father hates them! She ran away and promised to make sure that she and Phoebe and her mother are far away from their so-called father forever and sent to prison for his abuse. She called him a vicious and horrible and spiteful human being that doesn't care about anyone but himself and hurts people and others for his own pleasure and she vowed to make sure he pays! She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him about mastering the powers of bananas and banana cream pie, and over time, Lincoln gained all the powers of bananas and banana cream pie, and she also helped him bulk up in muscle. Plus, Bianca taught him how to cook with bananas and helped Luan make good things with bananas, and she also hates Morag with a vengeance and vowed to make her slip on a bunch of bananas into a massive pool full of piranhas and let them eat her alive!

Me: WHOA!

Qin: Crazy!

Bianca Miller: Yep.

Sorria Skyla: Yeah and also we have all of Kee-Oth's powers.

Kee-Oth: That is cool!

Nico: Yep and who is your friend?

Another Courtney: Someone who is always proud of her big sis

She reverted back and was a mini-version of Courtney.

Courtney: (GASP) Carly!

She went and hugged her.

Carly: My sister! I'm so happy to see you.

Courtney: Me too! Carly is my sister and she hates all my enemies.

Carly: And I'm glad Heather is gone too.

Me: We are too. Same with Billy McLean.

Kaito (gets out Dynaman gear): Did Swartz promise you anything?

Zocks (Gets out Bioman gear): Because we can grant it instead.

They got weapons from said ranger teams.

Bianca Miller: No he didn't because he was scared of us.

Sorria Skyla: Yeah he was scared.

Me: I see.

Sougo (gets out Dynaman Ridewatch): Heather's actually locked up

Geiz (Gets out Bioman Ridewatch): But Billy's in the Black Abyss

Sougo got DynaRedArmor while Geiz got Red1Armor

Carly: I'm glad for that.

Me: So is the world.

Camie: Yeah.

Lincoln: Lets separate you girls.

We did so.

Me: Lets get it on.

Nico: (Gets out Kee-Oth's Ridewatch) GIVE ME BACK MY BLOOD JOSHUA!

May: (Gets out Dopey Dick's ridewatch) 20 Years Trying and you missed again ya Shovel Nosed Mackeral! No good bushwacking barracuda!

Maria: (Gets out Tiger Shark's ridewatch) Time for some tiger power!

Gaia Architeuthus: (Gets out Sharkopaths Ridewatch) Sharks are more vicious than ever!

They used the powers of Kee-Oth, Sharkopaths, Dopey Dick, Corroding Shark, Tiger Shark and Nightmare Shark and blasted the Anothers.

Me: Yeah!

Then Monspeet of Silence, John Jack Daniel Torrence, Gat Bot, Aligned Shockwave, Knight (Sonic Frontiers) and Getogeto came.

Nico: WHOA! Nice team Monspeet!

Monspeet: Thanks Nico.

Aligned Shockwave: Thank you for having me on this team

Nico: Not a problem.

Me: Awesome.

Qin: Yeah.

Commando Man: My team's next.

Me: Yep.

Then out of a vortex of ice and light came Number 94: Crystalzero and Number 93: Utopia Kaiser!

Me: WHOA! Number 94: Crystalzero and Number 93: Utopia Kaiser!

Nico: Awesome!

Number 94: Crystalzero: (In a girls voice) And the fun has started.

Number 93: Utopia Kaiser: (In a girls voice) Yeah.

Nico: Crystal Zira and Lola Utopia! Wow!

They reverted back and Crystal was a girl with blue hair and blue eyes and blue clothes and wings and had Number 94: Crystal Zero on her arm, forehead, skirt and shirt and Lola was a girl with blond hair and yellow eyes and blue and yellow clothes and yellow and blue wings and had Number 93: Utopia Kaiser on her forehead, skirt, arm and shirt.

Lola Utopia: Good to see you Nico.

Crystal Zira: Same here. We got this.

Lola Utopia: 93 UTOPIA BLASTS!

Crystal Zira: 94 CRYSTAL SHARD STORM!

They fired waves of energy blasts and shards and blasted the anothers and I caught the ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Lola Utopia: Thanks Nico!

Crystal Zira: Yeah!

Me: That was cool.

Gaia Architeuthis: Do you girls have any good memories of Nico?

Crystal Zira: We sure do. Mine is when me and Nico were in Alaska and we found a ship under the ice and found an amazing treasure in it.

Me: Whoa! That is cool!

Lola Utopia: Yep and mine is when me and Nico were on my island and we found an awesome treasure.

Me: Cool! Wait you own an island?

Lola Utopia: I sure do. Long story.

Nico: Yeah.

They hugged.

Nico: I've missed you girls.

Lola Utopia: We did too.

We went back home and I went to the Leaf to file a report with the Hokage and she was amazed.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in the world of One Piece, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're going to face Spandam, the former chief of CP9, and we're going to make him pay for both humiliating and beating Nico Robin when she was captured by him, and I'm going to beat him into a coma.

Nico Robin: I knew he'd come back, but this is the last time we ever have to deal with him.

Nico: After everything you told us about him, we already hate him big time.

Me: Same here.

Metal Shark Player: I hope he never wakes up from his coma.

Lincoln: Leave that to me. Now, let's go.

We got a move on, and then, we found our target: Spandam, former chief of CP9, and we also spotted Dark

Sebastian and those snakes.

Dark Sebastian: YOU BETTER KILL TEAM LOUD PHOENIX STORM, OR I SWEAR I WILL KILL YOU MYSELF!

Spandam punched Dark Sebastian in the face!

Spandam: Shut up! I'll deal with them on my own terms, I don't need some freak telling me what to do! I'll make that bitch pay for what she did to me along with Team Loud Phoenix Storm!

?: Shut your mouth, maggots!

SLASH!

SCREAMS!

Lincoln unholstered his massive greatsword and slashed their mouths giving Dark Sebastian and Spandam slit mouths. Dark Sebastian's mouth healed, but he hissed angrily at us and ran back into the darkness, and the rest of us landed.

Nico Robin: You've got some damn nerve showing up here after all this time, Spandam. I thought I was finally rid of you.

Spandam: Shut your mouth, bitch! Once I kill all of your friends, you're going to be beaten and humiliated again until you drop dead, and then, I'll feed your dead body to the sharks!

POW!

Lincoln punched him hard in the mouth and broke his teeth!

Lincoln: And that is one of the reasons why I'm going to beat you into a bloody pulp for this. You've humiliated and beaten one of my future wives like an animal and treated her like shit! You're just as bad as the asshole relatives of my Guardian Angels and future wives, but for you to almost make a deal with Dark Sebastian who's nothing more than a conniving two-faced murderous psychopath, that is the last straw.

Nico: You better be ready for the beating of your fucking life, asshole!

Me: You're going to be beaten into a bloody pulp for everything that you did to Nico Robin.

Eli: And you should consider yourself lucky you're going to be beaten into a coma, we want to do a lot more to you considering the damage you did to Nico Robin, and by that, I mean resort to murdering you. But, by the time Lincoln gets done with you, you're gonna wish that we killed you.

Spandam: WHY YOU! HOW DARE YOU THREATEN ME!

Spandam tried to attack us again, but Lincoln kicked him hard into a tree! OUCH! Then, Leonidas, Lincoln's white Winged Wolf also attacked him and mauled him.

Travis Tackett: When Lincoln found out what you did to Nico Robin, you basically threw yourself into the lion's den.

Cage Blunt: Well, it's no skin off our noses, you deserve it for being an asshole to a woman.

James Blunt: And that's something I can't stand, it's people like you that give all us males a bad name.

Andre Lupescu fired a massive wave of snow, ice, and darkness at Spandam and they hit him, and that pissed him off even more.

But, before Spandam could attack, he was hit by blasts of stars and sapphire blue energy, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long sapphire blue hair and sapphire blue flower in her hair, blue eyes, massive sapphire blue angel wings, she has The Space Stone on her forehead, sapphire blue short-sleeved blouse, sapphire blue sleeveless crop top, white gloves, sapphire blue skirt, sapphire blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, phoenixes, and angels on the coattails, and on the back is The Space Stone, she has a light greatsword in her right hand, and with her are the five girls.

Lincoln: (GASPS) Sophia Yamamoto, Elemental Space Guardian of Space.

Sophia Yamamoto: Yep, and I got the girls away from that bitch. Now, it's time to finish him off.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS SPANDAM, AND HE GOT BURNED BADLY!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Spandam, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON SPANDAM! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

LINCOLN SLASHED AT SPANDAM WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND HE SCREAMED IN AGONY!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen when we kill you.

Then, Andre Lupeau went after Spandam and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Lincoln, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Von Lycaon, and Sly Cooper went after Spandam, and they fired extremely powerful blasts of rainbow, black and blood red, red and yellow, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, raccoons, devil hounds, demons, devils, phoenixes, and angels at him, and they exploded with incredible power as they hit him. Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked him hard with his new cane.

Then, Skippy balanced himself on his tail and delivered a hard kick to Spandam's crotch destroying it forever, and he screamed in agonizing pain.

Adrian Morrigan went after Spandam, and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded with incredible power as they hit him. Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at Spandam which hit him hard.

Lincoln continued smashing Spandam hard with his extremely massive godly superhuman strength, and he was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he's continuing to smash Spandam all over the place!

Qin: That bastard doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering him, now he's at the mercy of The True Alpha Vampire-Werewolf Hybrid Angel of Gotham Royal York.

Me: That's for sure.

Then, Lincoln fired blasts of elements and energy at Spandam and he got beaten up real good and he was mangled!

Then, Lincoln threw one last punch to Spandam's face, and not only was he knocked out, but he was put into a coma where he couldn't wake up ever again, and we threw him in prison forever. We cheered as we holstered our weapons and powered down and we came back home to The World Tree Estate.

Lincoln: See you never, Spandam.

Me: I think that last punch you gave him sent him into a coma where he'll never wake up from again.

Nico: He deserved it. What he did to one of his future wives is an inexcusable act that can't escape any form of judgement.

Lincoln: That's for sure, and better for him to be in a coma forever than dead, that itself is my kind of punishment for him. (To Sophia Yamamoto) And it's so good to see you again, Sophia.

Sophia Yamamoto: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Sophia Yamamoto had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Sophia Yamamoto was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Sophia Yamamoto: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Sophia Yamamoto and hugged her, and Sophia Yamamoto is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew

a lot since then.

Sophia Yamamoto: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or

massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Sophia Yamamoto, Elemental Space Guardian of Space, she's Lincoln's Guardian Angel from Japan and she's a very powerful master of Cosmic Space Powers and Space. She was born with omnipotent power, immortality, invincibility, and the powers of Cosmic Space Powers, Omnipotence, Omniscience, Cosmic Awareness, space travel, teleportation, motion interference, and she has The Space Stone embedded in her forehead. She's a member of The Elemental Infinity Stone Guardians, the most powerful group of girls among Lincoln's Guardian Angels, they are six girls were born with the incredible powers of The Infinity Stones along with the elements of Cosmic Pyrokinesis, Cosmic Hydrokinesis, Cosmic Aerokinesis, Cosmic Geokinesis, Cosmic Umbrakinesis, Cosmic Photokinesis, and Cosmic Space powers, along with having said Infinity Stones embedded in them, and they were given the task of protecting Lincoln from the wrath of his enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas. She moved to Michigan where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Space Powers, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, space travel, teleportation, and motion interference, and he gained omnipotent power and the powers of Cosmic Space Powers, Omnipotence, Omniscience, Cosmic Awareness, space travel, teleportation, and motion interference, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Luan with a passion and she swore to send Luan into a pit of vipers, but she absolutely despises Thanos, Dark Chase Young, Malphas, Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and all of Lincoln's enemies and all those who want to use them for their insane schemes of destroying the entire universe, and she swore to send them out into space to die.

Nicole: Lincoln told us everything about you yesterday, Sophia. You have Cosmic Space Powers, Omnipotence, Omniscience, Cosmic Awareness, space travel, teleportation, motion interference, omnipotent power, immortality, and invincibility. Say, does this mean you also have the powers of the stars and nebulae?

Sophia Yamamoto formed a massive nebula in the sky with stars.

Nico: Impressive.

Me: Wow.

Lincoln: Yep, and we've travelled through space before in the past as I said yesterday, and we'd also been documenting about the planets we'd travelled to, but only planets that are benign and peaceful, but not to planets that are hostile.

Me: That's good.

Nico: And with what you did on Planet Cochle by absorbing the Cochleanians and sucking in the core of the planet and the planet itself, I think it's safe to say that when we encounter any hostile planets, we'll let you absorb its inhabitants and suck in the core of the planet and the planet itself.

Lincoln: That's for sure, and now that you're here, Sophia.

Lincoln with his massive muscular arms still wrapped around Sophia Yamamoto's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Sophia Yamamoto: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Sophia Yamamoto with sapphire blue gems on the gold lightning bolts and sapphire blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Sophia Yamamoto: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sophia Yamamoto.

Sophia Yamamoto had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Sophia Yamamoto's waist, and he leaned down to her face and kissed her on the lips, and with Sophia Yamamoto's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Sophia Yamamoto had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Sophia Yamamoto: (In Heaven) My God. Oh, Lincoln, tell the boys to run and hide in their rooms, the five girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the five girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the five girls are Bellbell, Sonia, Alshar, Nephilia, and Luxis from Kyonyuu Fantasy 5 -Ouji Rin-.

Lincoln: Oh whoa, it's Bellbell, Sonia, Alshar, Nephilia, and Luxis from Kyonyuu Fantasy 5 -Ouji Rin-.

Nicole: Uh oh, so those were the girls Isabella rescued, and it's no wonder Travis and Red said that kind of warning, these girls are really sexy. That bastard tried to hurt them in the same way he hurt Nico Robin.

Lincoln: Too bad for him, I don't take kindly to someone like that animal running loose, and it was never going to end well for him. Are you girls okay?

Bellbell: Yes, we're okay, thanks to you.

Then, when Bellbell and the other four girls saw who it was that saved them from Spandam, their faces turned atomic red upon seeing the 12'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down Bellbell: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and

his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light.. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Nephilia: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Bellbell, Sonia, Alshar, Nephilia, and Luxis with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one intense battle.

May: That's for sure. Plus, Lincoln really got justice for Nico Robin and sent Spandam into a coma where he will never awaken.

Lincoln: That's right.

Nico: Someone like that should never be out to cause havoc again.

Me: He deserved to be put into that coma forever.

Eli: He'll never awaken again, that's for sure.

Luna: In the event he does, he'll be knocked out again.

After Lincoln and all of us took down Spandam and Lincoln beat him into a coma, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Sophia Yamamoto saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with

900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Sophia Yamamoto: My God, I was right that Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Sophia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Sophia Yamamoto: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Sophia Yamamoto: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing

900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Cage Blunt got out a videotape.

Cage Blunt: Okay, now this videotape I have here, this was from a day after Caleb's encounter with us when we were under the Demon Blood influence, and he was living in the college dorms at the time. But, the safety of the dorms themselves weren't enough to keep us out, and that led to Caleb left with no choice but to run.

Cage Blunt put the videotape in and it played on the big screen showing New York at night in 1984 and it's been a day after Caleb's encounter with a Demon Blood Influenced Cage Blunt and Travis Tackett, and he was in his dorm room trying to get some sleep. Yet, despite the safety of the dorms and security there, he hadn't forgotten of who he'd encountered.

Suddenly, a noise from outside caused Caleb to wake up, and dressed only in his red short-sleeved shirt and long black pants, he got his knee-high black boots on after he got up and he went outside.

Past Caleb Maxwell: Hello? Is anyone out there?

Caleb Maxwell put the key to his dorm room on around his neck and he closed the door to his room and went out of the security of the dorms and into the dark halls of the campus.

Maria: Aw dude, that's 80s horror movie rule Number One: never go out into the darkness alone and without any light!

Nico: That's for sure, you have no idea what kind of creature is lurking in the darkness waiting to pounce on you!

Caleb Maxwell: I had an idea though.

We then watched the screen again as Caleb Maxwell continued walking through the dark corridors of the campus until he came to the lobby. Suddenly, he winced in pain as his mark reacted.

Past Caleb Maxwell: Oh dear God, and me without anything to defend myself. Show yourself, I know you're out there, come out or I'm calling campus security and the cops!

Suddenly, a figure came out, but Caleb couldn't see who it was, but when the figure got closer into the moonlight, Caleb let out a horrified gasp: it was Cage Blunt. Caleb stood back slightly, but he was frozen in horror.

Past Cage Blunt: (Smirks) Leaving so soon, Caleb? Why don't you stay a while for a quick...bite?

Cage Blunt pounced on Caleb Maxwell who let out a bloodcurdling scream that echoed across the campus and he dodged the vampire and he began running back to his dorm room with a bloodthirsty Cage Blunt following him. Caleb saw the light coming from his dorm room and he ran inside and shut the door with his heart still pounding like crazy and he backed away slightly from the door. But, as he turned around, he freaked out and was greeted by Travis Tackett hanging upside down.

Past Travis Tackett: Hello, Caleb.

Travis Tackett landed and Caleb knew he was screwed.

Past Caleb Maxwell: Nice to see you too, Travis. What the heck are you two doing here?

Past Travis Tackett: Oh, I think you know why. (Chuckling Darkly)

That freaked Caleb out big time and he turned to the door, but as he opened it, he was met by Cage Blunt in the doorway, and as Caleb backed away slowly, Cage Blunt came in and shut the door as Travis Tackett locked it. Caleb was in trouble now, his only way out was locked and he was trapped in a room with two vampires hungry for blood.

Nico: Oh no. You're trapped in your own room cut off from your escape route and worst of all, you're trapped in your own dorm room with two vampires hungry for your blood.

Caleb Maxwell: That was truly a frightening nightmare I wouldn't forget.

We then looked to the screen and Caleb was really freaking out now.

Past Caleb Maxwell: (Thinking) Damn it, what do I do now?! I'm trapped in my dorm room with two vampires hungry for blood and my only way out has been cut off! I could try to drop down from the window, but the way down is really deep! I'll break one of my legs if that happens!

Caleb's mind was panicking as he tried thinking of a way to escape, but his body kept telling him to run! But, before he could make a move, Cage Blunt grabbed him by the waist with his left arm and brought him very close to his body, and as he leaned his head down to the right side of Caleb's trapezius and neck, he caught the scent of the human teen's blood, and then,...!

HISS! CHOMP! BLOODCURDLING SCREAM!

Caleb Maxwell let out a bloodcurdling scream as Cage Blunt sank his fangs into his right trapezius and he began drinking his blood. When Cage was done, he retracted his fangs and licked his mouth as some of Caleb's blood fell from the side of his mouth and he licked the bite marks he left. Caleb was about to faint, but Cage grabbed his chin and made him look into his eyes.

Past Cage Blunt: Hey now, don't go passing out, we're just getting started.

Suddenly, Cage Blunt felt a sharp pain course through his body, and he let out a scream as he fell to the ground on his back, and as his eyes went wide open, the sclera of his eyes changed from black back to white. Then, he slowly got back up.

Past Cage Blunt: Ugh, w-what happened?

Then, he looked in the mirror and he saw the Demon Blood was out of his system.

Past Cage Blunt: The Demon Blood's out of me.

But, then, when he saw Caleb Maxwell and he was gripping his right trapezius as blood seeped out of his fingers. Then, he suddenly remembered what he did to Caleb and he was horrified. Then, he ran to the teen and hugged him.

Past Cage Blunt: Oh God, Caleb, I'm so sorry!

Past Travis Tackett: What the? Cage, what are you...?

Past Cage Blunt: Travis, stand down!

But, Travis Tackett hissed at him and tried to attack Caleb, so Cage still holding on to Caleb used his power to knock down Travis Tackett by pointing his left hand at Travis and clenched his hand tight and made him pass out and he tied him up. Then, he got to work treating Caleb.

Past Cage Blunt: I am so sorry for what I did to you, Caleb.

Past Caleb Maxwell: What was with the sclera of your eyes, they were pitch black.

Past Cage Blunt: I drank Demon Blood, and it was forbidden by The Council because it makes our vampire side way more bloodthirsty to the point of committing acts of evil towards the innocent. But, your blood somehow got it out of my system.

Past Caleb Maxwell: And your friend?

Past Cage Blunt: I may sound like a jerk, but I'm gonna let him sleep it off. (Snickers) He's gonna have one hell of a hangover.

Caleb Maxwell spent the whole night packing his bags immediately with the help of Cage Blunt, and after that, he got his stuff into the car and drove Caleb back to his home as the video ends.

Me: Oh man, that demon blood really messed with your minds!

Cage Blunt: You have no idea, and we were really that sadistic towards Caleb that night, he was really terrified.

Travis Tackett: Looking back on that night as well, we really had a lot to make up for with him.

James Blunt: Caleb told me about it, and he was really horrified he had to go through that again, and Cage was right, Caleb's blood cleansed his system of the demon blood inside him. But, it wouldn't last for long and Cage wound up getting drunk on Demon Blood again.

Marlene Maxwell: And after what happened on that night, Caleb switched from living in the college dorms to going home.

Cronus Chase: I couldn't believe this was the first time in history Caleb went against the rules of living in the college dorms, but after that night, I don't blame him.

Leela Salyers: That day, the officials at the campus were about to get really snippy, but unfortunately for them, Caleb decided to let out the aggressive side he got from his mother. So, in preparation for this, he called in Christiano Maxwell for help, and they immediately agreed to let Caleb switch from living in the college dorms to going home after class was over.

Lincoln: That was rather slippery of you to do so, Caleb.

Caleb Maxwell: Couldn't be helped, the officials at the campus tend to get snippy when someone has gone against the rules, and I can also show that I'm a really aggressive person as well, and I'm not afraid to get my family in here to settle the dispute.

Allie Maxwell: Especially Uncle Christiano.

Marlene Maxwell: Yep, getting the wild man of our family in the same room as those pricks, it means locking them in a cage with a gorilla.

Nico: Yeesh!

Eli: So, in some way, Caleb can also get wild if he gets mad.

Marlene Maxwell: Yep, we're wild, crazy, and always stand for justice and doing the right thing.

Nico: And not afraid to back out of a fight.

Caleb Maxwell: Exactly, we don't back out of a fight, we march in and end things before it gets really ugly.

We got a shower, and then, Lincoln, Myro, and Tessa Elliott are heading to Laverra Beach.

Lincoln snapped his fingers, and the 12'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Myro and Tessa Elliot are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Myro and Tessa Elliot all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all, and Lincoln brought Tessa Elliot back to life, and her appearance was this: fair skin with freckles yellow bow with pink polka dots, gold hair, yellow and pink dress, and pink Mary Janes.

Myro: Wow, we're here in Laverra Beach, it sure is beautiful.

Lincoln: It sure is, Myro, and it's perfect for our first date, shall we?

Lincoln, Myro, and Tessa Elliot dived into the waters and they started swimming and they all saw the marine life that lived there. Then, they went back to the beach where the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an awesome volley ball game, and they went to a workout area that Lincoln created, and Myro and Tessa Elliot got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift one-hundred and two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and one-hundred massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Myro: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made a clone of himself and he and his clone went up to Myro and Tessa Elliot and hugged them in their abnormally massive and powerful muscular arms, and Myro and Tessa Elliot placed their hands on the massive hairy pecs of Lincoln and his clone.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of

Myro and Tessa Elliot and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Myro and Tessa Elliot with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Myro and Tessa Elliot are now in your harem, Linky.

Myro and Tessa Elliot showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Myro: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold,

jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Gallus, Allenby and Penelope's 2nd mission.

I snapped my fingers and made Flaming Bunnies.

Ronin: Flaming Bunnies? Wow.

Me: Fluttershy got scared of this but it's just painted bunnies.

Fluttershy: I'm used to this.

Me: Also Cheese has a brain the size of an amoeba but he drives many of our enemies bonkers.

Twilight Sparkle: It's true. Also Fluttershy is very sensitive when it comes to animals like that.

Nico: Opaline.

Me: No she's thinking of Lila Rossi.

Nico: Oh.

Ronin: Yeah that's her. Apple Bloom I heard that she caused LOTS of problems for you guys.

Sweetie Belle: Yeah she did.

Marinette: Mostly for me.

Me: She was an absolute nightmare for Paris and everyone there.

Nico: We first batlted her on the first mission I lead back in 2019.

Me: Long story but it was fun.

Ronin: Wow! Apple Bloom you and your friends did a great job in ridding the world of her back then.

Apple Bloom: Thanks.

Applejack: Yeah we're proud of our sisters for that.

Sunny Starscout: Opaline was from my time and it was because of her that she ruined everything that Twilight Sparkle, my hero and legacy, worked so hard to do.

Me: Opaline Arcana was pure evil incarnate. But because of one of our major enemies that Lincoln defeated, she used the last of her dark magic to bring her back and as part of a prophecy I have been chosen to destroy her.

Yuga: What prophecy?

Me: There's a Huge Planetary alignment coming in a few weeks and I was chosen to restore everything Twilight worked so hard to accomplish.

Eli: It's true.

Ronin: WHOA! You have your work cut out for you guys.

Pipp Petals: We sure do and we have to bring back Twilight and friends from our time.

Me: They went into a hibernation of sorts for over 1,000 years and the Legacies of Twilight and Friends can wake them up.

Yuga: Wow!

Ronin: You guys have a HUGE mission ahead of you.

Me: I know.

Gallus: As for me, my background story isn't nice.

Yuga: What do you mean?

Gallus: I am an orphan from Griffonstone and I didn't have any family growing up. I was unable to spend time with a family.

Me: You never told us about that Gallus.

Eli: Oh man. I'm sorry.

Gallus: It's alright guys. But thanks to a lesson I learned in Twilght's school, I learned that all you guys are my family.

Twilight Sparkle: Gallus sabotaged Hearthswarming because he didn't want all of us to fight over what he did. He learned that we are all family.

Eli: Oh my.

Gallus: Yeah.

Yuga: Oh man. I'm sorry Gallus. Maybe all of us can be with you. You see we will gladly be your siblings too.

Gallus: You will? Oh thank you!

He, Allenby and Penelope hugged them.

Me: Aww.

Rainbow Dash then started crying.

Rainbow Dash: (Crying) Oh so beautiful.

Rarity: Oh Rainbow Dash whatever is the matter darling?

Me: Aww she gets choked up at moments like this.

Nico: Yeah. Also they cemented family bonds even though the final mission hasn't come.

Me: Yeah.

Yuga: That is true.

Nico: Any enemies of yours active?

Ronin: Actually yes. Nail Saionji is back.

Yulia Yggdrasil: Dan told us about him and he is the reason why I'm present with you all. As the gene-slammer of Yggdrago the Sky Emperor it'll be awesome to see how he fairs.

Dan Kuso: I've been helping lots of my friends get ready for some of your enemies.

Yuga: Cool!

Me: Yep.

Penelope Stinky Florington: And I'll get ready for this.

She snapped her fingers and was in a green jumpsuit.

Me: Time to show the power of the Miraculous! KIBAL! LETS HOWL!

THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS!

I turned into WOLF MOON! 🌙

He transformed and was ready!

We were off.

We were flying.

Nico: He's gotta be here somewhere.

Me: (Sniffs) I smell honey. There!

I pointed to the Goha Building ruins and on it was NAIL SAIONJI!

Me: Target at 11:00!

We went down to face him and landed.

Yulia Yggdrasil: Nail Saionji. So we finally meet.

Nail Saionji: The famous Team Loud Phoenix Storm.

Me: That's right.

Nico: Why do you smell like honey?

Nail Saionji: Oh it's my cologne. I wear nice cologne.

Me: It smells nice though.

Nail Saionji: Thanks also I noticed that your friend has my Yggdrago on her.

Yulia Yggdrasil: That's because I am the gene-slammer of Yggdrago the Sky Emperor.

Me: Long story.

Yuga: That's right.

Nico: Sorry we have to fight.

Me: Lets summon our monsters!

We did so!

We summoned our monsters.

Nail Saionji: Now lets see you face mine.

He summoned YGGDRAGO THE SKY EMPEROR!

Twilight got out her Raise Buckle and it turned into an Elemental Blaster!

Twilight Sparkle: The Elemental Cannon of Skylands!

She fired and blasted Nail and Yggdrago!

Me: MONSTERS ATTACK!

They attacked and blasted Yggdrago and blasted him and blasted him left and right!

Me: YEAH!

Tommy: That will show you!

?: This is the end for you Dr. Tommy Oliver!

Me: (GASP) That voice!

Out came ZELTRAX!

Me: ZELTRAX!

Zeltrax: So you all have come. Now I can kill you all!

Me: Bring it on! You guys have your fun, I will battle him and it will serve as a good warmup to when we face you on Connor's day!

I went and faced him!

CLANG CLANG CLANG CLANG CLANG!

I sclashed with his sword and kicked him and slashed him all over!

I ducked under a kick and slashed him all over!

I kicked him and knocked him down!

I clashed with him more!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Zeltrax: This is the End of J.D. Knudson!

Me: No this is the end for you!

I kicked him and punched him and slashed him.

Me: WOLF MOON STYLE NINJA ART: JANUARY FIRESTORM SPEAR BLADE!

I fired waves of blue fire blades and blasted him all over!

I slashed him in his stomach and kicked him and sparks flew out!

Tommy got out his Raise Buckle and it was a Zeo cannon!

Tommy: THE ZEO CANNON OF RED RANGERS!

He fired a blast of red energy and blasted Nail down.

Nail Saionji: I take it you have a nasty history with him?

Nico: In a way.

Nail Saionji: J.D. is really showing no mercy!

I slashed him all over!

Marinette got out her Raise Buckle and it was a Ladybug Blade Launcher!

Marinette: THE BLADE LAUNCHER OF THE LADYBUG!

She fired blades and blasted Nail down.

I slashed Zeltrax all over.

I went at him and he fired waves of energy and they missed me and massive fiery explosions blasted off!

KRABBBBBBBBBOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!

Me: Mesogog is not gonna come and save your ass!

Penelope concentrated as something started coming out of her back and it was wings!

She turned into a Lepidopterran!

Ronin: WHOA! Is that Stinkfly?

Nico: Penelope is a Lepidopterran gene-slammer. Stinkfly's kind of called that!

She fired slime and drenched Nail!

HE SCREAMED AND WAS KNOCKED OUT!

I clashed more!

CLANG CLANG CLANG CLANG!

Me: This is the end for you Zeltrax!

I slashed him!

But then a blast of energy hit Zeltrax and he was down but now out!

Me: What the!?

Eli: Look!

We saw a Galarian Rapidash!

Me: WHOA! A Galarian Rapidash!

Penelope spat slime at Zeltrax and drenched him.

Nico: Where did that come from?

Me: I think I know.

Ronin: It's one of Dark Gale's work.

Me: Yep. Lets see.

I used Telepathy and gasped!

Me: It's Kari Han! Han's younger sister.

Nico: Han?

Me: The 5-Tails Jinchuriki.

Nico: Oh man!

I went to face her.

Me: Kari it's okay! Calm down.

She tried Striking me with her horn and I dodged her and stopped her.

Me: (GRUNT) Calm down Kari!

I snapped my fingers and she was a girl with white hair and pink yellow eyes and had white angel wings and had Kokuo and Galarian Rapidash on her forehead and had a Geyser on her arm as a cutie mark and had 5 white tails coming out of her butt and I wrapped her in a blanket.

Kari Han: (Groans) What happened?

Me: You okay Kari?

Kari Han: J.D.? Where am I?

Me: You're in Goha City And you were turned into a Galarian Rapidash by Dark Gale.

Kari Han: (GASP) I remember!

She was in a white suit and was injected and in a burst of light she turned into Galarian Rapidash! She ran out.

FLASHBACK ENDS

Kari Han: It was awful.

Me: I know but we destroyed Dark Gale.

Kari Han: Good. I am the Steam and Smoke Master of the team for Sonya and outside the team I am doing my best to bring the corrupt councils of the villages to justice for the prejudice against my brother and the Jinchuriki.

Me: Well we did that part.

Nico: Yeah. Also we're in the middle of a battle.

Rarity: Lets get you some clothes darling.

Rarity gave her new white clothes.

Kari Han: Wow I look awesome!

Nico: You sure do!

Me: Now lets dance!

We went at Zeltrax and blasted him all over.

Zeltrax: Crocker will be left out that I killed you before he did. But I'm sure he'll be cheered up once I send him your head!

Me: Crocker will die a HORRIBLE DEATH when we face him!

I kicked him!

Then a wave fo slime drenched him and out came a girl with magenta hair and red eyes and black clothes and wings and had a tiara with Stinkfly on it!

Me: (GASP) Serena Stinkfly!

Serena Stinkfly: (GRUNT) Good to see you J.D.

Me: You too. One sec. Zeltrax you are going to the Warp till Connor's day!

I then slashed him in half!

SLASH!

But then...

KRABBBBBBOOOOOOOOOOOMMMM!

The building was exploding!

Me: This place is gonna blow!

I grabbed Nail and we ran and got off of the building and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

THE ENTIRE BUILDING EXPLODED IN A MASSIVE FIERY EXPLOSION OF INTENSE POWER! WITH THE FORCE OF BEIRUT!

The explosion completely destroyed the Goha Corp. Building and it was reduced to nothing but a smoldering and flaming crater! Zeltrax was banished to the Warp!

Me: WHOA!

Tommy Oliver: That was close! Like what happened when Zeltrax's ship exploded!

Me: I remember that!

Serena Stinkfly: That was intense!

Me: You guys alright?

Yuga: Yeah we're fine.

Me: Good.

Serena lost control and fired a wave of slime at Tar Pit

SPLAT!

Tar Pit: OH YUCK!

Tar Pit fired slime blasts and dreched her.

I fired the cure ray and injected her.

Tar Pit: She should know better than to attack a slime man.

Tar Pit fired more slime and drenched her.

Ilana fired energy blasts and she got out her Raise Buckle and got an energy blaster.

Ilana: THE GALALUNA REVOLUTION BLASTER!

She fired waves of energy and blasted her.

We all got out our Raise Buckles and blasted her and Kari fired waves of energy and blasted her. Then the Antidote took effect and her green eyes were back to normal.

Serena Stinkfly: (GROANS) What happened?

Me: Ugly story.

Penelope reverted back.

Nico: (to Tar Pit) Aren't you made out of tar and not slime?

Tar Pit: Yes I am but Tar and Slime are two different things.

Nico: You're right.

Me: Confusing isn't it.

Nico: Yeah.

Yuga: That was cool though.

Me: It was. Also I got a great warmup against Zeltrax.

We later returned home

May: Hey guys! How did it go?

Me: Really awesome.

We told them everything.

Connor: Are you serious!? Zeltrax came?

Me: Yeah and he gave me a good warmup for your big day Connor.

Connor: At least you're going to be prepared for him.

Me: Yep.

Yulia Yggdrasil: Yeah but the entire Goha building exploded into a huge crater!

Han: Yeah but that's good you guys have Kari back.

Me: It sure is. Oh you guys go to Lynn's Table. I'll be there shortly.

Nico: Oh right. Important shinobi work.

I snapped my fingers and got into my Shinobi attire.

I teleported to the Leaf.

Nico: Next time, Tony Jones, Nate, Taranee, Potty Mouth, Stinkor, and Dr. Felonius should come.

Qin: Good idea!

Laney: Hope Yuga and friends can handle Potty Mouth's rotten mouth.

Nico: Don't worry I'll make sure he keeps it discreet.

Later everyone was walking over to Lynn's Table.

Nico: Man I am starving.

Eli: Me too!

Erica: I wonder what's for lunch this time?

Nico: We'll find out.

They went in.

Nico: GOOD MORNING LYNN'S TABLE CREW!

Lynn Sr.: Hey guys! Usuals?

Nico: You know it and what is your special today?

Lynn Sr.: We got something great! We have 20 meat pizzas with garlic knots and marinara sauce and mac and cheese bites!

Lincoln: (Drooling) Mac and Cheese!

Nico: We'll have that too!

I teleported in.

Me: Hey guys! Sorry about that.

Nico: No worries J.D. you made it just in time.

Me: Awesome.

Nico: J.D. will get the same thing.

Lynn Sr.: Coming right up!

We got tables and sat down.

We got our food.

Me: (Drools) Oh boy!

Courtney: Lets dig in!

We got to eating. We had our favorites and 20 meat pizzas with garlic knots and marinara sauce and mac and cheese bites!

Me: We were eating and eating and eating.

Me: (Eating) Mmm!

Eli: Oh boy! The 20 Meat Pizza is delicious!

Qin: It sure is!

We were really eating.

Eli: Yep. (Senses something) Uh oh! We got bad company coming!

We looked outside and saw a BUNCH OF MEN WITH BUCKETS FULL OF CHUM!

Me: UH OH! Guy Grazer is behind this! Be right Back Mr. Lynn.

We went and faced them!

I fired waves of energy and blasted them!

I kicked one Man and made him eat his chum and he THREW UP!

Mindwipe: Save some for us!

Mindwipe blasted the men and we finished them and then we came back. Sheila called in a bunch of cars and they arrested the men.

We came back and ate more.

Lincoln: (Eating mac and cheese bites) Hmm!

Qin: Boy everything is great!

Xenia: It sure is!

We were eating all the food and more and the plates were really piling up!

Cosmos: What's next? An army of appetizer monsters?

Squidward: HOLY FISH PASTE! That would be a terrible sight.

Nico: No kidding.

Carnivac: (to Courtney) Now that I think about it, what exactly is your last name?

Deadpool: The show didn't really reveal any last names.

Jamesdean5842: He's right on that. So people had to use their imaginations.

Courtney: Yeah. My full name is Courtney Martinez.

Nico: Cool name.

Laney: What about Heather's name?

Gwen (TD): Her name was Heather Veronica Lee.

Nico: Good to know.

Me: Yep.

We paid for the food and went back home.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than Onccalon, he's back for revenge on us and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than Onccalon, he's back for revenge on us and he's causing havoc.

EVERYONE GASPED!

Courtney: I can't believe it, so Onccalon's back for revenge, eh? This time, we're gonna make sure he never comes

back.

Zixx: That's for sure, Courtney. (Realizes something) Wait, I've got a feeling that Dark Sebastian's going to be there himself.

Me: We'll be sure to drive him back into the darkness where he belongs.

Trudy Lawrence: But, not before we give him what for especially for all the dirty stunts he's pulled in the past.

Qin: That two-faced snake's going to pay. Too bad we can't kill him alongside Onccalon.

Nico: No, that'll be left to Selena and Lincoln.

Me: That's right, the best thing we can do is drive Dark Sebastian away.

Lincoln: That's for sure, he needs to be driven away.

Nico: Right. Alright, let's get going to Canada. Onccalon, your time in this world is up!

Lincoln: You've lived for too long, Onccalon, and now, we're gonna make sure you disappear forever.

The previous group came.

Technus: Can me, Rowdyruff Boys, Common Cold, Roquefort, Katnappe, Xaldin, Waffle Woman, Salami Swami, Marluxia and Larxene go with you guys?

Boomer: Aw, you had food without us?!

Nico: Sorry about that we saved you some.

We gave them leftovers.

Boomer: YAY!

Nico: And yes you all can come with us.

Courtney: Yeah.

Boomer: All right!

Spectra Phantom: Nico, which Gene Slammer do you think you'll meet next?

Helios: I hope it's someone powerful,

Nico: Number 92: Heart-eartH Dragon and Number 91: Thunderspark Dragon.

Me: Whoa those are gonna be cool!

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's

Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: Alex Creighton, Hellfire Master of Darkness of The Order of The Dark Universe and Delilah Necroshade, Hellfire Master of The Dark Church of Malphas, and they're also causing havoc in Canada. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Was that?!

Lincoln: Alex Creighton, Hellfire Master of Darkness of The Order of The Dark Universe and Delilah Necroshade, Hellfire Master of The Dark Church of Malphas, and they're also causing havoc in Canada, and Zixx's right, Dark Sebastian's also there and causing havoc on his own.

Solla Nexcrota: So, those two snakes are causing havoc alongside Onccalon and Dark Sebastian himself is also there too. We'll need to keep those two snakes contained and drive Dark Sebastian away before we take Onccalon down.

Selena Mendez: When we destroy Dark Sebastian's traps, we'll make sure they get put in a force field and kept from attacking us.

Nico: Ooh, now this should be good. Alright, team, let's go, the time to destroy Onncolon has finally come.

Lincoln: Never again will he be free to cause havoc on the world, this time, we're going to finish him off once and for all, and once we get done with Onccalon, you're next, Alex Creighton, Hellfire Master of Darkness of The Order of The Dark Universe and Delilah Necroshade, Hellfire Master of The Dark Church of Malphas.

Solla Nexcrota: Alex Creighton, Hellfire Master of Darkness of The Order of The Dark Universe and Delilah Necroshade, Hellfire Master of The Dark Church of Malphas, you will both pay for the atrocities you madmen have committed after we get done with Onncolon!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Canada to finally get rid of Onccalon, and once we got done with that and end him forever, Solla Nexcrota and Lincoln are going to destroy Alex Creighton and Delilah Necroshade and send them to The Black Abyss.

We were off.

We arrived.

Me: We're here.

Camie: Yep.

Ymir: Awesome to be in Canada.

Courtney: And no Billy McLean and the Sore Losers here.

Qin: Yep.

Butch: Let's call Count Vertigo.

Me: Good idea.

We did so.

Count Vertigo: I'm here and ready.

Me: Cool!

Mario: I'm ready for action!

Brontes: So am I!

Volt Luster: Love the enthusiasm.

Me: Awesome!

Erica: Yeah and we're going to kick some butt!

Qin: Big time.

LOUD SUPER NASTY HORRIBLE FART!

Sally Stomach: Oops sorry. Garlic gives me REALLY NASTY awful farts.

Katnappe: You ate garlic, didn't you?

Sally Stomach: Well they don't call them Garlic Knots for show.

Me: She's right.

LOUD SUPER NASTY HORRIBLE FARTS!

Qin: Geez!

Unknown to us, a familiar enemy was approaching us from behind ready to attack.

Plitheon: Anyone get the feelings we're being watched?

Jesse Glenn: A surprise character must be preparing to make his entrance.

Me: And I sense him behind us!

I fired a blast of energy and it hit a figure and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMMM!

The figure was DEETH!

Me: Deeth!

Deeth: You got lucky that time!

Salami Swami: There's no next time for you!

Me: Nice try Deeth! But you should know better than to try and sneak up on us.

Qin: Yeah!

Me: This time there is no mercy!

I fired waves of energy and obliterated him in an instant and banished him to the Black Abyss.

Me: He sure was disappointing.

Mason Brown: That was disappointing.

Avior: I expected more.

Me: Me too. But we were too strong for him.

Camie: Loser.

Ymir: Yeah he sure was.

Nico: Yep.

Lincoln: WHOA! And I just found out who the Akuma is. It's Courtney's Akuma and her name is Inferno Camper. The Hypothetical Akuma of Courtney and a master of fire and heat. She was made because of all the murderous challenges of Billy McLean and vowed to kill him.

WE GASPED!

He showed a sketch of her and she looked like a camp counsellor with a fire aura and fire angel wings!

Me: WHOA! She is hot!

Nico: She sure is.

Me: Yeah.

Courtney: And hot tempered like me.

Lola: Yeah.

Qin: This is gonna be good.

Nico: Where is she?

SCREAMING AND PUNCHING!

We followed the screaming and saw INFERNO CAMPER BEATING THE LIVING SHIT OUT OF EVA!

Me: What the?!

Courtney: Eva?

Inferno Camper: I HATE YOU FUCKING BITCH! I HATE YOU!

POW! SMASH! WHAM! BLAM!

She was beating her up REALLY BAD!

Me: I could use some stress relief.

Lynn gave me a baseball bat.

Me: Thanks Lynn!

I went over and helped bash her brains out!

BASH WHAM SMASH WHAM BAM BLAM WHOMP SMASH!

WE WERE BASHING EVA INTO PULP! SHE WAS A REALLY BLOODY AND MANGLED UP MESS!

Bridgette: She deserved it.

We were panting.

Me: (CRACKS NECK)

CRUNCH! CRACK!

Me: Man that felt good.

Inferno Camper: It sure did. Thanks J.D.

Me: No problem.

I gave Lynn her bat back.

Me: Sorry about the blood.

Lynn: No worries.

Marluxia: Courtney? Is that you?

Inferno Camper: Yes it's me. I'm just pissed off right now! Where is Billy?

Me: Dead. We banished him to the Black Abyss. But we have a clone of him at Lynn's Table for humiliation fodder.

Count Vertigo: You need to calm down!

Inferno Camper: Only if you guys let me thrash Billy.

Me: Fair enough.

I snapped my fingers and brought the clone of Billy over and she let loose hell on him!

SHE REALLY BASHED AND SMASHED AND PULVERIZED THE LIVING CRAP OUT OF HIM!

MASSIVE NUMBERS OF FIGHT SOUNDS AND SCREAMS OF PAIN AND AGONY!

Lync Volan: Why not just let her kill the clone?

Me: Because then it will reduce our humiliation fun.

Lync Volan: Good point.

She was still going at it!

Nico: How much longer?

Me: Any minute now

* * *

French Narrator: (French Accent) Approximately 7 hours and 46 minutes later...

* * *

We waited and she was STILL GOING AT IT! Until she stopped.

Me: WHOA! What a way to let loose.

Inferno Camper: Ahh.

Then a massive explosion of gold and jewels came out of him and then we teleported him back.

Inferno Camper: Thanks guys. I needed that. Okay.

I fired waves of energy and blasted her.

Count Vertigo made her dizzy and she threw up.

Inferno Camper: My turn!

She fired blasts of fire and we absorbed it and I fired waves of energy and blasted her down. She was knocked out.

Me: Take that!

Larxene: What do we do with Eva?

Me: Leave her here to die. She is not worth shit.

We saw that she was gone.

Lena Isis: Gone. Anti Monitor must've gotten her out of there.

Phosphos: We'll deal with her another time.

Me: She probably will appear on one of the Total Drama contestants day to shine.

Qin: Yeah.

Lola: Oh well.

We heard the maniacal laughter of Onccalon as he's causing havoc, and we heard the demonic and deranged laughter of Dark Sebastian, Alex Creighton, and Delilah Necroshade from far away.

Nico: Aha, the bastard is already causing havoc, same with those three snakes. Alright, then, let's get going and send that bastard to The Black Abyss.

Lincoln: But, first. Selena.

Selena Mendez: On it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Trakeena is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Alex Creighton, Delilah Necroshade, Onccalon, and Dark Sebastian saw it, and they let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, monsters.

Nico: Okay, now we can get after Onccalon without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see Alex Creighton, Delilah Necroshade, Onccalon, and Dark Sebastian raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate, but it grew even stronger because of the hatred of Alex Creighton and Delilah Necroshade.

Lincoln: Keep it up, you snakes. In the end, you're just going to make things worse for yourselves.

Suddenly, the spirits of Zixx and her friends appeared and they attacked Alex Creighton, Delilah Necroshade, Onccalon, and Dark Sebastian and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive fiery explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Alex Creighton, Delilah Necroshade, Onccalon, and Dark Sebastian even more pissed off than ever.

Courtney: I should've known you'd show up here yet again, Onccalon!

Nico: You got some nerve coming back here, you digital bastard!

Me: And it was thanks to Anti-Monitor that did this.

Lincoln: Plus, I knew you two snakes would be left behind to continue to cause havoc, but it matters not. Once we get done with Onccalon, you two snakes are next, and I should've known you'd also be here too, Dark Sebastian.

Alex Creighton: YOU MISERABLE WOLF!

Delilah Necroshade: WE WILL DESTROY YOU ALL IN THE NAME OF MALPHAS!

Dark Sebastian: YOU HAVE ALL HUMILIATED US FOR THE LAST TIME! THIS IS WHERE YOU ALL DIE! ARMIES OF MALPHAS, ATTACK! KILL THEM ALL!

Suddenly, hordes of male hellhounds loyal to Malphas arose from Hell and they charged at us.

Lincoln: Hah, that's a good one, summoning hellhound hordes loyal to Malphas.

Lincoln went after the massive 12'6" male hellhounds, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" hellhound and its' massive pack of 12'6" massive hellhounds, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the hellhounds and Lincoln drained the hellhounds' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Alex Creighton, Delilah Necroshade, and Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN YOU! DAMN YOU!

THEY WENT REALLY BALLISTIC! BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD!

Then, Lincoln trapped Alex Creighton and Delilah Necroshade inside a force field to keep them inside, but Dark Sebastian remained.

Lincoln: That'll keep you jerks inside. Now, to deal with you, Onccalon, and you're also going to get beaten to a pulp, Dark Sebastian, before we send you running back to Hell.

Me: Yeah!

I teleported and punched Onccalon in his face and knocked him down!

He got up and saw us!

Me: This time you are never coming back Onccalon!

Oncaalon came at me and I ducked under a punch and kicked him in his face and punched him in his stomach and kicked him in his chest and fired an energy blast and blasted him in his arm!

I kicked him in his face and knocked him down!

Waffle Woman: Care for some waffles?

She fired waffles and blasted him all over.

Erica went at him and kicked him all over the place!

Erica: Remember me dirt clod?

Tricloid: Because she remembers you!

Oncaalon: I WILL KILL YOU BITCH!

Erica: Bring it on!

She kicked him and threw him down and bashed his chest numerous times and kicked him in his back and sent him flying!

Then a figure flew in and it was a girl with pink and blue hair and purple eyes and had pink wings and purple and blue clothes and had a Revice blaster and sword and also had the Revice Riders symbol on her arm, forehead, shirt and skirt.

Lincoln: Rhonda Igarashi!

Me: The Embodiment, Avatar and Queen Goddess of the Revice team no doubt.

Rhonda Igarashi: Hey guys and Linky! Sorry I'm so late and didn't show up. I was fighting on the distant planet of Lhowedda.

Nico: WHOA! That's okay.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Rhonda Igarashi, Embodiment, Avatar, and Queen Goddess of The Kamen Rider Revice Team, she's Lincoln's Guardian Angel from Japan and she's a deadly powerful master of good and a very powerful master of the very forces of Heaven and Hell as well as Angels and Demons and light and dark magic. She's a powerful master of all the powers of the Revice Riders and the Deadman and more and she also hates Giff and his followers with a vengeance. She is stronger than him and all the villains and riders times 700,000,000,000,000,000,000 and vowed to kill GIff. She moved to Michigan, and she trained Lincoln in the powers of Light and dark magic as well as the powers of angels and demons and more and all the powers of all the Revice Riders and the Deadman. Plus, she also helped him with getting stronger and faster, and because of that, Lincoln became as strong as all the Revice Riders and the Deadman combined times 700,000,000,000,000,000,000, and she also taught Lincoln the secrets of light and dark magic. Lincoln made her a Kamen Rider Revice-themed necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he'll marry her along with the rest of his harem. Also, she hates all of Lincoln's Enemies with a vengeance and she knows all of their sins and vowed that if they ever stepped out of line she would banish them to the lowest level of Hell where Lucifer would devour them forever!

Me: WHOA!

Qin: You arrived just in time.

Lola: Yeah!

Lobo: Better late then never!

Rhonda Igarashi: Yep.

She fired waves of lightning and energy and blasted Oncaalon all over.

I fired waves of energy and blasted him.

Roquefort: Cheese Ninjas. Attack!

NUMEROUS CHEESE NINJAS slashed him all over.

Me: What's wrong little sissy pants? Had enough?

Oncaalon: (GROWLS IN RAGE!) I HATE YOU ALL SO MUCH!

OUR AURAS FLARED UP!

Me: Thanks for the power boost bitch!

Horri Bull: Have some of this!

He fired laser blasts and blasted Oncaalon furiusly!

Qin fired waves of fire and blasted him.

Ymir blasted him with darkness blasts.

Common Cold: I'm sick of you!

He fired a blast of snot and drenched him.

Me: Yeah! You are forgetting Oncaalon that this is OUR WORLD and you are not data in the Virtual World where we battled the last time! This is the real world where we are made of flesh and blood! Now you face us on the Physical Plane!

I then tapped into my Rainbow Power!

Me: (Fire swirled behind me) I am the Champion of Friendship and Protector of the Earth and loved by all. When my Cutie Mark Comes to life, Fire and Justice brings evil to a fall!

I then transformed into my Rainbow Power Form!

Me: Time for the Fire of Justice to Burn!

I slashed him and burned him bad!

Heatran charged at him and blasted him with fire.

I fired waves of intense rainbow fire and blasted him all over.

Erica: And there is another thing that we have that you NEVER will!

Oncaalon: And what is that?!

Me: A true heart of love and friends!

I fired waves of rainbow fire and blasted him all over.

Lucca and Ayla charged at him and blasted him with fire and energy.

Lucca and Ayla: TIME FIRE BLAST!

Lincoln attacked Onccalon with one final powerful downward swing of his massive greatsword and that caused a massive explosion to erupt and the chains broke and Onccalon was on his last legs as Lincoln landed in front of us.

Ed Cowart: All right, you uglyass alien piece of crap, you get yours!

Ed Cowart proceeds to insult Onccalon.

Ed Cowart: You know, for a main villain, you're nothing more than dime store darkseid knockoff and a shitty one at that. What, you couldn't afford faster healing tanks, so you got the dime store knockoffs as well, at least you're not as cheap as Flip or that rat with wings, Sergio, for that matter. You're also a shitty bootleg version of Vilgax. Accept defeat, you Napoleon Bonaparte ripoff, and one last thing?

Ed Cowart grabbed a lobster and shoved it down Onccalon's pants then the lobster chomped on his crotch making him scream like an opera singer. Then, Ed Cowart threw paint cans at Onccalon's face breaking his teeth and his nose, then he pushed Onccalon down a 200 feet high hole, and Onccalon landed face first!

Onccalon: OW!

Ed Cowart then fired staples first at Onccalon's butt cheeks, then at Onccalon's nuts, and then, his face leaving his face scarred.

Onccalon: OW!

Then, Ed Cowart set Onccalon's head on fire and he threw Onccalon at a pool of liquid methane which explodes leaving Onccalon really dizzy. Ed Cowart then wedgied Onccalon and pulled his underwear over his head.

Ed Cowart: WEDGIE!

Onccalon got his underwear off his head!

Onccalon: AGH! You're gonna pay for this humiliation, how dare you humiliate me!

Ed Cowart raised both middle fingers: one to Onccalon and one to Dark Sebastian, and that pissed them both off!

Ed Cowart: Piss off, uglyass alien piece of crap and Satanic slime!

Dark Sebastian: WHY YOU! HOW DARE YOU HUMILIATE ME LIKE THIS! YOU'RE GONNA PAY FOR THIS, ALL OF YOU! YOU WILL ALL DIE! (ENRAGED DEMONIC SCREAM)

DARK SEBASTIAN FIRED A BLACK ENERGY BEAM THAT DESTROYED THE BARRIER AND FREED ALEX CREIGHTON AND DELILAH NECROSHADE!

Then, they charged at us, but Lincoln swung his massive greatsword and fired a massive shower of light blades that hit Alex Creighton, Delilah Necroshade, and Dark Sebastian piercing them and they were sent flying into a wall and were pinned to the wall!

Ed Cowart: And now..., Leaf Village Secret Finger Jutsu!

Ed Cowart performs One Thousand Years of Death on Onccalon!

Ed Cowart: One Thousand Years of Death!

And Ed Cowart finished by turning Onccalon into a villain pretzel!
